Jack: Whoa-oh!

I'm the only Pumpkin King!

The final barrage of attacks from Brandon Skellington and Jack Skellington and all of us caused tons of damage to Oogie Boogie as the song ends as Jack Skellington and Brandon Skellington and us all take a bow, and Oogie Boogie let out a scream of !

I then SLASHED HIM IN HALF and all his bugs came pouring out of him!

Lana and Leif: DINNER TIME!

Condiment King: Let me make the bugs more appetizing!

Condiment King squirted ketchup and mustard on the bugs!

Oogie Boogie: OH NO NOT AGAIN! CURSE YOU TEAM LOUD

PHOENIX STORM! MY PRECIOUS BUGS! MY BUGS! MY BUGS! MY BUGS!

CRUNCHING AND MUNCHING!

Timon, Pumbaa, Lana and Leif were eating and eating and eating and eating all of his bugs!

Oogie Boogie: (VOICE SHRINKING) MY BUGS! MY BUGS! MY BUGS! MY BUGS!

Me, Timon, Pumbaa, Lana and Leif then released a MASSIVE BELCH!

LOUD NASTY AND HORRIBLE BELCH!

Oogie Boogie's spirit came out, and he was forever sent to The Black Abyss, good riddance forever, you bag of bugs! We cheered as we holstered our weapons and powered down, and the new bodies, clothes, weapons, jewelry, Third Eyes, 100 massive and long blonde wolf tails and 105 massive and long blonde wolf tails, large gold halos and large Yata no Kagami mirrors behind the gold halos with four large orbiting gold rings on each corner and four large Yata no Kagami mirrors behind the gold rings behind the heads, one-hundred large colored planets orbiting around the legs, one-hundred smaller colored planets orbiting around the waists, smaller planets orbiting around the fingers, medium sized colored planets orbiting around the wrists and ankles, and massive colored angel wings and 100 and 104 sets of large colored angel wings underneath the massive colored angel wings of Leif Loud, Lana Loud, Jack Skellington, and Sally are permanent.

Nico: YOU ARE FUCKING DISGUSTING J.D.!

Me: Good riddance forever, Oogie Boogie!

Lincoln: Now, the terror of Oogie Boogie has finally been brought to an end. Now, there's one last thing to do and one last loose end to tie up: Hadlar.

We then turned our attention to Hadlar who was still in suspended animation.

Hadlar: YOU! WHEN I GET OUT OF THIS, I WILL DESTROY YOU!

When all is said and done, what little did you achieve through your actions. You walk the path of a coward always creeping your way through the dark. That's a path that all villains like you have taken, and it's one that'll follow you into death. Hadlar, may you suffer for eternity with not a kindred soul to give you any solace, this is where we end this once and for all!

Time to die, you evil tyrant!

Lincoln, Aurora Nunavut Cooper, Nico, and I went after Hadlar and we fired extremely powerful blasts of rainbow, white, golden yellow, and blue energy, aura energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer

Then, we attacked him with powerful slashes from our massive greatswords leaving bleeding scars on them and Lincoln left many more by firing rainbow energy slashes with his gold-plated claws and his two massive greatswords and he even fired red and blue wolf fire at him as well and I also left many more by firing rainbow energy slashes with my gold-plated claws and fired blue wolf fire as well same with Nico, and Aurora Nunavut Cooper did the same by firing black and dark blue, white, golden yellow, and blue energy slashes from her gold-armored dragon claws and her massive greatsword, and Lincoln, Aurora Nunavut Cooper, Nico, and I attacked him hard with punches, kicks, and karate chops and they're super mega-painful because of our massive godly superhuman strength, and this was making Hadlar even more angrier than ever.

Suddenly, Lincoln's massive white angel wings and 104 sets of large white angel wings under his massive white angel wings spread out and three halos of rainbow energy formed with intricate designs inside it and a halo of gold energy with intricate designs formed above his head with intricate designs, and it formed into a purifying field and it hit Hadlar and we all found ourselves not only in Heaven, but also, in space.

Then, Lincoln charged and smashed his rainbow energy infused left fist into the stomach of Hadlar and a cluster of rainbow, white, golden yellow, and blue heavenly flames exploded out behind him. Then, Lincoln formed a very massive glowing rainbow energy blade surrounding the 12'9" massive, wide, double-edged gold blade of his massive greatsword.

Then, Lincoln morphed the tips of his 105 massive and long brown wolf tails into Cell's stingers and he stabbed them into Hadlar's chest and he began absorbing him and he assimilated Hadlar's Control over monsters and undead monsters, Enormous magic power, Enormous mastery of battle spells, Enormous fighting skills, Enormous strength, Enormous speed, Enormous durability, Retractable Hell Claws assimilated into his claws, demonic physiology, Regeneration, Always resurrects mightier than before, Huge power boost, Incredible dark fire aura, and Orichalcum sword, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his massive white angel wings and 104 sets of large white angel wings underneath his massive white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on his 105 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Then, when Lincoln was done and the stingers changed back, nothing was left of Hadlar, and Lincoln drained his soul of energy and he sent him to The Black Abyss and he let out a loud and massive howl of dominance and power as he pounded his chest like a gorilla and he flexes his massive muscles!

We cheered wildly as we holstered our weapons and powered down and Aurora Nunavut Cooper's new body, clothes, weapons, jewelry, Third Eye, larger raccoon ears, larger raccoon tail, large gold halo and large gold Yata no Kagami mirror with gold flame ring-shaped frame around it with embedded dark blue gems behind the gold halo with four large orbiting gold rings on each corner and four large Yata no Kagami mirrors with gold flame ring-shaped frames around them with embedded dark blue gems behind the gold rings behind her head, one-hundred large black and dark blue planets orbiting around her legs, one-hundred smaller black and dark blue planets orbiting around her waist, smaller planets orbiting around her fingers, medium sized black and dark blue planets orbiting around her wrists and ankles, and massive black angel wings and ninety-nine sets of large black angel wings underneath her massive black angel wings are permanent.

Aurora Nunavut Cooper: It's over for you, Alpha Prime, and to this we say good riddance. Thanks for helping me get rid of that evil tyrant, Lincoln. You too, guys.

Lincoln (Smiles Warmly) You're welcome, Aurora.

Me and Nico: Our pleasure, Aurora.

Suddenly, Aurora Nunavut Cooper wrapped her arms around Lincoln's waist, as her breasts pressed against Lincoln's massive pecs and her stomach pressed against his twelve-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Aurora Nunavut Cooper's face, they kissed passionately as she moved her hands onto Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, Dragon, Tiger, Mermaid, Angel, Fairy, Succubus, Incubus, Windigo, Alicorn, Demon, Vampire, Werewolf, and Doves flying in the air, and we saw a herd of Buffalo and many animals running across the field and elemental forces behind them and we cheered wildly. Then, Lincoln and Aurora Nunavut Cooper sucked in and absorbed the elemental forces and they came back to us as the display vanished.

Sly Cooper: Now, that's what I call impressive. Aurora, you transformed and you guys really let that evil tyrant have it.

Me: That's for sure, they didn't stand a chance against us even now. So, Lincoln, who's the next girl we're meeting on your rescue tomorrow?

Suddenly, we saw the symbol of The Gem-Knight Order of Crystal Justice with Gem-Knight Lady Diamond.

Lincoln: The symbol of The Gem-Knight Order of Crystal Justice with Gem-Knight Lady Diamond.

Catherine Diamantis: There's only one person who matches this: Melanie Diamanda, Avatar and Gene-Slammer of Gem-Knight Lady Brilliant Diamond, and you guys are going to love meeting her, Melanie Diamanda, Avatar and Gene-Slammer of Gem-Knight Lady Brilliant Diamond, is Lincoln's Guardian Angel from Michigan, she's a powerful and extremely deadly angel who was born with the powers of Cosmic Geokinesis, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the powers of all gems and crystals. She's known as The Diamond Master and the second-in-command of The Gem-Knight Order of Crystal Justice, a group of girls who are the Avatars and Gene-Slammers of The Gem-Knight Duel Monsters and who were born with the powers of Cosmic Geokinesis omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the powers of all gems and crystals, and their goal is to not only protect and defend Lincoln from his enemies, but also, to bring an end to the order's archenemies: The Steelswarm Subjugation Coalition, a group of evil girls who Gene-Slammed themselves into The Steelswarm Duel Monsters and wanted to destroy mankind and rule the world, but before they were Gene-Slammed, they were narcissistic abusive controlling bitches who got a sick kick out of destroying families and ruining their lives for their own sick and twisted amusement and to satisfy their need for control, but when they tried to destroy Lincoln's family, they wound up getting their lives ruined and Catherine and her friends banished those bitches into the deep abyss where The Steelswarm Duel Monsters were banished to in ancient times, and they swore to get their revenge on them for this. Melanie Diamanda came to Royal Woods where she met Lincoln, and she taught him how to master the powers of Cosmic Geokinesis, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the powers of all gems and crystals, and over time, Lincoln gained Cosmic Geokinesis, omnipotent power, Omnipotence, Omniscience, Cosmic Awareness, and the powers of all gems and crystals, and he was already born with immortality and invincibility, and she also helped him seriously bulk up in muscle and she also knew Lincoln is an Alpha Vampire-Werewolf hybrid and an extremely powerful and attractive one, and more than once, she'd kissed him on the lips and made out many times and he came back home all covered in kisses and his tails were wagging like crazy, and it made her love for him grow even stronger, and she helped him really bulk up even more in muscle and she also helped him grow in intelligence, power, and knowledge. Lincoln made her a beautiful rainbow diamond ring, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem, and she's used her powers to keep Lincoln's enemies in line, but there is one person whom she despises and desires nothing more than to kill: that person is none other than Carly Draeger, Gene-Slammer of Steelswarm Caller and member of The Steelswarm Subjugation Coalition, she was a heartless, sadistic, loathesome, evil, narcissistic, abusive, controlling bitch who got a sick kick out of destroying innocent families and ruining their lives for her sick twisted amusement and to satisfy her need for control, and she was also the one who murdered Melanie's parents and her little sister, Mary, in cold blood, and she swore to kill Carly and make sure she's sent to The Black Abyss forever!

Me: Oh man...!

Lincoln: Melanie lost both her parents and her little sister, Mary, and Carly Draeger killed them in cold blood because they got in her way, she hated life itself and got a sick kick out of destroying innocent families and ruining their lives for her sick twisted amusement and to satisfy her need for control and destruction.

Qin: Another damn, heartless, sadistic, loathesome, evil, narcissistic, abusive bitch!

Nico: She don't deserve to live, if that bitch shows up along with the other bitches, they're dead!

Me: That was so fun!

Nico: That was disgusting!

Onyx: But it was worth it!

Santa: Thank you, everyone. I think this went a lot better then last time.

Nico: It sure did.

Me: I lost track of how many times we saved you Santa but yeah. Now we've officially seen the last of Oogie Boogie.

Nico: Yep. And now that's another one of Disney's big bad villains dead.

Jet: Let's celebrate in Halloween Town.

Waffle Woman: And then in Christmas Town.

Rojo: But what do we do about Mandarin helping us?

Carmen Dillo: We're keeping this between ourselves until after Tony's big day

Me: Good idea. Nico do you feel much better?

Nico: I sure do! Now that dark chapter of the 20 Days of Darkness is officially behind me.

May: Thank goodness.

Lola: Good!

Nico: Great job today everyone. But great job to you J.D. Your perceptiveness was spot on today.

Me: Thanks. But I don't deserve all the credit.

Lana, Leif and Timon and Pumbaa belched.

We laughed!

Jack Skellington: That was awesome well done guys!

Me: Yep.

Sally: (To the Viewers) Now Oogie Boogie is gone for good.

Me: Good riddance.

We had Halloween Candy and Christmas Turkey for dinner too.

We returned home, and hours later, night fell on the city, and Lincoln's harem and Guardian Angels were heading to the hot springs in Lincoln's room.

Lily the Mermaid: We finally did it. We got rid of Oogie Boogie!

Anna Anyanova: After what he did, he doesn't deserve to live ever again.

Then, just as they were about to enter the room, they caught the scent of roses and a strong cologne in the air, and as they opened the door, there in the hot waters was Lincoln who was in an orange speedo, and his towel was on the rack, and when his harem saw him, they had an atomic red blush on their cheeks and their noses gushed out blood.

Lincoln: (Seductive Voice)(Flexes his massive arms and his massive biceps bulged even more with more veins forming)(Smirks) Like what you see, ladies?

They could only nod, and they went up to Lincoln as they stripped off their clothes leaving them in their two-piece bikinis and they joined Lincoln and the hot water's minerals really did wonders for them. Then, they went to the massive expanding sauna, and the hot steam really did wonders in opening their pores.

Finally, they got out and the girls were on top of Lincoln as they kissed passionately.

Lily the Mermaid: (Rubs Lincoln's massive pecs)(Seductive Voice) My God, you're still the same intense kisser from long ago, and getting pumped full of Regina Fessterox's Perfect Gene-Slammer serum along with her patented muscle mass growth serums and potions, muscle mass growth supplements, brain growth serums, brain growth supplements, testosterone growth serums and potions and virility growth serums and potions has already gotten you ready for another...passionate night. You ready, you now even more handsome massive hulking hunk of a wolf?

Suddenly, Lincoln's Mark of The Incubi on his left thigh started glowing with intense red light, and Lincoln gained another extreme increase in his already abnormally high sex drive, hyperpuberty, and genes that he inherited from his parents, and the supernaturally potent and powerful aphrodisiac pheromones that enhanced his own infinite-times high levels of libido and other sexual aspects was out in full force and his eyes turn from deep sapphire blue to deep blood red with slit pupils: the effects of The Mark of The Incubi have taken hold of him.

Then, Lincoln wrapped his arms around Lily the Mermaid's waist and laid her on his bed with him on top of her and he kissed her passionately as he still had his arms around her and she had her hand on his speedo about to remove it and leave him in the nude with the rest of his harem joining in.

Lincoln: (Seductive Voice)(Smirks) You bet. Alright then, I hope you're ready, ladies. (Seductive Wolf Growl)

Lincoln used his 105 massive and long brown wolf tails to push the door shut, and then, the barrier activated, but it also turned deep red thanks to the magic of Lincoln's Mark of The Incubi activating.

Another awesome chapter done.

Oogie Boogie is gone for good.

This chapter is dedicated to Ken Page, Oogie's voice actor. He voiced him back in 1993. He will never be forgotten. Thank you Ken.

Lincoln made her a beautiful rainbow diamond ring, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem, and she's used her powers to keep Lincoln's enemies in line, but there is one person whom she despises and desires nothing more than to kill: that person is none other than Carly Draeger, Gene-Slammer of Steelswarm Caller and member of The Steelswarm Subjugation Coalition, she was a heartless, sadistic, loathesome, evil, narcissistic, abusive, controlling bitch who got a sick kick out of destroying innocent families and ruining their lives for her sick twisted amusement and to satisfy her need for control, and she was also the one who murdered Melanie's parents and her little sister, Mary, in cold blood, and she swore to kill Carly and make sure she's sent to The Black Abyss forever!

Next up is Lexx Loud's day to shine and we're going to battle Princess Morbucks! This time she is not worth killing and we're going to send her to the M.O.E.

See you next time.

FALL OF THE WORST SPOILED BRAT

Princess Morbucks is back on Lexx Loud's Day.

In the early morning hours of 12:00 AM, Lincoln was asleep along with his harem and kids, and he had a dream as it took him to a distant galaxy, and there he saw what he couldn't believe: there was a planet of eternal darkness and a massive city with smaller cities connecting the main city with a Sun, but billions of years ago, this planet was once inhabited by powerful male warrior angels who were not only and night hunters, but had powers over darkness and the shadows, and were given even more incredible powers, immortality, virility, and invincibility by the deities they've worshipped, fought against numerous ancient monsters and demons, and impressed many of the females, and they were among the most advanced civilization in The Forbidden Zone. But, they'd been defeated by The Infernairans eons ago and imprisoned inside a well where their souls remain imprisoned to this day. Lincoln woke up.

Lincoln: Was that?

Lincoln 2: (Through the Rainbow Thunderbird and animals on Lincoln's forehead) Another planet in The Forbidden Zone, that was Umbraira, a black and purple planet of eternal darkness in The Forbidden Zone that was inhabited by powerful warrior angels called The Umbrairans, the males were not only natural born fighters and night hunters, but had powers over darkness and the shadows, and were given even more incredible powers, immortality, virility, and invincibility by the deities they've worshipped, fought against numerous ancient monsters and demons, and impressed many of the female Umbrairans, and they were among the most advanced civilization in The Forbidden Zone. But, they'd been defeated by The Infernairans eons ago and imprisoned inside a well where their souls remain imprisoned to this day.

Lincoln: How many planets have the Infernairans terrorized?!

Lincoln 2: (Through the Rainbow Thunderbird and animals on Lincoln's forehead) One too many, and the Sun you saw on the planet, Lincoln, it's infinite-times hotter than The Sun and the amount of solar radiation also exceeds that amount, the male Umbrairairans trained under the harsh heat and sunlight along with other extreme weather events. You need to head to the well where their souls are imprisoned and absorb them into your body, and once that happens, you'll gain their powers over darkness and shadows, and their many incredible powers, immortality, virility, and invincibility, and you must absorb the planet's core and The Sun of Fulguraira as well.

Lincoln: On it.

Lincoln got up and got dressed, and he left a note explaining it, and then, he headed off to Planet Umbraira once inhabited by The Umbrairans, but were defeated by The Infernians eons ago and were imprisoned in a well where their souls remain imprisoned to this day, and The Sun that's infinite-times hotter than The Sun and the amount of solar radiation and light also exceeds that amount, and the planet was like the many planets we've been to, but had an amazing and advanced massive city with smaller cities connecting the main city.

Lincoln landed on the planet.

Lincoln: Wow! So, this is Planet Umbraira, it's really spooky!

Lincoln 2: (Through the Rainbow Thunderbird and animals on Lincoln's forehead) Yep. This place used to be full of life, but now, it's silent as the grave.

Suddenly, Lincoln felt incredible power coming from the north, and there he found it: the well of souls of Umbraira.

Lincoln: There it is.

Then, Lincoln hovered his hand over the intricately carved stone cover with a purple gem surrounded by angels carved on it, and then, the purple gem in the center glowed. Suddenly, the cover came to life and slid off, and then, a massive tornado of purple souls came out numbering in the septillions: they were the quadrillions of souls of the ancient male warrior angels of Planet Umbraira.

Lincoln: Unreal!

Suddenly, the septillions of souls of the ancient male warrior angels of Planet Umbraira then flew at Lincoln, and one by one, they each began entering Lincoln's body and they merged with him as he gained an astronomically massive power boost and he gained their powers over darkness and shadows, and incredible godly powers, immortality, virility, and invincibility, and his abnormally massive and powerful upper and lower body muscles bulged even more and veins formed, and his massive white angel wings and 104 sets of large white angel wings underneath his massive white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on his 105 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Lincoln: (GROWLS) Oh man, this feels incredible. RRGH!

When it was done, Lincoln's rainbow, white, golden yellow, and blue energy aura was raging like a wild fire and he had a rainbow, white, golden yellow, and purple aura with shadows surrounding him and the rainbow, white, golden yellow, and blue protective aura as well as he pounded his chest like a gorilla.

Lincoln: Oh man, all of their powers over lightning, storms, superhuman strength, and their incredible godly powers, immortality, virility, and invincibility along with their spirits and lives have merged with my body.

Lincoln 2: (Through the rainbow Thunderbird on Lincoln's forehead) Along with eons of combat experience. Now, there's one last thing to do.

Lincoln flew deeper and deeper into the planet, and then, he found it: the core of Planet Umbraira, the inner and outer cores of the planet consisted primarily of iron and nickel and are extremely white hot with the temperature at 99,999 degrees Fahrenheit, and his rainbow, white, golden yellow, and blue energy aura was flaring up and he was growing stronger thanks to him absorbing the immense heat.

Then, Lincoln flew into the planet's core, and his rainbow, white, golden yellow, and blue energy aura flare up even more as he began absorbing the core of the planet and Planet Umbraira itself into his body and he was really growing even stronger than ever, and his abnormally massive and powerful upper and lower body muscles bulged even more and veins formed, and his massive white angel wings and 104 sets of large white angel wings underneath his massive white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on his 105 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Lincoln: (GROWLS) Oh man, this feels even more incredible. RRGH!

Then, when Lincoln was done, his rainbow, white, golden yellow, and blue energy aura with mythical animals, beasts, and animals and his rainbow protective aura was like a raging fire, then, a rainbow fire aura flared up around the two auras as well, and then, he disappeared in a flash of light and reappeared in space. Then, he flew into Umbraira's Sun and he sucked it in and absorbed it into his body, and his abnormally massive and powerful upper and lower body muscles bulged even more and veins formed, and his massive white angel wings and 104 sets of large white angel wings underneath his massive white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on his 105 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Lincoln: (GROWLS) Oh man, this feels incredible. RRGH!

When it was done, Lincoln's rainbow, white, golden yellow, and blue energy aura was raging like a wild fire and he had a rainbow, white, golden yellow, and blue fire aura surrounding him and the rainbow, white, golden yellow, and blue protective aura as well as he pounded his chest like a gorilla.

Lincoln: Now, that was so incredible! The septillions of souls of the ancient male warrior angels of Planet Umbraira have merged with me, and I also absorbed their planet's core, Sun, and planet themselves into my body. (Flexes his massive arms and his massive biceps bulged even more with veins forming)(GROWLS) RRGH! (Smirks) My harem's going to be in for one awesome surprise along with the others.

Lincoln disappeared in a flash of light and came back to his room, and as soon as he did, his harem were up and they got his note along with sensing his sudden energy and power surges.

Girl Jordan: We got the note, and you explained everything. Plus, we also felt your sudden energy and power surges. (Smirks)(Rubs Lincoln's massive pecs) And you're even more insanely ripped than ever.

Lincoln: (Seductive Wolf Growl)

Suddenly, Lincoln's room glowed and expanded even more: his gym had expanded with more weight machines, equipment, and dumbbells, more libraries of spellbooks and volumes of histories from civilizations of ages and eons past were included along with the expansions of their merged castle, hot springs, massive extra-extra large never-ending expanding bathroom for him and his expanding harem, and massive extra-extra-extra large never-ending expanding bed for him and his expanding harem.

Anna Anyanova: Okay, that was a surprise. But, you're gonna have to explain it tomorrow.

Lincoln: I will.

Lincoln and his harem went back to sleep. Then, as morning came, Lincoln and his harem and kids got up, brushed their teeth and showered, and got dressed, and we had a massive breakfast ready with steak, eggs, and bacon, and Lincoln was piling on the protein.

Lynn: Whoa! Someone's really piling on the protein!

Me and Nico: He needs it as always.

Lincoln: You got that right.

J.D. 2: And I felt your sudden power and energy surges last night, Lincoln, all of us did.

Lincoln 2: (Through the rainbow Thunderbird and animals on Lincoln's forehead) I knew you'd be the first to react, J.D., let me explain.

Then, Lincoln 2 explained everything, and when he was done, we were shocked.

Nico: Oh man, you found another planet in The Forbidden Zone? Awesome! But, I can't believe that it's another planet The Infernairans terrorized! Damn.

J.D. 2: I remember Umbraira all too well, it was also an advanced civilization and a place where we went to in the past.

Lincoln 2: (Through the rainbow Thunderbird and animals on Lincoln's forehead) It was also a really awesome spot for us to train as wel, but what the Infernairans did, it was pure evil. The Infernairans terrorized The Forbidden Zones destroying and imprisoning the souls of the male warrior angels in the wells and they kidnapped and raped the females.

Nicole: How utterly evil.

Lincoln: That's why every night, I'll be going to the planets of The Forbidden Zone to absorb the souls of the male warrior angels, absorb their planet's cores and planets themselves, and the Suns into my body which'll lead to my room expanding even more with my gym expanding with more weight machines, equipment, and dumbbells, more libraries of spellbooks and volumes of histories from civilizations of ages and eons past were included along with the expansions of our merged castle, hot springs, massive extra-extra large never-ending expanding bathroom for me and my expanding harem, and massive extra-extra-extra large never-ending expanding bed for me and my expanding harem.

Nico: The only way to preserve the planets of The Forbidden Zone and their legacy will live on in you. But, I can guess if there are other planets in The Forbidden Zone as well, they've also suffered the wrath of The Infernairans.

Lexx was sleeping and then...

FANFARE PLAYS!

Torchic was blowing a bugle and playing fanfare like in a palace.

Torchic: PRESENTING HIS ROYAL HIGHNESS KING LEXX LOUD!

Lexx got up and was ready.

Lexx: Thanks Squire Torchic. That was well done.

Torchic: Thank you Lexx. Time for breakfast Sire.

Lexx: Be right there.

He went and got dressed and went to the table and we were having steaks and eggs.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye and the eyes on the shoulder blades of his massive white angel wings and 104 sets of large white angel wings under his massive white angel wings, his cutie mark tattoo on his back and Thunderbolt cutie mark with surrounding elements on his massive left pec, and his and his large gold halo in the center and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo that's behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four large orbiting gold rings on each corner glowed, and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, and a one-way viewing window formed, and we saw who the figure was in the vision: we saw a yellow-haired mega hot girl sinking in quicksand on the planet Criam.

When I saw the Yellow-haired mega hot girl, I had an atomic red blush on my cheeks and muzzle, hearts in my eyes, and my nose gushed out blood!

Me: WHOA! I think I just saw another new addition to my harem.

Sakura Kazehana: I know her, that's Topaz Lorelai, The Topaz Master of Criam and a master of Topaz Crystal.

Nico: Uh oh, then that means...!

Lincoln: We got another dirtbag from J.D.'s past to deal with.

Me: I'm ready for that dirtbag.

Nico: Can you sense the dirtbag, Lincoln?

Lincoln: (Sensed it) Got her. Alright, now let's finish breakfast and head for Criam to rescue the next girl there and deal with the next villain there.

Me: Right.

We finished breakfast, and we headed to Criam to help Windy Whistles unlock her Rainbow Power and rescue Topaz Lorelai, the fourth of the seven girls that's located there and kill the next villain there.

The U.S.S. Valorous Phoenix was lying through space.

Nico: Captain's Log, Stardate 14035.2: The U.S.S. Valorous Phoenix is en route to the planet Criam for Number 4 of the rescues there and it's going to be an intense one.

Me: Boy this is always fun doing this.

Xenia: It sure is.

Nico: I know. Boy this is always fun.

Dina: I'll say.

Universe 666 May: I'm always ready for some fun and action.

Ghostfreak: I am always ready for it too.

Nico: Ghostfreak, I want to thank you, Ghost Pirate, and your teams for coming.

Ghostfreak: It's my pleasure Nico and this will be an amazing treat.

Lucy Loud: It sure is and to be honest Ghostfreak, you're my favorite alien out of all the aliens Ben has.

Ghostfreak: I'm honored you think that Lucy.

Me: Awesome. Looks like Ghostfreak could be with the Goths of Darkness.

Brittney: I agree there dad.

Dani Phantom: That is for sure there.

Nico: Dani, you and Danny's names sound similar

Dani: I know. Except my name is Danielle.

Danny: And my name is Daniel.

Me: Very interesting.

Valerie Grey: I agree there. Vlad Masters made Dani too.

Me: I remember that. He was REALLY PLAYING with fire back then.

Xenia: He sure was.

Dani Phantom: I know. That was crazy. But at least I am now no longer an unstable being.

Me: That's a relief.

Danny: Thanks to me.

Dani: Yep.

Me: Awesome.

Qin: That is for sure.

Ymir: I agree. Man all your costumes were awesome!

Me: They sure were! And the best part is that Oogie Boogie will never terrorize the holidays again.

Nico: J.D. let me say this to you...

He beckoned me to him and then...

(SEMI TRUCK HORN HONKING IN BACKGROUND)

Nico: (YELLING AT THE TOP OF HIS LUNGS INTO MY EAR)

NEVER EVER LET ME SEE YOU EAT A BUG LIKE THAT AGAIN! THAT WAS THE MOST DISGUSTING THING I'VE EVER SEEN YOU DO!

Me: OW! Okay was that necessary!? And sorry about that.

Nico: It's fine.

Me: Also would you rather see me eat bugs or hearts from bad guys?

Nico: Hearts from bad guys.

Me: Okay. But look on the bright side Nico, at least we got revenge on Oogie for him breaking us back in 2021.

Nico: You're right on that.

Qin: That was rough. I just can't believe that Oogie would resort to using such deplorable tactics like that! Oh no! I'm starting to sound like Double D.

We laughed!

Me: That's okay.

Gira: We had fun with the songs

Yanma: Those were good.

Me: Told you were an iconic thing. Also yeah those were fun.

Hymeno: I can't believe Lana, Leif, Timon and Pumbaa ate all of his bugs!

Lana: His bugs were that tasty!

Me: Guys don't make Hymeno sicker than she was before.

Lana: Sorry.

Jack Skellington: Bt thank you guys so much for helping us.

Me: No problem Jack. Wow! That was fun!

Iron Man: Can't believe Mandarin helped us

Me: I know. That was a totally unexpected surprise. But being a man of honor, he helped us because some of Anti-Monitors goons have been fighting dirty.

Eli: Yeah no kidding.

Nico: Yep.

Universe 666 May: Like Paul and Wertz and many of our enemies coming early.

Me: Yeah sorta.

Nico: Yep. Also Leif your Akuma was gross!

Leif: It sure was!

Poromon: Like the Appetizer that Mr. Krabs and us made!

Me: HOLY FISH PASTE! That was terrible! Jack's Akuma was scary too!

Jack Skellington: Is it true that you guys faced the Marvel Zombies?

Me: Yeah it was back on Halloween in 2021.

Nova: He's right on that and it was scary!

Allie Knudson: Nova brought it up during my babysitting adventure. He said that the Twisted Princesses acted like Zombie versions of the Avengers.

Nova: That is right.

Me: Yep. And we fought the Marvel Zombies on Halloween back then. It was intense. They were made that way because of a virus from another world and there was no cure for it. I wanted to try and help find a cure for them.

Deadpool: That's nothing. Wait until you see the DCeased guys later in the year.

Me: Wait I read those comics and that was when Darkseid unleashed a virus that infects all the DC Heroes and Villains.

Qin: Yeah! That was awful!

Nova: (GULP) Oh boy.

Superman: No kidding there.

Deadpool: Word of advice: Might want to use our powers on our tech

Me: Noted Wade.

Nico: Yeah.

Me: Jaime was Chandra really that bad?

Jaime Diana: Oh she was! She was worse than you can imagine. When I was helping Linka in my world, I helped her battle Chandra. She was really enraged that she was losing. She called Linka all kinds of horrible names and even berated her brothers and more and even called the school staff a bunch of names I don't want to ever repeat. And as a last resort she tried to stab Linka in the heart but I got her off her. The principal was outraged at Chandra's behavior and she had her expelled and permanently blacklisted from ever going to school ever again. She was then disowned by her family and sent to a Boarding School in Siberia. She vowed to get revenge on Linka even if it meant being killed herself.

Me: Holy shit!

Nico: GEEZ!

Poromon: What names were they?

Jaime Diana: Trust me, you do not want to know.

Poromon: (GULP) Okay.

Poliwag: (Does Puppy Eyes) Pwetty pwease tell us?

Nico: Poliwag that's enough.

Jaime Diana: Lets just say they are so bad that it's incomprehensible.

Nico: Oh boy.

Horsea: You know what? We'll take your word for it.

Me: Good.

Lisa Loud: We have arrived at our destination.

Nico: On screen.

We saw that we were at Criam.

Me: Planet Criam for number 4.

Qin: Yep.

We got to landing and got out and it was scary as ever.

Me: Planet Criam.

Camie: Yep.

Universe 666 May: Yep.

Dina: This is gonna be good.

Nico: I REALLY hope we're getting close to ending this.

Me: Don't worry guys. 3 more to go after this.

Nico: Good.

Lincoln: Okay, guys, we're in for one intense battle, we're here on Criam to help Windy Whistles unlock her Rainbow Power and rescue Topaz Lorelai, the fourth of the seven girls that's located here and kill the next villain there. J.D., are you familiar with someone by the name of Sarah Roberts?

I GASPED!

Me: So, that's the next villain that's located here?! THAT DAMN BITCH!

Nico: Uh oh. J.D., you know him?

Me: Wish I hadn't. Sarah Roberts is a heartless soulless cruel remorseless bitch who terrorized your high school and all of Colorado for years, she was a bad girl to the fucking core who committed all kinds of violent assaults, robberies, murders, you name it, and to make it worse for herself, she was also part of the gang led by Lincoln and Cadenza Cthugha's old enemy, Venn Vexos, and my old enemy, Gerald Vexos, Venn's little brother.

EVERYONE GASPED!

Me: That was until Varie and I gathered all of the evidence of that bitch's crimes, and when Sarah found out, the bitch went ballistic, but she was taken down and sent to prison forever. Now, that bitch is here on Criam too?

Lincoln: Yep, and soon, we'll face the masterminds behind their breakouts from prison.

Nicole: We'll find out who it was that did this.

So, now we can finally go crazy.

Suddenly, Lincoln's large gold halo behind his head with four large orbiting gold rings on each corner glowed and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind his large gold halo behind his head and his four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them behind the four large orbiting gold rings fired beams of light that formed into a viewing window and we see Hawk and Hank dressed only in shorts and shirtless and they're hiding out somewhere, and they'd fully regained their abnormally massive and powerful upper and lower body muscles and eight-pack abs along with their massive physical upper and lower body strength, massive levels of virility, and massive levels of testosterone, but they were even more larger in muscle mass than ever. Then, we saw the barbell tattoos on their backs glow red. Suddenly, Hawk and Hank were glowing with red energy, but then, their arms were raised and it looked like their wrists were bound with metal cuffs same with their feet.

Me: Uh oh, here we go!

Suddenly, Lincoln made red portals appear in front of Hawk and Hank, and then, out of nowhere, Lincoln and I turned the tips of our 105 massive and long brown wolf tails into Cell's stingers and they went through the portals and they came out of the portals and stabbed them into the massive pecs, necks, arms, and legs of Hawk and Hank. Then, Lincoln and I began sucking Hawk and Hank dry of their massive muscle mass, virility, testosterone, and massive physical strength and they were groaning in pain as they began shrinking in muscle mass and height.

Then, all of the massive muscle mass, virility, testosterone, and massive physical strength of Hawk and Hank was being absorbed into Lincoln and I, and our abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed and Lincoln's massive white angel wings and 104 sets of large white angel wings underneath his massive white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on his 105 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed and he began growing even more stronger, and my abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed and my massive rainbow angel wings and 104 sets of large rainbow angel wings underneath my massive rainbow angel wings spread out and my large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind my head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on my 105 massive and long brown wolf tails and rainbow sun and moon tattoo on my bare chest glowed and we began growing even more stronger.

The same thing happened to Nico and all the males on the team as our abnormally massive and powerful upper and lower body muscles bulged even more and veins formed on our bodies, and our massive angel wings and other sets of large angel wings underneath our massive angel wings spread out and our halos glowed and we also began growing even more stronger.

Lincoln: (Growls) I haven't forgotten how potent this curse really is.

Me: (Growls) Yeah, this is really potent, but this still feels incredible.

Then, when Lincoln and I were done and the stingers retract themselves from the pecs, arms, legs, and necks of the buttfaces from Hazeltucky and they went back into the portals as they closed and they changed back, we saw that Hawk and Hank were thin as a rake and sucked bone dry of their muscle mass, virility, testosterone, and massive physical strength again, and the glowing barbells on their back stopped glowing.

Hawk and Hank: NOT AGAIN! (ENRAGED SCREAMING)

The viewing window closed as the four large orbiting gold rings and mirrors stopped glowing and the light beams disappeared. Suddenly, we saw that we were even more ripped thanks to Lincoln's curse.

Me: Whoa, that Min's Egyptian Virility Drain Curse Lincoln put on those buttfaces is still really potent. But, look at us, now we're even more ripped than ever. (Flexes my massive muscles) But, wait, I felt that it's even more potent and more stronger than ever!

Lincoln: I did a good thing in increasing the strength and potency of his Min's Egyptian Virility Drain Curse on those two. (Flexes his massive muscles) And this curse will be on them until we finally kill them.

Maria: First backup. (TURNS DIAL) LIGHTNING THUNDER 6!

She summoned Nanobot (My Life as a Teenage Robot), Gameface (X-Squad), Voodoo, Shin Pikachu, El Niño Loco and Valkia the Bloody!

Nico: YEAH!

Maria: Just wanted to get it out of the way first.

Tristan heard a Pokemon cry.

Tristan: Look guys!

We saw a Duskull!

Me: A Duskull!

Nico: Cool!

Duskull: This place is scary!

Tristan: I know.

He gave it apples.

Duskull: Thanks.

She ate them.

Duskull: Ahh. Thanks.

Tristan: Want to come with us?

Duskull: Sure!

Me: Cool!

Poromon: I thought you prefer scary

Duskull: A swamp planet like this is really scary for me.

May: Welcome to my world.

But then we heard a roar and saw a Mega Rhyperior and Mega Gyarados!

Me: WHOA! A Mega Rhyperior and Mega Gyarados!

Qin: WHOA!

Nico: Where did they come from?

Me: I think they are 2 more of Dark Gale's work.

Golden Queen: Let me see here.

She used telepathy and gasped!

Golden Queen: The Mega Rhyperior is my friend Goldie Royal! She is one of the Earth Skylanders and also has been trying to help me redeem myself.

Me: WHOA!

Philip: Lets see.

Philip and Shotaro used telepathy and gasped!

Shotaro: I don't believe it! It's our sister Ophelia!

Philip: She is also Kamen Rider Ocean! She uses the Ocean Memory to transform.

Me: WHOA! That is amazing! Lets go help them!

Golden Queen: I REIGN SUPREME!

We went over to them.

Golden Queen: Goldie it's me Golden Queen!

Philip: Ophelia it's okay. It's us Philip and Shotaro!

Mega Rhyperior used Rock Wrecker on Horsea but she put her clone in front of her

SMASH!

The clone was flatter than a pancake!

Mega Gyarados used Hyper Beam and Horsea used another clone.

But Maria punched the blast and it hit Mega Gyarados and knocked it down in a massive and powerful fiery explosion!

EXTREMELY MASSIVE AND INTENSELY POWERFUL FIERY EXPLOSION!

Me: HOLY CRUD!

William: Nice one babe!

Maria: Thanks.

Me: Okay then.

I snapped my fingers and they reverted back.

Goldie was a girl with brown hair and brown eyes and brown angel wings and had the Earth Skylanders symbol on her forehead. And on her arm was the Earth Skylanders symbol with a pile of gold bars, diamonds and crystal on it as a cutie mark.

Ophelia was a girl with blue hair and blue eyes and blue angel wings and had the Ocean Memory Symbol with the Kamen Rider W symbol on her arm and forehead.

We wrapped them in blankets and brought them over to us.

Me: WOW! That was intense.

Goldie woke up to see Horsea's smiling face.

Goldie Royal: (Groans) A Horsea?

Horsea: You hit my clone!

Ophelia woke up too.

Ophelia Hidari: What hit me?

Golden Queen: Are you alright Goldie?

Goldie Royal: (GASP) Golden Queen!

She hugged her.

Goldie Royal: I'm glad you're safe.

Golden Queen: Same here.

Philip: Hey there sis.

Shotaro: Glad you're okay.

Ophelia Hidari: Philip, Shotaro!

She hugged them both.

Ophelia Hidari: I was afraid I would never see you again.

Philip: I know.

Me: You both were turned into a Mega Rhyperior and Mega Gyarados by Dark Gale.

Goldie Royal: (GASP) I remember now!

Ophelia Hidari: I don't. Who is Dark Gale?

Me: A Pokemon Villain organization we destroyed earlier.

Goldie Royal: They took me into their lab.

She was in a brown suit and injected and in a bunch of rocks she turned into MEGA RHYPERIOR! She busted out and dug underground.

FLASHBACK ENDS

Goldie Royal: It was awful.

Me: I know. But Ophelia what were you doing when you got slammed?

Ophelia Hidari: I was battling the Ocean Dopant. Her name was Fubuki Takahara and she was an escaped prison criminal that was responsible for destroying an entire fish market outside of Tokyo.

Me: Wait I've heard of her! She was known as the Fish Market Terror.

Ophelia Hidari: Yep.

Me: Also the Ocean Dopant was one of the Dopants we never faced on Nuju's missions.

Nuju: He's right on that.

Gatomon:...FISH!

Nico: Gatomon calm down. Besides we're not there.

Gatomon: Oh right sorry.

Nuju: We faced the group NEVER on my big day mission and it was intense.

Bridget Branley: We found out that they were dead people that were turned into Dopants. But they make amazing archenemies for me and some of my elemental friends here.

Lincoln: She's right on that.

Ophelia Hidari: That is awesome.

Me: Yep.

Ophelia Hidari: Wow! I am Kamen Rider Ocean and I have amazing Water Powers. I help my brothers out from time to time.

Me: Cool! Many of my friends are embodiments of the Dopants.

Ophelia Hidari: Oh wow! That is amazing!

Me: It sure is. They have all their powers and abilities.

Xenia: It's true.

Goldie Royal: That is amazing! Also on Sonya's team I am the geomancer and the financial expert of the team. I bring in funds for the team.

Me: Every team has to be funded somehow.

Goldie Royal: Yeah. Outside the team I help the Skylanders battle the Forces of Kaos and help Golden Queen on the road to redemption.

Me: Wow!

Mevya: Those poor fish!

Me: I know Mevya.

Rarity: Lets get you both some new clothes darlings.

The Fashion Brigade gave them new clothes.

Goldie had brown clothes and a staff like Golden Queen's. Ophelia had blue clothes and an ocean sword and Philip and Shotaro gave her rider belt to her.

Ophelia Hidari: We look amazing!

Me: And here.

I gave her the Gaia Memory for Ocean.

Ophelia Hidari: Thanks.

Me: I'm sure the Ocean Dopant will be put into the M.O.E. And it's fitting for you to be its archenemy.

Ophelia Hidari: I would like that.

Nico: Cool!

Nico: Lets get going!

Lincoln: (Sensed for Topaz Lorelai) There! I found Topaz Lorelai just as the viewing window saw. (Sensed for Sarah Roberts) And I also spotted Sarah Roberts, he's 20 yards away near the location and he's trying to shoot the girl dead!

Me: That fucking bitch!

We then took off into the air to rescue Topaz Lorelai and kill Sarah Roberts.

We were flying in the air, and we saw the next girl, Topaz Lorelai, she was a cute yellow-haired mega hot girl with red eyes and in quicksand, but then, we saw bullets being shot right at her and we saw our main target: a female with wild brown hair, red eyes full of hatred, and wearing a red prison jumpsuit, it was Sarah Roberts, my old enemy.

Sarah Roberts: STAY STILL! I'm gonna enjoy killing you, bitch, before you sink in quicksand, and once that shithead fuck Knudson and all of Team Loud Phoenix Storm shows up along with those stupid Masters of Evil, I'll fuck them all up!

Me: OH, FUCK YOU, YOU FUCKING BITCH!

I swooped in and pulled Topaz Lorelai out of the quicksand and went back up into the air.

Alexander Maxwell and Tyler Maxwell: TIME TO DIE, BITCH!

Alexander Maxwell and Tyler Maxwell charged at Sarah Roberts, and they fired extremely powerful blasts of black and crimson red, white, golden yellow, and blue energy, stars, aura energy, white and blue heavenly flames, Divine Darkness, dark magic, black magic, Satanic Magic, shadows, dark flames, hellfire, vampire bats, phoenixes, and angels at him, and Tyler Maxwell also attacked her with swings of his massive warhammer and he even shot at her with his machine guns, while Alexander Maxwell slashed at her with his massive greatsword and shot at her with his guns.

Caleb Maxwell: Son of a...!

Sarah Roberts: YOU!

Me: Yes me!

Sarah Roberts: You wouldn't hit a girl would you?

Me: A Girl? No. You? YES!

I teleported and punched her square in her face and kicked her in her stomach.

Duskull charged at her and blasted her all over with darkness.

Ophelia Hitari: Time to Count Up Your Sins!

Ophelia Hitari: HENSHIN!

She transformed!

Ophelia Hitari: ENFORCER OF THE LAWS OF THE OCEAN! KAMEN RIDER OCEAN!

Philip: Lets do it brother!

Shotaro: Gladly!

at Sarah Roberts with silver bullets from his guns and he blasted him with black and red, white, golden yellow, and blue energy blasts, stars, aura energy, white, golden yellow, and blue heavenly flames, divine darkness, blood, vampire bats, phoenixes, and angels, and then, Caleb Maxwell got an idea: he got on top of the barrier, and then, he spun like a tornado and proceeded to fire on all sides at Sarah Roberts as he got hit and we all heard Caleb's wicked and insane laughter as he shot at Sarah Roberts with darkness and malice. Caleb landed as the barrier came down.

Rayman fired a barrage of purple energy fists that attacked Sarah Roberts with swift fury and brutality, and we landed.

Me: You've got some nerve showing your ugly face here again, Sarah! I thought I was done with you years ago, and now, I find out you and six other shitheads from the past have busted out of prison and you also kidnapped a girl and tried to make her sink in quicksand after you shot her! You haven't changed at all! You're still the same fucking bitch from long ago!

Sarah Roberts: SCREW YOU, SHITHEAD KNUDSON! DIE!

Sarah Roberts got out a knife and tried to stab me with it, but I broke her wrist and smashed her face in with a punch to the face, and now, she was pissed!

Sarah Roberts: THAT'S IT! GET OUT HERE, BOYS!

Her thugs came out numbering in the septillions, and then, the septillions of thugs got out large endothermic needles and inside them were glowing purple and green serum and they stabbed them into their chests and injected the serum into them. Then, they growled in pain as hot fire coursed through their veins that started glowing green, and then, they fell to their knees as their muscles: both upper and lower body and nether regions started growing to enormous proportions and their shirts ripped off and they also gained twelve-pack abs and their pants were left as tattered shorts and they suddenly grew into gigantic 30'0" tall behemoths with extremely massive muscles and they roared and pounded their chests like a gorilla!

Lincoln and I morphed the tips of our 105 massive and long brown wolf tails into Cell's stingers and we stabbed them into the chests of the septillions of thugs, and we began absorbing them and we assimilated their newly gained extremely massive muscle mass, extreme superhuman strength, extreme superhuman stamina, extreme superhuman durability, extreme superhuman endurance, hardened muscular system, extreme levels of virility, and extreme levels of testosterone, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and Lincoln's massive white angel wings and 104 sets of large white angel wings underneath his massive white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on his 105 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed and he began growing even more stronger, and my abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed and my massive rainbow angel wings and 104 sets of large rainbow angel wings underneath my massive rainbow angel wings spread out and my large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind my head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on my 105 massive and long brown wolf tails and rainbow sun and moon tattoo on my bare chest glowed and I also began growing even more stronger.

Lincoln: (GROWLS) This feels incredible. RRGH!

Me: (GROWLS) Same here. RRGH!

At the same time, the thugs began shrinking in height and muscle mass as their newly gained extremely massive muscle mass, extreme superhuman strength, extreme superhuman stamina, extreme superhuman durability, extreme superhuman endurance, hardened muscular system, extreme levels of virility, and extreme levels of testosterone were being sucked out of them one at a time and was pumped into Lincoln and I.

Then, when Lincoln and I were done and the stingers changed back, nothing was left of the thugs except for their tattered pants, and Lincoln and I drained their souls of energy and they merged with us and we let out a loud and massive roar of dominance and power as we pounded our chests like two Alpha Male gorillas.

That alone pissed off Sarah Roberts big time!

Lincoln, Nico, and I attacked her with two powerful energy slashes, and then...!

Lincoln, Nico, and Me: NOW, DIE AND ROT IN HELL FOREVER!

Lincoln, Nico, and I did one final powerful energy slash that hit Sarah Roberts hard, and then, a massive explosion erupted as the gold chains exploded into pieces, and Lincoln, Nico, and I landed and Sarah Roberts was on her last legs and she was really really mangled.

Suddenly, my fangs and Lincoln's fangs grew longer, and we pounced on Sarah Roberts and then...!

WE PROCEEDED TO RIP HER APART LIMB FROM FUCKING LIMB WITH OUR HANDS AS WE TORE HER ARMS OFF AND ATE THE MUSCLES AND BLOOD VESSELS AND MEAT IN HER ARMS AS SHE LET OUT A HORRIFIC SCREAM! THEN, WE TORE HER LEGS OFF AND ATE THE MUSCLES AND BLOOD VESSELS AND MEAT IN HER LEGS, AND LINCOLN SLICED OPEN SARAH ROBERTS' CHEST AND RIPPED OUT HER HEART AND DEVOURED IT AND I SLICED OPEN HER HEAD AND RIPPED OUT HER BRAIN AND DEVOURED IT!

The girls in my harem and Lincoln's harem had their eyes covered, but not the other girls and the guys in both TLPS and The MOE!

Nicole: OH MY! (BARFS)

Eli: OH SICK! (BARFS)

THEY BARFED AT THE SIGHT OF THE BLOODY SCENE!

Lincoln and I also absorbed Sarah Roberts' spilled blood and banished her to The Black Abyss. We cheered as we holstered our weapons and powered down.

Me: And that's one down and three more to go.

Suddenly, Topaz Lorelai ran up to me and jumped me and she kissed me on the lips, arms, pecs, and twelve-pack abs, and overcome by wild love, I suddenly returned her kiss. Then, she pressed her large nude breasts and chest against my massive hairy pecs and her stomach against my twelve-pack abs causing my nose to bleed, and that alone caused my Mark of The Incubi on my left thigh to glow with intense red light, and I'd gained an extreme increase in my abnormally high sex drive and hyperpuberty, and the supernaturally potent and powerful aphrodisiac pheromones that enhanced my own infinite-times high levels of libido and other sexual aspects was out in full force and my eyes turned from rainbow colors to deep blood red with slit pupils: the effects of The Mark of The Incubi have taken hold of me.

Topaz Lorelai: Thank you for rescuing me.

Me: You're welcome.

Suddenly, I pinned Topaz Lorelai down to the floor with me on top of her, and with his massive muscular arms still wrapped around her waist, I leaned my head down her face and I kissed her passionately and deeply on the lips which she returned with equal intensity and passion, and then, I leaned my head to the right side of her trapezius, and I slowly bit her and fed on her blood, and my rainbow, white, golden yellow, and blue energy aura with elemental forces and mythological animals flare up extremely as I gained an extremely astronomically huge and massive power boost and I also gained the very same powers as her, and my abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and my massive rainbow angel wings and 104 sets of large rainbow angel wings underneath my massive rainbow angel wings spread out and my large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind my head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on my obliques and sides and the rainbow flame patterns on my forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on my 105 massive and long brown wolf tails and rainbow sun and moon tattoo on my bare chest glowed.

Then, I slowly unlatched my fangs from her right trapezius and the marks sealed up and I kissed the spot where he bit her.

Suddenly, an Elemental Phoenix Necklace of Eternal Love appeared on the neck of Topaz Lorelai with topaz gems on the gold flame-shaped links and topaz crystal links from her merged Crystal Necklace of The Buddha along with a gold-accented Elemental Phoenix Choker of Eternal Love on her neck and rainbow Phoenix wedding ring on her left pinkie.

Then, I helped her up.

Topaz Lorelai: (In Heaven)(Rubs my massive hairy pecs) Now, that...was...so...hot. You're quite a dominant Alpha Male and I hope you're also a dominant Alpha Male and wild beast when it comes to some...intimate moments in the bedroom.

My harem blushed madly.

Sakura Valencia: (Thinking) Oh, you have no idea.

Nico: Look at all this gold!

Me: No kidding! I know what I'm going to do with all this gold.

Nico: What?

I snapped my fingers and turned it into bars of gold.

Duskull: Wow that is amazing!

Ymir: What is Fort Knox?

Me: It's the most heavily guarded bank in the entire country. It's located in Kentucky and it's where they house the Gold Reserves for the entire country. Because of our donations in Gold Bars, America now has more than enough gold than it knows what to do with.

Nico: Nice job Duskull.

Duskull: Thanks Nico. Got any beer?

Poromon: Yay! Here you go!

He gave Duskull a beer and he drank it.

Duskull: Ahh. (BARNEY GUMBLE BELCH)

Barney Gumble: Welcome to the Drunk Party! (BELCH)

We laughed!

Duskull was drunk.

Poliwag: Sing the ABC's!

Duskull belched and farted!

Duskull: (BELCHING AND FARTING) ABCSDMWMQOGOOFHAMZLYJWHNSOPLANOWZ!

WE LAUGHED HYSTERICALLY!

Me: That was funny!

Qin: Yep.

I reverted her back.

Me: YEAH! Oh we're going to the Arcade later today.

Lana: COOL!

Lincoln: Always up for some fun.

Varie: Me too.

Nico: Oh Ghostfreak, what do you like to do in your free time?

Ghostfreak: Hmm. I haven't really given it thought. But if it were anything it would be solving mysteries of Haunted houses.

Me: Nice and fitting for you.

Ghostfreak: It sure is.

Nico: I agree.

Lincoln: Let's take care of The Anothers right now. (Sensed the Anothers) Ah, and the Anothers are coming, right on time.

Eli: (Sensed The Anothers) Lincoln's right, I sense them, and one of them is Another of Lexx Loud.

Lexx Loud: Whoa! Another Me?

Lincoln: We'll find out soon.

Me: Yep. So we got Another Pirate Ghost (TTG), Manaphantom, Animated Laserbeak and Animated Ratbat, Perfectionist Robin (TTG), Haze, and Jell (Monster Rancher).

Nico: Yep.

Me: That means Ghostfreak, Dani Phantom, Paulina Sanchez, Ember McLean, Dora (Danny Phantom) and Desiree are up.

Nico: Yep and it will be awesome.

But then...

PING!

Me: WHOA! I'm sensing 2 EXTREMELY enormous powers! Whoever the Anothers are they have energy levels that are amazingly strong!

Nico: I feel it! Holy cow!

Eli: Incredible!

Me: Well lets get ready.

Eli: Right. (Sensed Footsoldier Anothers) Oh crap, and we got trouble, I sense hostile Footsoldier Anothers, bad news: they're more bodybuilders from the past of Melanie Martinez and Kiara Kessler, and they number in the septillions!

Melanie Martinez: Oh, son of a bitch. Those must be more of the bodybuilders whom Lincoln beaten in the past, and they were sore losers.

Kiara Kessler: That's it. Lincoln, I hope you absorb them.

Lincoln: I will, and I know they also snagged that same super soldier serum Damien Arc and his eldest sons along with Albert Tralfaz used, so this is gonna be dangerous.

Then, the Footsoldier Anothers arrived, and they changed back into more septillion bodybuilders Lincoln had beaten in the past.

Melanie Martinez: Well, look who's come crawling out into the open after an absence of eight long years.

Kiara Kessler: So, you've come out to kill Lincoln.

Bodybuilder: What do you think?!

Suddenly, the septillions of bodybuilders Lincoln had beaten in the past got out large endothermic needles and inside them were glowing purple and green serum and they stabbed them into their chests and injected the serum into them. Then, they growled in pain as hot fire coursed through their veins that started glowing green, and then, they fell to their knees as their muscles: both upper and lower body and nether regions started growing to enormous proportions and they also gained twelve-pack abs and their pants were left as tattered shorts and they suddenly grew into gigantic 30'0" tall behemoths with extremely massive muscles and they roared and pounded their chests like a gorilla!

Then, Lincoln and I morphed the tips of our 105 massive and long brown wolf tails into Cell's stingers and we stabbed them into the chests of the septillion bodybuilders, and we began absorbing them and we assimilated their newly gained extremely massive muscle mass, extreme superhuman strength, extreme superhuman stamina, extreme superhuman durability, extreme superhuman endurance, hardened muscular system, extreme levels of virility, and extreme levels of testosterone, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and Lincoln's massive white angel wings and 104 sets of large white angel wings underneath his massive white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on his 105 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed and he began growing even more stronger, and my abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed and my massive rainbow angel wings and 104 sets of large rainbow angel wings underneath my massive rainbow angel wings spread out and my large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind my head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on my 105 massive and long brown wolf tails and rainbow sun and moon tattoo on my bare chest glowed and I also began growing even more stronger.

Lincoln: (GROWLS) This feels incredible. RRGH!

Me: (GROWLS) Same here. RRGH!

At the same time, the bodybuilders began shrinking in height and muscle mass as their newly gained extremely massive muscle mass, extreme superhuman strength, extreme superhuman stamina, extreme superhuman durability, extreme superhuman endurance, hardened muscular system, extreme levels of virility, and extreme levels of testosterone were being sucked out of them one at a time and was pumped into Lincoln and I.

Then, when Lincoln and I were done and the stingers changed back, nothing was left of the bodybuilders except for their tattered pants, and Lincoln and I drained their souls of energy and they merged with us and we let out a loud and massive roar of dominance and power as we pounded our chests like two Alpha Male gorillas.

Nico: There they are!

We saw Another Manaphantom, Animated Laserbeak and Animated Ratbat, Perfectionist Robin (TTG), Haze, and Jell (Monster Rancher)!

Me: WHOA! This will be intense!

Another Manaphantom: It sure will.

She reverted back and was the gene-slammer of Ruin, Queen of Oblivion!

Nico: (GASP) Enya Oblivion!

Enya Oblivion: Good to see you Nico.

Me: Whoa the gene-slammer of Ruin, Queen of Oblivion! Intense!

Enya Oblivion: It sure is. I have the immense power to destroy entire planets in an instant.

WE GASPED!

Sakura Shinju: Just like me and many of us!

Me: HOLY CRUD! You are one of Nico's friends that no one messes with ever!

Enya Oblivion: Got that right!

Me: By the way are the rest of the Anothers friendly or hostile?

Enya Oblivion: Friendly and are amazing.

Me: Nice.

Nico: Sorry we have to do this.

Girl Jordan: Lets separate you first.

Girl Jordan and Leeli held hands.

(YURGEN'S TUNE PLAYS)

The skies had leaves and flowers flying in the wind along with sea dragons singing in the background

Girl Jordan and Leeli: (SINGING DIVINELY AS LEELI HAD FIREFLIES SWIRL AROUND HER AND GIRL JORDAN HAD HER AQUA BLUE AURA FLARED UP)

O holoré lay thee low

Holoél dark in the Deep

Down beneath the earth you go

Go holoré fast to sleep

O holoré lay thee low

She glowed and the anothers were separated.

Me: Action time!

We blasted the Anothers and I caught the Wonder Ride Books.

Me: YEAH!

Rolf: MAY THE FLEAS FROM YOUR COW INFLAME YOUR RHUBARB!

Qin: YEAH!

Nico: Now we wait.

Me: We don't have to wait long!

We saw Another Pirate Ghost and Lexx!

Me: WHOA!

Xenia: This will be good!

Another Pirate Ghost: (In a girls voice) It sure will!

She reverted back and was the gene-slammer of Armageddon Knight!

Nico: Allie Armageddon!

Me: WHOA! Armageddon Knight's gene-slammer.

Allie Armageddon: That's right and also I too have the power to destroy entire planets in an instant.

Me: HOLY CRUD! We met two gene-slammers that have incredibly destructive power!

Nico: NO SHIT!

Me: Nico how many friends do you know that have the power to destroy entire planets?

Nico: A Lot!

Me: Geez!

Nico: And your friend?

Another Lexx: (In a girls voice) (Posh Accent) Someone who wants to bring justice to all snobby and evil rich people.

Lexx: (GASP) That voice!

She reverted back and was an older version of Lola Loud but had an amazing and beautiful glittery pink dress.

Linka: (GASP) Leonida!

Lexx: Leonida!

They went and hugged her!

Leonida Loud: Oh it's good to see you both again sister and brother.

Rarity: Why that dress you are wearing absolutely is breathtaking on you darling.

Leonida Loud: Thank you very much.

Lola: Wow! You look like an older version of me.

Leonida Loud: Indeed I am.

Lexx: This is my older sister Leonida Loud. She is the fashionista and rich girl of the family and has an amazing love for being a good princess. She also is a fashionista and loves making elegant clothes.

Me: I can see that. Pleasure to meet you.

Leonida Loud: Indeed.

Allie Armageddon: No he didn't because I threatened to take him to a deserted planet and blow it up and take him with it. You should have seen what he did when I threatened him. He crapped his pants with bloody diarrhea.

Me: EW!

Lana: COOL!

Me: Okay we did not need to know that but that was devious!

Nico: It sure was!

Sakura Knudson: That explains why I smelled blood in his unmentionable crud in his underwear.

Me: YUCK!

Zocks and Kaito: ZENKAIJU GEAR!

They donned their Zenkaiju Armor!

Nico: GROSS!

Me: I know. Lets separate you girls.

We did so.

Nico: Lets dance! (Gets out Pirate Ghost (TTG) Ridewatch) ARGGH! MATEY!

WE GASPED!

Me: (GASP) Count Dracula!

Count Dracula (Scooby Doo and The Reluctant Werewolf): (Transylvanian Accent) It's good to see you again J.D.

Me: It has been a while count. We haven't seen each other since Shaggy and Scooby entered that race and we did everything we could to make sure he won.

Nico: Yep.

Me: Actually Nico you weren't there back then.

Nico: Oh right.

Shaggy: Like yeah. It was years ago and it was a rough race but we won.

Me: I'll never forget that. Also count you're a dirty dirty cheater!

HE HISSED!

I pulled out an ULTRAVIOLET FLASHBANG GRENADE AND ACTIVATED IT!

Me: You obviously do not know WHO YOU ARE FUCKING WITH!

I released a massive blast of ultraviolet light and blasted him down!

Me: What a sore loser.

Nico: Tell me about it.

Me: That means that Whampire and his team is up.

Whampire: A lot of Halloween elements lately

Me: I know.

Then vortexes of Stars and Eyes appeared and out came Number 26: Spaceway Octobypass and Number 25: Focus Force!

Me: WHOA! Number 26: Spaceway Octobypass and Number 25: Focus Force!

Nico: COOL!

Number 26: (In a girls voice) It sure is awesome.

Number 25: (In a girls voice) I agree.

Nico: Kendall Primus and Vexen Clix! Wow!

They reverted back.

Kendall was a girl with purple hair and purple eyes and had dark aqua blue clothes and blue wings and had Number 26 on her forehead, shirt, skirt and arm and had a purple blade lightsaber.

Vexen was a girl with black hair and purple eyes and had dark purple clothes and had purple angel wings and had Number 25 on her forehead, shirt and skirt and had an eye with a camera on her arm as a cutie mark and had a fire sword in her hand.

Vexen Clix: Good to see you Nico. I heard from my brother that he contacted you before the 20 Days of Darkness.

Nico: He did.

Me: Wait you're Cameron Clix's sister!?

Vexen Clix: I sure am. We got this.

Kendall Primus: 26 SPACE BLASTS!

Vexen Clix: 25 FUTURE RAY BLASTS

They fired energy blasts and I caught the ridewatches and purified them!

Me: YEAH!

Nico: Nice job!

Vexen Clix: Thanks. The future said they would die by us.

Me: And you were right. Also your brother warned me and us about the Coming of the 20 Days of Darkness.

Vexen Clix: I know. And I also saw everything that was going to happen to Nico and to you guys.

Me: And you were right on that.

Nico: Yep.

Dani: Do you girls have any favorite memories of Nico?

Kendall Primus: We sure do. Mine is were we battled G1 Starscream the first time and we banished him to the Dark Dimension. His screaming voice gave me a nasty headache!

Brawl: Well now you know how we feel and it's how we gave him the nickname Screamer.

Nico: It's true.

Kendall Primus: I know.

Vexen Clix: Mine is where me and Nico saw the future and it showed him marrying May and having lots of Children and more.

Me: You were spot on with that one too.

May: She is really good.

Nico: Yep.

Nico hugged them.

Nico: I've missed you girls.

Kendall Primus: Same here.

We went back home to Earth.

Then, Dwayna, Melandru, Lyssa, Grenth, and Kormir appeared.

We cheered as we holstered our weapons and powered down as we returned home to The World Tree Estate, and Lincoln merged the world of Tyria with Earth Omega.

Nico: Now, that was an incredible battle.

Me: Still, I had no idea you were the one who defeated Balthazar, Abaddon, and Dhuum long ago, Lincoln.

Lincoln: I travelled to Tyria whenever Lori, Lynn, Lola, Lisa, and Luan weren't trying to kill me, and I'd been helping in taking down the enemies that lurk there, and I dealt with Balthazar, Abaddon, and Dhuum and banished them from Tyria for good.

Melandru: You helped rid Tyria from those three treacherous Gods, and because of it, you were named as Champion of Tyria, and there's just one last thing to do.

We didn't know what Melandru meant by that, but Lincoln was the only one who knew what she was talking about.

Suddenly, Lincoln pinned Dwayna to the floor and he wrapped his massive muscular arms around her waist and he leaned his head down to her face and kissed her on the lips with intense passion which she returned as she placed her hands on his massive hairy pecs, and then, Lincoln leaned his head down to the right side of her trapezius, and he slowly bit her and fed on her blood, and his rainbow, white, golden yellow, and blue energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his massive white angel wings and 104 sets of large white angel wings underneath his massive white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on his 105 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Then, Lincoln slowly unlatched his fangs from each of their right trapezius and the marks sealed up and Lincoln kissed the spots where he bit them and he helped them up.

Then, four Elemental Thunderbird Necklaces of Eternal Love appeared on the neck of Dwayna, Melandru, Lyssa, and Kormir with colored gems on the gold lightning bolts and colored crystal links and jade beads from their merged Crystal Necklaces of The Buddha and Jade Necklaces of Shangdi along with four white and gold-accented Elemental Thunderbird Chokers of Eternal Love on their necks and rainbow Thunderbird wedding rings on their left pinkies.

Me: Wait, you also...?!

Lincoln: Yes, I also promised that I would also recruit Dwayna, Melandru, Lyssa, and Kormir when I got older and also started getting a harem.

Nicole: It took eight years, but now, that promise has been fulfilled, and you'll be married to them in the future, looks like Tyria's future will be brighter than ever.

?: Aw, I missed out on the fight.

Then, we saw a beautiful girl who was tall at 7'0" in height, she has the body of a goddess and large breasts, long red hair, blue eyes, massive white angel wings, she has The Gem-Knight Order of Crystal Justice symbol on her forehead, right arm, and skirt, red sleeveless strapless top, light red skirt with Gem-Knight Master Diamond white bridal gloves, light red knee-high boots with butterfly buckles, long white sleeveless trenchcoat with stars, earth, gems, crystals, phoenixes, and angels on the coattails, and on the back is

Gem-Knight Lady Diamond and The Gem-Knight Order of Crystal Justice, she has a s broadsword, and with her are the ten girls.

Lincoln: (GASPS) Melanie Diamanda, Avatar and Gene-Slammer of Gem-Knight Lady Brilliant Diamond.

Melanie Diamanda: That's right, and I got the girls away from those three evil gods.

Nico: That's good.

Me: They deserved to pay for their crimes.

Lincoln: I made sure of that when I absorbed them. (To Melanie Diamanda) And it's so good to see you again, Melanie.

Melanie Diamanda: You too, Lincoln, it's been eight years since we last met. And you've really grown that much.

Suddenly, Melanie Diamanda had her hands on Lincoln's massive hairy pecs, and she proceeded to kiss him on the lips and all over the place: face, arms, pecs, twelve-pack abs, and stomach. When Melanie Diamanda was done, Lincoln was covered in lipstick marks on his face, massive muscular arms, hairy pecs, twelve-pack abs, and stomach, and he had an atomic red blush on his face and he was literally in Heaven.

Lincoln: (In Heaven) That's...something I've not...forgotten.

Nico and I snickered, and so did the rest of us.

Skippy the Bush Kangaroo: (Australian Accent) (Snickers) We hadn't forgotten about that bit either.

Matilda Roo: (Australian Accent) Same here.

Melanie Diamanda: Sorry about that, but it's so good to see you again, Lincoln.

Lincoln wrapped his abnormally massive and muscular arms around Melanie Diamanda's waist and hugged her, and Melanie Diamanda is very surprised at just how much more taller, more handsome, much stronger, buffer, hunkier, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much more stronger and how much more muscular he's really become, and she had an atomic red blush on their faces, and the atomic red blush on her face soon became even deeper when she saw his longer vampire fangs and straight teeth and even more massive white angel wings and 104 sets of large angel wings underneath his massive white angel wings and large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo with four large orbiting gold rings on each corner behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four large orbiting gold rings, along with hearing his mature, deeper, and manlier voice and seeing the larger brown wolf ears with rainbow markings on his head, 105 massive and long brown wolf tails with rainbow markings and rainbow tips and phoenix feathers on them, fine hair on his massive forearms, stubble on his jawline, and chest hair on his pecs, He-Man's chest harness, and many other accessories, and she also met his Rabbit Miraculous, Eini, the Universe 666 Miraculous, his familiars, the male white Rabbit Familiar, Alistair, the white Vampire Bat Familiar, Artemis, and the white Wolf Familiar, Seiko that came out of his backpack.

Lincoln: It sure has been a long time, I haven't seen you since you were seventeen, and as you can see, I really grew a lot since then.

Melanie Diamanda: My God, you sure have, you've really really grown up to be very big and very strong like a tree, Lincoln, perhaps even bigger and stronger, you've really grown a lot from the cute eleven-year-old little boy into a 19-year-old 12'9" tall, very handsome, hulking, sexy, strong, buff, and extremely manly rugged heartthrob hunk of a wolf man with really massive and powerful upper and lower body muscles and twelve-pack abs, and you still have those vampire fangs and massive white angel wings and 104 sets of large white angel wings underneath your massive white angel wings, that's so awesome, and the large brown wolf ears on your head and 105 massive and long brown wolf tails with rainbow markings and rainbow tips and phoenix feathers on them, hair on your massive forearms, beard stubble on your jawline, and chest hair on your pecs and many accessories and large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo with four large orbiting gold rings on each corner behind your head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four large orbiting gold rings and the wilder rainbow hair going down to the upper part of your neck with white streaks and multi-colored highlights in it with multi-colored phoenix fire ombre streaks, that's really new. (Rubs Lincoln's massive pecs with her hands) You've really really grown a lot and became a man, but you're still the same kind man from long ago, plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs. (Rubs Lincoln's twelve-pack abs) And cut a rock into a diamond on those rock-hard twelve-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or massive biceps. Plus, I've also met your familiars, and they are really awesome.

Nico: And he's still the same immortal and invincible angel you knew. And Lincoln, you know her?

Lincoln: Indeed I do, Nico.

Anna Anyanova: And so do we, this is Melanie Diamanda, Avatar and Gene-Slammer of Gem-Knight Lady Brilliant Diamond, she's Lincoln's Guardian Angel from Michigan, she's a powerful and extremely deadly angel who was born with the powers of Cosmic Geokinesis, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the powers of all gems and crystals. She's known as The Diamond Master and the second-in-command of The Gem-Knight Order of Crystal Justice, a group of girls who are the Avatars and Gene-Slammers of The Gem-Knight Duel Monsters and who were born with the powers of Cosmic Geokinesis omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the powers of all gems and crystals, and their goal is to not only protect and defend Lincoln from his enemies, but also, to bring an end to the order's archenemies: The Steelswarm Subjugation Coalition, a group of evil girls who Gene-Slammed themselves into The Steelswarm Duel Monsters and wanted to destroy mankind and rule the world, but before they were Gene-Slammed, they were narcissistic abusive controlling bitches who got a sick kick out of destroying families and ruining their lives for their own sick and twisted amusement and to satisfy their need for control, but when they tried to destroy Lincoln's family, they wound up getting their lives ruined and Catherine and her friends banished those bitches into the deep abyss where The Steelswarm Duel Monsters were banished to in ancient times, and they swore to get their revenge on them for this. Melanie Diamanda came to Royal Woods where she met Lincoln, and she taught him how to master the powers of Cosmic Geokinesis, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the powers of all gems and crystals, and over time, Lincoln gained Cosmic Geokinesis, omnipotent power, Omnipotence, Omniscience, Cosmic Awareness, and the powers of all gems and crystals, and he was already born with immortality and invincibility, and she also helped him seriously bulk up in muscle and she also knew Lincoln is an Alpha Vampire-Werewolf hybrid and an extremely powerful and attractive one, and more than once, she'd kissed him on the lips and made out many times and he came back home all covered in kisses and his tails were wagging like crazy, and it made her love for him grow even stronger, and she helped him really bulk up even more in muscle and she also helped him grow in intelligence, power, and knowledge. Lincoln made her a beautiful rainbow diamond ring, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem, and she's used her powers to keep Lincoln's enemies in line, but there is one person whom she despises and desires nothing more than to kill: that person is none other than Carly Draeger, Gene-Slammer of Steelswarm Caller and member of The Steelswarm Subjugation Coalition, she was a heartless, sadistic, loathesome, evil, narcissistic, abusive, controlling bitch who got a sick kick out of destroying innocent families and ruining their lives for her sick twisted amusement and to satisfy her need for control, and she was also the one who murdered Melanie's parents and her little sister, Mary, in cold blood, and she swore to kill Carly and make sure she's sent to The Black Abyss forever!

Me: When that bitch shows up along with her bitch herd, they are all going to pay for every last one of their fucking crimes!

Nico: They're just as bad as that slut, Audrey Madison, and she was a real conniving, manipulative, evil, loathesome, two-faced, heartless, sadistic bitch.

Lincoln: I'm not going to have any mercy on them, Zarya and her evil friends are going to pay for ruining the lives of innocent families for her sick twisted amusement and to satisfy her need for control, and for trying to destroy my family, I'm going to tear their throats out for this, and now that you're here, Melanie.

Lincoln with his massive muscular arms still wrapped around Melanie Diamanda's waist leaned his head down to the right side of her trapezius, and he slowly bit her and fed on her blood, and his rainbow, white, golden yellow, and blue energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his massive white angel wings and 104 sets of large white angel wings underneath his massive white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on his 105 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Then, Lincoln slowly unlatched his fangs from her right trapezius and the marks sealed up and Lincoln kissed the spot where he bit her.

Melanie Diamanda: You're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on the neck of Melanie Diamanda with rainbow gems on the gold lightning bolts and rainbow crystal links and jade beads from her merged Crystal Necklace of The Buddha and Jade Necklace of Shangdi along with a gold-accented Elemental Thunderbird Choker of Eternal Love on her neck and rainbow Thunderbird wedding ring on her left pinkie.

Melanie Diamanda: (Surprised) Lincoln, are these...?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and one of my many future wives, Melanie Diamanda.

Melanie Diamanda had a smile on her face and tears streaming down her cheeks as Lincoln still had his massive muscular arms wrapped around Melanie Diamanda's waist, and he leaned down to her face and kissed her on the lips, and with Melanie Diamanda's hands still on his massive pecs, Lincoln deepened the kiss and we cheered for them. When Lincoln separated, Melanie Diamanda had an atomic red blush on her face, hearts in her eyes, her nose was really gushing out blood, and her heart was pounding like a loud drum.

Melanie Diamanda: (In Heaven) My God. Oh, Lincoln, you better tell the rest of the boys to run to their rooms. The ten girls I rescued are...!

Travis Tackett and Red Savarin: Boys, to your rooms or you're gonna wind up on the floor with a few missing teeth!

We ran into our rooms leaving Lincoln, Nicole, and his harem, and when Lincoln saw the ten girls, he had a bright red atomic blush on his cheeks and muzzle and his nose was gushing out blood like a fountain, the ten girls are Akane Asou, Sayaka Ayukawa, Kurumi Kasugaoka, Mirai Kirishima, Hina Konishi, Maria Wallenstein Ryuuzaki, Haruka Nagashima, and Noa Saeki from Hachi Koi and Miko and Muko from Dandadan.

Lincoln: Oh whoa, it's Akane Asou, Sayaka Ayukawa, Kurumi

Kasugaoka, Mirai Kirishima, Hina Konishi, Maria Wallenstein Ryuuzaki, Haruka Nagashima, and Noa Saeki from Hachi Koi and Miko and Muko from Dandadan.

Nicole: Uh oh, Travis and Red were right to tell the others to hide, these girls are cute and sexy.

Lincoln: And if left alone, someone could hurt them either to satisfy their perverted urges, or kill them to slake their thirst for blood which I won't let happen. Are you girls okay?

Akane Asou: Yes, we're okay, thanks to you.

Then, when Akane Asou and the other nine girls saw who it was that saved them from Abaddon, Balthazar, and Dhuum, their faces turned atomic red upon seeing the 12'9" tall, handsome heartthrob hulking wolf hunk with abnormally massive and powerful upper and lower body muscles covered in brown fur, tan fur covering his massive pecs, hands, and twelve-pack abs, sturdy tan muzzle, long wild rainbow Akane Asou: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Lincoln made clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the thick muscular necks of Lincoln and his clones, and he slowly bit them and he fed on their blood, and his rainbow, white, golden yellow, and blue energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his massive white angel wings and 104 sets of large white angel wings underneath his massive white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, along with the rainbow tips and rainbow markings and phoenix feathers on his 105 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

He then slowly unlatched his fangs from their necks as their necks healed and the puncture marks sealed up, and he also kissed where he bit them.

Akane Asou: (Seductive Voice and rubs Lincoln's massive pecs) You too, big, tall, muscular, and handsome.

Suddenly, ten Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Akane Asou, Sayaka Ayukawa, Kurumi Kasugaoka, Mirai Kirishima, Hina Konishi, Maria Wallenstein Ryuuzaki, Haruka Nagashima, Noa Saeki, Miko, and Muko with colored gems embedded in the gold lightning bolt links and colored crystal links and jade beads from their merged Crystal Necklaces of the Buddha and Jade Necklaces of Shangdi along with white and gold accented Elemental Chokers of Eternal Love on their necks and rainbow Thunderbird wedding rings on their left pinkies.

Maria: Okay, guys, come on out.

We came back out.

Maria: Oh man, that was one awesome and intense battle!

May: And we found out Lincoln had gone to Tyria before in the past.

Lincoln: And I finally took care of Balthazar, Abaddon, and Dhuum.

Nico: They deserved to pay.

Me: Either way, at least, those three evil gods are gone for good.

?: That's for sure.

Suddenly, we saw a beautiful girl who was tall at 7'0" in height, she has the body of a goddess and large breasts, tanned skin, long black hair, dark purple eyes, massive black angel wings, she has on a black two piece bikini, and in her hand is a dark greatsword.

Lincoln: (GASPS) Umbra Umbraira, Queen of The Umbrairans of Planet Umbraira.

Nico: The only surviving Umbrairan. And you know her, Lincoln?

Lincoln: I do.

Anna Anyanova: And so do we, this is Umbra Umbraira, Queen of The Umbrairans of Planet Umbraira, she's Lincoln's Guardian Angel from the planet of Umbraira in The Forbidden Zone. She was the Queen of the Umbrairans who ruled the planet of Umbraira and she's also far more powerful than her own people: in addition to being a natural born fighter and night hunter, having immense power over darkness and the shadows and the ability to grow even stronger, but she was also born with angel wings, Cosmic Umbrakinesis, darkness, the shadows, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and all the powers of her people times infinity, and she left her home when the Infernairans invaded eons ago and she swore to return and put them to the sword. Umbra Umbraira came to Earth and Royal Woods where she met Lincoln, and she swore to protect Lincoln from the wrath of his enemies and she also trained him in mastering the powers of Cosmic Umbrakinesis, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, darkness, the shadows, and all the powers of her people, and over time, Lincoln gained omnipotent power and the powers of Cosmic Umbrakinesis, Omnipotence, Omniscience, Cosmic Awareness, lightning, and all the powers of The Umbrairans, and he was already born with immortality and invincibility, and she also knew Lincoln is an Alpha Vampire-Werewolf hybrid and an extremely powerful and attractive one, and more than once, she'd kissed him on the lips and made out many times and he came back home all covered in kisses and his tails were wagging like crazy, and it made her love for him grow even stronger, and she helped him really bulk up even more in muscle and she also helped him grow in intelligence, power, and knowledge. Plus, she also taught Lincoln in everything she knew when it came to fighting and she also gave him the power to grow even stronger, along with even more incredible powers from the deities her people worshipped along with infinite levels of virility, but it made his already massive and godly superhuman strength even more massive than ever, and she knew that Lincoln absorbed the souls of her people, her planet's core and planet itself, and her planet's Sun to preserve their legacy and she swore to thank him for what he did. Lincoln made her an awesome darkness greatsword, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem, and she hates Killjoy Huggins with a blazing passion, and she swore to send him into eternal darkness with the power of Umbraira.

Umbra Umbraira: And I knew Lincoln absorbed the souls of the male Umbrairans, my planet's core and planet itself, and my planet's Sun to preserve their legacy.

Shanan: And are there other planets in The Forbidden Zone?

Lincoln: There are, and they too suffered because of The Infernairans.

Umbra Umbraira: That's why Lincoln was given the task of absorbing the souls of the males of our planets, our planets' cores and planets themselves, and our planets' Suns into his body to preserve their legacy and gain all their power and knowledge, and it's good to see you again, Lincoln, but wow, you've really grown.

Suddenly, Lincoln pinned Umbra Umbraira to the floor and he wrapped his massive muscular arms around her waist and he leaned his head down to her face and kissed her on the lips with intense passion which she returned as she placed her hands on his massive hairy pecs, and then, Lincoln leaned his head down to the right side of her trapezius, and he slowly bit her and fed on her blood, and his rainbow, white, golden yellow, and blue energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his massive white angel wings and 104 sets of large white angel wings underneath his massive white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and

phoenix feathers on his 105 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Then, Lincoln slowly unlatched his fangs from her right trapezius and the marks sealed up and Lincoln kissed the spot where he bit her, and then, an Elemental Thunderbird Necklace of Eternal Love appeared on the neck of Umbra Umbraira with dark purple gems on the gold lightning bolts and dark purple crystal links and jade beads from her merged Crystal Necklace of The Buddha and Jade Necklace of Shangdi along with a gold-accented Elemental Thunderbird Choker of Eternal Love on her neck and rainbow Thunderbird wedding ring on her left pinkie.

Then, he helped her up as he sat on the couch and he kept her close to his body as she took the time to rub his massive hairy pecs, twelve-pack abs and his massive muscles.

Umbra Umbraira: (Seductive Voice and still rubs Lincoln's massive pecs) Well, I'll be damned. Who could've guessed the 11-year-old boy I met long ago would grow up into a 12'9" tall, very handsome, hulking, sexy, strong, buff, and extremely manly rugged heartthrob hunk of a wolf man with really massive and powerful upper and lower body muscles and twelve-pack abs. You've really grown a lot and turned into a man, and you've also grown even more larger in muscle mass far more than the males of my former planet, you can land an airplane on that massive, wider, and more muscular back, (Rubs his legs) squash a melon with those really muscular quads and thighs. (Rubs his twelve-pack abs) And even cut a rock into a diamond on those rock-hard twelve-pack abs, and there's not even a tape measure long enough to measure your chiseled chest or massive biceps.

Lincoln wrapped his massive arms around her waist even more and brought her closer to his body even more and she really felt how much stronger he really is.

Umbra Umbraira: (Smirks) And don't think I forgot you're also quite the charmer and ladies man to boot as well. We'll have plenty of time tonight to reconnect in a more...intimate way.

Shanan: Oh crud, I also forgot Umbrairans both males and females are known to be quite wild when it came to...intimacy.

Lily the Mermaid: Ooh boy.

After Lincoln and all of us destroyed Balthazar, Dhuum, and Abaddon and sent them to The Black Abyss forever after Lincoln absorbed them, we were training intensely in the gym doing 900,000,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get our massive and long brown wolf tails even more stronger than ever as well, and when Melanie Diamanda saw Lincoln doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, squats, regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 999 septillion-lb barbells, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get his 105 massive and long brown wolf tails even more stronger than ever along with his massive white angel wings and 104 sets of large white angel wings underneath his massive white angel wings, she had an atomic red blush on her face, hearts in her eyes, and her nose was really gushing out blood.

Melanie Diamanda: My God, I was right that Lincoln's really grown into a 12'9" tall, really huge, handsome, sexy, and extremely super strong manly wolfman, just look at those abnormally massive and powerful upper and lower body muscles and his twelve-pack abs really hard at work doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, squats, regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses and really working out with those 999 septillion-lb barbells and he's not even getting tired, incredible, and he's also doing 900,000,000,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get his 105 massive and long brown wolf tails even more stronger than ever along with his massive white angel wings and 104 sets of large white angel wings underneath his massive white angel wings, and he now looks even more ripped than ever. He's definitely been continuing on bodybuilding and working out even more for many years, and because of that along with the combination of his diet plan that we gave him, along with his hyperpuberty and genes, he'd gained the powerful and massive body that all bodybuilders could only dream of. If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of search control again, along with Killjoy Huggins.

Lincoln: Yep, and I've also trained a lot under a lot of very powerful teachers, J.D. and Nico included, Melanie, and I can still defend myself, and in addition to getting stronger and larger in muscle mass, I've also gotten smarter as well.

Melanie Diamanda: That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Nico: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from the little boy from seven years ago into the really huge, really strong, and really powerful wolf man we know today.

Melanie Diamanda: I knew it was only a matter of time before he told everyone that story.

And when my harem saw me doing

900,000,000,000,000,000,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 999 septillion-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear my mind and doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get my 105 massive and long brown wolf tails even more stronger than ever along with my massive rainbow angel wings and 104 sets of large rainbow angel wings underneath my massive rainbow angel wings, they had an atomic red blush on their faces, hearts in their eyes, and their noses were bleeding.

Then, Allie Maxwell got out a tape.

Allie Maxwell: Okay, now this tape I have here took place in 1985, a week passed after Caleb went to The Village Underground. Caleb was with two of his friends, Jake Adams and Ryan James, they were doing some work in Manhattan, but then, they met up with an informant of Caleb's who told them of a deal that's not only taking place in one of the biggest nightclubs in New York, but there's also talk about a possible attack on The Syndicate. Caleb didn't back down, so he, Jake, and Ryan, decided to head there at once, but what Ryan and Jake didn't know was that Cage Blunt and Travis Tackett would be out on the hunt yet again, and the only one who knew about their existence and the vampires would wind up getting caught in another battle for survival, and they'd find out Caleb's secret.

Allie Maxwell put the tape in, and it showed Manhattan, New York in 1985, and Caleb was with two male cats, Jake Adams, a tan-furred cat with brown hair and brown tail and in police cadet clothes and Ryan James, a brown-furred cat with blue hair and blue tail and in police cadet clothes, but he's also the biggest, tallest, and strongest of the three.

Past Jake Adams: Manhattan sure is quiet, no action in sight.

Past Ryan James: Until night falls, that's when the action begins.

Past Caleb Maxwell: I've already got enough dealing with The Syndicate's thugs coming after me at night. (Thinking) Along with two vampires drunk on demon blood.

Suddenly, an informant of Caleb's: a brown-furred male cat with white hair and white tail and dressed in a black sweater, black pants, black knee-high boots, and black trenchcoat, signaled for Caleb, and he went to the informant with Jake and Ryan following him.

Past Jake Adams: What the? Why are we meeting this guy in the alley?

Past Ryan James: I heard from Captain Whitten that Caleb had formed a network of informants that keep him up to date mainly with The Syndicate, and that was during high school.

Past Jake Adams: It helps to have informants, but to do so in high school at an early age? Something is rather strange about that.

They met with Caleb's informant.

Past Caleb Maxwell: So, what's the latest news?

Informant: This is gonna get your attention: I got word of a deal that's taking place in one of the biggest nightclubs here in Manhattan, New York, and The Big Claw Gang's heading there, and their rise to power is already in full swing.

Past Ryan James: I've actually heard about them, but not entirely. But, I do know their leader, his name is Claw Dane Drake, he's a powerful man who relies on charisma and decisive leadership and it's leading The Big Claw Gang on the rise to power, and he's building his gang with the recruiting of lost teens on the street, and his charisma has drawn in a lot of respect from them.

Past Jake Adams: And I know three of their members: Tommy A.K.A. Panther and Carla Drake A.K.A. Carla Claw are two thieves who know how to play the game of robbery and theft, and the third is Sally Gamble, she's the one who helps in the recruitment of new members.

Past Caleb Maxwell: And did Claw Dane Drake give you any message concerning me?

Informant: He did, I heard there's also talk about him planning a possible attack on The Syndicate.

Past Caleb Maxwell: An attack on The Syndicate? Drake takes any threat to his easy criminal life seriously.

Past Ryan James: And that goddamn parasite was the one sending those thugs after you every night.

Past Caleb Maxwell: I try not to get anyone involved in my matters. So, where are The Big Claw Gang meeting now with this deal?

Informant: They'll be at Retroclubnyc.

Past Caleb Maxwell: I'll check it out.

They thanked his informant and headed to Retroclubnyc, and night was falling fast.

Past Caleb Maxwell: Retroclubnyc, the hottest dance club in New York.

Past Ryan James: He's got good taste to pick this place for the deal tonight.

Past Jake Adams: And night's already falling fast.

Caleb Maxwell saw it for himself: he knew it wasn't long before he ran into them again, and as soon as night fell on the city, the people began gathering and entering Retroclubnyc with Caleb Maxwell, Ryan James, and Jake Adams entering as well.

Past Jake Adams: As much as I want to enjoy the music, we got business to take care of.

Past Caleb Maxwell: Where in the club are they heading to for the meeting?

Suddenly, Caleb Maxwell saw seven figures there: he recognized Panther, Crowe, Carla Claw, Sally Gamble, Nekome, Ichiro, and Claw Dane Drake.

Past Ryan James: Great, he's also brought Nekome and Ichiro with him, two more members of The Big Claw Gang from Japan.

Past Jake Adams: They know martial arts and many fighting styles, Nekome's the one who trains the new recruits and Ichiro is Dane's bodyguard and close ally.

Past Caleb Maxwell: Drake's gonna do something stupid, I just know it.

Caleb was right, outside the club, a massive army of Syndicate thugs were out, but Claw Dane Drake had his soldiers out, and they wound up getting shot at by them. Meanwhile, inside the club, Caleb, Ryan James, and Jake Adams followed The Big Claw Gang to a hidden office in the back, and they got in and stayed hidden, and they also saw another person enter: it was an adult male who looked like Jake Adams, but he was dressed in black businessman clothes and he sat in the chair.

Past Claw Dane Drake: Long time no see, Trevor Adams.

Past Jake Adams: Dad, what is he doing here?

Past Caleb Maxwell: I don't know, let's listen and find out.

Then, Trevor Adams got out books of all the business dealings of The Syndicate and Drake Maxwell's journals of his schemes.

Trevor Adams: Sir, what I got here is all the details of The Syndicate's dealings in their businesses all in those books and Drake Maxwell's journals of his schemes mainly against Caleb.

Past Claw Dane Drake: Ah, nicely done. (Smirks) You certainly had a hard time getting them away and not getting that monster's attention.

Trevor Adams: (Smirks) Wasn't that hard, besides, Drake's still at the hospital ranting and raging at Caleb. Now, then, with those books in hand, it'll be easy for you to end The Syndicate. But, there is one problem, it's been two days since Caleb sent Drake to the hospital. Personally, I was hoping that Caleb's shot would've ended Drake's life if those four assholes weren't with him that night.

Past Claw Dane Drake: Caleb still relented, but he'd already crossed a point of no return. You know the two brothers with Drake?

Trevor Adams: Oh, I already knew. I never thought Caleb would take their lives like that.

Past Claw Dane Drake: His sense of right and wrong has already been fractured, his withdrawal from the police academy was evident that day. (Senses that they're not alone)(Smirks) You can come out now, Caleb, we know you're here.

Suddenly, Caleb Maxwell, Jake Adams, and Ryan James came out.

Past Jake Adams: Dad, what are you doing working with Claw Dane Drake?

Past Caleb Maxwell: It was obvious you were working with Claw Dane Drake for a reason: you were getting the books on The Syndicate's operations and Drake's journals detailing his schemes and the repeated attempts on my life. In anyone's hands, this'll spell the end of The Syndicate.

Suddenly, they heard screams coming from outside, and one of the soldiers came in.

Big Claw Gang Thug: Sir, we got trouble, Drake's men are coming, but we saw two guys out there and they're killing them! They're tearing their throats out!

Past Caleb Maxwell: (Thinking) Damn! (Out Loud) Sorry, but I think it's time for us to go.

Caleb Maxwell, Jake Adams, and Ryan James high-tailed it out of the nightclub and ran outside, but as they did, they saw the mess: Drake's men were bitten on the neck and drained dry of blood.

Past Jake Adams: Two guys did this to Drake's men? What kind of guys could do this?

Suddenly, Caleb's mark began drawing blood, and he spotted two familiar vampires behind Ryan James and Jake Adams.

Past Caleb Maxwell: Guys, get out of there! The two guys who killed Drake's men are behind you!

They turned and scrambled and they ran to Caleb who had his twin guns in hand.

Past Ryan James: Who the hell are those guys?

Past Cage Blunt: No need to ask. (Smirks) Besides, we don't talk to our midnight snack.

Past Jake Adams: Midnight snack?! Wait, you two murdered Drake's thugs!

Past Travis Tackett: So what? They asked for it, and their blood was really good.

Past Jake Adams: You got be kidding me, you two are...!

BANG! BANG!

CALEB SHOT THEM IN THE ARMS, AND THEY RAN FOR IT BACK TO HIS FAMILY'S APARTMENT!

Past Jake Adams: That's not even a word I'd use.

Then, they looked at Caleb and realized he was hiding something, and fearing yet another betrayal, he confessed his dark secret, but instead of abandonment, they stayed with him.

Past Caleb Maxwell: You...you didn't abandon our friendship?

Past Ryan James: No, we didn't. You've already been betrayed too many times in the past, and we don't want to end up like eight certain shithead.

Past Jake Adams: And you and your mom, your sister, and your family on your mom's side are part of the vampires' world, that's actually pretty cool. But, we'll keep it a secret as always.

The video ends.

Me: Wow, so there were two friends of yours who actually were cool with your secret.

Caleb Maxwell: That's correct, and Ryan and Jake weren't even that badly affected, but I still saved them from Cage and Travis, even if it meant exposing my secret.

Nico: True, and what happened to them after?

Captain Whitten: A year after Caleb died, Ryan and Jake passed the academy's courses and joined the NYPD, and they proved themselves to be good officers on the force.

Lincoln: Did they get assigned to the Nightshift?

Jack Howard: Yes, and they had Caleb's informants helping them, so a part of Caleb was with us even after his death. But, when he came back, they...!

Roxy Drake: Those guys immediately switched their loyalties back to Caleb and threw us in the dark again! Ugh!

Eli: Seriously?!

Jazz Jackson: Afraid so, their loyalties were to Caleb, not us.

Nico: Oof! Talk about a major kick in the balls.

Caleb Maxwell: I admit what they did was considered a kick in the balls like that, but I still had ties to the Nightshift.

Allie Maxwell: And their loyalty to you was like giving them the middle finger. Seriously, you have no idea how much I wanted to kick them in the balls, throw the cuffs on them, and throw them in the holding cells.

James Blunt: Loyal friends was something your older brother rarely had, Allie, the day he told me of his tragic past, I felt like wanting to kill those fake friends, but I relented because karma took care of them.

We got a shower, and then, Lincoln, Rovian Kassidy, Tenten

Nanahoshi, and Dark Magician Girl the Magician's Apprentice are heading to Sirena Beach.

Lincoln snapped his fingers, and the 12'9", handsome and extremely muscular wolf man had on his large orange and white speedo with a Thunderbird and a lightning bolt surrounded by elemental forces and stars on it with rainbow flames coming off the speedo, orange sandals, his jewelry and accessories, and he had his weapons holstered in case of trouble.

And Rovian Kassidy, Tenten Nanahoshi, and Dark Magician Girl the Magician's Apprentice were dressed in colored two-piece bikini The Musiqidandi Sisters and Zoey Tsukino made for them, colored sandals, and they had their weapons holstered in case of trouble.

Plus, we found out Rovian Kassidy, Tenten Nanahoshi, and Dark Magician Girl the Magician's Apprentice were had feelings for Lincoln, and he also had feelings for them and he also saved her from an ambush by a group of musclebound criminals, and Lincoln sucked out their muscle mass, virility, testosterone, strength, blood, and lifeforce and he killed them all.

Rovian Kassidy: Wow, so this is Sirena Beach, it sure is beautiful.

Lincoln: It sure is, Rovian, and it's perfect for our first date. Shall we?

Lincoln, Rovian Kassidy, Tenten Nanahoshi, and Dark Magician Girl the Magician's Apprentice dived into the waters and began swimming, and they also saw the marine life that live there, then they went back to the beach, and Rovian Kassidy, Tenten Nanahoshi, and Dark Magician Girl the Magician's Apprentice also gave Lincoln a deep tissue massage which not only relaxed his muscles and entire body, but they also released some tension he'd been carrying.

Then, he did the same thing giving Rovian Kassidy, Tenten Nanahoshi, and Dark Magician Girl the Magician's Apprentice a deep tissue massage, and when he was done with that, they were relaxed. Then, they had an awesome game of volleyball, and they went to a workout area Lincoln created, and Rovian Kassidy, Tenten

Nanahoshi, and Dark Magician Girl the Magician's Apprentice got an extremely massive and deep atomic red blush on her face when she saw Lincoln lift 107 massive 999 Septillion ton-lb barbells Lincoln summoned in his large and strong hands and 105 massive and long brown wolf tails, and they were really swooning over him especially when he started showing off by flexing his muscles.

Rovian Kassidy: (Swooning) What a handsome and manly wolf hunk.

Then, they had some lunch, and then, as the sun was about to set, Lincoln made clones of himself and they went up to Rovian Kassidy, Tenten Nanahoshi, and Dark Magician Girl the Magician's Apprentice and they hugged them in their abnormally massive and powerful muscular arms, and Rovian Kassidy, Tenten Nanahoshi, and Dark Magician Girl the Magician's Apprentice placed their hands on the massive hairy pecs of Lincoln and his clones, but he wasn't done. Then, he had them lying down on a beach towel with him and his clones on top of them.

And then, they shared a passionate and romantic kiss and Lincoln slowly sank his fangs into their right trapezius and he began feeding on their blood, and his rainbow, white, golden yellow, and blue energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his massive white angel wings and ninety-nine sets of large white angel wings underneath his massive white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, rainbow markings on his large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on his 105 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare

chest glowed.

He slowly unlatched his fangs from their right trapezius as they healed and the puncture marks sealed up, and he also kissed where he bit them. They came back home to The World Tree Estate, and Nico and I saw Lincoln was covered in kisses on his face, body, and twelve-pack abs.

Me: (Whistles) Wow, it looks like you really had a good time at Biscarrosse Beach, eh, Lincoln?

Lincoln: (In Heaven) It...was...so... AWESOME!

Suddenly, three Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Rovian Kassidy, Tenten Nanahoshi, and Dark Magician Girl the Magician's Apprentice with colored gems on the gold lightning bolt links and colored crystal links and jade beads from their merged Crystal Necklace of The Buddha and Jade Necklace of Shangdi along with seven white and gold-accented Elemental Thunderbird Chokers of Eternal Love on their necks.

Lily the Mermaid: Wow, now Rovian Kassidy, Tenten Nanahoshi, and Dark Magician Girl the Magician's Apprentice are in your harem, Linky.

Rovian Kassidy, Tenten Nanahoshi, and Dark Magician Girl the Magician's Apprentice showed the marks Lincoln made on the right side of their trapezius.

Jenna: You had no trouble at all.

Tenten Nanahoshi: Not at all, and we not only gave Lincoln a deep tissue massage, but he also gave us the same deep tissue massage, and he had us swooning when he lifted 107 massive 999 septillion ton-lb barbells he summoned in his large and strong hands and 105 massive and long wolf brown tails, and we were really swooning over him especially when he started showing off by flexing his muscles.

Serena Logan: He really got that confident and bold. I think we made Lincoln into a really strong and powerful manly man.

Rarity: Well, you all helped in that matter.

Lincoln: She's right on that one, Serena.

Maria: Too bad Flip's kicked the bucket, now I can't give him the finger anymore.

Nico: You know we made a clone of that mutant.

Lincoln: He's right, along with clones of Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III to join Bubble Bass, Lewis Travolta, NO MA'AM, Mindy, Mandy, The Platypus Brothers, and Schnozmo who are still imprisoned at Lynn's Table.

Eli: That's right.

Maria: Oh right, I forgot. Well, let 'em have it.

We then saw Lincoln form a viewing window, and then, Lincoln snapped his fingers.

SNAPS FINGERS!

We saw a massive funnel appeared in mouths of the clones of Flip, Flop, Slip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and in the mouths of Bubble Bass, Lewis Travolta, NO MA'AM, Mandy, Mindy, Schnozmo, Walter Peck, and The Platypus Brothers, and then, massive cartons of the extremely powerful laxatives that Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta appeared over the funnel.

Eli: (GASPS) ARE THOSE...?!

Nico: The extremely powerful laxatives Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta?!

Luna: DO IT, BRO!

Then, the extremely powerful laxatives were dumped into their mouths and the funnel was removed. Then, their stomachs gurgled

and rumbled, and then...!

MASSIVELY LOUD AND EXTREMELY WET FART!

The clones of Flip, Flop, Slip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and in the mouths of Bubble Bass, Lewis Travolta, NO MA'AM, Mandy, Mindy, Schnozmo, Walter Peck, and The Platypus Brothers farted and massive tons of gold, jewels, gems, and other currencies exploded out of their asses like crazy!

The clones of Flip, Flop, Slip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and in the mouths of Bubble Bass, Lewis Travolta, NO MA'AM, Mandy, Mindy, Schnozmo, Walter Peck, and The Platypus Brothers stopped farting like crazy and we were laughing hysterically.

Lincoln: That's still as hilarious as ever! (LAUGHS)

Nico: Man, those laxatives are really powerful, I still remember when you tried that prank on me years ago, Connor, but that failed.

Eli: Because of you using Walker's powers.

Connor Chan: Okay, that was still as hilarious as ever!

Nico: When the next humiliation session starts, we've got much worse for them. (SMIRKING LIKE A DEMON)

Me: Oh man, are they in trouble.

Later it was time for the next adventure of the Skylanders.

Nico: Who's next?

Me: Wolfgang and this is gonna be fun. We're going to 10,000 Years into the Future in Skylands.

Nico: WHOA!

Me: Yep. Also Wednesday Undeadra, Lucy Loud, Lars Loud, Starlight Glimmer, Wednesday Addams, Krypt King, Short Cut, Hex, Ghost Roaster, Skull Man and Shade Man are up.

Nico: Yep.

They went into the Simulator and it activated and we saw that we were in Skylands in 10,000 YEARS! IT WAS A MASSIVELY ADVANCED CITY THOUSANDS OF YEARS AHEAD OF ANYTHING ON EARTH!

Me: WHOA! LOOK AT THAT!

Lucy Loud: GASP! This is massively advanced.

Wednesday Undeadra: It sure is!

Me: So this is Skylands, 10,000 years from now!? This is incredible!

Qin: WOW!

Nico: Look at all this

Hex: It sure is amazing.

Starlight Glimmer: And I think I know where we need to go to find Wolfgang and stop him.

Wednesday Undeadra: Yep on that big speaker there!

They saw a HUGE SPEAKER!

Me: If it's a musical battle he wants, we'll make it the ULTIMATE Battle of the Bands!

Nico: I got just the song!

Me: We'll do a lot of songs.

Nico: Yep. Starting with yours J.D.

Me: Lets do it!

We joined in and flew at the speaker.

Nico: WOW! So many futuristic sights!

Lola: This is amazing!

Wednesday Undeadra: Lets make this an awesome entrance for this.

Me: You got it.

The stage was set!

Wolfgang was about to perform!

Then...

KRABBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOMMMMM!

A MASSIVE FIERY EXPLOSION BLASTED OUT ABOVE HIM AND A PHOENIX CRY WAS HEARD!

(THE NIGHT BEGINS TO SHINE BY B.E.R. PLAYS)

The sun was eclipsed by the moon and then out of a ball of rainbow light came us!

Me and the Rainbooms: (SINGING DIVINELY AS SUNS AND MOONS SWIRLED AROUND US)

I saw you dance

From the corner

I caught your name

In a conversation

Playing hard-to-get

But I can understand

When I look at you

I see the story in your eyes

When we're dancing

The night begins to shine

Night begins to shine

The night begins to shine

Night begins to shine

When we're dancing

The night begins to shine

Talk 'til dawn

My heart was racing

I took you home

In the driving rain

Had my mind made up

I wanna feel your touch

When I look at you

I see the story in your eyes

When we're dancing

The night begins to shine

The night begins to shine

The night begins to shine

The night begins to shine

When we're dancing

The night begins to shine

The night begins to shine

(Night begins to shine)

The night begins to shine

Had my mind made up

I wanna feel your touch

When I look at you

I see the story in your eyes

When we're dancing

The night begins to shine

Night begins to shine

The night begins to shine

Night begins to shine

The night begins to shine

Night begins to shine

The night begins to shine

The night begins to shine

When we're dancing

The night begins to shine

Night begins to shine

The night begins to shine (the night begins to shine)

Night begins to shine

The night begins to shine (the night begins to shine)

We danced and fired beams of light and darkness at Wolfgang and blasted him all over!

Me: SHINE LIKE RAINBOWS RAINBOOMS!

Lucy Loud: Surprise, Wolfgang.

Wolfgang: (HOWLS) (Australian Accent) That was a great entrance mates!

Wednesday Undeadra: G'day Wolfgang!

Wolfgang: Wednesday! You're all right mate!

Wednesday Undeadra: I'm more than all right. I'm back and better than ever. I'm here to stop you from hurting people like this.

Wolfgang: "Well, well, well. Look who's managed to attend my big concert, some 10,000 years into the future!

Me: More like a BATTLE of the bands. And we're good at all that.

Wolfgang: Indeed ou are. Ya know, guys, we don't have to fight. Together, we could RULE this place. There's no Kaos, no Doom Raiders, and you can get pizza here in thirty seconds or less!

Me: Not interested but you had me at pizza in 30 seconds.

Wolfgang: Nah, let's just fight instead!"

Me: Lets make it a battle of the bands you'll never forget!

Nico: Time for Super Villain by Powerman5000!

(SUPER VILLAIN BY POWERMAN 5000 PLAYS)

(FIRE SWIRLED AROUND HIM)

Nico: (SINGING DIVINELY AS FIRE AND DARKNESS SWIRLED AROUND HIM)

Ah, hey!

You're dressin' all in black

From your front to your back

And all your evil ways

They seem to go on for days

And as a matter of fact

You got one more night before ya

Smash it up, burn it down

Tearing up the underground

You wanna live like a super villain

Back in the line-up

Before your time's up

You wanna live like a super villain

There's nowhere to go

There's nowhere to go

No one is savin' this town

Fuck all those pricks and those clowns

I know you'd rather abuse

Condemn or slightly confuse

Kick 'em all when they're down

And just for fun, you're gonna

Smash it up, burn it down

Tearing up the underground

You wanna live like a super villain

Back in the line-up

Before your time's up

You wanna live like a super villain

There's nowhere to go

There's nowhere to go

There's nowhere to go

There's nowhere to go when you're on your own

You don't care what's wrong or what is right, hey!

All right, all right, you've been knockin' down these doors

You've been filling up this room

You're been runnin' 'round the place like your name was Dr. Doom

You're a killer of culture, a vulture of style

And it won't be that long before you end up on trial

Smash it up, burn it down

Tearing up the underground

You wanna live like a super villain

Back in the line-up

Before your time's up

You wanna live like a super villain

Like a super villain

Like a super villain

There's nowhere to go

Like a super villain

There's nowhere to go

Like a super villain

Nico fired blasts of darkness and fire and blasted him all over the place.

Nico: I just love that song!

Wolfgang: That was well sung mate! You guys are great!

Me: We've had a lot of practice when it comes to it. Especially with Karaoke.

Wolfgang: You sure have mates!

Starlight Glimmer: Now to face the darkness!

(TOURNIQUET BY EVANESCENCE PLAYS)

SKELETONS AND BLOOD AND DARKNESS FORMED AND SWIRLED AROUND THE AREA!

Starlight Glimmer: (SINGING DIVINELY AS ZOMBIES, SKELETONS AND BLOOD SWIRLED AROUND HER)

I tried to kill the pain

But only brought more (so much more)

I lay dying

And I'm pouring crimson regret and betrayal

I'm dying, praying, bleeding and screaming

Am I too lost to be saved?

Am I too lost?

My God, my Tourniquet

Return to me salvation

My God, my Tourniquet

Return to me salvation

Do you remember me?

Lost for so long

Will you be on the other side?

Or will you forget me?

I'm dying, praying, bleeding and screaming

Am I too lost to be saved?

Am I too lost?

My God, my Tourniquet

Return to me salvation

My God, my Tourniquet

Return to me salvation

I want to die

My God, my Tourniquet

Return to me salvation

My God, my Tourniquet

Return to me salvation

My wounds cry for the grave

My soul cries for deliverance

Will I be denied Christ?

Tourniquet

My suicide

Return to me salvation

Return to me salvation

She danced and fired waves of darkness and blood and blasted Wolfgang all over the place with intense force!

Me: YEAH!

Twilight Sparkle: Rock on Starlight!

Wolfgang: That was really amazing mate!

Nico: We're on a roll!

Wolfgang: I'm really amazed at your talent!

Me: Well we learned a lot too.

Brittney: How about this one. DARKNESS FALLS!

(FORSAKEN BY WITHIN TEMPTATION PLAYS)

(MASSIVE NUMBERS OF FIERY AND POWERFUL EXPLOSIONS BLASTED OFF AND MANY OF OUR MOST INTENSELY EXPLOSIVE BATTLES PLAYED ON A SCREEN)

Brittney: (Singing Divinely as darkness swirled around her)

Now the day has come

We are forsaken this time

We lived our lives in our paradise

As gods, we shaped the world around
No borderlines, we'd stay behind
Though balance is somethin' fragile
While we thought we were gaining
We'd turn back the tide, it still slips away
Our time has run out, our future has died
There's no more escape
Now the day has come
We are forsaken
There's no time anymore
Life will pass us by
We are forsaken
We're the last of our kind
The sacrifice was much too high
Our greed just made us all go blind
We tried to hide what we feared inside
Today is the end of tomorrow
As the sea started risin'
The land that we conquered just washed away
Although we all have tried to turn back the tide
It was all in vain
Now the day has come

We are forsaken

There's no time anymore

Life will pass us by

We are forsaken

Only ruins stay behind

Now the day has come

We are forsaken this time

Now the day has come

We are forsaken

There's no time anymore

Now the day has come

The day has come

The day has come

Many of our most intensely explosive battles played and they blasted Wolfgang all over the place with incredible force.

Me: YEAH!

Qin: TAKE THAT!

Wolfgang: Rock on!

Nico: Let's keep it up!

Me: I have one. This is a song that always makes me think of one of my close friends.

(WHEN IT COMES TO LOVE BY FOREIGNER PLAYS)

Heart and rain swirled around me.

Me: (SINGING DIVINELY)

I remember the day

Seems so far away

When I walked into your life

And the look in your eyes

How it took you by surprise

But it felt so right

Well, I drew you in

Told you anything

'Cause I wanted you so bad

Girl, I led you on

Said there's nothing wrong in giving your heart to me

When it comes to love, I should know better

When it comes to love, I take the blame

'Cause you are the one I should've held on to

Oh, it could've been you

I never realized

I thought time was on my side

Lost sight of my perfect world

And the man that I've become

From the damage that I've done

It's so clear to me now

Well, I wished that I never was the kind to steal a lonely heart

And I couldn't see how good you were for me

Now it's too late to go back

But when it comes to love, I should know better

When it comes to love, I take the blame

'Cause you are the one I should've held on to

Whoa, when it comes to love, girl, I can't help it

When it comes to love, I always lose my way

But you are the one I should've held on to

Ah, it coulda been you

Making a change in my heart

Finding a new place to start

Wondering what I can do

Will I ever get over you?

No, when it comes to love, I should know better

When it comes to love, I take the blame

'Cause you are the one I should've held on to, oh

When it comes to love, girl, I can't help it

When it comes to love, I always lose my way

And you are the one I should've held on to

Ah, it could've been you

Ah, it could've been you, oh whoa

I was remembering a girl named Tellora Charity and she was one of my first girlfriends. She was killed in a bombing. I was crying and blasted Wolfgang all over.

Me: (CRYING) Oh Tellora!

Nico: What's wrong J.D.?

Me: (Crying) That song always makes me think of my first girlfriend Tellora. She was killed in a bombing!

WE GASPED!

Sakura Knudson: Oh man! I remember Tellora! She was one of my best friends and one of J.D.'s first girlfriends.

Lucy Loud: Oh no.

Nico: Oh man. J.D. I'm so sorry.

Wolfgang: That's hard mate. I'm sorry for your loss.

Nico pat my back.

Nico: Come on lets finish this and you can tell us about her later.

Me: (Sniffles) Okay. Now lets finish this with the grand finale! Rainbooms, lets SHINE LIKE RAINBOWS! This is for you Tellora!

Krypt King: I'VE GOT THE EDGE!

Short Cut: CUT TO THE CHASE!

Hex: FEAR THE DARK!

Ghost Roaster: NO CHAIN NO GAIN!

They fired waves of skulls and energy and blasted Wolfgang.

Wednesday Undeadra, Lucy Loud, Lars Loud, Starlight Glimmer, Wednesday Addams, Krypt King, Short Cut, Hex, Ghost Roaster, Skull Man and Shade Man: UNDEAD ULTRA SKULL SMASH BLAST!

They fired waves of darkness and skulls and demons and blasted him.

(SHINE LIKE RAINBOWS BY THE RAINBOOMS PLAYS)

Me and the Rainbooms: (SINGING DIVINELY)

Once upon a time, you came into my world and made the stars align

Now I can see the signs, you pick me up when I get down so I can shine

Shine like rainbows

Shine like rainbows

Friends, you are in my life and you can count on me to be there by your side

And when the music comes alive, you sing us songs to lift us up so we can shine

And the sound that we hear in our hearts

Makes a crescendo

And the light that ignites in the dark

It makes us all glow

And shine like rainbows

We shine like rainbows

Together we stand

As the rain begins to fall

And holdin' our heads up high

As the sun shines through it all

And the sound that we hear in our hearts

Makes a crescendo

And the light that ignites in the dark

It makes us all glow

And shine like rainbows

We shine like rainbows

Shine like rainbows

We shine like rainbows

We shine like rainbows

A MASSIVE RAINBOW BLAST OF ENERGY EXPLODED OUT OF US AND FORMED A HELIX AND FIRED A POWERFUL BLAST OF ENERGY AND BLASTED HIM DOWN!

WOLFGANG DEFEATED!

EVERYONE ALL OVER CHEERED WILDLY FOR US!

Starlight Glimmer: NOW YOUR SHOW IS DONE!

She held up a gray trap and a gray vortex appeared!

Wolfgang: "Oh come on, man! Let's not keep the audience waiting!"

He was getting sucked in!

Wolfgang: "Stick around for the encooOOOORRREE!"

HE GOT SUCKED INTO THE TRAP!

Wolfgang: "What?! What happened?! Oh well. The show must go on." (plays bone harp)

WOLFGANG TRAPPED!

Starlight Glimmer: Now you are going to be good from now on.

Wolfgang: "Guess I'd better change my tune, then."

Me: YEAH! THAT WAS SO FUN!

Qin: YEAH IT WAS!

Xenia: WOW!

Nico: We're having pizza anyway.

Me: Yep. Lets grab some of those 30 second pizzas from here to go. I remember in science fiction movies that they come in little packets.

Nico: Yep.

We left and everyone cheered wildly!

Me: Now we gave 3 more to go. Golden Queen, Nightshade and Luminous.

Nico: 7 down 3 to go.

Qin: Yep.

We were busy watching TV, and many of us were doing work-outs to continue staying in tip-top shape, especially Lincoln doing 900,000,000,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 999 septillion-ton barbells to get his massive white angel wings and 104 large white angel wings underneath his massive white angel wings, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get his 105 massive and long brown wolf tails even more stronger than ever and he was sweating like crazy.

Lincoln: We don't have long before our next mission starts, so I still like to keep myself busy.

Me: That's true, and we're also doing work-outs just like you, Lincoln.

Nico: Yep.

Then, we saw Lincoln deadlift a massive 999-septillion ton barbell with ease, and we were stunned.

Eli: Whoa!

And of course, the constant workouts that Lincoln has been doing had also caused his harem to get massive atomic red blushes on their faces, hearts in their eyes, and their noses were really bleeding upon seeing their hotter, sexier, manlier hunk of a future husband.

Lily the Mermaid: (Turned On) My God, Linky truly is one hunky muscle god.

Girl Jordan: (Turned On) Big time.

We finished our workouts, and Lincoln sprayed us with water and soap and we were all clean. Then, his harem kissed him on his face and steam whistled out of his ears and his face turned atomic red.

Lance Loud: Honestly, Lynnie, I'm still that surprised that Lincoln's attracted a ton of girls.

Lynn Sr.: Even Rita and I were stunned, and after hearing all of the trouble he's been through because of Chase Young's Dark Side turning Principal Huggins, Chandler, Lori, Lynn, Lola, Lisa, and Luan into those monsters from years ago, they wanted to protect him and make them pay.

Rita: But, in the end, those Dark Sides finally got The Black Abyss and they'd since healed and repaired things with Lincoln.

Me: Yep.

Lexx: Lets hit the Arcade.

Me: You got it.

We were off.

When we were there we were really having fun.

Lincoln and Ronnie Anne were playing the Dance Dance Revolution game and having fun. Clyde was playing skii ball, Nico and me were playing Time Crisis, May and Universe 666 May were playing the Motorcycle Racing games, Eli and Nunnally were playing the Guitar Hero Games and so much more.

The mascots were playing the bottle smashing games.

SMASH!

Poliwag: YEAH! Watch this!

WHACK!

He slapped a ball with his tail and then...

SMASH!

Poliwag: Take that!

Enya: I knew you would love that!

Poliwag: YEAH!

BANG BANG BANG BANG!

Me and Nico were blasting bad guys left and right!

Me: You like that jerks!?

Nico: Take that!

Linka Loud was playing Primal Rage.

Linka: Okay Diablo you are going to die!

She was playing as Vertigo!

Vertigo turned Diablo to stone and shattered him!

Linka: Smashed to bits!

Crumplezone: We're having so much fun

Qin: We sure are.

Qin and Maria were playing Air Hockey!

Fluttershy was playing a strength testing game. She punched it and then...

SMASH!

She broke the machine and all the tickets came out!

Fluttershy: Wow my goodness! I had no idea I was that strong.

Lilja: (Icelandic Accent) Nice one mom!

Pinkie Pie, SpongeBob and Lily played the prize grabbers and won all the stuffed animals and toys from them.

Lola: GEEZ! You guys cleaned out the whole things!

Freeway: Can we have some?

Lily: You all sure can. We got all of these for you.

Me: Nice!

We had enough tickets and got lots of neat prizes and candy.

Me: Boy that was fun!

Lincoln: It sure was!

Camie: I'll say!

Lincoln: Holy cow Flutters I didn't know you were that strong!

Fluttershy: I didn't know that either.

Our stomachs growled.

Me: I'm hungry.

Nico: I could go for some pizza. Lets head to the mall.

We went to the mall.

We were in the food court.

Nico: Lets have that pizza!

We got huge pizzas and we were eating them.

Me: (Eating) Mmm! Delicious!

Nico: (Eating) It sure is.

Laney: (Eating) Mmm!

Qin: (Eating) Yummy!

Then as we finished, we heard a roar and people running!

Me: What the!?

We saw a MEGA KYUREM!

Me: WHOA! Mega Kyurem!

Iris: The Strongest of all Dragon Type Pokemon!

Nico: How did that get here?!

Me: It must be one of Dark Gale's work!

Troy Burrows: Lets see.

He used telepathy and gasped!

Troy Burrows: It's my sister Kendra! She is the Orange Megaforce and Super Megaforce Ranger!

WE GASPED!

Me: WHOA! That is amazing! But it's a darn shame because there aren't that many Orange Rangers.

Nico: What a rip!

Me: I know. Lets go help her.

We went over.

Troy Burrows: Sis calm down. It's me Troy.

Mega Kyurem: (Telepathically) Troy? It is you!

Me: Just like Kyurem when Keldeo fought it! He spoke telepathically too!

Horsea: Is she still going to attack?

Mega Kyurem: Like this?

She used her Overdrive Mode and flew into the air and formed a powerful ice energy ball!

Me: Oh boy! (CUPS HANDS) KAAAAAAAA MEEEEEEE HAAAAAAA MEEEEEEE HAAAAAAAAAAAAAAAAA!

I fired a powerful Kamehameha Wave and Mega Kyurem fired a massive ball of energy and the blasts collided and a massive struggle began!

Lightning struck all over the place

(NEMO BY NIGHTWISH PLAYS AT 3:12 TO 4:35)

THE STRUGGLE WAS INTENSE AS IT SHOOK THE AREA WITH INTENSE FURY AND LIGHTNING STRUCK ALL OVER THE PLACE!

Nico: WHOA! WHAT POWER!

Qin: UNBELIEVABLE!

Iris: HOLY COW! J.D. IS BATTLING THE STRONGEST EVER DRAGON POKEMON OF ALL!

Lola: WOW! GO J.D.!

Eli: TAKE HER DOWN!

Then the blast overtook Mega Kyurem and it slammed into it and then...

EXTREMELY MASSIVE AND POWERFUL FIERY EXPLOSION!

It was knocked down and crashed onto the ground with a massively thunderous crash!

Me: HOLY SHIT!

Qin: That was intense!

I snapped my fingers and she reverted back. She was a girl with orange hair, orange eyes and fire angel wings and had Mega Kyurem on her forehead and had a Megaforce Symbol with a harpy on her arm as a cutie mark.

We wrapped a blanket on her and brought her to the table and I snapped my fingers and fixed up the mall.

Me: There. Wow that was intense!

Troy Burrows: But that was a Super Mega Win.

She woke up.

Kendra Burrows: (Groans) What hit me?

Troy Burrows: Are you okay sis?

Kendra Burrows: (GASP) BRO!

She hugged him.

Kendra Burrows: I'm glad you're here. Noah, Jake, Gia, Emma, everyone! Great to see you.

Orion: Same here.

Me: New members of the Megaforce team have been added. Also you were turned into a Mega Kyurem by Dark Gale.

Kendra Burrows: Oh man! But I don't remember them. I was battling a monster that we never faced before.

Me: What did it look like?

Kendra Burrows: Well it was an ice and snow monster.

Eli: (GASP) That was Yuzeikusu of the Ice & Snow.

Me: That's an unadapted monster. He was one of the monsters the Japanese version of the Megaforce Rangers faced.

Magas: That's right and I know that one.

Kendra Burrows: Oh man! I didn't know that was one from Japan.

Me: Yeah.

Nico: What's your color?

Kendra Burrows: I'm the Orange Ranger of the Harpy. I am also the Super Megaforce Orange Ranger.

Me: That's awesome. Troy did say that. Also there aren't very many Orange Color rangers. Over the last 48+ Years, Orange is one of the the least recognized colors of the rangers.

Brawl: You pack a punch!

Kendra Burrows: I know.

Me: Also what the most epic thing we've seen was back in 2013 was when the Megaforce Team all teamed up with all the rangers from over the last 20 years in America against the army of the Armada. That was so EPIC!

Kendra Burrows: I'll never forget seeing that! I was only little when I saw that on TV. That lead me to becoming a Power Ranger.

Me: Wow! Quite a motivation. Just like Emma's sister and now Troy for you.

Kendra Burrows: That's true.

Rarity: Lets get you some new clothes darling.

The Fashion Brigade gave her new orange clothes and a sword. Also Troy gave her morphers for Megaforce and Super Megaforce.

Kendra Burrows: Wow I look amazing!

Me: You sure do.

We later went back home.

We were watching TV.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye and the eyes on the shoulder blades of his massive white angel wings and 104 sets of large white angel wings under his massive white angel wings, his cutie mark tattoo on his back and Thunderbolt cutie mark with surrounding elements on his massive left pec, and his and his large gold halo in the center and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo that's behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four large orbiting gold rings on each corner glowed, and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, and a one-way viewing window formed, and we saw who the figure was in the vision: to our anger, it was our old enemy, Princess Morbucks, she's back in Townsville and she still wants revenge on us, and worse news: she has has all the powers she got on Christmas! When we saw it, we knew it meant trouble!

Lincoln, me, and Nico: OH, HELL NO! PRINCESS MORBUCKS, YOU SPOILED BRAT!

Eli: Please tell me that wasn't who I think we just saw!

Lincoln: Afraid so, Eli!

Lincoln sounded the alarm and everyone came in.

May: We heard the alarm, what's wrong, Lincoln?

Lincoln: Everyone, we've got a huge emergency, I just had a vision and I saw who it was that we're going to confront today: to our anger, it was our old enemy, Princess Morbucks, she's back in Townsville and she still wants revenge on us, and worse news: she has has all the powers she got on Christmas!

EVERYONE GASPED!

Lola: Princess is back for Round 4! Talk about a spoiled brat who never ever learns her lesson!

Amaris Nightshade: As much as any of us want to kill her, I've got a better idea, and Lincoln, I think it's time you used one of... (DEMONIC VOICE) THE SATANIC CURSES!

THUNDER CRASH! CAT YOWLS! SCREAMS OF TERROR!

Brittney: Lincoln's a master of magic, yes, but there's no way he also knows about The Satanic Curses.

Lincoln: Actually, I do, Brittney, and that's a good idea, Amaris, and I also think it's time you used one of your punishments on her.

Nico: (GULPS) I know many of us are gonna get nightmares tonight with what you got for that spoiled brat, but let's get going.

Lincoln: Don't worry, Nico, we won't hurt her.

Amaris Nightshade: (Smirks) Not too much. (CACKLING

MALEVOLENTLY)

We gulped in fear and we almost pissed ourselves in fright!

Me: OH BOY!

Qin: GEEZ!

The previous group came.

Carmen Dillo: Can me, Dirty Bubble, Pinky and the Brain, Swordsman, Dr. Destiny, Onyx, Jet, Waffle Woman, Rojo, and Box Ghost go with you guys?

Nico: Yes you all can come with.

Lola: Yeah. Also you guys are going to think we're nuts but we're going to have Princess Morbucks sent to you guys.

Waffle Woman: WHAT!?

Amaris Nightshade: But AFTER I have my fun. I am going to show her the consequences of what her greed has lead to.

Me: You're going to see just how deadly the Cardinal Sin of Greed is.

Xion: Nico, which Gene Slammers do you think you'll meet next?

Pinky: And nice songs earlier!

Me: Oh you guys heard them. Thanks.

Nico: And also Numbers 24 and 23 next.

Me: Dragulas the Vampiric Dragon and Lancelot, Dark Knight of the Underworld next! Nice!

Qin: Cool!

Lola: Yeah!

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his

Third Eye and the eyes on the shoulder blades of his massive white angel wings and 104 sets of large white angel wings under his massive white angel wings, his cutie mark tattoo on his back and Thunderbolt cutie mark with surrounding elements on his massive left pec, and his and his large gold halo in the center and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo that's behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four large orbiting gold rings on each corner glowed, and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, and a one-way viewing window formed, and we saw who the figures were in the vision: it was Soo-Won, Zhaitan, Mordremoth, Primordus, Kralkatorrik, and Jormag, the Elder Dragons from Guild Wars, and they were coming to destroy the world. When we saw it, we knew it meant trouble.

Lincoln: What the?!

Me: You got to be kidding me! That was...!

Lincoln: Soo-Won, Zhaitan, Mordremoth, Primordus, Kralkatorrik, and Jormag, the Elder Dragons from Guild Wars, and they were coming to destroy the world.

Charlotte Elizabeth Cooper: That is not good. Lincoln, you need to absorb them after we take them down.

Lincoln: Right, Charlotte.

Nico: This is gonna be one fierce battle with the Elder Dragons from Guild Wars. Alright, team, let's get going, we got a spoiled brat to take down.

Lincoln: Princess Morbucks is going to learn her lesson the hard way before we send her to Vypra and she'll set that spoiled brat straight, and once we get done with her, Soo-Won, Zhaitan, Mordremoth, Primordus, Kralkatorrik, and Jormag, you Elder

Dragons are finished!

Charlotte Elizabeth Cooper: You evil Elder Dragons made a huge mistake coming after us, but we'll deal with you after we deal with that spoiled brat.

Lincoln put up a powerful rainbow energy field around The World Tree Estate and we headed out to the Townsville Sector to deal with Princess Morbucks for the fourth time and make sure that spoiled brat gets a harsh lesson in her evil ways, and once we got done with her, Charlotte Elizabeth Cooper and Lincoln are going to destroy Soo-Won, Zhaitan, Mordremoth, Primordus, Kralkatorrik, and Jormag and send them to The Black Abyss after Lincoln absorbs them.

We were off to the Townsville Sector

We arrived in the Townsville Sector.

Me: We're here.

Nico: Wow.

Qin: I hope the Mayor is not being a stupid moron this time.

Me: Yeah.

Dirty Bubble: Let's call the 2016 version of Princess.

Me: Good idea.

We did so.

2016 Morbucks: I'm here guys.

Me: Awesome.

Qin: Yep.

Pharaoh Man: We should use a Gold Blade for this

Me: We'll use gold on Princess to make her pay for her crimes.

Qin: Nice.

Ymir: Who is Princess Morbucks?

Me: Oh she is the most spoiled brat ever.

I went over her history.

Princess Morbucks is a major antagonist in Cartoon Network's The Powerpuff Girls franchise.

She is one of the four most common villains in the series (alongside Mojo Jojo, HIM, and Fuzzy Lumpkins), Buttercup's and Blossom's rival in the OG series and the 2016 reboot.

In the 1998 series, she was voiced by Jennifer Hale, who also voiced Sedusa in the same series, Mandy in Totally Spies, Dark Samus in the Metroid Prime series, Rojo in Ben 10, Shannon Lucas in Scooby-Doo! Moon Monster Madness, Kronika in Mortal Kombat 11, Alecto in God of War: Ascension, Nurse Claiborne in Codename: Kids Next Door, and Black Knight in Generator Rex.

In the 2016 series, she's voiced by Haley Mancini.

In the original series, she is a spoiled and rich girl who wants to be a Powerpuff Girl for selfish reasons. However, she has no powers of her own, and instead uses her father's money to buy weapons to destroy the Powerpuff Girls because she can't become one.

She debuted in "Stuck Up, Up and Away," where Blossom explains that being a Powerpuff Girl is not about getting what she wants, having the best stuff or being popular or powerful, but about using one's own unique abilities to help people and the world. Princess buys a suit of powered armor that makes her seem invincible, but Blossom rallies the girls and destroys the armor. Princess swears she'll be out of jail shortly, but then again, no Townsville villain seems to stay in for long.

Princess tries again repeatedly: In one instance, she hires Mojo Jojo, and even gains Chemical X powers like the girls, but their savvy plus the egos of the villainous allies rob her of victory and powers. In an episode that paid tribute to the 60's band The Beatles, she, Mojo, Fuzzy Lumpkins, and HIM formed The Beat-Alls, who nearly owned the city and the girls, till a 'Yoko scheme' (a parody of how some people believe the real Beatles parted ways) broke them up. She also once simply had her father buy the City Of Townsville so she could be Mayor and outlaw crime-fighting, a scheme which fell apart when the girls legally robbed her of every last possession. In likely her most vicious petty scheme, she tricked a neglected friend the girls had made into stealing, just so she could report this to the girls and seem like an ally worthy of joining them. Though Blossom remains her archenemy, it is Buttercup who despises her the most. Princess is also featured in any 'crowd of villains' episode, most notably one where the villains send booby-trapped birthday gifts (that one and all epic fail) to the girls.

Serving as the main antagonist of the special, Princess tries to obtain her latest Christmas gift from Santa: to become a Powerpuff Girl. However, the Powerpuff Girls pointed out that Princess is too naughty due to her past crimes against them and Townsville, and that she needs to change her ways in order to earn such a gift. Upon going to the North Pole and seeing that she's the only kid on Santa's naughty list for the same reason, rather than changing her ways, Princess spitefully tampers the nice and naughty lists, so that she can be a Powerpuff Girl while the rest of the children (including the Powerpuff Girls) get coal. With her newfound powers, Princess attacks the Powerpuff Girls at the North Pole until Santa orders them to stop, having felt tired of transporting the coal throughout the world. Princess tries to get Santa to listen to her, but Santa is excited to meet the Powerpuff Girls in person as he is enthralled by their stories of true heroics. This incited a jealous Princess to throw the mother of all tantrums and demand that Santa gives her whatever she wants for Christmas, even at the cost of making the rest of the children very miserable. Finally realizing now what a despicable and selfish brat that Princess truly is and that she tricked him to satisfy her greed as well as discovering that she deceived him, Santa angrily lashes her out and places her name in the Permanent Naughty Plaque as eternal punishment for her actions, meaning she'll never receive a gift from him for the rest of her miserable life. Horrified and enraged by this news, Princess Morbucks angrily attempts to fly away to tattle on Santa to her father, but Santa cleverly foils this by stripping Princess Morbucks of her precious powers, much to Princess' shock and anger, allowing the Powerpuff Girls to save the holiday by delivering the gifts to the children and finally sending Princess to prison as punishment for her heinous crimes.

When it was done everyone was shocked!

Ymir: Man what a GREEDY BRAT! And she tried to destroy Christmas for everyone!?

Me: Yep.

Nico: Shows how nasty he is.

Amaris Nightshade: That's why I'm going to show her how dangerous Greed can be.

Swordsman: Let's also call the Z version

Me: Good idea.

We did so.

Princess Morbucks Z: I'm ready too.

Me: Boy 3 versions of her.

Qin: I know.

Me: Also Ymir I had a book made about Princess. It was about us and the Powerpuff Girls battling Princess.

Ymir: Really?

Me: Yep and it was for Christmas.

Nico: That was a cool one.

Marah: This reminds me of a joke.

Luan: Really?

Marah: 3 Morbucks walk into a bar.

WE LAUGHED!

Me: That was a good one.

Qin: Nice!

Lola: Yep!

Me: That was funny.

Marah: Thanks.

Me: Watch this. (Clears throat) HEY PRINCESS MORBUCKS! YOUR FATHER IS A BIG FAT DIRTCLOD! (ECHOING)

Nico: Nice one.

Then...

PRINCESS MORBUCKS ROARED IN EXPLOSIVE RAGE AND FURY!

Onyx: That got her mad!

Me: (CHUCKLES MISCHIEVOUSLY)

Qin: Nice!

Nico: That was funny.

Princess Morbucks Z: I am actually much nicer than my spoiled brat version.

2016 Morbucks: Me too.

Ymir: I can't believe that Princess Morbucks is that much of a spoiled brat.

Diamond Tiara: She came from a rich lifestyle like me.

Bonnie: Before we show her the error of her ways, we're going to talk to her about what greed does to people and how it ruins peoples lives.

Me: And ends up with Karma tearing them apart.

Camie: Yep.

Amaris Nightshade: That's right. Also guys if you want I can use my punishments on another one of your enemies in the future.

Me: That's a good idea Amaris. And I do have one that fits the bill. Veruca Salt.

Amaris Nightshade: Ah yes the spoiled brat that wanted everything handed to her right away in the Wonka Factory.

Spring Man: Good candidate.

Amaris Nightshade: Good idea. Okay then.

Me: Yep.

Waffle Woman: Anyone want waffles while waiting?

Kendra Burrows: I am a little hungry. I haven't had anything to eat.

Waffle Woman gave her waffles with chocolate syrup and marshmallows.

Kendra Burrows: Thanks.

She got to eating.

Troy Burrows: My sister Kendra. She joined the team just now.

Me: She was turned into a Mega Kyurem.

Waffle Woman: Wow.

Me: She's also the Orange Megaforce and Super Megaforce

Ranger.

Onyx: Not very many orange rangers.

Me: I know. What a ripoff.

Poromon: Save some for me!

Waffle Woman: Made enough for all of us.

She gave us waffles.

Me: Thanks.

We ate them.

Just as I was about to eat mine, my waffles turned into GOLDEN JEWELED WAFFLES!

Me: WHOA! (WHISTLES) Jewel encrusted gold waffles.

I tapped it and it was gold!

Me: WHOA! Talk about golden.

Goldie Royal: That wasn't my doing!

Lincoln: I think I know what it was. It was Lexx's Akuma, Sir AuBerglot of the Golden Kingdom of El Dorado. The Hypothetical Akuma of Lexx Loud and he is a golden knight of honor and valor and he is a deadly warrior. He was made because of Chandra beating up Linka and he vowed to smite that bitch!

WE GASPED!

Nico: WHOA!

He showed a sketch of him and he was a knight with armor made of solid gold with wings of gold!

Me: (WHISTLES) Golden and powerful!

Phage: He ruined perfectly good waffles!

Me: I think that was unintentional.

Qin: But yeah.

Lincoln: LOOK!

We saw SIR AUBERGLOT OF THE GOLDEN KINGDOM OF EL DORADO!

Me: WHOA!

Sir AuBerglot: (British Medieval Accent) Thou must be ready for me.

Me: Nice British Medieval Style Accent. Ties the whole knight theme together for you.

Sir AuBerglot: Thank thee very much.

Box Ghost: Lexx? Is that you?

Sir AuBerglot: Yes thou must know it's me.

Lexx: I look amazing as a knight!

Me: Like a Knight ready to go to a tower to save the captive princess from an evil sorcerer.

Gira: Just like us.

Sir AuBerglot: Indeed. Shall we battle like knights should?

I unsheathed my sword!

Me: Have at thee!

He unsheathed his sword and me and him clashed!

CLANG! CLANG CLANG CLANG CLANG CLANG CLANG!

We clashed all over the place.

Me: Wow! You are a true warrior of honor! Just like in the Medieval times back over 1,500 years ago.

2016 Morbucks: You need to calm down!

Sir AuBerglot: Not till I smite Chandra.

Cozy Glow: HEY GET IN LINE! Me and Raven are going to bash that bitch into pulp first!

Raven Bishop: Cozy Wozy it's not a contest. But yes we are.

Jaime Diana: What Chandra did was horrible!

Sir AuBerglot: Indeed. Then lets fight!

Me: Also you turned my waffles into gold and jewels.

I showed him.

Sir AuBerglot: Oh I apologize. Tis not part of my quest to do that.

Me: No worries.

I slashed him all over.

2016 Morbucks blasted him with a Ray of Riches!

Eddy: A Ray of Riches!? Whoa!

2016 Morbucks: Learned it myself.

Me: Nice!

Sir AuBerglot: Thou ready for my turn!

He went at me and I clashed and blocked his strike.

We blasted him and knocked him down.

He was knocked out.

Kaiba: The difference between me and Morbucks is that I learned from my mistakes

Me: That is true. But before Amaris delivers her painful punishment, I'm going to give Princess Morbucks the most PAINFUL SPANKING EVER! I'm going to use OL SPANKFUL!

WHAP! SCREAM OF AGONY!

EVERYONE GASPED!

Nico: (GULP)

Rojo: That's gonna be painful.

Me: Yep.

We heard the malevolent laughter of Princess Morbucks as she's causing havoc in Townsville blasting and destroying cars and buildings and hurting innocent people as well.

Allie Maxwell: That...fucking...little brat! I'm gonna kill her!

Caleb Maxwell: Easy, Allie.

Me: It's no use, she's pissed off.

Nico: Then, let's get that spoiled brat.

Me: Entrance time!

We then went after Princess Morbucks who was still on a rampage!

Princess Morbucks: WHERE ARE THEY?! WHERE!? WHERE ARE TEAM LOUD PHOENIX STORM?!

Suddenly, the spirits of The Powerpuff Girls appeared and they attacked Princess Morbucks with fury along with sudden blasts of black and purple, white, and blue energy blasts from Allie Maxwell which sent that spoiled brat flying down to the ground! Then, the spirits converged and then...

KRABBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOMMMM!

A massive explosion erupted as a Thunderbird Screech, Dragon Roar, Wolf Howl, and Phoenix Cry was heard, and we appeared!

Lola: Hello, Princess. I'd say it's been a year since we last met, but that would be a lie.

Lana: A big time lie.

Me: You got some nerve breaking out of The Noto Prison, you spoiled brat.

Nico: And you had the nerve to cause havoc once more for the fourth time, you really don't even know when to quit!

Lincoln: And you've never changed at all. Fine, if you want to be treated like this, very well.

Princess Morbucks: SHUT UP! SHUT UP! SHUT UP! SHUT UP! DIE!

Princess Morbucks fired energy blasts from her crown at us, but Caleb Maxwell fired black and red energy blasts that deflected her energy blasts.

Me: You know Princess you look just as you did when we fought on Christmas.

Princess Morbucks: But now I AM BETTER THAN EVER!

She floated and had ALL OF HER SUPERPOWERS BACK!

WE GASPED!

Me: You have Superpowers again!?

Princess Morbucks: Yep I do!

She fired laser vision blasts and I deflected them back at her!

Enya Oblivion: Lets get it on!

Spinister: This is gonna suck...

Enya Oblivion: For her!

She flew at Princess and kicked her into the air and punched her brutally!

Princess tried to fight back but she was outclassed!

She fired laser vision blasts but Enya deflected them back.

Enya Oblivion: Taste the power of Oblivion! OBLIVION DARKSTRIKE!

She fired a blast of black lightning and it hit Princess and exploded with incredible power!

EXTREMELY MASSIVE AND POWERFUL FIERY EXPLOSION OF INTENSE POWER!

The explosion knocked her into the ground!

SMASH!

Me: WHOA!

Princess flew at her and fired a Sonic Scream!

Enya blasted it back at her!

She fired yellow ray blasts and Enya fired black energy blasts and the blasts collided and exploded with incredible power!

EXTREMELY MASSIVE AND POWERFUL EXPLOSION!

Me: HOLY CRUD!

Nico: WOW!

Me: Enya is doing amazingly well!

Princess Morbucks: I AM YOUR PRINCESS OF CASH!

Enya Oblivion: YOU'RE PRINCESS OF NOTHING!

Enya fired waves of dark lightning and blasted her.

Jet: She must have their weaknesses too!

Lola grabbed a car and smashed it on top of Princess and smashed her into the road!

Me: Nice!

I then had Princess tied up in Adamantium Ropes and then pulled out SEVERAL PADDLES with my octopus tentacles!

Me: START PRAYING!

Then...

KRAWHAP!

Now, it's time for you to face the consequences!

Princess Morbucks went mad and went after us, but Lincoln went wild on Princess Morbucks as he punched, kicked, and slashed at her like a wild beast, and he left bleeding scars on her.

Then, Lincoln held out his left hand and fired five massive balls of fire at Princess Morbucks, and they collided and exploded as they hit her, and he also unleashed a whole slew of attacks using the powers of Ifrit, Phoenix, Garuda, Ramuh, Titan, Bahamut, Shiva, Odin, Leviathan, and Ultima from Final Fantasy 16 and the immense powers of all 13,000 Duel Monsters, All MTG Cards, All Pokemon, All Digimon, All My Singing Monsters, All Monster Rancher Monsters, All Ben 10 Aliens, All Bakugan, The Shadow Dragons, Z-Fighters, all of Team Loud Phoenix Storm's enemies, frenemies, friends, and all its members, all mythological creatures, Twilight and Friends, All Huntik Spirits, Clow Cards, the Power Rangers, Kamen Riders, their enemies, Animals, Aliens, and so much more.

Nicole: Jeez, he's tearing her apart!

Finally, Lincoln formed a massive blue fireball in his left hand and he threw it down, and then, it sunk into the ground unleashing a storm of lightning bolts and raging fire, and...!

KRABOOM!

IT EXPLODED IN A MASSIVE FIERY EXPLOSION OF BLUE FIRE AS IT ROSE UP INTO THE AIR AND THE EXPLOSION ALSO HIT PRINCESS MORBUCKS AND SEVEREAL PILLARS OF BLUE FIRE ROSE FROM THE GROUND AND HIT HER AND SHE GOT BURNED AND SHE GROWLED FEROCIOUSLY AND SHE GAVE LINCOLN THE STINK EYE!

Amaris Nightshade: Now, it's time for you to pay, Princess Morbucks.

Amaris Nightshade fired blasts of black and green darkness that hit Princess Morbucks, and then, she made her see her own past, and we saw that her mother spoiled her rotten and beyond for the past and she died in a Mafia deal gone bad.

Lola: Whoa, so her mom spoiled her rotten and beyond in the past, and she got killed in a Mafia deal gone bad.

Lana: Yeesh.

Then, for the Present, Amaris Nightshade shows the terrible crimes Princess Morbucks did against The Powerpuff Girls and us that lead her to be homeless and more.

Blossom: That's all of her crimes in the present against us, and that led to her losing everything and led to her being homeless and many more as the years passed.

Amaris Nightshade: Already on it.

Princess Morbucks: DIE! ALL OF YOU GO TO HELL!

Princess Morbucks came after us, and suddenly, Amaris Nightshade was surrounded by an infernal darkness energy aura and she levitates off the ground with her massive black angel wings spread out, and her crimson red eyes had slit pupils, and the fires of Hell rose from the ground.

Amaris Nightshade: (Singing Divinely) (Demonic Voice) I see a cold wind blowing through, I see days neither fun nor free, I see a future caused by you, I see a path not meant to be, The future should be filled with magic, Dreams and wishes brought to life, But the days ahead are dark and tragic, No time for hope when all is strife, Whatever might have been, All the dreams that ponies share, Because of you, Princess Morbucks, Now the future is a cold nightmare!

WE SERIOUSLY WOUND UP GETTING ICE RUNNING DOWN OUR SPINES AND BACKS!

Then, she fired black and green darkness from her black angel wings that formed into a window of the future, and it showed Princess Morbucks' future, and it was 10,000 times more horrible than what happened to Ebenezer Scrooge: as punishment for not changing her ways, she was heading to The Black Abyss and it goes beyond being tortured: she'll be long forgotten by everyone.

SHE SCREAMED IN HORROR!

Lana: Whoa! That was scary!

Lola: Yeesh, this is 10,000 times more horrible than what happened to Ebenezer Scrooge!

But, Princess' terror went back into rage!

Princess Morbucks: THESE VISIONS YOU'RE SHOWING ME, THEY'RE ALL LIES! I'LL MAKE THEM STOP BY KILLING YOU ALL!

THEN, SHE CAME AFTER US AGAIN! SERIOUSLY, TALK ABOUT A SPOILED BRAT WHO NEVER LEARNS!

Then, Lincoln formed and fired black and red energy balls at Princess Morbucks from his massive white angel wings and 104 sets of large white angel wings underneath his massive white angel wings that turned midnight black, and the black and red energy balls hit Princess Morbucks, and she screamed in horror and terror as she saw all of her greedy actions and crimes finally turning on her, and she saw what it got her: she lost her family's fortune, her wealth, her mansion, and her entire social standing all because she was a selfish greedy spoiled brat, and she let out the most horrific scream of terror and absolute horror ever!

Then, Lincoln reached into his 28th Century Backpack and he got out a black grimoire with a blood red inverted pentagram with a black goat head on the cover, and it had inscriptions in blood red on the cover, and inside its pages are some of the darkest Satanic Curses ever known along with The Ancient Satanic Curses, and it had a scary aura around it!

Nico: I think it's time to show you reality.

Diamond Tiara: Starting with me and my fellow rich people.

Diamond Tiara, Richie Rich, Bonnie, Brittney Wong, Ellie Singh and many of the Rich girls we know told her how their lives were all around money and how it destroyed them and nearly ruined them. They did terrible things and explained how karma bit them hard. But some of them didn't let money consume them too.

DIamond Tiara: Princess it's time for you to realize that money NEVER Buys you everything. All it does is makes you miserable. Money never buys you the good things in life like love, friendship, power and hope. It only makes you miserable. And look what it gets you. Only pain.

Me: That's right. Having all the money in the world is one thing, but things like power, friendship, love and hope and all that are another.

Princess: It got me this far, hasn't it?!

Taro: Yeah, stuck in the Noto Prison last time I checked!

Me: Not only that but it got you permanently condemned to never receive gifts from Santa. Also look what happened to your father and your house and your life. Because of your greed and jealousy, you lost EVERYTHING!

Nico: That's right.

Poromon: And to you making crime legal, that wouldn't have stopped the Powerpuff Girls since stopping crimes then would've been a crime itself, therefore making it legal

Me: Also you almost destroyed society . Your actions would have destroyed all of society with total anarchy which is just as worse!

Nico: YEAH!

Princess: And your point on all this?

Me: The point is Princess is that you need to know that your greed and actions can have DISASTROUS consequences for you and the world. Look what it got you. Karma sent you to the Limburger Cheese Mines and then the Noto Prison.

Lola: That's right.

Poromon: I'm so smart!

Nico: Yes you are.

Me: But there is something you can do to make you a better person.

Princess: And what is that?

Me: Realize the error of your ways and you join Vypra and her group. Or be sent back to the Limburger Cheese Mines and be defeated by us again and fight again and be sent to a place much worse than that. So what's it going to be?

Princess: Why should I believe you?

Me: Because you know we're right.

Eli: Search your feelings Princess. You will know it to be true.

Princess: Let me think on that soon.

Me: We need to have the usual battles anyway.

Mammoth, King Hiss, Toyman, Artie Ziff, See More, Devack, Grundy, Abra Kadabra, Gator Ghoul, and Manta Bayarsh Then came.

Nico: Mammoth, King Hiss, Toyman, Artie Ziff, See More, Devack, Grundy, Abra Kadabra, Gator Ghoul, and Manta Bayarsh.

Princess was thinking hard.

Me: Give her a few minutes. She's taking everything we told her into thought.

Mammoth: At least she's not ordering us around.

Me: Yeah.

King Hiss: But don't expect Mojo and the rest to warm up to her right away.

Me: I know but it'll take a while.

Toyman: We haven't decided if she'll keep her power.

Me: Enya had a good showdown with her. So let her keep her powers.

Toyman: Okay then.

Artie Ziff: (to Nico) We heard you fought another foe of J.D.'s.

Nico: We sure did.

Grundy: (to Tristan) You should take care of tiny ghost

Tristan: I will.

?: Cool man!

A figure came and out came TRUMPET TOP from episode 15 of season 2 of Mighty Morphin!

When Zack's cousin Curtis wanted to perform a jazz concert, Zack gave him their late Uncle Ed's trumpet as Curtis' was still on the move from St. Louis. Lord Zedd had his Putties sprinkle Ed's trumpet with hallucination dust which Curtis subsequently sprayed the Power Rangers with at the jazz concert. With its initial purpose fulfilled, a Putty snuck in and stole the trumpet during an interval and took it to Angel Grove Park where Zedd used it to create Trumpet Top. Trumpet Top had the ability to cast illusions by activating the dust Curtis previously sprayed the Rangers with. His mission was to cast illusions so that the Power Rangers would wear themselves out fighting and Zedd could easily finish them off. Trumpet Top noticed that the Rangers were in Angel Grove Park so created an illusion of the Grumble Bee which got them to morph. Once the Grumble Bee delivered a bested the Rangers, Trumpet Top decided to speed up the process of wearing them down by creating illusions of the Saliguana, the Fighting Flea, the Soccadillo, the Rhinoblaster, the Mantis, the Stag Beetle, and the Slippery Shark.

Trumpet Top enjoyed watching his illusions wipe the floor with the Rangers, who were so exhausted that they nearly collapsed.

However, Zordon teleported them back to the Command Center and it was revealed that the illusions were only visible to those affected by the powder. As soon as the Rangers found out, they were sent to destroy Trumpet Top, but Zedd tossed one of his Growth Bombs to Earth, leading the Rangers to summon the Thunderzords to form the Thunder Megazord. The Thunder Megazord bested Trumpet Top and finished him off with three energy slashes. Upon his destruction, Trumpet Top reverted back into Uncle Ed's trumpet.

Zach: Trumpet Top!

Trumpet Top: Been a while rangers.

Me: I remember you! You were made from Zack's trumpet given to him and you made illusions of Saliguana, the Fighting Flea, the Soccadillo, the Rhinoblaster, the Mantis, the Stag Beetle, and the Slippery Shark to wear them down! I remember all those guys.

Trumpet Top: I know! Good memory.

Me: Thanks.

Trumpet Top: I even got new illusions up my sleeve too

Me: Lets see them.

He showed illusions of Trakeena, Master Org, Freezard, Lothor, Venommark, Octomus the Master and Trifire!

Me: COOL! Diversified your monsters.

I fired waves of energy and blasted the illusions and destroyed them.

Me: My powers have gotten much stronger than ever.

Nico: Yep. LETS GET IT ON!

Me: COME ON YOUR APES! YOU WANNA LIVE FOREVER!?

We got the battles underway.

Then, Lincoln morphed the tips of his 105 massive and long brown wolf tails into Cell's stingers and he stabbed them into the chests of Soo-Won, Zhaitan, Mordremoth, Primordus, Kralkatorrik, and Jormag and he began absorbing them and he assimilated The Elder Dragons' Elemental Breath, Godlike Strength, Godlike Durability, Minion Creation, Reality Wrapping, Telepathy, Mind Control, Immortality, Control over nature, Connection to Tyria at large, and Various other godlike abilities as a whole group, and individually, he assimilated Soo-Won's Godlike strength, Godlike durability, Minion creation, Controlling minds, Immortality, Hydrokinesis, and Flight, Zhaitan's Godlike strength, Godlike durability, Minion creation, Controlling minds, Immortality, Necromancy, and Flight, Mordremoth's Godlike strength, Godlike durability, Minion creation, Controlling minds, Telepathy, Immortality, Reviving others, and Control over the jungle, Primordus' Godlike strength, Godlike durability, Minion creation, Controlling minds, Immortality, and

RRGH!

Then, when Lincoln was done and the stingers changed back, nothing was left of Soo-Won, Zhaitan, Mordremoth, Primordus, Kralkatorrik, and Jormag, and Lincoln drained their souls of every last bit of energy and magic they still have in them and he sent them to The Black Abyss and he let out a loud and massive howl of dominance and power as he pounded his chest like a gorilla and he flexes his massive muscles!

We cheered wildly as we holstered our weapons and powered down and Charlotte Elizabeth Cooper's new body, clothes, weapons, jewelry, Third Eye, larger raccoon ears, larger raccoon tail, large gold halo and large gold Yata no Kagami mirror with gold flame ring-shaped frame around it with embedded dark blue gems behind the gold halo with four large orbiting gold rings on each corner and four large Yata no Kagami mirrors with gold flame ring-shaped frames around them with embedded dark blue gems behind the gold rings behind her head, one-hundred large black and dark blue planets orbiting around her legs, one-hundred smaller black and dark blue planets orbiting around her waist, smaller planets orbiting around her fingers, medium sized black and dark blue planets orbiting around her wrists and ankles, and massive black angel wings and ninety-nine sets of large black angel wings underneath her massive black angel wings are permanent.

Charlotte Elizabeth Cooper: It's over for you, Soo-Won, Zhaitan, Mordremoth, Primordus, Kralkatorrik, and Jormag, and to this we say good riddance. Thanks for helping me get rid of the evil dragons, Lincoln. You too, guys.

Lincoln: (Smiles Warmly) You're welcome, Charlotte.

Me and Nico: Our pleasure, Charlotte.

Suddenly, Charlotte Elizabeth Cooper wrapped her arms around Lincoln's waist, as her breasts pressed against Lincoln's massive pecs and her stomach pressed against his twelve-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Charlotte Elizabeth Cooper's face, they kissed passionately as she moved her hands onto

Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, Dragon, Tiger, Mermaid, Angel, Fairy, Succubus, Incubus, Windigo, Alicorn, Demon, Vampire, Werewolf, and Doves flying in the air, and we saw a herd of Buffalo and many animals running across the field and elemental forces behind them and we cheered wildly. Then, Lincoln and Charlotte Elizabeth Cooper sucked in and absorbed the elemental forces and they came back to us as the display vanished.

Sly Cooper: Now, that's what I call impressive. Charlotte, you transformed and you guys really let those Elder Dragons have it.

Me: That's for sure, they didn't stand a chance against us even now. So, Lincoln, who's the next girl we're meeting on your rescue tomorrow?

Suddenly, we saw the symbol of The Gem-Knight Order of Crystal Justice with Gem-Knight Alexandrite.

Lincoln: The symbol of The Gem-Knight Order of Crystal Justice with Gem-Knight Alexandrite.

Catherine Diamantis: There's only one person who matches this: Alexandria Mackenzie, Avatar and Gene-Slammer of Gem-Knight Alexandrite, and you guys are going to love meeting her, Alexandria Mackenzie, Avatar and Gene-Slammer of Gem-Knight Alexandrite, is Lincoln's Guardian Angel from Michigan, she's a powerful and extremely deadly angel who was born with the powers of Cosmic Geokinesis, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the powers of Alexandrite gems and crystals. She's known as The Alexandrite Master of The Gem-Knight Order of Crystal Justice, a group of girls who are the Avatars and Gene-Slammers of The Gem-Knight Duel Monsters and who were born with the powers of Cosmic Geokinesis omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the powers of all gems and crystals, and their goal is to not only protect and defend Lincoln from his enemies, but also, to bring an end to the order's archenemies: The Steelswarm Subjugation Coalition, a group of evil girls who Gene-Slammed themselves into The Steelswarm Duel Monsters and wanted to destroy mankind and rule the world, but before they were Gene-Slammed, they were narcissistic abusive controlling bitches who got a sick kick out of destroying families and ruining their lives for their own sick and twisted amusement and to satisfy their need for control, but when they tried to destroy Lincoln's family, they wound up getting their lives ruined and Catherine and her friends banished those bitches into the deep abyss where The Steelswarm Duel Monsters were banished to in ancient times, and they swore to get their revenge on them for this. Alexandria Mackenzie came to Royal Woods where she met Lincoln, and she taught him how to master the powers of Cosmic Geokinesis, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the powers of Alexandrite gems and crystals, and over time, Lincoln gained Cosmic Geokinesis, omnipotent power, Omnipotence, Omniscience, Cosmic Awareness, and the powers of Alexandrite gems and crystals, and he was already born with immortality and invincibility, and she also helped him seriously bulk up in muscle and she also knew Lincoln is an Alpha Vampire-Werewolf hybrid and an extremely powerful and attractive one, and more than once, she'd kissed him on the lips and made out many times and he came back home all covered in kisses and his tails were wagging like crazy, and it made her love for him grow even stronger, and she helped him really bulk up even more in muscle and she also helped him grow in intelligence, power, and knowledge. Lincoln made her a beautiful rainbow diamond ring, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem, and she's used her powers to keep Lincoln's enemies in line, but there is one person whom she despises and desires nothing more than to kill: that person is none other than Audrey Belial, Gene-Slammer of Steelswarm Caucastag and member of The Steelswarm Subjugation Coalition, she was a heartless, sadistic, loathesome, evil, narcissistic, abusive, controlling bitch who got a sick kick out of destroying innocent families and ruining their lives for her sick twisted amusement and to satisfy her need for control, and she was also the one who murdered Alexandria's parents and her little sister, Adriana, in cold blood, and she swore to kill Audrey Belial and make sure she's sent to The Black Abyss forever!

Me: Oh man...!

Lincoln: Alexandria lost both her parents and her little sister, Adriana, and Audrey Belial killed them in cold blood because they got in her way, she hated life itself and got a sick kick out of destroying innocent families and ruining their lives for her sick twisted amusement and to satisfy her need for control and destruction.

Qin: Another damn, heartless, sadistic, loathesome, evil, narcissistic, abusive bitch!

Nico: She don't deserve to live, if that bitch shows up along with the other bitches, they're dead!

See More: You think we got through to her?

Devack: Definitely.

Abra Kadabra: After that talk we had.

Me: I agree there.

Gator Ghoul: Where should we celebrate?

Manta Bayarsh: At a restaurant here

Me: Plenty to choose from.

Nico: Great job today everyone.

Me: (To the viewers) Having money is one thing but it can't buy you the things in life.

Nico: Yep.

We went to a hot dog restaurant.

We returned home, and hours later, night fell on the city, and Lincoln's harem and Guardian Angels were heading to the hot springs in Lincoln's room.

Lily the Mermaid: We finally did it. We taught Princess Morbucks a painful lesson!

Anna Anyanova: After what she did, she's lucky we didn't kill her, and Lincoln used one of The Satanic Curses and Amaris used her punishments on her. Vypra's gonna keep a super tight leash on her neck.

Then, just as they were about to enter the room, they caught the scent of roses and a strong cologne in the air, and as they opened the door, there in the hot waters was Lincoln who was in an orange speedo, and his towel was on the rack, and when his harem saw him, they had an atomic red blush on their cheeks and their noses gushed out blood.

Lincoln: (Seductive Voice) (Flexes his massive arms and his massive biceps bulged even more with more veins forming)(Smirks) Like what you see, ladies?

They could only nod, and they went up to Lincoln as they stripped off their clothes leaving them in their two-piece bikinis and they joined Lincoln and the hot water's minerals really did wonders for them. Then, they went to the massive expanding sauna, and the hot steam really did wonders in opening their pores.

Finally, they got out and the girls were on top of Lincoln as they kissed passionately.

Lily the Mermaid: (Rubs Lincoln's massive pecs) (Seductive Voice) My God, you're still the same intense kisser from long ago, and getting pumped full of Regina Fessterox's Perfect Gene-Slammer serum along with her patented muscle mass growth serums and potions, muscle mass growth supplements, brain growth serums, brain growth supplements, testosterone growth serums and potions and virility growth serums and potions has already gotten you ready for another...passionate night. You ready, you now even more handsome massive hulking hunk of a wolf?

Suddenly, Lincoln's Mark of The Incubi on his left thigh started glowing with intense red light, and Lincoln gained another extreme increase in his already abnormally high sex drive, hyperpuberty, and genes that he inherited from his parents, and the supernaturally potent and powerful aphrodisiac pheromones that enhanced his own infinite-times high levels of libido and other sexual aspects was out

in full force and his eyes turn from deep sapphire blue to deep blood red with slit pupils: the effects of The Mark of The Incubi have taken hold of him.

Then, Lincoln wrapped his arms around Lily the Mermaid's waist and laid her on his bed with him on top of her and he kissed her passionately as he still had his arms around her and she had her hand on his speedo about to remove it and leave him in the nude with the rest of his harem joining in.

Lincoln: (Seductive Voice) (Smirks) You bet. Alright then, I hope you're ready, ladies. (Seductive Wolf Growl)

Lincoln used his 105 massive and long brown wolf tails to push the door shut, and then, the barrier activated, but it also turned deep red thanks to the magic of Lincoln's Mark of The Incubi activating.

Meanwhile in Goha City, Yuga and friends were excited for our arrival.

Yuga: I'm really excited for this.

Romin: Same here!

Yuga: We're going to make Otis and his lackeys pay.

Romin: We sure are.

Yuga: LETS BRING THE RUSH!

Yuga and friends went at the screen and it froze.

BUCKLE YOUR SEATBELTS! THIS IS GONNA BE EPIC!

This is for Yu-Gi-Oh Sevens!

In the early morning hours of 12:00 AM, Lincoln was asleep along with his harem and kids, and he had a dream as it took him to a distant galaxy, and there he saw what he couldn't believe: there were two planets, the first planet is an arctic blue planet in The Forbidden Zone, but billions of years ago, this planet was once inhabited by powerful male warrior angels who were not only natural born fighters, but had powers over ice, snow, and absolute zero temperatures, and were given even more incredible powers, immortality, virility, and invincibility by the deities they've worshipped, fought against numerous ancient monsters and demons, and impressed many of the females there, and they were among the most advanced civilization in The Forbidden Zone. But, they'd been defeated by The Infernairans eons ago and imprisoned inside a well where their souls remain imprisoned to this day.

And the second planet is a blue and green planet in The Forbidden Zone that was inhabited by powerful Alpha Male warrior angels who were not only natural born fighters, but they were also very strong warriors who had spent their entire lives training and fighting giving them the bodies of all the male Gods of history and myth along with the rugged handsome looks that could make any woman go wild, and they had excessive superhuman strength, excessive superhuman speed, excessive superhuman durability, excessive superhuman endurance, immortality, invincibility, excessive virility, excessively massive sex drive, and excessive testosterone, and they were also given incredible divine powers by the deities they've worshipped and fought against numerous ancient monsters and demons, and they're among the most advanced civilization in The Forbidden Zone. But, they'd been defeated by The Infernairans eons ago and imprisoned inside a well where their souls remain imprisoned to this day.

Lincoln woke up.

Lincoln: Was that?

Lincoln 2: (Through the Rainbow Thunderbird and animals on Lincoln's forehead) Two more planets in The Forbidden Zone, the first is Glaciaira, an arctic blue planet in The Forbidden Zone that was inhabited by powerful warrior angels called The Glaciairans, the males were not only natural born fighters, but had powers over ice, snow, and absolute zero temperatures, and were given even more incredible powers, immortality, virility, and invincibility by the deities they've worshipped, fought against numerous ancient monsters and demons, and impressed many of the female Glaciairans, and they were among the most advanced civilization in The Forbidden Zone. But, they'd been defeated by The Infernairans eons ago and imprisoned inside a well where their souls remain imprisoned to this day.

Lincoln: Brr, now that's cold.

Lincoln 2: (Through the Rainbow Thunderbird and animals on Lincoln's forehead) You're telling me, and you'd have to be that tough enough to live in a planet of eternal cold, and the second planet you saw is Virilitaira, a blue and green planet in The Forbidden Zone that was inhabited by powerful Alpha Male warrior angels called The Virilitairans, who were not only natural born fighters, but they were also very strong warriors who had spent their entire lives training and fighting giving them the bodies of all the male Gods of history and myth along with the rugged handsome looks that could make any woman go wild, and they had excessive superhuman strength, excessive superhuman speed, excessive superhuman durability, excessive superhuman endurance, immortality, invincibility, excessive virility, excessively massive sex drive, and excessive testosterone, and they were also given incredible divine powers by the deities they've worshipped and fought against numerous ancient monsters and demons, and they're among the most advanced civilization in The Forbidden Zone. But, they'd been defeated by The Infernairans eons ago and imprisoned inside a well where their souls remain imprisoned to this day, and there's no Queen since this was a male planet.

Lincoln: I already know the drill.

Lincoln got up and got dressed, and he left a note explaining it, and then, he headed off to Planet Glaciaira once inhabited by The Glaciairans, but were defeated by The Infernians eons ago and were imprisoned in a well where their souls remain imprisoned to this day, and The Sun that's infinite-times hotter than The Sun and the amount of solar radiation and light also exceeds that amount, and the planet was like the many planets we've been to, but had an amazing and advanced massive city with smaller cities connecting the main city.

Lincoln landed on the planet.

Lincoln: Wow! So, this is Planet Glaciaira, wow it is real cold.

Lincoln 2: (Through the Rainbow Thunderbird and animals on Lincoln's forehead) Yep. This place used to be full of life, but now, it's silent as the grave.

Suddenly, Lincoln felt incredible power coming from the north, and there he found it: the well of souls of Glaciaira.

Lincoln: There it is.

Then, Lincoln hovered his hand over the intricately carved stone cover with an arctic blue gem surrounded by angels carved on it, and then, the arctic blue gem in the center glowed. Suddenly, the cover came to life and slid off, and then, a massive tornado of ice blue souls came out numbering in the septillions: they were the septillions of souls of the ancient male warrior angels of Planet Glaciaira.

Lincoln: Unreal!

Suddenly, the septillions of souls of the ancient male warrior angels of Planet Glaciaira then flew at Lincoln, and one by one, they each began entering Lincoln's body and they merged with him as he gained an astronomically massive power boost and he gained their powers over ice, snow, and absolute zero temperatures, and incredible godly powers, immortality, virility, and invincibility, and his abnormally massive and powerful upper and lower body muscles bulged even more and veins formed, and his massive white angel wings and 104 sets of large white angel wings underneath his massive white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on his 105 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Lincoln: (GROWLS) Oh man, this feels incredible. RRGH!

When it was done, Lincoln's rainbow, white, golden yellow, and blue energy aura was raging like a wild fire and he had a rainbow, white, golden yellow, and ice blue aura with snowflakes surrounding him and the rainbow, white, golden yellow, and blue protective aura as well as he pounded his chest like a gorilla.

Lincoln: Oh man, all of their powers over snow, ice, and absolute zero temperatures, and all of their incredible godly powers, immortality, virility, and invincibility along with their spirits and lives have merged with my body.

Lincoln 2: (Through the rainbow Thunderbird on Lincoln's forehead) Along with eons of combat experience. Now, there's one last thing to do.

Lincoln flew deeper and deeper into the planet, and then, he found it: the core of Planet Glaciaira, the inner and outer cores of the planet consisted primarily of iron and nickel and are extremely white hot with the temperature at 99,999 degrees Fahrenheit, and his rainbow, white, golden yellow, and blue energy aura was flaring up and he was growing stronger thanks to him absorbing the immense heat.

Then, Lincoln flew into the planet's core, and his rainbow, white, golden yellow, and blue energy aura flare up even more as he began absorbing the core of the planet and Planet Glaciaira itself into his body and he was really growing even stronger than ever, and his abnormally massive and powerful upper and lower body muscles bulged even more and veins formed, and his massive white angel wings and 104 sets of large white angel wings underneath his massive white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on his 105 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Lincoln: (GROWLS) Oh man, this feels even more incredible. RRGH!

Then, when Lincoln was done, his rainbow, white, golden yellow, and blue energy aura with mythical animals, beasts, and animals and his rainbow protective aura was like a raging fire, then, a rainbow fire aura flared up around the two auras as well, and then, he disappeared in a flash of light and reappeared in space. Then, he flew into Glaciaira's Sun and he sucked it in and absorbed it into his body, and his abnormally massive and powerful upper and lower body muscles bulged even more and veins formed, and his massive white angel wings and 104 sets of large white angel wings underneath his massive white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings

and phoenix feathers on his 105 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Lincoln: (GROWLS) Oh man, this feels incredible. RRGH!

When it was done, Lincoln's rainbow, white, golden yellow, and blue energy aura was raging like a wild fire and he had a rainbow, white, golden yellow, and blue fire aura surrounding him and the rainbow, white, golden yellow, and blue protective aura as well as he pounded his chest like a gorilla.

Lincoln: Now, that was so incredible! The septillions of souls of the ancient male warrior angels of Planet Umbraira have merged with me, and I also absorbed their planet's core, Sun, and planet themselves into my body. (Flexes his massive arms and his massive biceps bulged even more with veins forming)(GROWLS) RRGH! (Smirks) My harem's going to be in for one awesome surprise along with the others. But, it's not over yet.

Lincoln then landed on Planet Virilitaira.

Lincoln: Whoa, so this is Planet Virilitaira.

Lincoln 2: (Through the Rainbow Thunderbird and animals on Lincoln's forehead) Yep. This place used to be full of life, but now, it's silent as the grave.

Suddenly, Lincoln felt incredible power coming from the north, and there he found it: the well of souls of Virilitaira.

Lincoln: There it is.

Then, Lincoln hovered his hand over the intricately carved stone cover with a gold gem surrounded by angels carved on it, and then, the gold gem in the center glowed. Suddenly, the cover came to life and slid off, and then, a massive tornado of gold souls came out numbering in the septillions: they were the septillions of souls of the ancient male warrior angels of Planet Virilitaira.

Lincoln: Unreal!

Suddenly, the septillions of souls of the ancient male warrior angels

of Planet Virilitaira then flew at Lincoln, and one by one, they each began entering Lincoln's body and they merged with him as he gained an astronomically massive power boost and he gained their excessive superhuman strength, excessive superhuman speed, excessive superhuman durability, excessive superhuman endurance, immortality, invincibility, excessive virility, excessively massive sex drive, and excessive testosterone, and they were also given incredible divine powers by the deities they've worshipped, and his abnormally massive and powerful upper and lower body muscles bulged even more and veins formed, and his massive white angel wings and 104 sets of large white angel wings underneath his massive white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on his 105 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Lincoln: (GROWLS) Oh man, this feels incredible. RRGH!

When it was done, Lincoln's rainbow, white, golden yellow, and blue energy aura was raging like a wild fire and he had a rainbow, white, golden yellow, and gold aura with light surrounding him and the rainbow, white, golden yellow, and blue protective aura as well as he pounded his chest like a gorilla.

Lincoln: Oh man, all their excessive superhuman strength, excessive superhuman speed, excessive superhuman durability, excessive superhuman endurance, immortality, invincibility, excessive virility, excessively massive sex drive, and excessive testosterone, and their incredible divine powers by the deities they've worshipped along with their spirits and lives have merged with my body.

Lincoln 2: (Through the rainbow Thunderbird on Lincoln's forehead) Along with eons of combat experience. Now, there's one last thing to

do.

Lincoln flew deeper and deeper into the planet, and then, he found it: the core of Planet Virilitaira, the inner and outer cores of the planet consisted primarily of iron and nickel and are extremely white hot with the temperature at 99,999 degrees Fahrenheit, and his rainbow, white, golden yellow, and blue energy aura was flaring up and he was growing stronger thanks to him absorbing the immense heat.

Then, Lincoln flew into the planet's core, and his rainbow, white, golden yellow, and blue energy aura flare up even more as he began absorbing the core of the planet and Planet Virilitaira itself into his body and he was really growing even stronger than ever, and his abnormally massive and powerful upper and lower body muscles bulged even more and veins formed, and his massive white angel wings and 104 sets of large white angel wings underneath his massive white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on his 105 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Lincoln: (GROWLS) Oh man, this feels even more incredible. RRGH!

Then, when Lincoln was done, his rainbow, white, golden yellow, and blue energy aura with mythical animals, beasts, and animals and his rainbow protective aura was like a raging fire, then, a rainbow fire aura flared up around the two auras as well, and then, he disappeared in a flash of light and reappeared in space. Then, he flew into Virilitaira's Sun and he sucked it in and absorbed it into his body, and his abnormally massive and powerful upper and lower body muscles bulged even more and veins formed, and his massive white angel wings and 104 sets of large white angel wings underneath his massive white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on his 105 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Lincoln: (GROWLS) Oh man, this feels incredible. RRGH!

When it was done, Lincoln's rainbow, white, golden yellow, and blue energy aura was raging like a wild fire and he had a rainbow, white, golden yellow, and blue fire aura surrounding him and the rainbow, white, golden yellow, and blue protective aura as well as he pounded his chest like a gorilla.

Lincoln: Now, that was so incredible! The septillions of souls of the ancient male warrior angels of Planet Virilitaira have merged with me, and I also absorbed their planet's core, Sun, and planet themselves into my body. (Flexes his massive arms and his massive biceps bulged even more with veins forming)(GROWLS) RRGH! (Smirks) My harem's going to be in for one awesome surprise along with the others.

Lincoln disappeared in a flash of light and came back to his room, and as soon as he did, his harem were up and they got his note along with sensing his sudden energy and power surges.

Girl Jordan: We got the note, and you explained everything. Plus, we also felt your sudden energy and power surges. (Smirks)(Rubs Lincoln's massive pecs) And you're even more insanely ripped than ever.

Lincoln: (Seductive Wolf Growl)

Suddenly, Lincoln's room glowed and expanded even more: his gym had expanded with more weight machines, equipment, and dumbbells, more libraries of spellbooks and volumes of histories from civilizations of ages and eons past were included along with the expansions of their merged castle, hot springs, massive extra-extra large never-ending expanding bathroom for him and his expanding harem, and massive extra-extra-extra large never-ending expanding bed for him and his expanding harem.

Anna Anyanova: Okay, that was a surprise. But, you're gonna have to explain it tomorrow.

Lincoln: I will.

Lincoln and his harem went back to sleep. Then, as morning came, Lincoln and his harem and kids got up, brushed their teeth and showered, and got dressed, and we had a massive breakfast ready with steak, eggs, and bacon, and Lincoln was piling on the protein.

Lynn: Whoa! Someone's really piling on the protein!

Me and Nico: He needs it as always.

Lincoln: You got that right.

J.D. 2: And I felt your sudden power and energy surges last night, Lincoln, all of us did.

Lincoln 2: (Through the rainbow Thunderbird and animals on Lincoln's forehead) I knew you'd be the first to react, J.D., let me explain.

Then, Lincoln 2 explained everything, and when he was done, we were shocked.

Nico: Oh man, you found two more planets in The Forbidden Zone? Awesome! But, I can't believe that it's another planet The Infernairans terrorized! Damn.

J.D. 2: I remember Glaciaira, it was one freezing planet, along with Virilitaira, and they were among the strongest warrior angels in The Forbidden Zone, and their entire lives spent training and fighting gave them the bodies of all the male Gods of history and myth along with the rugged handsome looks that could make any woman go wild along with gaining excessive superhuman strength, excessive superhuman speed, excessive superhuman durability, excessive superhuman endurance, immortality, invincibility, excessive virility, excessively massive sex drive, and excessive testosterone, and incredible divine powers by the deities they've worshipped.

Lincoln 2: (Through the rainbow Thunderbird and animals on Lincoln's forehead) But, despite all of their training, those Infernairans relied on their violent rage and anger.

Lincoln: Arpina's former people really were monsters. (Growls) Uh oh, I feel something about to happen to me.

Suddenly, Lincoln grew from 12'9" to 12'11" in height, his abnormally massive and powerful upper and lower body muscles covered in brown fur grew much larger for his new body and he still has twelve-pack abs covered in tan fur and the pronounced crimson red markings covering his face, tan muzzle, and body became even more pronounced on the hulking wolf hunk.

Suddenly, Lincoln felt a sharp pain on his wider muscular back, and then, his massive white angel wings with orange, golden yellow, and aurora tips on the large white feathers a wingspan of 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999'0" grew larger and his 104 sets of large white angel wings with colored tips on the feathers underneath his massive white angel wings with wingspans of 899,999,999,999,999,999'0", 799,999,999,999,999,999'0", 699,999,999,999,999,999'0", 599,999,999,999,999,999'0", 499,999,999,999,999,999'0", 399,999,999,999,999,999'0", 299,999,999,999,999,999'0", 199,999,999,999,999,999'0", 9,999,999,999,999,999'0", 8,999,999,999,999,999'0", 7,999,999,999,999,999'0", 6,999,999,999,999,999,999'0", 5,999,999,999,999,999'0", 4,999,999,999,999'0", 3,999,999,999,999,999'0", 2,999,999,999,999,999'0", 1,999,999,999,999,999'0", 999,999,999,999,999'0", 899,999,999,999,999'0", 799,999,999,999,999'0", 699,999,999,999,999'0", 599,999,999,999,999'0", 499,999,999,999,999'0", 399,999,999,999,999'0", 299,999,999,999,999'0", 199,999,999,999,999'0", 99,999,999,999,999'0", 89,999,999,999,999'0", 79,999,999,999,999'0", 69,999,999,999,999,999'0", 59,999,999,999,999'0", 49,999,999,999,999'0", 39,999,999,999,999'0", 29,999,999,999,999'0", 19,999,999,999,999'0", 9,999,999,999,999'0", 8,999,999,999,999'0", 7,999,999,999,999,999'0", 6,999,999,999,999'0", 5,999,999,999,999'0", 4,999,999,999,999'0", 3,999,999,999'0", 2,999,999,999,999'0", 199,999,999,999'0", 9,999,999,999'0", 8,999,999,999'0", 7,999,999,999'0", 6,999,999,999'0", 5,999,999,999'0", 4,999,999,999,999'0", 3,999,999,999'0", 2,999,999,999'0", 1,999,999,999'0", 999,999,999'0", 899,999,999'0", 799,999,999'0", 699,999,999'0", 599,999,999'0", 499,999,999'0", 399,999,999'0", 299,999,999'0", 199,999,999'0", 99,999,999'0", 89,999,999'0", 79,999,999'0", 69,999,999'0", 59,999,999'0", 49,999,999'0", 39,999,999'0", 29,999,999'0", 19,999,999'0", 9,999,999'0", 8,999,999'0", 7,999,999'0", 6,999,999'0", 5,999,999'0", 4,999,999'0", 3,999,999'0", 2,999,999'0", 1,999,999'0", 999'0", 899'0", 799'0", 699'0", 599'0", 499'0", 399'0", 299'0", 199'0", 99'0", 89'0", 79'0", 69'0", 59'0", 49'0", 39'0", 29'0", 19'0", 9'9", 8'9", 7'9", 6'9", 5'9", 4'9", 3'9", and 2'9" with eyes with rainbow irises on the shoulder blades of his massive white angel wings and 104 sets of large white angel wings underneath grew larger.

And finally, Lincoln's 105 massive and long powerful brown wolf tails sticking out of his butt with intense rainbow flame patterns and rainbow tips and rainbow markings and phoenix feathers on them grew larger and longer.

Lincoln: Whoa, that was a rush. (Saw himself in a mirror he made) Whoa, I've grown even taller and I've also gotten even more buffer and more muscular than ever. (Flexes his massive arms and his massive biceps bulged even more with more veins forming)(To his harem)(Smirks) Like what you see, ladies?

Lincoln's harem literally had massive nosebleeds, hearts in their eyes, and atomic red blushes on their faces.

Girl Jordan: Holy...moly...!

Lily the Mermaid: Oh man...!

Luna: Dude, you keep getting taller, buffer, and even more manlier and hotter, your harem's gonna wind up flooding the streets with blood.

Nebula Lanaia: You might be too late for that, Luna. You've seen how many girls had seen how much Lincoln had grown, right?

Luna: Dang it, I forgot, and so many girls wound up getting nosebleeds galore.

Dan woke up to see Bulbasaur and Drago staring at him

Drago: Rise and shine Dan!

Bulbasaur: Time to wake up!

Dan woke up.

Dan: (YAWNS) Morning guys.

Bulbasaur: Time for breakfast!

Dan went and got dressed and went to the table and we were having awesome steaks and more.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye and the eyes on the shoulder blades of his massive white angel wings and 104 sets of large white angel wings under his massive white angel wings, his cutie mark tattoo on his back and Thunderbolt cutie mark with surrounding elements on his massive left pec, and his and his large gold halo in the center and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo that's behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four large orbiting gold rings on each corner glowed, and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, and a one-way viewing window formed, and we saw who the figure was in the vision: we saw a green-haired mega hot girl sinking in quicksand on the planet Criam.

When I saw the green-haired mega hot girl, I had an atomic red blush on my cheeks and muzzle, hearts in my eyes, and my nose gushed out blood!

Me: WHOA! I think I just saw another new addition to my harem.

Sakura Kazehana: I know her, that's Emerald Gaia, The Emerald Master of Criam and a master of Emerald Crystal.

Nico: Uh oh, then that means...!

Lincoln: We got another dirtbag from J.D.'s past to deal with.

Me: I'm ready for that dirtbag.

Nico: Can you sense the dirtbag, Lincoln?

Lincoln: (Sensed it) Got her. (Sensed Universe 666 Danny Phantom) Oh crap, we got trouble! Universe 666 Danny Phantom is on Criam!

WE GASPED!

Nico: So, another of Universe 666 Nico's minions is on Criam, eh?

Universe 666 May: I should've guessed he'd be there. But, why?

Universe 666 Lincoln: I can only think of one good reason: he's had enough of us living.

Lincoln: And I know he's gonna murder the scumbag once we get there, so we're going to kill him, but before we do, I'm going to suck out and absorb Universe 666 Danny Phantom's powers. Luckily, I have Ectoranium laced in my gold-armored dragon claws.

We saw a faint glowing green in Lincoln's gold-armored dragon claws.

Nico: Whoa, that's really cool.

Then, he made stained-glass patterns appear in his gold-armored dragon claws.

Lincoln: And I can also use my Life Sucking Claws as well, but for him, the Ectoranium will keep him from using his powers so I can drain him dry of his powers. Alright, let's finish breakfast and get to Criam to rescue the next girl there and deal with Universe 666 Danny Phantom.

Me: Right.

We finished breakfast, and we headed to Criam to help Pear Butter unlock her Rainbow Power and rescue Emerald Gaia, the fifth of the seven girls that's located there and kill Universe 666 Danny Phantom.

We were off to Criam.

The U.S.S. Valorous Phoenix was flying through space.

Nico: Captain's Log, Stardate 14041.7: The U.S.S. Valorous Phoenix is en route to the planet Criam for number 5 of J.D.'s rescues there. Universe 666 Danny Phantom is there too and we're going to kill him and whoever is there too.

Nico: Yep. At least it has someone different instead of just one of your scumbags.

Me: Too true.

Universe 666 May: Never thought we would see Danny from our world.

Lola: Yeah he was a jerk.

Nico: He sure was.

Whampire: I agree there.

Nico: Whampire, I want to thank you, Dracula, and your teams for coming

Whampire: No problem Nico. It's awesome.

Natasha Hernandez: I agree there. Nico I'm really excited for this.

Me: We all are Natasha.

Nico: Natasha, what do you like to do in your free time?

Natasha Hernandez: You pretty much know all about that Nico. I use my skills as a vampire to bring down bad guys.

Nico: Oh right.

Qin: Yep.

Ymir: Natasha are you really a vampire?

She showed her fangs.

Ymir: WHOA! Scary and cool!

Natasha Hernandez: It sure is. I wasn't always born a vampire. I was made one. I was diagnosed with a nasty blood disease that was killing me. In order to save my life, they gave me some of Blade's blood. It turned me into a Vampire Hybrid. I have all their powers and strengths and none of their weaknesses. But I do have the endless thirst of blood. I learned how to control the thirst though.

Ymir: Whoa!

Me: Yep.

Poromon: Spooky!

Me: I know.

Natasha Hernandez: Nico met me when I was raiding a bloodbank. I drank all of the blood there.

Nico: She drank over 10,000 jars and units of blood in one sitting.

Me: Geez!

Lucy Loud: GASP! That is a lot of blood.

Me: No kidding.

Nico: I taught Natasha how to control the thirst and all that.

Natasha: It's true and I'm glad.

Fiona Hernandez: And she has sisters that are also the gene-slammers of the Sacred Beasts.

Natasha Hernandez: Yep and also I'm for Red-Eyes Zombie Dragon.

Poliwag: It's true.

Nico: Yep.

Qin: Yeah.

Natasha Hernandez: Yeah.

Chandler: Just be glad that she wasn't with Lincoln. It would have ended badly.

Zenia Zenn-La: Like how that happened with you?

Chandler took off his shirt and revealed a NASTY HORRIBLE SCAR ON HIS BACK! It went down from his right shoulder down to his left side!

Me: OH MAN! That is a nasty scar! How did you get that?

Zenia Zenn-La: I slashed him.

Poromon: Really?

Zenia Zenn-La: That scar is my mark on Chandler. He broke Girl Jordan's heart and it's the reason why I hate him so much with a vengeance.

Zenia Zenn-La: (VOICEOVER) It started as me and Lincoln were going to class and in the lockers we saw him yelling at Girl Jordan.

Chandler: THAT'S IT JORDAN! I GIVE UP ON TRYING TO DATE YOU! GO AND DATE LINCOLN LAME ALL YOU WANT! THOSE STUPID JERKS MADE MY NERVES FRIED FROM RIDING THIS EMOTIONAL ROLLER COASTER!

Girl Jordan: So that means you won't bother me over my love and relationship with Lincoln anymore? YAY! Problem solved!

Chandler's face turned red with rage!

Chandler: (ENRAGED) NO! PROBLEM NOT SOLVED! YOU CHEATED ON ME JORDAN! YOU LIKE THAT STUPID LINCOLN LAME BETTER THAN ME! I AM THE MAN OF THIS SCHOOL, I OWN THE WORLD, YOU LISTEN TO WHAT I SAY, YOU BETTER EITHER BREAK UP WITH LINCOLN LAME OR ADMIT YOU LIKE CHEATING ON ME BECAUSE YOU DON'T CARE ABOUT ME ANYMORE!

Girl Jordan: Oh Chandler, there's no need to be angry, I care about you a lot, like I always say, we need to be more positive and look at the bri-

Chandler: (SUPER ENRAGED) NOOOOOOOO! I AM FUCKING TIRED OF YOU AND YOUR STUPID SUNSHINE AND RAINBOWS BULLSHIT! I'VE GOTTEN SUSPENDED FOR 2 WHOLE GODDAMN MONTHS! AND IT'S ALL YOU AND LINCOLN LAME AND HIS STUPID GUARDIAN ANGELS FAULTS! THERE IS ABSOLUTELY NOTHING POSITIVE ABOUT THIS! I AM SUPER DUPER FURIOUS AT YOU!

Girl Jordan: But Chandler, I'm being very serious. Being positive and kind to others is the very right thing to do. Have you seen what kindness has done for me? I've literally given you so many chances at being nice and you keep breaking them all. Is it that hard to be polite and kind?! I understand you don't want my help anymore, but-

(CHANDLER'S FACE TURNED MEGA BEET RED WITH INTENSE

RAGE AND FURY AND REALISTIC FIRE BURNED IN THE BACKGROUND)

Chandler: (MEGA ULTRA ENRAGED) AND I FUCKING TOLD YOU NO TO ALL OF THAT SHIT! I FUCKING TOLD YOU ALREADY! I LIVE ALONG, MY HOUSE, ME, MY STUPID PARENTS WHO ALWAYS YELL AT ME THE WAY I'M YELLING AT YOU RIGHT NOW AND NOBODY ELSE, UNDERSTAND?! NOBODY! ESPECIALLY USELESS, PATHETIC, ANNOYING, TALKING SPOILED BRATS! YOU ARE JUST AN ACCIDENT!

ZENIA AND LINCOLN AND EVERYONE IN THE SCHOOL HEARD IT AND GASPED IN ABSOLUTE SHOCK, HORROR AND RAGE AND DISBELIEF!

Girl Jordan's heart shattered into a million pieces!

Girl Jordan: (In tears and crying) That was the most heartless thing anyone has ever said to me! MY FEELINGS ARE HURT AND MY HEART IS BROKEN!

Zenia Zenn-La: (VOICEOVER) THAT WAS THE LAST STRAW!

Zenia growled in rage and went over to him!

Zenia then summoned her keyblade and just as his back was turned...

SLASH!

SHE SLASHED HIM AND HE SCREAMED IN AGONY AS SHE SLASHED HIM DOWN HIS BACK AND BLOOD POURED DOWN FROM HIS BACK!

Zenia grabbed him and braced him up against the wall!

Zenia Zenn-La: YOU SELFISH AND DISGUSTING PIECE OF FILTH AND SHIT! YOU DON'T EVER TALK TO LINCOLN'S GIRLFRIEND LIKE THAT YOU HEARTLESS BRAT! IF YOU EVER TALK THAT WAY TO GIRL JORDAN AGAIN I WILL SLASH YOUR HEAD OFF AND THROW YOU INTO A BARREL FULL OF RADIOACTIVE ACID AND LET YOU MELT ALL THE WAY INTO THE EARTH'S CORE! I WILL KILL YOU CHANDLER!

She held her Keyblade up to his face and knew she wasn't bluffing!

Zenia Zenn-La: I FUCKING SWEAR I WILL KILL YOU!

He peeded his pants and then she threw him and he crashed right into the wall!

Lincoln comforted Girl Jordan as she cried hard into his chest from the hurt.

FLASHBACK ENDS

Zenia Zenn-La: There you have it guys. That's why I hate Chandler.

Poliwag: I see.

Eowyn, Zephyr, Leeli, Tink, Jagger and Aylia: YOU SON OF A BITCH!

Then they pounced on Chandler and VICIOUSLY AND MERCILESSLY THRASHED AND PULVERIZED HIM IN A MASSIVE AND BRUTAL FIGHT CLOUD!

Me: HOLY TOLEDO!

POW BIFF WHAM SMASH BAM WHOMP BIFF KROW SMACK

ZONK KICK CRUNCH CHOMP! VICIOUS FIGHT SOUNDS!

CHANDLER SCREAMED IN AGONY AS HE WAS BEING PULVERIZED BRUTALLY!

Poromon: Yeowch!

Nico: HOLY CRUD!

THEY STOPPED 45 MINUTES LATER AND CHANDLER WAS SO BADLY BEATEN UP AND MANGLED THAT HE LOOKED LIKE WHAT HAPPENED TO DOUBLE D WHEN HE WAS THRASHED BY JIMMY!

Chandler was bleeding and badly mangled up!

Eowyn: IF YOU EVER DO THAT TO MY SISTER AGAIN I'M GOING TO BLOW YOUR FUCKING HEAD OFF AND SEND YOU TO THE BLACK ABYSS MYSELF! NOW LAY THERE AND DIE YOU FUCKING PIECE OF CRAP!

Me: Eowyn easy. He's not like that anymore.

Eowyn: Oh right you got rid of his dark side. Sorry.

Me: Zenia when did this happen?

Zenia Zenn-La: It was about 6 weeks before you moved to Michigan.

Me: Oh man.

Lincoln: Yeah Girl Jordan was crying so hard that I had to bring her to my house.

Lori: I literally remember that. That was so hard for her.

Lynn: I wanted to beat up Chandler for that too.

Nico: That's nothing compared to what Carnage did. May his soul rot

Me: Yeah.

Girl Jordan: You don't have to remind me.

Me: Yeah sorry.

Eowyn: Yeah.

Me: Anyway Chandler I'm sorry but you had that coming for that.

Chandler: (Spits out lots of teeth and blood) I deserved that.

Me: And wait Chandler got suspended? For what?

Zenia Zenn-La: He made a MASSIVE Mess in the cafeteria over a lunch he brought. He got 2 months suspension. 1 more incident like that and it's permanent expulsion.

Me: And we all know what lead to that.

Laney: Yep. My battle with him.

Me: Yep.

Nico: Ouch.

Me: Yeah.

Cozy Glow: If we face Chandra, me and Raven are going to RIP HER APART as bad as the Wingfeathers did but worse.

Me: Oh boy.

Jaime Diana: Chandra better start praying.

Nico: Yep.

Lola: Yeah.

Me: Anyway man YESTERDAY was intense!

Lexx: It sure was!

Amaris Nightshade: Princess Morbucks learned a REALLY MASSIVE lesson.

Nico: She sure did. What did she see?

Amaris Nightshade: I showed her sort of like what happened with what Ebenezer Scrooge saw with the Ghosts of Christmas past, present and future. I showed her past with how much her mother loved her but her mother was killed in a mafia deal gone bad.

WE GASPED!

Me: OH MAN!

Nico: YIKES!

Amaris Nightshade: Yep. She got that way because of her mother.

Nico: Oh geez!

Amaria Nightshade: Yep. The present showed her crimes and more and all that which lead up to her being like that.

Me: Yes we know all about that.

Amaria Nightshade: Yep. And the Future was the worst. It showed her being beaten up and defeated by us over and over and over. Then we sent her to the Black Abyss.

Me: WHOA MAN!

Xenia: YIKES!

Nico: You said it!

Amaris Nightshade: Yep. I based my Satanic Punishment from when I watched The Christmas Carol play that I loved going to back when I was a little girl.

Me: Wow!

Amaris Nightshade: Yep and Lincoln I saw you play as Scrooge in the Christmas Carol play back in 2020. That was so awesome you did that back then.

Lincoln: You were there?

Amaris Nightshade: Yep. I watched you from when I was sitting in the very back. I wanted to see how you did.

Lincoln: I'm glad Amaris.

Amaris Nightshade: Yep. That was an amazing performance.

Me: We're glad you liked it.

Ymir: Wow! I didn't know you guys did a play for that.

Me: It was a great play.

Nico: Yep. And now Princess was shown the error of her ways after being shown what the terrible consequences of greed can do to you.

Camie: Yeah.

Lola: And those powers she had were intense!

Nico: We let her keep them.

Enya Oblivion: And she gave me an amazing battle too.

Nico: I'll say! That was awesome!

Qin: It sure was!

Me: Yeah!

Tara: I'll say! And J.D.'s waffles turned into gold and jewels because of Lexx's Akuma.

Lexx: And I looked really awesome as a knight too.

Nico: Good waffles were wasted.

Me: Unintentionally.

Lola: Yeah!

Xenia: That was cool and golden.

Me: Yeah it was.

Lola: But I'm glad that's another one of the Loud Brothers missions done.

Nico: Yep.

Poromon: We've been on a roll with the Louds lately. Even Sheila.

Me: That's right.

Qin: Yep.

Lisa Loud: We have arrived at our destination.

Nico: On screen.

We saw that we were at Criam.

Me: Planet Criam for number 5.

Nico: Yep.

Poromon: Well, except for Diana

Me: Yeah we'll think of something later.

We got to landing and got out.

Me: Here we are.

Xenia: Awesome.

Lincoln: Okay, guys, we're in for one intense battle, we're here on Criam to help Pear Butter unlock her Rainbow Power and rescue Emerald Gaia, the fifth of the seven girls that's located here and kill Universe 666 Danny Phantom, but for the scumbag there, J.D., are you familiar with someone by the name of Renee Stevens?

I GASPED!

Me: So, that's the next villain that's located here?! THAT DAMN BITCH!

Nico: Uh oh. J.D., you know her?

Me: Wish I hadn't. Renee Stevens is a heartless soulless cruel remorseless bitch who terrorized your high school and all of Colorado for years, she was a bad girl to the fucking core who committed all kinds of violent assaults, robberies, murders, you name it, and to make it worse for herself, she was also part of the gang led by Lincoln and Cadenza Cthugha's old enemy, Venn Vexos, and my old enemy, Gerald Vexos, Venn's little brother.

EVERYONE GASPED!

Me: That was until Varie and I gathered all of the evidence of that bitch's crimes, and when Renee found out, the bitch went ballistic, but she was taken down and sent to prison forever. Now, that bitch is here on Criam too?

Lincoln: Yep, and soon, we'll face the masterminds behind their breakouts from prison.

Nicole: We'll find out who it was that did this along with killing two of Universe 666 Nico's minions.

Nico: That is true.

Fire Storm Fury Seraphim Phoenix God Archangel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) Along with the bitch, now we can really go crazy.

Suddenly, Lincoln's large gold halo behind his head with four large orbiting gold rings on each corner glowed and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind his large gold halo behind his head and his four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them behind the four large orbiting gold rings fired beams of light that formed into a viewing window and we see Hawk and Hank dressed only in shorts and shirtless and they're hiding out somewhere, and they'd fully regained their abnormally massive and powerful upper and lower body muscles and eight-pack abs along with their massive physical upper and lower body strength, massive levels of virility, and massive levels of testosterone, but they were even more larger in muscle mass than ever. Then, we saw the barbell tattoos on their backs glow red. Suddenly, Hawk and Hank were glowing with red energy, but then, their arms were raised and it looked like their wrists were bound with metal cuffs same with their feet.

Me: Uh oh, here we go!

Suddenly, Lincoln made red portals appear in front of Hawk and Hank, and then, out of nowhere, Lincoln and I turned the tips of our 105 massive and long brown wolf tails into Cell's stingers and they went through the portals and they came out of the portals and stabbed them into the massive pecs, necks, arms, and legs of Hawk and Hank. Then, Lincoln and I began sucking Hawk and Hank dry of their massive muscle mass, virility, testosterone, and massive physical strength and they were groaning in pain as they began shrinking in muscle mass and height.

Then, all of the massive muscle mass, virility, testosterone, and massive physical strength of Hawk and Hank was being absorbed into Lincoln and I, and our abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed and Lincoln's massive white angel wings and 104 sets of large white angel wings underneath his massive white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on his 105 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed and he began growing even more stronger, and my abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed and my massive rainbow angel wings and 104 sets of large rainbow angel wings underneath my massive rainbow angel wings spread out and my large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind my head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on my 105 massive and long brown wolf tails and rainbow sun and moon tattoo on my bare chest glowed and we began growing even more stronger.

The same thing happened to Nico and all the males on the team as our abnormally massive and powerful upper and lower body muscles bulged even more and veins formed on our bodies, and our massive angel wings and other sets of large angel wings underneath our massive angel wings spread out and our halos glowed and we also began growing even more stronger.

Lincoln: (Growls) I haven't forgotten how potent this curse really is.

Me: (Growls) Yeah, this is really potent, but this still feels incredible.

Then, when Lincoln and I were done and the stingers retract themselves from the pecs, arms, legs, and necks of the buttfaces from Hazeltucky and they went back into the portals as they closed and they changed back, we saw that Hawk and Hank were thin as a rake and sucked bone dry of their muscle mass, virility, testosterone, and massive physical strength again, and the glowing barbells on their back stopped glowing.

Hawk and Hank: NOT AGAIN! (ENRAGED SCREAMING)

The viewing window closed as the four large orbiting gold rings and mirrors stopped glowing and the light beams disappeared. Suddenly, we saw that we were even more ripped thanks to Lincoln's curse.

Me: Whoa, that Min's Egyptian Virility Drain Curse Lincoln put on those buttfaces is still really potent. But, look at us, now we're even more ripped than ever. (Flexes my massive muscles) But, wait, I felt that it's even more potent and more stronger than ever!

Lincoln: I did a good thing in increasing the strength and potency of his Min's Egyptian Virility Drain Curse on those two. (Flexes his massive muscles) And this curse will be on them until we finally kill them.

Duncan heard a Pokemon cry.

Duncan: I hope that's not a jerk coming after me.

Then a Swablu came and landed in Duncan's lap.

Duncan: Aww..

Me: Hey a Swablu. What a cute little guy.

Duncan: He reminds me of a three-eyed bluebird I met.

Courtney: I remember that.

Me: Me too. Also after Duncan blew up Billy's mansion which really brought him down a few pegs.

We laughed!

Nico: Really?

Me: Yep look.

I showed a video of it.

Billy: Wait a minute. Where's Duncan?

But then...

KRABBBBBBBBBBOOOOOOOOOOOOOOOOOOOMMMMM!

There was a MASSIVE EXPLOSION!

They saw the explosion!

Zoey: What the heck was that!?

Billy took out a pair of binoculars and looked and he gasped.

HE SAW HIS MANSION COMPLETELY DESTROYED AND REDUCED TO FLAMING RUBBLE!

Billy: (SCREAMING HYSTERICALLY) MY COTTAGE! (CRYING)

Courtney: You call that a cottage!? It was a mansion!

Duncan: (LAUGHING EVILLY) AW YEAH! WOOHOO! NOW Whose gone soft! (LAUGHS)

The clip ended.

Nico: Nice one Duncan!

Duncan: Yeah I have a reputation to uphold.

Yanma: I know the feeling.

Me: Besides Duncan you do love that bird as much as Courtney.

Duncan: You're right.

Swablu: That is too true guys.

Duncan: You hungry?

He gave it apples.

Swablu: Thanks.

It ate them.

Me: Also Duncan you did bring Billy down a huge number of pegs back then.

Duncan: I sure did.

Harold: (laughs) Bet you were expecting a tougher Pokemon!

POW!

Duncan punched Harold in his face!

Me: Harold knock it off!

Courtney: Besides I think it's adorable.

Duncan: You're right. Want to come with me?

Swablu: Sure!

Me: Awesome.

Poromon: Awesome to have a fellow bird with us.

Duncan: I'm not complaining as long as I get a Pokemon

Me: Yep.

But then a thug came out!

Me: WHAT THE!?

He was ready to strike! But then...

ZAP!

A beam of blue energy hit him and turned him into a REALLY OLD MAN!

Me: HOLY SHIT!

I went over to him and he looked like he was over 500 years old!

Nico: Geez!

I touched him and he turned into dust! Leaving only his prison jumpsuit, knuckledusters and gold teeth intact.

Me: WHOA!

I swept him into a dustpan.

Me: Something REALLY aged him fast!

Lola: I think It was that!

WE SAW A MEGA DIALGA!

Me: WHOA! Mega Dialga!

Nico: Where did that come from?

Me: Must be one of Dark Gale's work. But it's not alone!

We saw a Mega Thievul too!

Me: A Mega Thievul! Wow!

Nico: COOL!

Sougo: Let me see here.

He used Telepathy and gasped!

Sougo: That Mega Dialga is my sister Amaterasu!

Tsukuyomi: Amaterasu is here!? Whoa!

Woz: REJOICE! THE KAMEN RIDER OF THE 12:00 HIGH NOON SUN HAS RETURNED TO SHINE DOWN HER LIGHT ON THE WORLD FOR THE GOOD OF THE WORLD IN THE NAME OF THE KING!

Me: She's a Kamen Rider of the Sun!?

Tsukuyomi: She's Kamen Rider Amaterasu.

WE GASPED!

Nico: WHOA! She's named after the Goddess of the Sun!

Lincoln: That is completely coincidental!

Nightshade: And let me see here.

He used telepathy and gasped.

Nightshade: Why it's my good friend Luna Nightstorm.

Me: Wait you mean The Shadow Phantom of Paris?

Sly Cooper: Oh wow! She is said to be right on par with me.

Nightshade: Indeed she is. She is a powerful and notorious thief like the Coopers. She has a massively powerful and notorious record that rivals that of even the Coopers. She goes after criminals like bank robbers, drug lords, crime bosses, corrupt officials and cops and beyond! She uses the shadows and darkness to steal from them from under their noses. She helped the Skylanders defeat the forces of Kaos from time to time and even helped the Cooper Clan too.

Me: WOW! That is impressive!

Kairi Yano: I love this one!

Sly Cooper: I knew you would say that!

Lupin III: I would get along great with her.

Me: Wow! Lets go help her then!

Nightshade: THE STEAL OF THE DARK!

We went to face them.

Sougo: Amaterasu it's me Sougo!

Nightshade: And Luna it's me Nightshade remember?

Mega Dialga used Roar of Time and we dodged it and it hit a bunch of thugs in the area and turned them into Skeletons instantly!

Qin: WHOA!

Nico: Wow!

Me: I would hate to imagine if that was a clone of Horsea!

Horsea: No kidding!

The Goths of Darkness picked up all the skeletons.

Me: Okay then.

We blasted them both and smashed them.

I snapped my fingers and they reverted back.

Luna was a girl with black hair and purple eyes and had black angel wings and had the Dark Skylanders symbol on her forehead and the same symbol on her arm and it had the Eiffel Tower and the moon on it.

Amaterasu was a girl with golden hair and blue eyes and had golden angel wings and had a Sun with the Clock on Noon on her forehead and on her arm as a cutie mark.

We wrapped them in blankets and brought them over.

They woke up.

Luna Nightstorm: (Groans) Man I feel like I was hit by an armored car.

Amaterasu: (Groans) I feel like I was hit by Swartz's Anothers times a thousand.

Nightshade: Luna my good girl are you all right my dear?

Luna Nightstorm: Nightshade!

She hugged him.

Luna Nightstorm: I'm so glad you're okay.

Nightshade: Same to you Luna.

Sougo: Hey sis.

Amaterasu: Sougo! Tsukuyomi!

She hugged them both.

Amaterasu: The Sisters of the Sun and Moon are back together.

Tsukuyomi: They sure are.

Amaterasu: Where are we?

Me: Well you're on the Swamp Planet of Criam. Luna you were turned into a Mega Thievul and Amaterasu you were turned into a Mega Dialga. Both by Dark Gale.

Luna Nightstorm: Oh man! I remember!

Amaterasu: I don't.

Luna had a flashback.

She was in a black suit and injected and before she busted out she unhooked her shackles and swiped all their loot and turned into Mega Thievul and ran out.

FLASHBACK ENDS

Luna Nightstorm: It was awful.

Me: I know but we destroyed them. Aso Amaterasu what were you doing when you got gene-slammed?

Amaterasu: I was battling an Another Rider. But it was a female rider that was dark purple and had a fan and had the year 2022 on her.

I gasped!

Me: Did she look like this?

I showed her a hologram of Kamen Rider Jeanne.

Amaterasu: That's her!

Me: That was Another Jeanne. That was Another Revice Rider from 2022.

Nico: We haven't fought that one.

Me: Because that one was from 2022. Zi-O didn't have Another Zero One, Saber or Revice Riders.

Nico: You're right.

Amaterasu: I see. What happened to Swartz?

Me: He's dead. We killed him back in 2022.

Nico: Me and May here dismembered him and made him cannibalize himself before we killed him.

Me: It's true.

Poromon: Anti Monitor left him for dead

Amaterasu: Oh man! (TURNS GREEN) That is gross!

Sakura Knudson: I worked under Swartz for a long time and I was planning on killing him myself to double cross him.

Me: Long story on that but yeah.

Maxxine Stennson: Your brother and sisters are an amazing force of good. Oh sorry my name is Maxxine Stennson and Sougo and his team were my missions back then. Sougo is my brother too.

Me: Not by blood but in bonds of friendship.

Nico: It's true.

Amaterasu: Oh wow! I heard about that. That is amazing.

Me: Yep.

Amaterasu: That makes me your sister too.

Maxxine Stennson: It does.

Poromon: It's true.

Amaterasu: Awesome!

Me: All of the adventures we had with the riders were extremely explosive.

Luna Nightstorm: That is amazing! Oh I'm the Umbramancer of the team with Sonya. I use the darkness and the shadows to steal from our enemies and take down our enemies.

Me: Wow!

Luna Nightstorm: It sure is. Outside the team I am a full time thief. I steal from criminals and beat them up and deliver them to the cops.

Sly Cooper: Just like the old days huh Luna?

Luna Nightstorm: It sure is. And I even help the Skylanders bring down the forces of Kaos.

Me: Wow! That is amazing!

Nico: It sure is.

Poromon: Glad to have you with us.

They nodded.

Rarity: Lets get you some new clothes darlings.

The fashion brigade gave them new clothes. Luna got all black clothes and Amaterasu got golden clothes and Sougo gave her belt to her and Amaterasu had a sun sword.

Amaterasu: Wow we look amazing!

Me: You sure do.

Nico: Lets get going.

Lincoln: (Sensed for Emerald Gaia) There! I found Emerald Gaia just as the viewing window saw. (Sensed for Renee Stevens) And I also spotted Renee Stevens, she's 20 yards away near the location and he's trying to shoot the girl dead! (Sensed Universe 666 Danny Phantom) Along with that snake's first minion.

We then took off into the air to rescue Emerald Gaia and kill Universe 666 Danny Phantom after he kills Renee Stevens.

We were flying in the air, and we saw the next girl, Emerald Gaia, she was a cute green-haired mega hot girl with green eyes and in quicksand, but then, we saw bullets being shot right at her and we saw our main target: a female with wild brown hair, red eyes full of hatred, and wearing a red prison jumpsuit, it was Renee Stevens, my old enemy.

Renee Stevens: STAY STILL! I'm gonna enjoy killing you, bitch, before you sink in quicksand, and once that shithead fuck Knudson and all of Team Loud Phoenix Storm shows up along with those stupid Masters of Evil, I'll fuck them all up!

Me: OH, FUCK YOU, YOU FUCKING BITCH!

I swooped in and pulled Emerald Gaia out of the quicksand and went back up into the air.

Alexander Maxwell and Tyler Maxwell: TIME TO DIE, BITCH!

Alexander Maxwell and Tyler Maxwell charged at Renee Stevens, and they fired extremely powerful blasts of black and crimson red, white, golden yellow, and blue energy, stars, aura energy, white and blue heavenly flames, Divine Darkness, dark magic, black magic, Satanic Magic, shadows, dark flames, hellfire, vampire bats, phoenixes, and angels at him, and Tyler Maxwell also attacked her with swings of his massive warhammer and he even shot at her with his machine guns, while Alexander Maxwell slashed at her with his massive greatsword and shot at her with his guns.

Caleb landed as the barrier came down.

Rayman fired a barrage of purple energy fists that attacked Renee Stevens with swift fury and brutality, and we landed.

Me: You've got some nerve showing your ugly face here again, Renee! I thought I was done with you years ago, and now, I find out you and six other shitheads from the past have busted out of prison and you also kidnapped a girl and tried to make her sink in quicksand after you shot her! You haven't changed at all! You're still the same fucking bitch from long ago!

Renee Stevens: SCREW YOU, SHITHEAD KNUDSON! DIE!

Renee Stevens got out a knife and tried to stab me with it, but I broke her wrist and smashed her face in with a punch to the face, and now, she was pissed!

Renee Stevens: THAT'S IT! GET OUT HERE, BOYS!

Her thugs came out numbering in the septillions, and then, the septillions of thugs got out large endothermic needles and inside them were glowing purple and green serum and they stabbed them into their chests and injected the serum into them. Then, they growled in pain as hot fire coursed through their veins that started glowing green, and then, they fell to their knees as their muscles: both upper and lower body and nether regions started growing to enormous proportions and their shirts ripped off and they also gained twelve-pack abs and their pants were left as tattered shorts and they suddenly grew into gigantic 30'0" tall behemoths with extremely massive muscles and they roared and pounded their chests like a gorilla!

Lincoln and I morphed the tips of our 105 massive and long brown wolf tails into Cell's stingers and we stabbed them into the chests of the septillions of thugs, and we began absorbing them and we assimilated their newly gained extremely massive muscle mass, extreme superhuman strength, extreme superhuman stamina, extreme superhuman durability, extreme superhuman endurance, hardened muscular system, extreme levels of virility, and extreme levels of testosterone, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and Lincoln's massive white angel wings and 104 sets of large white angel wings underneath his massive white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on his 105 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed and he began growing even more stronger, and my abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed and my massive rainbow angel wings and 104 sets of large rainbow angel wings underneath my massive rainbow angel wings spread out and my large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind my head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on my 105 massive and long brown wolf tails and rainbow sun and moon tattoo on my bare chest glowed and I also began growing even more stronger.

Lincoln: (GROWLS) This feels incredible. RRGH!

Me: (GROWLS) Same here. RRGH!

At the same time, the thugs began shrinking in height and muscle mass as their newly gained extremely massive muscle mass, extreme superhuman strength, extreme superhuman stamina, extreme superhuman durability, extreme superhuman endurance, hardened muscular system, extreme levels of virility, and extreme levels of testosterone were being sucked out of them one at a time and was pumped into Lincoln and I.

Then, when Lincoln and I were done and the stingers changed back, nothing was left of the thugs except for their tattered pants, and Lincoln and I drained their souls of energy and they merged with us and we let out a loud and massive roar of dominance and power as we pounded our chests like two Alpha Male gorillas.

That alone pissed off Renee Stevens big time!

Nico: Another day, another scumbag from your past!

Renee Stevens: YOU FUCKING FREAKS! YOU'RE DEAD!

Suddenly...!

WE DUCKED AS A GHOST BEAM WENT FLYING OUT FROM HER CHEST AND IT HIT A NEARBY TREE AND RENEE STEVENS FELL TO THE GROUND AND DIED!

Lincoln and Danny Phantom's ghost sense went off.

Lincoln: Alright, get out here right now, Universe 666 Danny.

Then, we saw our true main target: Universe 666 Danny Phantom.

Universe 666 Me: Danny, I should've known.

Universe 666 Danny Phantom: You! I should've known you'd be back, weakling, along with all the others!

Universe 666 Lincoln: All of our lives were ruined by that fucking snake, Danny, and let's not forget how you also had a hand in helping him as well, you're just as bad as him.

Lincoln: And you're not getting out of this mess again.

Then...!

Lincoln: Come here!

Universe 666 Danny Phantom: AGH!

Lincoln grabbed Universe 666 Danny Phantom hard by the throat with his left hand, and he began sucking out and absorbing Universe 666 Danny Phantom's Arsenal of Ghost Powers, Ghost Transformation, Eye Transformation, Transformation Shock/Aural Projection, Intangibility, Intangibility Fusion, Invisibility, Flight, Back Slide, Wall Walking, Interstellar Travel, Ecto-Ergokinesis, Ghost Ray, Repulsion Field, Energy Strike, Ecto-Energy Constructions, Ghost Shield, Ghost Stinger, Energy Absorption, Power Augmentation, Ghost Light/Photokinesis, Flashing Energy Ball, Ghostly Wail, Telekinesis, Teleportation, Power Absorption, Overshadowing, Software Fusion, Exorcism, Dream Invasion, Fusion, Duplication, Pyrokinesis, Cryokinesis, Ghost Sense, Spectral Body Manipulation, Plasticity, Void, Ecto-Vision, Superhuman Strength, Superhuman Durability, Superhuman Speed, Superhuman Reflexes, Superhuman Stamina, Superhuman Agility, Supernatural Flexibility, Superhuman Endurance, Superhuman Balance, Healing Factor, Reconstitution, Paranormal Immunity, Ectokinesis, Vacuum Resistance, Underwater Breathing, and Weather Control, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his massive white angel wings and 104 sets of large white angel wings underneath his massive white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on his 105 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Lincoln: (GROWLS) This feels really good! RRGH!

Universe 666 Danny Phantom tried to fight back, but the green Ectoranium laced in Lincoln's gold-armored dragon claws were keeping him weakened as Lincoln continued sucking out all of his ghost powers.

Then, when Lincoln was done, Universe 666 Danny Phantom was finally drained of the last of all his ghost powers and he was back to normal as Universe 666 Danny Phantom, and then, Lincoln choke slammed him into the mud and he threw him into three trees that shattered with incredible force.

Me: WHOA! (Thinking) Just how strong is Lincoln truly?

Lincoln: (Thinking) J.D., don't even think about trying to find the answer, not unless you want your jaw to fall and land in the mud when you hear the answer.

Me: (Thinking) Good idea.

We flew over, and we saw Universe 666 Danny Phantom had tons of broken bones and even as he got back up, he was wincing in pain.

Nico: (WHISTLES) Damn, he looks like he got beat up by a bunch of gorillas.

Universe 666 Danny Fenton: You...! You goddamn...!

BANG!

CALEB MAXWELL FIRED AND THE BULLET HIT UNIVERSE 666 DANNY FENTON AND HITS HIM IN THE ARM!

Me: Well now that the scumbag is dead, time to show this turd what for!

Nico: YEAH!

Me: This make you feel better Nico?

Nico: It does!

Moondancer: I'm going to thrash him like I did back when we fought him!

Me: It's BUTTKICKING TIME!

Swablu charged at him and fired a Wind blast and blew him into a tree!

Moondancer: I am the Guardian of Hope and my heart for my friends is strong, My Cutie Mark Comes to life, The Moons Light proves all evils wrong!

The moon and stars swirled around her!

(SIREN'S CALL BY GABRIEL R SHADID PLAYS)

She unleashed her Rainbow Power and fired moon blades and blasted Universe 666 Danny all over!

She flew and kicked him in his face and punched him in his stomach!

POW BIFF WHAM BIFF!

She kicked him in his face and kicked him in his stomach and punched him in his face!

Twilight Sparkle: WOOHOO! GO MOONDANCER!

Kylie: Just like last time!

Me: YEAH!

Ymir: Moondancer is really socking it to him!

Me: She and the Extreme Ghostbusters battled him while we battled Universe 666 Nico on their world!

Universe 666 May: Wow! That is amazing!

Eli: It sure is!

Moondancer kicked him in his face and fired moon blades and slashed him all over the place!

Me: Now that he doesn't have his powers anymore he is completely helpless against us!

Poromon pecked him!

POINK POINK POINK POINK POINK!

Me: Wait! Lets not let Moondancer have all the fun.

I made some calls and called in all of Danny's enemies in the M.O.E.

Undergrowth: Well hey guys.

Skulker: What's up?

Me: How would you guys like to dish out a little payback on Universe 666 Danny Phantom!? Moondancer is battling him right now. Look.

I showed them.

Skulker: Wow! So Universe 666 Danny is back.

Evil Ember: I thought we were rid of him.

Me: So did we.

Universe 666 Danny spat in Skulker's face.

Me: You gonna let him do that to you?

Skulker: Nope!

Me: Knock yourselves out!

THEY MERCILESSLY THRASHED AND PULVERIZED HIM INTENSELY!

IT WAS BRUTAL!

HE WAS REALLY MANGLED UP!

Me: Had enough?

Universe 666 Danny: I'm not scared of any of you!

Me: You should be!

Nico: Just like when I killed your leader!

Universe 666 May: And another thing you are an absolute disgrace!

Universe 666 Danny: (GASP) May!? But how!?

Universe 666 May: Lily here saved me from myself. Now I am free of my past!

Universe 666 Danny: But how!? And you are married to Nico!

Universe 666 May: NOT ANYMORE! Consider this my divorce from him! I am now engaged to J.D. here!

Me: The prime me!

Nico: YEAH!

Me: Especially after how your motherfucker pisspot leader cheated on May with your Maria! (To Nico) No offense.

Nico: None taken.

Universe 666 Danny: Then I WILL KILL YOU!

Me: Go ahead and try.

He went at me and punched me in my stomach. But his punch was as weak as a mosquito bite!

Me: That tickles.

He punched at me more and more and more but his punches weren't having ANY EFFECT!

But then...

MY BODY LIT UP IN A HEAT AURA AND HIS HANDS BURSTED INTO INTENSE FLAMES AND WERE BURNED BAD!

HE SCREAMED IN PAIN!

Danny punched his 666 Counterpart

POW!

Danny Phantom: That felt good.

Me: Yep.

He landed in swamp water and steam came off.

Nico: Nuova Shenron's heat armor?

Me: Yep.

Nico: Toasty.

He got up but was REALLY BADLY BURNED AND CHARRED!

Me: Got to admire his tenacity.

Universe 666 Danny: I will... Never... give up!

Nico: Okay then.

Me: Let me give you a brief history lesson. What was it that lead us into the age of Chemical Weapons back in 1915 during World War I?

Universe 666 Danny: Um... (Scratches head) Nitrogen Gas?

Me: Nope. Chlorine gas! CHLORINE STYLE NINJA ART: ATTACK OF THE DEAD MEN!

(ATTACK OF THE DEAD MEN BY SABATON PLAYS)

We can't make a rainbow without all the colors

And we can't make a friendship without one another

'Cause there is nopony quite like you

So let your magic run wild

Let your magic run wild

If you could only see everything you could be

You would spend your whole life shinin'

Let your magic run wild

Let your magic run wild

(Now it's the time to light up the sky)

Let your magic run wild

(Now it's the time)

Look at the night sky, filled up with stars

Each one is perfect, just as they are

But they're brighter together, each leaving their mark

So beautifully different, all lighting the dark

'Cause nopony sparkles quite like you, ooh

So let your magic run wild (now it's the time to light up the sky)

Let your magic run wild (now it's the time)

Inside a rainbow sphere with intense flames and elemental forces, Pear Butter then underwent an intense and amazing transformation! Pear Butter had Rainbow Flame patterns and rings appear on her legs and obliques and rainbow sun and moon on her shirt and she also gained intense rainbow flame patterns and rainbow pears on her forearms, she also got white lines on her hair and tail. She then had her Cutie Mark change into many rainbow pears, and her massive angel wings had intense rainbow fire on them.

SHE UNLOCKED HER RAINBOW POWER FORM! THE RAINBOW PEARS OF HONESTY!

EVERYONE GASPED!

Me: Hey, that was my line.

Applejack: Oops, sorry, J.D.

Pear Butter: Now, to make sure you can never hurt anyone else again.

Lincoln, Nico, and I attacked him with two powerful energy slashes, and then...!

Lincoln, Nico, and Me: NOW, DIE AND ROT IN HELL FOREVER!

Lincoln, Nico, and I did one final powerful energy slash that hit Universe 666 Danny Fenton hard, and then, a massive explosion erupted as the gold chains exploded into pieces, and Lincoln, Nico, and I landed and Universe 666 Danny Fenton was on his last legs and he was really really mangled.

Universe 666 Me: You've had this coming for so many years, Danny! Let's get him! THIS IS WHERE YOU DIE, YOU FORMER HALF-GHOST ASSHOLE!

Universe 666 Me and all of those with him from Universe 666 Earth piled on and clobbered Universe 666 Danny Fenton and they really gave him Hell for everything he did, and when they were done, he had all his bones broken, he had two black eyes, broken teeth, and a bloody nose.

Then, Lincoln and I charged, and...!

SLASH! SLASH!

WE DISEMBOWELED AND BEHEADED UNIVERSE 666 DANNY FENTON AND HE WAS SENT TO THE BLACK ABYSS ALONG WITH RENEE STEVENS GETTING THE BLACK GATES!

We cheered as we holstered our weapons and powered down.

Me: And that's one down and two more to go.

Suddenly, Emerald Gaia ran up to me and jumped me and she kissed me on the lips, arms, pecs, and twelve-pack abs, and overcome by wild love, I suddenly returned her kiss. Then, she pressed her large nude breasts and chest against my massive hairy pecs and her stomach against my twelve-pack abs causing my nose to bleed, and that alone caused my Mark of The Incubi on my left thigh to glow with intense red light, and I'd gained an extreme increase in my abnormally high sex drive and hyperpuberty, and the supernaturally potent and powerful aphrodisiac pheromones that enhanced my own infinite-times high levels of libido and other sexual aspects was out in full force and my eyes turned from rainbow colors to deep blood red with slit pupils: the effects of The Mark of The Incubi have taken hold of me.

Emerald Gaia: Thank you for rescuing me.

Me: You're welcome.

Suddenly, I pinned Emerald Gaia down to the floor with me on top of her, and with his massive muscular arms still wrapped around her waist, I leaned my head down her face and I kissed her passionately and deeply on the lips which she returned with equal intensity and passion, and then, I leaned my head to the right side of her trapezius, and I slowly bit her and fed on her blood, and my rainbow, white, golden yellow, and blue energy aura with elemental forces and mythological animals flare up extremely as I gained an extremely astronomically huge and massive power boost and I also gained the very same powers as her, and my abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and my massive rainbow angel wings and 104 sets of large rainbow angel wings underneath my massive rainbow angel wings spread out and my large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind my head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on my obliques and sides and the rainbow flame patterns on my forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on my 105 massive and long brown wolf tails and rainbow sun and moon tattoo on my bare chest glowed.

Then, I slowly unlatched my fangs from her right trapezius and the marks sealed up and I kissed the spot where he bit her.

Suddenly, an Elemental Phoenix Necklace of Eternal Love appeared on the neck of Emerald Gaia with emerald gems on the gold flame-shaped links and emerald crystal links from her merged Crystal Necklace of The Buddha along with a gold-accented Elemental Phoenix Choker of Eternal Love on her neck and rainbow Phoenix wedding ring on her left pinkie.

Then, I helped her up.

Emerald Gaia: (In Heaven) (Rubs my massive hairy pecs) Now, that...was...so...hot. You're quite a dominant Alpha Male and I hope you're also a dominant Alpha Male and wild beast when it comes to some...intimate moments in the bedroom.

My harem blushed madly.

Sakura Valencia: (Thinking) Oh, you have no idea.

Nico: That's another one down

Me: At least the addition of the Universe 666 version of Danny Phantom made it more exciting.

Nico: True on that.

Qin: Yeah.

Lola: Moondancer got another awesome round in on him!

Me: She sure did! And Danny's enemies got some payback as well.

Skulker: That is for sure!

Box Ghost: Yeah that was fun!

Nico: Yeah!

Swablu: Yeah that was cool too!

Nico: Nice job Swablu.

Swablu: Thanks!

Duncan: You don't drink beer do you?

Poromon: HEY! I was gonna ask that.

Duncan: Sorry.

Swablu: Unfortunately I don't drink beer. I'm allergic to it.

Poromon: Oh. Okay then.

Swablu: Yeah.

Poliwag: (Does puppy eyes) Pwetty pwease?

Nico: Poliwag that's enough.

Poromon: Later, we're going to play ping pong.

Me: Neat!

I Am Weasel: I'll partake in some fun with you guys.

Poliwag: Cool!

Me: As long as they don't use eggs.

I Am Weasel: Yeah I.R. Baboon used an egg like that and got kicked out or that.

Me: Geez.

Qin: Yikes.

Me: Yeah.

Nico: Oh, Whampire, what do you like to do in your free time?

Whampire: I like to work at an amazing horror park resort for Goths.

Brittney: It's a Halloween themed horror park called Gothica Transylvania. It's a branch of Neo Phoenix Land in a cave that is all horror.

Nico: WHOA! Scary!

Me: We should check that out.

Shaggy: ZOINKS! Like go there!? (COWARDLY CRYING) Like not on your life! No way!

Scooby Doo: REAH! NO WAY!

Erica Haddock grabbed them.

Erica Haddock: Will you chickens lighten up!?

Me: You two were born chickens.

Shaggy and Scooby clucked like chickens and then...

FART!

They laid eggs!

They laughed!

WE LAUGHED TOO!

Me: I didn't mean that literally! But if Ed had his way he would hug you all over.

Ed: Yep! HUG A CHICKEN! HUG A CHICKEN! HUG A CHICKEN! HUG A CHICKEN!

WE LAUGHED MORE!

Lincoln: Let's take care of The Anothers right now. (Sensed the Anothers) Ah, and the Anothers are coming, right on time.

Eli: (Sensed The Anothers) Lincoln's right, I sense them, and one of them is Another of Gallus and Dan.

Gallus: Whoa! Another Me?

Dan Kuso: And me!? Whoa!

Lincoln: We'll find out soon.

Me: So we got Another Count Dracula (Scooby Doo and The Reluctant Werewolf), Su Yung, Cyprin and Petriol, Robot Devil (Futurama), Hamhock, King Minos, Queen of Darkness, Vampire Bat Beastman and Feral Spike (MLP).

Nico: Yep. That means Whampire, Natasha Hernandez, Seras Victoria, Wataru, Mavis, Blade, Dracula (Hotel Transylvania), Selene (Underworld) and Lilithmon are up.

Whampire: Yep.

Natasha Hernandez: That is for sure!

Qin: Yep.

Eli: Right. (Sensed Footsoldier Anothers) Oh crap, and we got trouble, I sense hostile Footsoldier Anothers, bad news: they're more bodybuilders from the past of Melanie Martinez and Kiara Kessler, and they number in the septillions!

Melanie Martinez: Oh, son of a bitch. Those must be more of the bodybuilders whom Lincoln beaten in the past, and they were sore losers.

Kiara Kessler: That's it. Lincoln, I hope you absorb them.

Lincoln: I will, and I know they also snagged that same super soldier serum Damien Arc and his eldest sons along with Albert Tralfaz used, so this is gonna be dangerous.

Then, the Footsoldier Anothers arrived, and they changed back into more septillion bodybuilders Lincoln had beaten in the past.

Melanie Martinez: Well, look who's come crawling out into the open after an absence of eight long years.

Kiara Kessler: So, you've come out to kill Lincoln.

Bodybuilder: What do you think?!

Suddenly, the septillions of bodybuilders Lincoln had beaten in the past got out large endothermic needles and inside them were glowing purple and green serum and they stabbed them into their chests and injected the serum into them. Then, they growled in pain as hot fire coursed through their veins that started glowing green, and then, they fell to their knees as their muscles: both upper and lower body and nether regions started growing to enormous proportions and they also gained twelve-pack abs and their pants were left as tattered shorts and they suddenly grew into gigantic 30'0" tall behemoths with extremely massive muscles and they roared and pounded their chests like a gorilla!

Then, Lincoln and I morphed the tips of our 105 massive and long brown wolf tails into Cell's stingers and we stabbed them into the chests of the septillion bodybuilders, and we began absorbing them and we assimilated their newly gained extremely massive muscle mass, extreme superhuman strength, extreme superhuman stamina, extreme superhuman durability, extreme superhuman endurance,

hardened muscular system, extreme levels of virility, and extreme levels of testosterone, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and Lincoln's massive white angel wings and 104 sets of large white angel wings underneath his massive white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on his 105 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed and he began growing even more stronger, and my abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed and my massive rainbow angel wings and 104 sets of large rainbow angel wings underneath my massive rainbow angel wings spread out and my large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind my head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on my 105 massive and long brown wolf tails and rainbow sun and moon tattoo on my bare chest glowed and I also began growing even more stronger.

Lincoln: (GROWLS) This feels incredible. RRGH!

Me: (GROWLS) Same here. RRGH!

At the same time, the bodybuilders began shrinking in height and muscle mass as their newly gained extremely massive muscle mass, extreme superhuman strength, extreme superhuman stamina, extreme superhuman durability, extreme superhuman endurance,

hardened muscular system, extreme levels of virility, and extreme levels of testosterone were being sucked out of them one at a time and was pumped into Lincoln and I.

Then, when Lincoln and I were done and the stingers changed back, nothing was left of the bodybuilders except for their tattered pants, and Lincoln and I drained their souls of energy and they merged with us and we let out a loud and massive roar of dominance and power as we pounded our chests like two Alpha Male gorillas.

Nico: There they are!

We saw Another Su Yung, Cyprin and Petriol, Robot Devil (Futurama), Hamhock, King Minos, Queen of Darkness, Vampire Bat Beastman and Feral Spike (MLP)!

Me: WHOA! This is gonna be intense!

Nico: I agree there!

Another Su Yung: It sure will.

She reverted back and was the gene-slammer of Laval Judgement Lord!

Nico: (GASP) Lori Judgra Laval!

Lori Judgra Laval: Yep good to see you Nico.

Nico: You too.

Me: The gene-slammer of Laval Judgement Lord!

Lori Judgra Laval: Yep and this is awesome.

Me: It sure is. By the way. Are the rest of the Anothers friendly or hostile?

Lori Judgra Laval: Friendly but J.D. the Another Gallus is someone you are going to be happy to see.

Me: Oh wow!

Nico: Sorry we have to do this.

Girl Jordan: Lets separate you first.

Girl Jordan and Leeli held hands.

(YURGEN'S TUNE PLAYS)

The skies had leaves and flowers flying in the wind along with sea dragons singing in the background

Girl Jordan and Leeli: (SINGING DIVINELY AS LEELI HAD FIREFLIES SWIRL AROUND HER AND GIRL JORDAN HAD HER AQUA BLUE AURA FLARED UP)

O holoré lay thee low

She glowed and the anothers were separated.

Me: Action time!

We blasted the Anothers and I caught the Wonder Ride Books.

Me: YEAH!

Rolf: MAY THE FLEAS FROM YOUR COW INFLAME YOUR RHUBARB!

Qin: YEAH!

Nico: Now we wait.

May: Yep.

Me: We don't ave to wait long!

We saw Another Count Dracula and Gallus and Dan!

Me: WHOA! This is gonna be intense!

Nico: Oh boy!

Another Count Dracula: (In a girls voice) It sure will!

She reverted back and was the gene-slammer of Old Entity Cthugha!

Nico: (GASP) Colleen Craven Cthugha!

Me: Old Entity Cthugha's gene-slammer!

Brittney: So awesome!

Colleen Craven Cthugha: It sure is. Me and Nico battled an entire escaped group of insane asylum patients.

Me: Wait you mean the Great Tennessee Asylum Riot!? I heard that was where the entire asylum busted out!

Nico: Yep.

Colleen Craven Cthugha: I used the Dark Tongue of the Eldritch and made them go mad and they bursted into intense flames and were condemned to the fires of Hell for 1,000 years.

Me: HOLY SHIT! That is lethal!

Qin: Yeah!

Colleen Craven Cthugha: Yep. Serves them right. Also I have Dracula's powers as well.

Me: Nice!

Count Dracula: (Scooby Doo and the Reluctant Werewolf) (Transylvanian Accent) It sure is amazing!

Me: Wow!

Nico: And your friends?

Me: Lets start with Another Gallus.

Another Gallus: (In a girls voice) Its been a long time J.D.

I GASPED! I HADN'T HEARD THAT VOICE IN 13 YEARS!

Me: That voice! It can't be!

She reverted back and was a girl that looked so much like Ino and she had blond hair and blue and green clothes and green angel wings.

Me: (GASP) (TEARS STREAM DOWN MY FACE) Tellora Charity!? Is that you!?

Tellora Charity: It sure is. I'm back. Swartz brought me back and I'm back for good.

I ran and hugged her and cried in happiness!

Me: (CRYING) TELLORA! I'VE MISSED YOU!

She hugged me.

Ino Yamanaka: WOW! She looks like a carbon copy of me!

Sakura Knudson: It's how she got the nickname Ino II.

Sakura Haruno: Boy like how me and Ino are best friends! Now you have a carbon copy of Ino!

Tellora Charity: I missed you too J.D. But I'm back now.

Me: I know Tellora. I know. I missed you.

We then kissed for the first time in 13 years.

It was awesome!

Horsea cried in happiness!

Nico: And your other friend?

Another Dan: (In a girls voice) Someone who is proud of her brother.

Dan: (GASP)

She reverted back and was a female version of Dan but had a Red version of Sirenoid.

Dan: (GASP) Diane!

He went over to her and hugged her!

Dan: I've missed you.

Diane Kuso: Me too.

Pyrus Sirenoid: Good to see you Drago.

Drago: You too Pyrus Sirenoid.

Nico: Wow your sister?

Dan: Yep. My sister Diane and she has a Pyrus Sirenoid.

Nico: Cool!

Shun: That is amazing!

Runo: Dan we're so happy for you.

Dan: Thanks guys.

Kaito: (gets out Carranger gear) Did Swartz promise you anything?

Zocks: (gets out Ohranger gear) Because we can grant it instead.

They got weapons from said rangers.

Colleen Craven Cthugha: No he didn't because I summoned dancers of fire and they distracted him long enough for us to run.

Me: Whoa!

Qin: That is cool! Like how Chernabog summoned fire dancing girls too.

Colleen Craven Cthugha: Exactly.

Nico: You know Tellora J.D. told us about you yesterday. He played the song When it Comes To Love by The Foreigner. He told us what happened and that was awful!

Tellora Charity: I know. But I was never dead. Swartz found me and took me in after I had amnesia.

She showed her face and it had a NASTY scar shaped like the moon on her left cheek.

Tellora Charity: I had total amnesia from the blast. Swartz trained me in everything I knew. I couldn't remember anything.

Sakura Knudson: That explains why you didn't remember anything.

Tellora Charity: I know. But I got hit on my head and my memories came flooding back.

Me: I'm glad you're back to normal now.

Diane Kuso: I am too.

Sougo: (gets out American Turbo Ridewatch) We had to take Barodius out first

Geiz: (gets out Zeo Ridewatch) Hope you don't mind

Sougo got AmericanRedTurboArmor while Geiz got ZeoRedArmor

Me: Yeah and you're looking at his killer. Me.

Diane Kuso: OH WOW!

Pyrus Sirenoid: WOW! I hated Barodius!

Me: We all did and he was a NASTY monster!

Qin: Yep.

Lola: Yeah and it was explosive.

Me: Lets separate you girls first and Tellora we have so much to catch up on.

Tellora Charity: I know.

I snapped my fingers and we separated them.

Me: Lets dance.

Nico: (Gets out Count Dracula's ridewatch) (TRANSYLVANIAN ACCENT) I VANT TO SUCK YOUR BLOOD!

May: (GETS OUT CYPRIN AND PETRIOL'S RIDEWATCH) Lets dance!

Me: (Gets out Robot Devil's ridewatch) Want to know which side I'm on? THE SIDE THAT KICKS YOUR TWISTED FUCKING METAL ASS!

Universe 666 May: (Gets out King Minos Ridewatch) I am the Judge of The Damned!

Maria: (Gets out Queen of Darkness's ridewatch) Unleash the dark!

Natasha Hernandez: (Gets out Su Yung's ridewatch) Time for the water to foresee your doom!

We used the powers of Count Dracula (Scooby Doo and The Reluctant Werewolf), Su Yung, Cyprin and Petriol, Robot Devil (Futurama), Hamhock, King Minos, Queen of Darkness, Vampire Bat Beastman and Feral Spike (MLP) and blasted the Anothers!

Poromon: Yeah!

Then Tilian, Short Fuse, Universe 666 Live Action Megatron, Universe 666 Quickstrike, Universe 666 Master Xandred and Maggie (Monster Legends) came!

Me: WHOA!

Nico: WOW! Nice team Tilian!

Tilian: Thanks Nico.

Me: Wait XANDRED!?

Universe 666 Xandred: The one from Universe 666.

Nico: Oh wow!

Lola: Wicked!

Quickstrike: YEEHAW! The Universe 666 me!

Universe 666 Quickstrike: That's right!

Me: YEEHAW!

Nico: That means Bounce Man and his team next!

Bounce Man: OOH! Yes it is!

Universe 666 Live Action Megatron: I'm curious. When ARE you killing the Prime version of me?

Nico: Maybe on Optimus' big day?

Me: We don't know when that will be.

Starlight Glimmer: But when we do we're going to make sure he pays for all his crimes.

Then vortexes of swirls of Blood and Darkness appeared and then out of those vortexes came Number 24: Dragulas the Vampiric Dragon And Number 23: Lancelot, Dark Knight of the Underworld!

Nico: WHOA!

Me: Number 24: Dragulas the Vampiric Dragon And Number 23: Lancelot, Dark Knight of the Underworld!

Nico: NEAT!

Number 24: (In a girls voice) (Transylvanian Accent) Looks like the fun has started!

Number 23: (In a girls voice) (British Medieval Accent) Thou must be ready to smite this abomination!

Nico: Varya Dracula and Caileen Lancelot! Wow!

They reverted back.

Varya was a girl with black hair and red eyes and black clothes and red demon wings and had sharp vampire fangs and she had Number 24: Dragulas the Vampiric Dragon on her forehead, shirt and skirt and had a red blood moon with a vampier castle and Dracula on her arm as a cutie mark and had a vampire sword.

Caileen was a girl with blond hair and blue eyes and blue clothes and had golden angel wings and had Number 23: Lancelot, Dark Knight of the Underworld on her forehead, skirt and shirt and had Merlin's hat and the Hogwarts crest on her arm as a cutie mark and had the mighty sword Excalibur in her hand!

Caileen Lancelot: Good to see thou Nico.

Varya Dracula: Lets make this fun. We got this. 24 VAMPIRE BLOOD BLASTS!

Caileen Lancelot: 23 SWORDS OF DARK DOOM!

They fired waves of darkness and magic and blasted the Anothers and I caught the ridewatches and purified them.

Me: YEAH!

Qin: Take that!

Nico: Nice job!

Varya Dracula: Thank you. It was Wonderful.

Me: Yep. Do you girls have any good memories of Nico?

Varya Dracula: We sure do. Mine is when me and Nico went and killed an entire cult that was planning to bring back Elizabeth Bathory.

Me: The Blood Countess! And the most dangerous woman from back in the early 17th Century.

Varya Dracula: That's right.

Caileen Lancelot: Thou will like mine. My memory is where me and Nico learned about my ancestry to Sir Lancelot and we later went to Hogwarts and smite Bellatrix LeStrange.

Me: That blackhearted insane bitch had it coming.

Lola: Yeah!

Nico: Yep.

Nico hugged them.

Nico: I've missed you girl.

Varya Dracula: We did too.

We went back home to Earth.

For the first part, Emily, Kelsey, Lily, Chloe, and April called their families together to meet at the park, and where Lincoln is going to meet their families, the second part is investigating a haunting at their former school: Rainbow Hills Middle School, but we're going to find out the ghosts haunting the school were none other than the Universe 666 versions of Sakura Avalon and their friends, and they like the others tried to warn us about Universe 666 Nico, but before they could get their plan into action, they were killed and their souls were trapped and imprisoned in the Universe 666 Clow Book and it was sent there, so we are going to bring them back.

And finally, the third part is a battle against Ulric, Brute, and Brooha that Ulric himself had arranged ever since we got rid of Emperor Bogo and Rascal, and Ricky, Rufus, and Margie are going to transform and take them down and they'll recover after we clobber them.

We had all of TLPS and The MOE with us.

Lincoln: Wow, we're here in Rainbow Hills.

Emily Anderson: We're here, we're back in our home town.

Lincoln: So, this is your home, it's really nice, and I know what we're going to do here, not only am I going to rescue the twelve girls here, but this'll be divided into three parts.

Kelsey Ace: Yep, for the first part, we called our families together to meet at the park, and our parents want to meet you, Lincoln.

April Swanson: And my siblings, I have three sisters and three brothers.

Lori: Which literally makes you the oldest.

Lily Parker: My mom definitely wants to meet you and my grandparents, and I told you that my dad died long ago.

Nico: So, this is going to be a huge family gathering.

Chloe Rose: Exactly, and our family knew about us being The Glitter Force.

Whampire: That's a relief, I thought you girls would wind up getting in trouble.

Candy: They didn't.

Zap: That's right, with Lincoln's help, we told their families of the many deeds they've done.

Ricky: Along with what we did getting rid of Emperor Nogo and Rascal.

Rufus: But, I got a feeling Ulric, Brute, and Brooha are going to be here.

Margie: In that case, we'll hear what they got to say after we do the first two parts of the rescue.

Me: Right. Oh, we're here!

We arrived at the park, and there we met the families of Emily Anderson, Kelsey Ace, Lily Parker, Chloe Rose, and April Swanson, and we also met April's siblings: Calvin Davis, Harriet Davis, Hannah Davis, Hugo Davis, Cody Davis, and Nina Davis.

After that, we headed for Rainbow Hills Middle School.

Kelsey Ace: And this is Rainbow Hills Middle School, and some of our old classmates told us there's a haunting occurring here in the school.

April Swanson: G-ghosts?

Lincoln: It's okay, April, remember I'm here. Still, a haunting occurring here in your middle school, this is something we need to check out.

We got to work as we walked through the corridors of the school, but we felt it: a haunting air was all over the school. Suddenly, we saw a ghostly mist head into the library.

Clyde: There! The library.

We got to the library, and we searched all over. Suddenly, we saw a book on a nearby table, and when Sakura Avalon saw it, she couldn't believe it.

Sakura Avalon: The Clow Book, but...? (Realizes something) Wait a second.

Sakura Avalon took out her Sakura Book and I took out my Knudson Book, this means one thing.

Kero: That's the Universe 666 Clow Book, but what's it doing here?

Ricky: That's what we're about to find out.

Suddenly, Lincoln's and Danny Phantom's Ghost sense went off.

Lincoln: I think I know what's causing the haunting.

Suddenly, Ricky grabbed the book, and then, the book's seal opened up, and we saw inside the book were The Universe 666 Clow Cards, but then, we saw spirits come out and they took shape, and we found out the truth: the ghosts haunting the school were none other than the Universe 666 versions of Sakura Avalon and their friends.

Li Syaoron: No way, it's...!

Sakura Avalon: Our Universe 666 counterparts, they were locked up in the book.

Ricky: And like the others, you tried to warn Team Loud Phoenix Storm about Universe 666 Nico.

Universe 666 Sakura Avalon: Yes, that's correct. After what he did to J.D. and so many others, we couldn't let him go on doing this, we tried to find a way to warn them, but..., but...!

Suddenly, we comforted them.

Emily Anderson: But, before you could, all of you were killed and were locked in The Clow Book of Universe 666 Earth.

Universe 666 Li Syaoron: Correct.

Suddenly, they saw Universe 666 Lincoln, his good sisters, parents, harem, and Guardian Angels, Universe 666 Me, Universe 666 Varie, and his harem, Universe 666 Clyde and his harem, Universe 666 Ets and his harem, The Universe 666 Loonatics, Looney Tunes, and Tiny Toons, and Universe 666 Nico's family.

Universe 666 Madison Taylor: Lincoln, everyone?!

Universe 666 Lincoln: (Smiles Sadly) It's good to see you guys again.

Then, they hugged them and cried tears.

Lincoln: Let's get you guys back.

Lily Parker: Wait, let us handle it, Linky.

Lincoln: Okay.

The Glitter Force, Ricky, Margie, and Rufus got out their Royal Books and got out a card.

The Glitter Force, Ricky, Margie, and Rufus: Heavenly Lights of Resurrection, shine down and bring the Universe 666 versions of Sakura Avalon and their friends back to the world of the living.

Then, the cards glowed, and heavenly light shined down and brought the Universe 666 versions of Sakura Avalon and their friends back from the dead.

Universe 666 Yue: You have brought us all back to life.

Kelsey Ace: The cards that were inside our Royal Books have powers just The Clow Cards, and each of them have some amazing powers.

Emily Anderson: We each had training with them.

Sakura Avalon: Thanks to us.

Suddenly, Emily Anderson's phone rang.

Emily Anderson: Hello.

Emily's Mom: Emily, it's Mom. Listen, we got trouble, when we got back, we got word three people are at the park. One of them looked like a wolf with long white hair and white tail, a red ogre, and a witch in green clothes.

Lincoln: Ulric, Brute, and Brooha. Ooh boy. Mrs. Anderson, we're on it.

Emily hung up.

Kelsey Ace: Looks like we found out our third part of the rescue.

Rufus: Back to the park.

We rushed back to the park, and there we found Ulric, Brute, and Brooha playing cards.

Ulric: Well, well, looks like you guys made it.

Me: We were just in the park not that long ago.

Ricky: And we just got done resurrecting another of Universe 666 Nico's victims. (Sees the skies) Hmm, the skies haven't gotten dark, no one's suffering from any negative energy attack. But, I already know you three are gonna summon Buffoons to start the battle.

Brute: How did...!?

Ulric: Because they were us, knucklehead. (Smirks) Well, then, you asked for it.

They summoned some Buffoon minions.

Emily Anderson: Oh great.

Ricky: So, you wanna play rough, do you? Fine.

Rufus: We still got nightmares from when we served Emperor Nogo and wound up getting turned into you because of Rascal.

Margie: That left scars on us if we hadn't been purified and freed, and since you three are now separate entities, it's payback time.

Brute: Ouch. Okay, you overgrown werewolf, I dare you to do that again.

WE SAW THE WHOLE THING, AND WE WERE FLINCHING AT THE SHEER BRUTALITY AND VIOLENCE OF LINCOLN'S ASSAULT ON ULRIC, BRUTE, AND BROOHA! HE WAS REALLY GOING APESHIT ON THEM!

Hope, and Ed Cowart, Ets, Ken, Nicole, Nico, Gage the Hedgehog, and Eli unholster their massive greatswords and transformed, and we went after Ulric, Brute, and Brooha and we fired blasts of rainbow energy, colored energy, elemental forces, Rainbow Crystals, Rainbow Super Lightning, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Blue Fire, Sand, Bubbles, steel orbs, throwing axes, and mythological animals, and they explode with incredible power as they hit them.

Me: When that bitch shows up along with her bitch herd, they are all going to pay for every last one of their fucking crimes!

Nico: They're just as bad as that slut, Audrey Madison, and she was a real conniving, manipulative, evil, loathesome, two-faced, heartless, sadistic bitch.

Lincoln: I'm not going to have any mercy on them, Zarya and her evil friends are going to pay for ruining the lives of innocent families for her sick twisted amusement and to satisfy her need for control, and for trying to destroy my family, I'm going to tear their throats out for this, and now that you're here, Alexandria.

Lincoln with his massive muscular arms still wrapped around Alexandria Mackenzie's waist leaned his head down to the right side of her trapezius, and he slowly bit her and fed on her blood, and his rainbow, white, golden yellow, and blue energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his massive white angel wings and 104 sets of large white angel wings underneath his massive white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and

the rainbow tips and rainbow markings and phoenix feathers on his 105 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Then, Lincoln slowly unlatched his fangs from her right trapezius and the marks sealed up and Lincoln kissed the spot where he bit her.

Alexandria Mackenzie: You're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on the neck of Alexandria Mackenzie with blue gems on the gold lightning bolts and blue crystal links and jade beads from her merged Crystal Necklace of The Buddha and Jade Necklace of Shangdi along with a gold-accented Elemental Thunderbird Choker of Eternal Love on her neck and rainbow Thunderbird wedding ring on her left pinkie.

Alexandria Mackenzie: (Surprised) Lincoln, are these...?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and one of my many future wives, Alexandria Mackenzie.

Alexandria Mackenzie had a smile on her face and tears streaming down her cheeks as Lincoln still had his massive muscular arms wrapped around Alexandria Mackenzie's waist, and he leaned down to her face and kissed her on the lips, and with Alexandria Mackenzie's hands still on his massive pecs, Lincoln deepened the kiss and we cheered for them. When Lincoln separated, Alexandria Mackenzie had an atomic red blush on her face, hearts in her eyes, her nose was really gushing out blood, and her heart was pounding like a loud drum.

Alexandria Mackenzie: (In Heaven) My God. Oh, Lincoln, you better tell the rest of the boys to run to their rooms. The twelve girls I rescued are...!

Travis Tackett and Red Savarin: Boys, to your rooms or you're

gonna wind up on the floor with a few missing teeth!

We ran into our rooms leaving Lincoln, Nicole, and his harem, and when Lincoln saw the twelve girls, he had a bright red atomic blush on his cheeks and muzzle and his nose was gushing out blood like a fountain, the twelve girls are Alina Clover, Lululi Ashford, and Lyra from I May Be a Guild Receptionist, But I'll Solo Any Boss to Clock Out on Time and Airi, Celina, Christina, Diadora, Fio, Leticia, Malida, Marl, and Raffrasia from Goodbye, Dragon Life.

Lincoln: Oh whoa, it's Alina Clover, Lululi Ashford, and Lyra from I May Be a Guild Receptionist, But I'll Solo Any Boss to Clock Out on Time and Airi, Celina, Christina, Diadora, Fio, Leticia, Malida, Marl, and Raffrasia from Goodbye, Dragon Life.

Nicole: Uh oh, Travis and Red were right to tell the others to hide, these girls are cute.

Lincoln: And if left alone, someone could hurt them either to satisfy their perverted urges, or kill them to slake their thirst for blood which I won't let happen. Are you girls okay?

Alina Clover: Yes, we're okay, thanks to you.

Then, when Alina Clover and the other eleven girls saw who it was that saved them, their faces turned atomic red upon seeing the 12'9" tall, handsome heartthrob hulking wolf hunk with abnormally massive and powerful upper and lower body muscles covered in brown fur, tan fur covering his massive pecs, hands, and twelve-pack abs, sturdy tan muzzle, long wild rainbow hair going down to the upper part of his back with white streaks and multi-colored highlights in it with multi-colored phoenix fire ombre streaks on the back of his hair and rainbow lightning bolt highlights in the bangs of his long rainbow hair, large brown wolf ears with rainbow markings and intense rainbow flame patterns on top of his head and large gold halo with embedded gems shaped like The Elements of Harmony and below the gem shaped like The Element of The Magic of Friendship is a gem shaped like The Crystal Heart and a ring of hands made of gold around it with colored gems in the palms and around the ring of hands made of gold is a ring of fire with spikes made of gold resembling The Sun behind his head and large gold

Alina Clover: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Lincoln made clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the thick muscular necks of Lincoln and his clones, and he slowly bit them and he fed on their blood, and his rainbow, white, golden yellow, and blue energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his massive white angel wings and 104 sets of large white angel wings underneath his massive white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, along with the rainbow tips and rainbow markings and phoenix feathers on his 105 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

He then slowly unlatched his fangs from their necks as their necks healed and the puncture marks sealed up, and he also kissed where he bit them.

Lyra: (Seductive Voice and rubs Lincoln's massive pecs) You too, big, tall, muscular, and handsome.

Suddenly, twelve Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Alina Clover, Lululi Ashford, Lyra, Airi, Celina, Christina, Diadora, Fio, Leticia, Malida, Marl, and Raffrasia with colored gems embedded in the gold lightning bolt links and colored crystal links and jade beads from their merged Crystal Necklaces of the Buddha and Jade Necklaces of Shangdi along with white and gold accented Elemental Chokers of Eternal Love on their necks and rainbow Thunderbird wedding rings on their left pinkies.

Maria: Okay, guys, come on out.

We came back out.

Maria: Oh man, that was one amazing rescue.

May: We saw The Glitter Force's home town, met their families, and we even resurrected another of Universe 666 Nico's victims.

Lincoln: And we even battled Ulric, Brute, and Brooha.

Nico: With Ricky, Rufus, and Margie transforming and clobbering those three.

Me: It won't be long before we finally make that fucking snake pay for his crimes.

?: That's for sure.

Suddenly, we saw a beautiful girl who was tall at 7'0" in height, she has the body of a goddess and large breasts, tanned skin, long ice blue hair, blue eyes, massive blue angel wings, she has on a ice blue two piece bikini, and in her hand is an ice greatsword.

Lincoln: (GASPS) Gallia Glaciaira, Queen of The Glaciairans of Planet Glaciaira.

Nico: The only surviving Glaciairan. And you know her, Lincoln?

Lincoln: I do.

Anna Anyanova: And so do we, this is Gallia Glaciaira, Queen of The Glaciairans of Planet Glaciaira, she's Lincoln's Guardian Angel from the planet of Glaciaira in The Forbidden Zone. She was the Queen of the Glaciairans who ruled the planet of Glaciaira and she's also far more powerful than her own people: in addition to being a natural born fighter, having immense power over ice, snow, and absolute zero temperatures, and the ability to grow even stronger, but she was also born with angel wings, Cosmic Cryokinesis, ice, snow, absolute zero temperatures, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and all the powers of her people times infinity, and she left her home when the Infernairans invaded eons ago and she swore to return and put them to the sword. Gallia Glaciaira came to Earth and Royal Woods where she met Lincoln, and she swore to protect Lincoln from the wrath of his enemies and she also trained him in mastering the powers of Cosmic Cryokinesis, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, ice, snow, absolute zero temperatures, and all the powers of her people, and over time, Lincoln gained omnipotent power and the powers of Cosmic Cryokinesis, Omnipotence, Omniscience, Cosmic Awareness, ice, snow, absolute zero temperatures, and all the powers of The Glaciairans, and he was already born with immortality and invincibility, and she also knew Lincoln is an Alpha Vampire-Werewolf hybrid and an extremely powerful and attractive one, and more than once, she'd kissed him on the lips and made out many times and he came back home all covered in kisses and his tails were wagging like crazy, and it made her love for him grow even stronger, and she helped him really bulk up even more in muscle and she also helped him grow in intelligence, power, and knowledge. Plus, she also taught Lincoln in everything she knew when it came to fighting and she also gave him the power to grow even stronger, along with even more incredible powers from the deities her people worshipped along with infinite levels of virility, but it made his already massive and godly superhuman strength even more massive than ever, and she knew that Lincoln absorbed the souls of her people, her planet's core and planet itself, and her planet's Sun to preserve their legacy and she swore to thank him for what he did. Lincoln made her an awesome ice greatsword, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem, and she hates Hawk and Hank with a blazing passion, and she swore to freeze them to death with the power of Glaciaira.

Gallia Glaciaira: And I knew Lincoln absorbed the souls of the male Glaciairans, my planet's core and planet itself, and my planet's Sun to preserve their legacy.

Shanan: And are there other planets in The Forbidden Zone?

Lincoln: There are, and they too suffered because of The Infernairans.

Gallia Glaciaira: That's why Lincoln was given the task of absorbing the souls of the males of our planets, our planets' cores and planets themselves, and our planets' Suns into his body to preserve their legacy and gain all their power and knowledge, and it's good to see you again, Lincoln, but wow, you've really grown.

Suddenly, Lincoln pinned Gallia Glaciaira to the floor and he wrapped his massive muscular arms around her waist and he leaned his head down to her face and kissed her on the lips with intense passion which she returned as she placed her hands on his massive hairy pecs, and then, Lincoln leaned his head down to the right side of her trapezius, and he slowly bit her and fed on her blood, and his rainbow, white, golden yellow, and blue energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his massive white angel wings and 104 sets of large white angel wings underneath his massive white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on his 105 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Then, Lincoln slowly unlatched his fangs from her right trapezius and the marks sealed up and Lincoln kissed the spot where he bit her, and then, an Elemental Thunderbird Necklace of Eternal Love appeared on the neck of Gallia Glaciaira with ice blue gems on the gold lightning bolts and ice blue crystal links and jade beads from her merged Crystal Necklace of The Buddha and Jade Necklace of Shangdi along with a gold-accented Elemental Thunderbird Choker of Eternal Love on her neck and rainbow Thunderbird wedding ring on her left pinkie.

Then, he helped her up as he sat on the couch and he kept her close to his body as she took the time to rub his massive hairy pecs, twelve-pack abs and his massive muscles.

Gallia Glaciaira: (Seductive Voice and still rubs Lincoln's massive pecs) Well, I'll be damned. Who could've guessed the 11-year-old boy I met long ago would grow up into a 12'11" tall, very handsome, hulking, sexy, strong, buff, and extremely manly rugged heartthrob hunk of a wolf man with really massive and powerful upper and lower body muscles and twelve-pack abs. You've really grown a lot and turned into a man, and you've also grown even more larger in muscle mass far more than the males of my former planet, you can land an airplane on that massive, wider, and more muscular back, (Rubs his legs) squash a melon with those really muscular quads and thighs. (Rubs his twelve-pack abs) And even cut a rock into a diamond on those rock-hard twelve-pack abs, and there's not even a tape measure long enough to measure your chiseled chest or massive biceps.

Lincoln wrapped his massive arms around her waist even more and brought her closer to his body even more and she really felt how much stronger he really is.

Glallia Glaciaira: (Smirks) And don't think I forgot you're also quite the charmer and ladies man to boot as well. We'll have plenty of time tonight to reconnect in a more...intimate way.

Shanan: Oh crud, I also forgot Glaciairans both males and females are known to be quite wild when it came to...intimacy.

Lily the Mermaid: Ooh boy.

After Lincoln and all of us had our fun at Rainbow Hills, we were training intensely in the gym doing 900,000,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get our massive and long brown wolf tails even more stronger than ever as well, and when Alexandria Mackenzie saw Lincoln doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, squats, regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 999 septillion-lb barbells, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get his 105 massive and long brown wolf tails even more stronger than ever along with his massive white angel wings and 104 sets of large white angel wings underneath his

massive white angel wings, she had an atomic red blush on her face, hearts in her eyes, and her nose was really gushing out blood.

Alexandria Mackenzie: My God, I was right that Lincoln's really grown into a 12'9" tall, really huge, handsome, sexy, and extremely super strong manly wolfman, just look at those abnormally massive and powerful upper and lower body muscles and his twelve-pack abs really hard at work doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, squats, regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses and really working out with those 999 septillion-lb barbells and he's not even getting tired, incredible, and he's also doing 900,000,000,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get his 105 massive and long brown wolf tails even more stronger than ever along with his massive white angel wings and 104 sets of large white angel wings underneath his massive white angel wings, and he now looks even more ripped than ever. He's definitely been continuing on bodybuilding and working out even more for many years, and because of that along with the combination of his diet plan that we gave him, along with his hyperpuberty and genes, he'd gained the powerful and massive body that all bodybuilders could only dream of. If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of search control again, along with Killjoy Huggins.

Lincoln: Yep, and I've also trained a lot under a lot of very powerful teachers, J.D. and Nico included, Alexandria, and I can still defend myself, and in addition to getting stronger and larger in muscle mass, I've also gotten smarter as well.

Alexandria Mackenzie: That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Nico: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from the little boy from seven years ago into the really huge, really strong, and really powerful wolf man we know today.

Alexandria Mackenzie: I knew it was only a matter of time before he told everyone that story.

And when my harem saw me doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 999 septillion-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear my mind and doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get my 105 massive and long brown wolf tails even more stronger than ever along with my massive rainbow angel wings and 104 sets of large rainbow angel wings underneath my massive rainbow angel wings, they had an atomic red blush on their faces, hearts in their eyes, and their noses were bleeding.

Then, Mad Cat Max got out a videotape, but it had a blue aura surrounding it.

Me: Whoa! What memory is this?

Mad Cat Max: This was from a week after Caleb's attack in the abandoned subway tunnels and when he killed Arata and Daisuke, the former members of The Yamamoto Family, and he was still out for blood against Drake who continued running to hide from him, but he ran to The Spotted Leopard: bad move.

Panther: We caught him and brought him inside and we began beating the shit out of him, but, that also meant Caleb who was out for blood would show up, and Max, well, let's just say he and Caleb had a brutal fight on the rooftop, and Max won the fight with Caleb raging and spewing curses and death threats at us like an animal.

Allie Maxwell took the tape and put it in as it played on the big screen and it showed New York at night, it was a week after Caleb's attack in the abandoned subway tunnels and when he killed Arata and Daisuke, the former members of The Yamamoto Family, and he was still out for blood against Drake who continued running to hide from him.

We saw Drake Maxwell running.

Past Drake Maxwell: Damn it, I need to find a place to hide and fast! Caleb's destroyed my hideout at the subway tunnels and he killed Arata and Daisuke, and gave their heads to Kaito Yamamoto, their former boss! Damn those two lunatics and fuck my older brother for ruining everything!

Drake was raging with fury, but that went unnoticed by Caleb Maxwell who was pursuing him.

Past Caleb Maxwell: Keep raging with fury at me, Drake, it was all your fault though. This is what you got for everything you did to me, and now, I'm gonna make sure you never do this to anyone else ever again.

Caleb followed Drake as he ran across the apartment rooftops, but then, he saw Drake run to The Spotted Leopard.

Past Caleb Maxwell: Now, that was stupid of him: running into Big Claw Gang territory. If those yahoos think they're gonna take away my last chance to get revenge, they've got another thing coming!

Caleb jumped off the nearby roof and headed into The Spotted Leopard and snuck past the crowd and went upstairs, but then, he heard noises. He ran to their usual meeting room, but he found nothing except for a trail of blood, and then, he heard noises, this time, it was on the rooftop. He ran up, and there, he found Panther, Carla Claw, Patch, Mad Cat Max, Shroud, Hex, Sally Gamble, Chester, Crowe, and Nekome of The Big Claw Gang, and there he saw Drake Maxwell, but he was tied up and Panther, Mad Cat Max, and Shroud were busy punching Drake Maxwell.

Past Panther: You thought you could sneak in here, Drake? Nice try, we caught you from a mile away since you still smell like the subways.

Drake had a black eye, missing teeth, a split lip, and a broken bleeding nose.

Past Drake Maxwell: YOU FUCKING ASSHOLES! DROP DEAD!

BANG!

Caleb fired his gun and the shot rang out in the air.

Past Caleb Maxwell: If you think I'm going to let you yahoos get away with killing Drake, all of you are dead wrong. Drake deserves to die by my hand only.

Drake Maxwell took the chance to try and cut the rope with a knife, but as soon as he got free, Caleb Maxwell grabbed him by the throat and threw him off the roof and he landed with a sickening crack of the pavement. But, he got back up and limped away, but Caleb was about to fire again, but Patch threw her knife and it stabbed Caleb right in the arm as he screamed in pain! That set him off as he ripped it out and he blasted Patch with a black and red energy blast that sent her flying into the door and she got knocked out!

Past Mad Cat Max: J.J.!

But, Caleb's laughter suddenly turned malevolent and demonic: they knew that Dark Sebastian's poison inside him was gone, but the toxic darkness in his own heart was still there: years of hatred, darkness, rage, and revenge were freed from the inside of his heart and it turned him into a violent demon out for blood!

Past Crowe: Okay, that's it! I don't care if Allie pummels us, you're dead!

Crowe got out his shotgun, but Mad Cat Max was really furious as he looked down to the ground and he clenched his hands tight!

Past Mad Cat Max: You cold-blooded...black-hearted...ruthless bastard!

But, Caleb Maxwell was still cackling like a madman as murder and darkness drove him mad, but it was too late for him. Suddenly, the skies turned dark and a blue energy aura flared up around Mad Cat Max: we saw right then and there...!

Nico: Uh oh...!

Me: I recognize it: Caleb, you were screwed!

Allie Maxwell: Big time.

Then, we saw lightning crashing down around The Spotted Leopard and one crashed down behind Mad Cat Max as the memories of Caleb's murder spree from 1996 because of Dark Sebastian's curse and even after he'd been freed was still killing Syndicate members and raging against Drake Maxwell like a rampaging demon from Hell rushed through his head!

Caleb Maxwell's cackling halted as he saw a blue energy aura surrounding Mad Cat Max and he felt him getting stronger than ever: he was screwed, and he knew it. Then, the energy grew even more intense.

Past Mad Cat Max: Caleb, you're going to pay...for injuring my sister!

Mad Cat Max was getting angrier by the second as every last bit of Caleb's atrocities because of the years of hatred, darkness, and rage finally being unleashed, but it turned him into a monster out for blood, and finally, Mad Cat Max let out a furious scream as his energy exploded, and that freaked out Caleb!

Past Caleb Maxwell: WHAT?!

Caleb was freaking out big time: he knew he shot himself in the foot as Mad Cat Max stood against him, now he was out to stop him.

Past Mad Cat Max: You guys, get J.J. inside, she needs medical attention.

Shroud opened the door as Carla Claw and Sally Gamble picked Patch up, and the others were about to head inside, but then...!

Past Caleb Maxwell: NO, YOU DON'T! DIE, BIG CLAW GANG! GO TO HELL! (CACKLING MADLY)

CALEB MAXWELL FIRED A BARRAGE OF BLACK AND RED ENERGY BLASTS FROM HIS GUNS AT THE OTHERS, BUT THE BLASTS WERE DEFLECTED IN RAPID SUCCESSION, AND MAD CAT MAX APPEARED RIGHT IN FRONT OF HIM, AND THAT FRIGHTENED CALEB!

Then, Mad Cat Max grabbed his right wrist with his right hand and applied pressure to it as Caleb screamed in pain.

Past Mad Cat Max: You have been nothing but an absolute nightmare ever since you returned to New York in 1996, and I'm getting sick of it.

Caleb was struggling like crazy, but Mad Cat Max's grip was like a steel bear trap.

Past Mad Cat Max: You've spilled oceans of blood and left the dead bodies of criminals all over New York, and you don't even care anymore! You've thrown away your conceptions of law and order and all for revenge?! You really don't even know when to let go of all your hatred you had towards Drake, that was over a decade ago! You could've chosen to let that hatred go or let it poison you, and you chose to let it poison you and turn you into a demon.

Caleb angrily tried to blast Mad Cat Max in the face with his left gun, but he grabbed his left wrist with his left hand and broke that, and he reeled his head back and...!

Past Mad Cat Max: HAH!

KRABLANG!

Past Caleb Maxwell: (SCREAMS)

MAD CAT MAX GAVE HIM THE MOTHER OF ALL HEADBUTTS AND SENT CALEB FLYING BACK AS HE HAD A BLEEDING FOREHEAD WHICH HEALED ALONG WITH HIS WRISTS!

Nico: OH, BRUTAL!

Mad Cat Max: Yeah, I was really pissed at Caleb that day. But, here's where the real action began.

Past Caleb Maxwell: WHY YOU STREET URCHIN!

Caleb Maxwell went after Mad Cat Max, and they got into the most brutal fight ever as they threw punches and kicks at one another, and Caleb even played dirty and tried to slash at him with his claws only to tear Mad Cat Max's shirt to shreds! Mad Cat Max stood still and calm and he even fired some energy blasts at Caleb which hurt him real bad!

Past Mad Cat Max: Don't even bother trying to apologize, I will never forgive you for what you've done, you unrepentant snake!

Then, he charged in and...!

POW!

HE LANDED A NASTY RIGHT HOOK INTO CALEB'S FACE AND KNOCKED HIM DOWN AS HE LET OUT A PAINFUL SCREAM! THAT FINISHED HIM OFF AS HE LANDED ON THE GROUND!

But, then, Caleb Maxwell got back up, and he was beyond furious and enraged!

Past Caleb Maxwell: You...! You think you've won?! You think this is the end and that I'll just lay down and die?! I will never die!

Suddenly, Caleb Maxwell felt a pain in his chest, and then, he belched out massive amounts of blood and he kept on coughing like crazy as more blood kept spilling out, but it was dark red: the color of the Demon Blood he had in his system!

Past Caleb Maxwell: You...!

Caleb Maxwell walked slowly up to Mad Cat Max who still got into fighting position.

Past Mad Cat Max: Want some more even after belching out massive amounts of blood? You're one stubborn cockroach.

Suddenly, Caleb Maxwell coughed up more dark red Demon Blood: his body was purging more of the demon blood in his veins. Finally, Caleb stopped coughing, and as they saw Caleb lift his head, he opened his eyes, but they weren't the black sclera with red irises, they were back to the white sclera with crimson red irises, and he was about to faint, but before he did, he uttered the words.

Past Caleb Maxwell: (Tired) I'm sorry..., for what I've done...

Finally, he fainted, but not before Mad Cat Max caught him.

Past Mad Cat Max: I'll get him back home, though I know Allie's gonna want to an explanation with the blood he'd been coughing up.

Mad Cat Max took him back home to the family apartment, but he was troubled.

Past Mad Cat Max: (Thinking) Just how badly damaged is Caleb's heart and mind? How much pain and trauma did he have inside him throughout the years? That kind of pain and trauma never left him and the only thing he desired was revenge, and even after coming back from the dead, that very thought never left him. Drake's bound to have survived from what Caleb did in tossing him off, he'll live another day, he's like a cockroach. But, Caleb, he's never going to stop.

The video ends.

Me: Oh man...!

Lincoln: That was a brutal fight!

Carla Claw: Max really went berserk on Caleb and gave him a taste of his own medicine, but that led to Caleb coughing and belching out dark red blood! That could've killed him.

James Blunt: No, that was his body purging the Demon Blood that still lingered in him. He drank two bottles of demon blood back in 1985, and it made him extremely murderous and bloodthirsty, and in addition to the vampires' powers and abilities along with having potent blood that cleanses vampires of demon blood, he and his family also have the power to purge the demon blood from their veins should they accidentally consume it, and the gift of immortality is only done through the blood exchange with a vampire.

Yue: Yes, I remembered you mentioning Caleb and his family on his mother's side have the powers and abilities of the vampires, but not the thirst for blood.

Eli: And having potent blood that cleanses vampires of demon blood and also cleansing themselves of demon blood, but for Caleb, it took longer than ever.

Li Syaoron: Drinking two bottles of demon blood, that might've caused it, and when the energy wave caused by Lincoln's Dark Side Eternal Purification hit your world, it amplified those powers he and his family on his mom's side have.

Mad Cat Max: And gave us powers as well including...!

Cage Blunt: Including us too. It was like you were planning on meeting us sometime in the near future.

We got a shower, and then, Lincoln and Tomoko Tohomiko are heading to Gelato Beach.

Lincoln snapped his fingers, and the 12'11", handsome and extremely muscular wolf man had on his large orange and white speedo with a Thunderbird and a lightning bolt surrounded by elemental forces and stars on it with rainbow flames coming off the speedo, orange sandals, his jewelry and accessories, and he had his weapons holstered in case of trouble.

And Tomoko Tohomiko was dressed in a two-piece bikini The Musiqidandi Sisters and Zoey Tsukino made for her, colored sandals, and she had her weapons holstered in case of trouble.

Plus, we found out Tomoko Tohomiko had feelings for Lincoln, and he also had feelings for her and he also saved her from an ambush by a group of musclebound criminals, and Lincoln sucked out their muscle mass, virility, testosterone, strength, blood, and lifeforce and he killed them all.

Tomoko Tohomiko: Wow, so this is Sirena Beach, it sure is

beautiful.

Lincoln: It sure is, Tomoko, and it's perfect for our first date. Shall we?

Lincoln and Tomoko Tohomiko dived into the waters and began swimming, and they also saw the marine life that live there, then they went back to the beach, and Tomoko Tohomiko also gave Lincoln a deep tissue massage which not only relaxed his muscles and entire body, but she also released some tension he'd been carrying.

Then, he did the same thing giving Tomoko Tohomiko a deep tissue massage, and when he was done with that, they were relaxed. Then, they had an awesome game of volleyball, and they went to a workout area Lincoln created, and Tomoko Tohomiko got an extremely massive and deep atomic red blush on her face when she saw Lincoln lift 107 massive 999 Septillion ton-lb barbells Lincoln summoned in his large and strong hands and 105 massive and long brown wolf tails, and she was really swooning over him especially when he started showing off by flexing his muscles.

Tomoko Tohomiko: (Swooning) Kimiko and Kyoko were right, what a handsome and manly wolf hunk.

Then, they had some lunch, and then, as the sun was about to set, Lincoln went up to Tomoko Tohomiko and he hugged her in his abnormally massive and powerful muscular arms, and Tomoko Tohomiko placed her hands on Lincoln's massive hairy pecs, but he wasn't done. Then, he had her lying down on a beach towel with him and his clones on top of her.

And then, they shared a passionate and romantic kiss and Lincoln slowly sank his fangs into her right trapezius and he began feeding on her blood, and his rainbow, white, golden yellow, and blue energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his massive white angel wings and ninety-nine sets of large white angel wings underneath his massive white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, rainbow markings on his large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on his 105 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

He slowly unlatched his fangs from her right trapezius as they healed and the puncture marks sealed up, and he also kissed where he bit her. They came back home to The World Tree Estate, and Nico and I saw Lincoln was covered in kisses on his face, body, and twelve-pack abs.

Me: (Whistles) Wow, it looks like you really had a good time at Gelato Beach, eh, Lincoln?

Lincoln: (In Heaven) It...was...so... AWESOME!

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on the neck of Tomoko Tohomiko with red gems on the gold lightning bolt links and red crystal links and jade beads from her merged Crystal Necklace of The Buddha and Jade Necklace of Shangdi along with a white and gold-accented Elemental Thunderbird Chokers of Eternal Love on their necks.

Lily the Mermaid: Wow, now Tomoko Tohomiko is in your harem, Linky.

Tomoko Tohomiko showed the marks Lincoln made on the right side of her trapezius.

Kyoko Tohomiko: I knew it was the right idea introducing Tomoko to Lincoln.

Kimiko: It worked perfectly.

Jenna: You had no trouble at all.

Tomoko Tohomiko: Not at all, and I not only gave Lincoln a deep tissue massage, but he also gave me the same deep tissue massage, and he had me swooning when he lifted 107 massive 999 septillion ton-lb barbells he summoned in his large and strong hands and 105 massive and long wolf brown tails, and we were really swooning over him especially when he started showing off by flexing his muscles.

Serena Logan: He really got that confident and bold. I think we made Lincoln into a really strong and powerful manly man.

Rarity: Well, you all helped in that matter.

Lincoln: She's right on that one, Serena.

Maria: Too bad Flip's kicked the bucket, now I can't give him the finger anymore.

Nico: You know we made a clone of that mutant.

Lincoln: He's right, along with clones of Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III to join Bubble Bass, Lewis Travolta, NO MA'AM, Mindy, Mandy, The Platypus Brothers, and Schnozmo who are still imprisoned at Lynn's Table.

Eli: That's right.

Maria: Oh right, I forgot. Well, let 'em have it.

We then saw Lincoln form a viewing window, and then, Lincoln snapped his fingers.

SNAPS FINGERS!

We saw a massive funnel appeared in mouths of the clones of Flip, Flop, Slip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and in the mouths of Bubble Bass, Lewis Travolta, NO MA'AM, Mandy, Mindy, Schnozmo, Walter Peck, and The Platypus Brothers, and then, massive cartons of the extremely powerful laxatives that Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta appeared over the funnel.

Eli: (GASPS) ARE THOSE...?!

Nico: The extremely powerful laxatives Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta?!

Luna: DO IT, BRO!

Then, the extremely powerful laxatives were dumped into their mouths and the funnel was removed. Then, their stomachs gurgled and rumbled, and then...!

MASSIVELY LOUD AND EXTREMELY WET FART!

The clones of Flip, Flop, Slip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and in the mouths of Bubble Bass, Lewis Travolta, NO MA'AM, Mandy, Mindy, Schnozmo, Walter Peck, and The Platypus Brothers farted and massive tons of gold, jewels, gems, and other currencies exploded out of their asses like crazy!

The clones of Flip, Flop, Slip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and in the mouths of Bubble Bass, Lewis Travolta, NO MA'AM, Mandy, Mindy, Schnozmo, Walter Peck, and The Platypus Brothers stopped farting like crazy and we were laughing hysterically.

Lincoln: That's still as hilarious as ever! (LAUGHS)

Nico: Man, those laxatives are really powerful, I still remember when you tried that prank on me years ago, Connor, but that failed.

Eli: Because of you using Walker's powers.

Connor Chan: Okay, that was still as hilarious as ever!

Nico: When the next humiliation session starts, we've got much worse for them. (SMIRKING LIKE A DEMON)

Me: Oh man, are they in trouble.

We were busy watching TV, and many of us were doing work-outs to continue staying in tip-top shape, especially Lincoln doing 900,000,000,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 999 septillion-ton barbells to get his massive white angel wings and 104 large white angel wings underneath his massive white angel wings, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get his 105 massive and long brown wolf tails even more stronger than ever and he was sweating like crazy.

Lincoln: We don't have long before our big showdown with Otes starts, soI still like to keep myself busy.

Me: That's true, and we're also doing work-outs just like you, Lincoln.

Nico: Yep.

Then, we saw Lincoln deadlift a massive 999-septillion ton barbell with ease, and we were stunned.

Eli: Whoa!

And of course, the constant workouts that Lincoln has been doing had also caused his harem to get massive atomic red blushes on their faces, hearts in their eyes, and their noses were really bleeding upon seeing their hotter, sexier, manlier hunk of a future husband.

Lily the Mermaid: (Turned On) My God, Linky truly is one hunky muscle god.

Girl Jordan: (Turned On) Big time.

We finished our workouts, and Lincoln sprayed us with water and soap and we were all clean. Then, his harem kissed him on his face

and steam whistled out of his ears and his face turned atomic red.

Lance Loud: Honestly, Lynnie, I'm still that surprised that Lincoln's attracted a ton of girls.

Lynn Sr.: Even Rita and I were stunned, and after hearing all of the trouble he's been through because of Chase Young's Dark Side turning Principal Huggins, Chandler, Lori, Lynn, Lola, Lisa, and Luan into those monsters from years ago, they wanted to protect him and make them pay.

Rita: But, in the end, those Dark Sides finally got The Black Abyss and they'd since healed and repaired things with Lincoln.

Me: Yep

WHACK WHACK WHACK WHACK WHACK WHACK WHACK WHACK!

Poliwag and Poromon are playing against I Am Weasel in Ping Pong.

He was reading a book while using his feet to hit the balls.

Poliwag was using his tail to hit the ball.

Penelope Stinky Florrington: You guys are doing good!

Me: They sure are!

Horsea: OH YEAH!

Manaphy: This is fun!

Then...

WHACK!

WHAM!

A ball hit me square in my head!

CRASH!

I hit the floor!

Me: OW!

Tellora: Are you alright?

Me: Yeah.

I pulled the ball out of my forehead.

Dan: Who hit that?

Poliwag: Me sorry.

Me: No worries.

Jonny: Reminds me of the time when Bob the Traffic Cone hit me.

Eddy: (LAUGHS) That was funny!

Qin: Yeah.

They resumed playing.

WHACK WHACK WHACK WHACK WHACK WHACK WHACK WHACK WHACK!

They were really hitting the ball back and forth.

Me: YEAH!

They were both evenly matched.

Seawing: Why aren't Horsea and Manaphy joining in?

Nico: They want to cheer Poromon and Poliwag on.

Seawing: Oh that makes sense.

Camie: I think that's cool.

Ymir: Yeah!

Dina: I agree there.

Rollbar: I wonder who will win

Nico: Both are even.

They tied.

Nico: They both are tied! So they are both winners.

Qin: YAY!

Poromon: YEAH! That was fun!

Nico: Lets head to the park to rest.

We did so.

In the park we were resting and having fun.

Me: Ahh so fun.

Xenia: Yeah!

But then a roar was heard.

Me: What the?

We saw a MEGA TYRANTRUM!

Me: Mega Tyrantrum!

Nico: WHOA! How did that get here?

Me: Yeah! Must be Dark Gale's work.

Zayto: Let me see.

He used Telepathy and gasped!

Zayto: It's my Sister, Velta!

Me: WHOA! She's one of the Rafkonians?

Zayto: She sure is. And she is also the Orange Dino Fury Ranger and the Brown Cosmic Fury Ranger representing Perseus the Hero!

WE GASPED!

Me: Oh man!

Xenia: WOW!

Nico: YEAH!

Me: Lets go help her!

We went over to her.

Zayto: Velta it's me Zayto!

She tried eating Horsea but she tossed her clone inside its' mouth

CHOMP!

But she spit her out!

Horsea: HA!

Nico: YUCK!

Me: Okay then.

Me and Zayto fired waves of energy and blasted her.

Then I snapped my fingers and she reverted back. She had orange hair and orange eyes and had orange angel wings and had the Dino Fury and Cosmic Fury Symbol on her arm with a planet Saturn behind them on her arm as a cutie mark and had Mega Tyrantrum on her forehead.

We wrapped her in a blanket and brought her over to a bench.

Me: There.

She woke up to see Horsea's smiling face...in Bonnie's Tyrantrum pajamas?

Velta: (Groans) Huh? A Horsea?

Horsea: You attacked my clone!

Bonnie: Why are you wearing my pajamas?

Horsea: I think they are cute!

Velta: What happened?

Zayto: Hey sis.

Velta: Zayto!

They hugged!

Velta: I thought you were dead and I thought I would never see you again!

Zayto: I'm alive still. Also I am now Morphin Master White.

Me: Yep it's true. Also you were turned into a Mega Tyrantrum by Dark Ge.

Zayto: Dark Gale? I don't think I know them. I was fighting this unusual Treasure Chest Sporix monster.

Eli: Wait that was Mimic Minosaur! That was one of the Japanese Monsters of Dino Fury.

Me: One of the Ryusoulgers monsters.

I showed a picture of it.

Velta: That's it!

Me: Yep. We faced that one before Cornelia's missions.

Velta: Oh wow!

Horsea: I thought it was fitting.

Me: Yep.

Velta: But Zayto I thought you were dead?

Zayto: I would have been if it weren't for the Morphin Masters.

Me: Yep. We found him injured in front of the estate. The Dino Fury Rangers finished up their adventures and we found him hurt and nursed him back to health.

Zayto: It's true.

Velta: Oh wow! Then that must mean you guys killed the Void Queen?

Me: Yep along with 24 of the legendary big baddies of the Power Rangers. But the biggest shock was seeing Lord Zedd back after 24 years!

Velta: I know! He was the worst ever!

Me: I know. And I have over 30 years of payback to dish out on him for all the atrocities he has committed to all the Rangers since 1993. When he was destroyed by Andros back in 1998 I thought that was the end of it. But now he's back after 24 years! I was going to deliver the killing blow but Ben's archnemesis Vilgax took that away from me. Now that Anti-Monitor brought back Lord Zedd, I can finish what I started on Jason's big day.

Jason: It's all true.

Velta: Oh man! You guys are going to have your work cut out for you.

Me: That is an understatement.

Poliwag: What color rangers are you?

Velta: Well I am the Orange Dino Fury Ranger for the Parasaurolophus and the Brown Cosmic Fury Ranger for the constellation of Perseus.

Me: He was a mighty hero in Greek Myth.

Velta: He was. And Ollie you looked REALLY Amazing in that evil armor.

Ollie: (LAUGHS) J.D. said the exact same thing.

Me: What can I say? Ollie looked SUPER Badass in that armor.

WE LAUGHED!

Hunch: You realize that Ollie could've stayed like that for several days, right?

Me: I know but thank goodness he didn't.

Velta: I heard.

Me: Velta when the Dino Fury Rangers helped us out on Zarya's big day they were guests back then. We had to wait 6 more months back in 2022 before helping them out on Cornelia's missions.

Velta: Wow! That is a long wait.

Me: I know.

Rarity: Lets get you some new clothes darling.

The fashion brigade gave her new orange and brown clothes and she had her Dino Fury Sword and Cosmic Fury and Dino Fury Morphers.

Velta: I look awesome.

Zayto: You sure do.

Me: Yep.

We went back home.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye and the eyes on the shoulder blades of his massive white angel wings and 104 sets of large white angel wings under his massive white angel wings, his cutie mark tattoo on his back and Thunderbolt cutie mark with surrounding elements on his massive left pec, and his and his large gold halo in the center and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo that's behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four large orbiting gold rings on each corner glowed, and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, and a one-way viewing window formed, and we saw who the figure was in the vision: it was Otes, he's on the move, and he's causing havoc. When we saw it, we knew it meant trouble!

Lincoln, me, and Nico: So, you're on the move, Otes.

Eli: It's finally time.

Lincoln: You said it.

Lincoln sounded the alarm and everyone came in.

May: We heard the alarm, what's wrong, Lincoln?

Lincoln: Everyone, we've got a huge emergency, I just had a vision and I saw who it was that we're going to confront today: it's Otes, he's on the move, and he's causing havoc.

EVERYONE GASPED!

Gallus: Finally, he's on the move.

Penelope Stinky Florrington: Now, we can stop him.

Allenby: Yep. We're gonna need all the help we can get with him along with the next of Anti-Monitor's minions.

Nico: But, we don't know who it is.

Me: We're coming for you Otes and Naga.

Nico: YEAH!

The previous group came.

Devack: Can me, Mammoth, King Hiss, Toyman, Artie Ziff, See More, Grundy, Abra Kadabra, Gator Ghoul, and Manta Bayarsh go with you guys?

Nico: Yes you can come with.

Me: We're going to need all the help we can get on this one.

Xenia: Yeah.

Stone Man: Nico, which Gene Slammer do you think you'll meet next?

Nico: Numbers 22 and 21 next.

Me: Zombiestein and Frozen Lady Justice next.

Rio Kastle: Cold and cool.

Qin: Yep.

Nico: Yep it sure will be.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye and the eyes on the shoulder blades of his massive white angel wings and 104 sets of large white angel wings under his massive white angel wings, his cutie mark tattoo on his back and Thunderbolt cutie mark with surrounding elements on his massive left pec, and his and his large gold halo in the center and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo that's behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four large orbiting gold rings on each corner glowed, and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, and a one-way viewing window formed, and we saw who the figure was in the vision: to our shock and anger, it was the Brawlers' big enemy, Naga, he's here and he wants revenge on the Brawlers. When we saw it, we knew it was trouble.

Dan Kuso: It's Naga!

Me: The first enemy you guys faced?

Marucho: Yep.

Drago: Naga's already on the move, we need to head for Goha City at once.

Nico: Right.

Lincoln: And Nico, you're not the only one who has a Leonidas Bakugan, I'll show you guys once we get after Otes and Naga.

Me: This we got to see.

Nico: Same here, we're going to need all our Duel Monsters against Otes and Bakugan against Naga. Alright, team, let's get going, Otes is going to regret ever trying to destroy the future of Duel Monsters.

Lincoln: And Naga, you're going to regret coming back from the dead to get revenge, this is where we put an end to you once and for all!

Lincoln put up a powerful rainbow energy field around The World Tree Estate and we headed out to Goha City for our big showdown with Otes to save the future of Duel Monsters, and once we're done with him, we're also going after Naga and we're going to make him pay for all his crimes against Vestroia and Earth.

WE WERE OFF TO GOHA CITY!

We arrived in Goha City.

Me: We're here.

Nico: Wow! Goha City is a mess.

Qin: It sure is.

Ymir: What happened to it?

Qin: Our battle with Anubis left it in ruins.

Eli: Yeah.

Xenia: Man no kidding. What a mess.

Laney: After our Battle with Anubis, we told everyone but Yuga and friends to stay away from Goha City until Otes and Naga are dealt with.

Nico: Good thinking.

King Hiss: Let's call Dodgeball Wizard.

Me: Awesome idea.

We called him.

Dodgeball Wizard: I'm here guys!

Me: Great!

Nico: Now where's Yuga?

Me: LOOK!

We saw Yuga and friends fighting Cogs!

Me: Cogs!

Tommy Oliver: So it's the Zeo Rangers time to shine.

Me: Yep. This will be good!

I used Zamigo Delma's Ridewatch and got his blasters.

Me: Allow me.

I fired blasts.

LASER FIRE!

I blasted the Cogs and shattered them into a MILLION PIECES!

Lincoln: Okay, time to give them what for.

Lincoln fired purple energy blasts which hit some of the Cogs and their souls were sucked out of their bodies and went into Lincoln who absorbed their energy and the Cogs' bodies disintegrated.

Nico: That was from Soul Absorbing Bone Tower.

Lincoln: Yep. Now, for this.

Lincoln got out a Haos Bakugan.

Lincoln: HAOS OMEGA LEONIDAS, TAKE FLIGHT AND BRING DOWN THOSE WHO FIGHT IN EVIL'S NAME!

Lincoln threw his Bakugan, and in a flash of bright light, a white and gold version of Omega Leonidas appeared.

Nico: Whoa! So, that was...!

Darkus Omega Leonidas: Lincoln's surprise, I knew it.

Haos Omega Leonidas: That's correct, brother. Now, let me take care of the rest of them. OMEGA ERASER!

Haos Omega Leonidas fired a beam of energy that took care of the last of the Cogs!

Nico: Nice!

Yuga: Hey guys!

Me: (Blows ice off a muzzle) Thought you guys could use some help.

Romin: We sure do.

Tiger: Yeah no kidding!

Luke: You guys made it!

Me: Like we would miss this.

Varie: Yep.

Yuga: Nice shooting!

Me: Thanks.

Yuga: And Dan, we also saw Naga with Otes, but I also saw two cloaked figures, and they kidnapped a girl with dark brown hair. (Points to Caleb Maxwell) She has the same clothes as your friend, but hers was black and purple.

Caleb Maxwell: That's my little sister, Allie Maxwell! I was wondering why she hadn't returned, she's been kidnapped.

Romin: And we saw who it was that kidnapped your sister before they ran off.

Romin took out two photos, but when we saw them, we were pissed off: they were none other than Crane Hermit and Master Shen.

Tien: So, the two who kidnapped your sister were Crane Hermit.

Master Roshi: And Shen. I figured he wasn't going to quit.

We then explained the histories of Crane Hermit and Master Shen, and when we were done, Caleb Maxwell was beyond fucking furious: his crimson red eyes glowed and he dug his gold-armored dragon claws deep into his palms and drew so much blood, it hit the floor of their base, and it sizzled.

Caleb Maxwell: Those two goddamn parasites kidnapped my sister and are planning on using her to get revenge on all of you?!

ANIMALS! (SCREAMS AT THE TOP OF HIS LUNGS) YOU MAKE ME SICK! BY THE TIME I GET DONE WITH THE BOTH OF YOU, YOU'RE GONNA BE BEGGING FOR THE GIFT OF DEATH! NO, YOU TWO DON'T DESERVE TO DIE, I'M GONNA MAKE YOUR SUFFERING LAST FOR ALL ETERNITY!

OUR JAWS HIT THE FLOOR WHEN HE SAID THAT!

CLANG!

ELI CLOSED OUR JAWS! THEN, WE FREAKED OUT AND DID WILD TAKES GALORE!

Buster Bunny: He's finally lost it big time!

Nico: He's screamed out at the top of his lungs, he wants blood, he wants vengeance!

Tien: I'd prefer to have Crane Hermit put in The Masters of Evil, so Vypra can keep an eye on him.

Master Roshi: But, as for Shen, there can be no forgiveness this time, he's since fallen down into the depths of evil.

Caleb heard it, but then, a bolt of demonic red lightning came crashing down and left a scorch mark on the floor!

Me: UH OH!

King Kai: (Telepathically) Did I hear that right? Master Shen and Crane Hermit kidnapped Allie?!

Lincoln: You did, King Kai.

King Kai: (Telepathically) Okay, that does it! Tomorrow, I'm heading down there to help you guys put an end to their scheme before Caleb can unleash pure Hell on them both.

Overbite: Can we see your base?

Yuga: Sure thing.

We went to Yuga's house and it was still fully intact.

Me: Good thing it's all intact here.

Yuga: Yep.

Romin: The battles you all had here left the entire city in shambles. But Goha Tower is still here.

Me: That is no doubt going to be where we battle Otes and Naga.

Yuga: Do you guys have a Leonidas Bakugan with you?

See More: Good question

Nico: I do and he is awesome.

Qin: Yeah he is!

Me: Yep.

Romin: Yeah. Eli we are really amazed that you are the prince of Egypt.

Eli: I know. Being a prince means I am of Royal Blood to the Throne of Egypt back millennia ago.

Me: My brother is an awesome force too. He pilots a Gundam, is an amazing starship fighter and even a Jedi as well as a deadly fighter.

Eli: Yep.

Romin: Amazing!

Tiger: Wow! That is amazing.

Varie: Yep.

Brawlrus: Some of us don't know who Naga is

Dan Kuso: Oh right. When we started out, Naga was the very first baddy me and Drago and all of the Battle Brawlers faced.

Dan went over his history

Naga is the main antagonist of Bakugan Battle Brawlers, the first season of the Bakugan franchise. He is the creator and leader of the Doom Beings as well and one of Drago's arch-enemies along with Dharak. He is an abusive twin brother of Wavern.

He was voiced by the late Hideyuki Umezu in Japanese and John Stocker in English who also portrayed King Zenoheld.

Naga and his twin sister Wavern were born during the Great Revolution (the conflict between Drago's ancestor Genesis Dragonoid and Dharaks ancestor Dharaknoid), as they became trapped in the empty space between dimensions and were outcasts due were not aligned with any of the six regions of Vestroia, so they were known as the White Ones. Over the years, Naga grew bitter and cold due to being treated like an outcast for so long.

Naga and Wavern meet Drago when he was able to get across from his Pyrus Space. Drago greets them both, but Naga only cared about himself and was angry for being born powerless. He tried to go to the center of Vestroia to get the power of both cores, despite Drago's warning, but failed and accidentally created the shockwave that caused a strange phenomenon on Earth where cards fall from the sky and the Bakugan transporting themselves to the human world. After Dr. Michael went to Vestroia by accident, they met each other for the first time. Michael explained to him about the Dimensional Transporter, unaware about his true motives. At last, Naga expelled Michael back to Earth and used a Dimensional Transporter Card he got from him to successfully enter the center of Vestroia.

After transporting himself to the center, Naga attempted to capture the powers of the Silent Core and Infinity Core, sources of negative and positive energy respectively of Vestroia, by going to them directly and absorbing them to fulfill what he believed to be his destiny. He failed, however, and was unable to control the power of the Silent Core, only being able to absorb the Silent Core after it trapped him inside; after that, catastrophic energy surge was caused due to the huge amount of negative energy was released and the Infinity Core became bonded to his twin sister, Wavern, who was sucked into a portal to the human world. The overload of negative energy expelled what little good Naga had left in him, turning him unfathomably evil.

This disaster caused the negative energy to spill all over Vestroia and the Earth, including the Bakugan on Earth, and he created Hal-G and Masquerade from the unsuspecting Dr. Michael and Alice, who were exposed to excessive negative energy when Naga absorbed the Silent Core. Naga used them both to hunt for the Infinity Core from Wavern and also supplied them powerful abilities like Doom Cards to send fallen Bakugan to the Doom Dimension.

Near the end Naga fought with Wavern until Drago destroyed her, on her request to prevent Naga from getting the Infinity Core. Ultimate Dragonoid then took the Infinity Core, causing him to evolve into Infinity Dragonoid. In the final battle against Drago, he attempted to absorb the energy Drago was attacking him with. However, when Dan used a powerful fusion ability to combine the energy with all his allies, it became too great for Naga. He attempted to resist it at the urging of Hal-G, but quickly overloaded with power and disintegrated. The Silent Core was then collected by Drago. Naga's death also permanently erased the Hal-G personality, turning Dr. Michael good again.

When it was done everyone was shocked!

Nico: WHOA!

Dan Kuso: Yeah he was terrible!

Me: Not only that but he is also the final baddy that we have to destroy from Dan's adventures.

Nico: It's true.

Abra Kadabra: Does that count as irony?

Me: What do you mean?

Dan: Yeah.

Ransik: The point is, Naga will still be a strong opponent

Dan: Yeah Naga was strong.

Me: Well Barodius was even stronger and much more of a dangerous threat and he was going to wipe out all of our worlds.

Nico: He does have a point.

Dan: Yeah. Barodius was a monster to the Nth Degree.

Runo: Yeah he sure was.

Lola: Especially after how many times he tried to kill Dan and friends before.

Nico: Yeah.

Romin: Oh man! I'm glad you guys killed him.

Me: Yeah that was intense.

Ronin: Yeah.

Me: We just killed Zenoheld a few weeks ago.

Ronin: Oh wow! Dan told us about him. He was awful.

Me: I know. Oh right sorry. We owe you guys big time for helping us last week.

Manta Bayarsh: You helped against Bohman

Romin: That was awesome.

Girl Jordan: It sure was fun.

Me: Yep.

(DANCE OF THE SUGAR PLUM FAIRY PLAYS)

Poromon came out in a fairy costume with 2 bottle Ms of beer.

Poromon: (to the Sevens team) Hello there! I'm the beer fairy! Come to give you guys 2 bottles of beer!

Shockwave: You get some under your pillows if you're good

Romin: Aw Poromon looks so cute as a fairy.

Poromon: Thanks.

Yuga: But Poromon we're a little too young to drink beer.

Me: I do have an alternative.

I pulled out my cooler and gave them bottles of root beer.

Romin: Thanks.

Yuga: I love Root Beer.

Luke: Yummy.

Tiger: Thank you.

Poliwag: (Does Puppy Eyes) Pwetty Pwease?

Nico: Poliwag that's enough.

Romin: We heard that something huge happened to the Earth.

Me: Yep. It's now the largest planet of all.

I showed a hologram of it.

Me: After the Secrets of the Universe granted me a massive power boost, Earth went from 7,000 miles in diameter to over 130,000 miles in diameter and became Earth Omega.

Misty Brightdawn: It's true and it was really intense.

Nico: Yep. We all were absolutely floored that Earth got so massive like that.

Nicole: It's true.

Camie: Yeah.

Tiger: Wow! That is amazing. Do you guys still live in that tree?

Me: We sure do. And Gotham Royal York is still amazing too.

Nico: And Abomination free.

Luke: What do you mean?

Me: And cue mascot craziness in 3...2...1...

THEY SCREAMED IN FRIGHT!

Manta Bayarsh: We're sorry about this!

Me: Oh for fucks sake!

UCH! ROUNDY SPINNY THING MAGISWORD!

I calmed them down!

Yuga: That was awful!

Me: What you saw was the trailer for the infamous 2023 movie Winnie The Pooh Blood and Honey and it's a dark version of Winnie The Pooh about where Christopher Robin goes off to college and Pooh and friends become bloodthirsty ruthless killing machines.

Yuga: I think we saw that before.

Agitos: During Gallus' missions

Me: Yes you did. The Mascots destroyed the real things on Chikyu.

Hymeno: It's true. They did a really amazing thing too.

Poromon: Yep.

Yuga: Why didn't...

Me: No Yuga we are not going to send the people responsible for the movie to the Black Gates. They are innocent people and they made a movie. So we went with the next best thing.

Blu: And that was a lawsuit which was my idea.

Romin: Oh wow.

Me: Yep.

Artie Ziff: Naga's no match for Drago's acquired powers

Drago: That is true!

We heard a roar!

We then went outside and saw a FIERY DRAGON WITH A RIDER FLYING HIGH ABOVE THE CITY!

Me: WHOA! Look at that!

The dragon blasted Goha Tower and burned it all over!

Me: WHOA! That is really hot!

Lincoln: Oh man! That's Dan Kuso's Akuma, Sir Dragonferno!

The Hypothetical Akuma of Dan Kuso and he is DEADLY dragon rider and master of intense fire. He was made because of Barodius hurting Runo and he vowed to incinerate that monster into oblivion

WE GASPED!

We saw a sketch and he was a fiery dragon and a dragon knight.

Nico: WHOA! Like Medieval Dragon Riders.

Lola: It's like meeting Eragon and Safira which is really cool!

Snapdragon: That's really hot!

Me: We've encountered Many Akumas that were even hotter! We're going to need our dragons for this one.

Me: Yeah!

We rode our dragons to him.

Yuga: This is so cool!

Me: Riding Dragons is one of our favorite things.

Trixie Lulamoon: It's a fun thing too for the Great and Powerful Trixie!

Artha Penn: You said it!

We rode up to him.

Sir Dragonferno: (British Medieval Accent) Thou are all here.

Me: WOW! You look awesome as a fire knight with a dragon Dan. Also the British Medieval Accent ties the whole thing together.

Sir Dragonferno: Thank thee.

Toyman: Dan? Is that you?

Sir Dragonferno: Tis I Toyman.

Runo: I think you look so brave like this. And Dan you can do all that too.

Dan Kuso: (LAUGHS) Yes I can.

Me: Yep.

Sir Dragonferno: Thou know where Barodius is?

Me: I killed him. We battled him on the planet Vanqor and in the end it erupted into a MASSIVE KAMEHAMEHA Wave struggle that threatened to tear the entire universe apart. Our power was that intense.

Sir Dragonferno: I see. Thou hath come far and you have my thanks in destroying him.

Me: You're welcome.

Nico: You know this makes 2 Knight Akumas in a row. We faced Lexx's Akuma who was a knight and now you.

Sir Dragonferno: Indeed.

Dodgeball Wizard: Does this mean you'll calm down?

Sir Dragonferno: After you defeat me. Have at thee!

Me: HAVE AT THEE!

I flew my dragon and we clashed powerfully with our swords as we flew!

Me: You fight well. Also your dragon is amazing!

Sie Dragonferno: Thank thee. He be an Inferno Firestorm Dragon.

Me: Cool species of dragon.

Me and Marianas flew and Sir Dragonferno had his dragon fire blasts of fire! We dodged them.

Marianas: Wow that is hot!

Me: I know.

Marianas: Let me put him out!

She fired waves of blue fire and blasted him.

Dodgeball Wizard charged a him and fired a massive barrage of dodgeballs and smashed them both all over!

Sir Dragonferno: My turn!

They fired intensely massive blasts of fire and I absorbed them.

We had our dragons fire their blasts and blasted him down and knocked them both out!

Nico: Wonder if that Dragon is really Drago.

Me: It must be. Fitting too.

Duncan: I will.

?: I know you will!

A figure came out and it was PROFESSOR LONGNOSE of Season 3 of Mighty Morphin!

Professor Longnose was Master Vile's field general that serves as the main antagonist of the second part of the episode "Alien Rangers of Aquitar".

Professor Longnose was away conquering a "Dark Galaxy Star" at the time of Mighty Morphin Power Rangers Season 3. He was summoned by his master to lead "the war to end all wars" after Vile realized that the Alien Rangers had arrived on Earth to defend it and an attack from Rito, Goldar, and the Tengas failed.

Longnose led five monsters into battle. They met the Alien Rangers in combat in the quarry and were evenly matched until Longnose made them grow.

The Alien Rangers summoned their Battle Borgs which were more than a match for the monsters, throwing them all down in front of Longnose. Tommy then ordered Delphine to summon the Shogunzords and they swiftly formed the Shogun Megazord. Longnose charged at the Megazord but was slain by the Fire saber as his hat flew away and his army disappeared right after.

Aurico: Professor Longnose!

Professor Longnose: Been a while Aquitar Rangers.

Me: I remember you! You were Master Vile's general and you were going to lead The War To End All Wars.

Amber Morning: We're not letting him do it!

Spotlight: I agree!

Kitty: Same here! Lets do it!

Lewa used the Vistamp of Kitty and the Ghost Wind World Gear and they fired waves of wind and light and smashed them down.

Nuju, Nanomech: Sam Manson, Sydney Kirlian, Shana the Flame Haze, Evangelyne, Edyn, Princess Luna, Moondust, Snowdrop, Children of the Night, Dark Skylanders, Tengu Man and Sword Man VS Titanium Titan, Megalon, Universe 666 Captain Gut and his Crew, Doctor Diablos, Haze Shenron the 2-Star Dragon, Count Grogan, Evil Titanium Ranger and Jaws (Theme including Nanomech) - Naga is going to pay for his crimes too!

Titanium Titan was next.

Titanium Titan: (to Nuju) (Spanish Accent) Naga is going to pay for his crimes too! (sighs) We've been so focused on Barodius that we forgot about him.

Nuju: Well Barodius was a much worse threat than Naga or Zenoheld and he was trying to destroy everything and it was going to be brutal. Barodius was in every way like Frieza.

Nanomech: Yeah he posed a much greater threat to all.

Sam Manson: He's right on that.

Princess Luna: That is for sure and we're glad Barodius is gone.

Dusk Eclipse: Same here! What he did was horrible!

Princess Luna (G5): I agree there!

Moondust: But it was intense how J.D. and everyone destroyed him!

Snowdrop: It sure was! It ended with a massive Kamehameha Wave struggle that threatened to tear the entire universe apart!

Gari: That was intense!

Blackout: No kidding there!

Titanium Titan: Ay Caramba! No kidding! Lets do it!

Nuju used the Vistamp for Titanium Titan and the Metal World Gear and they fired waves of energy and darkness and smashed them down.

Mighty Morphin Rangers, Alien Rangers, Megaforce Rangers, Nico, May, Universe 666 May, Eli, Nunnally, C.C., Aerith, Laney, Lana, Lola, Lisa and Lily VS Professor Longnose

---

Professor Longnose was next.

Professor Longnose: Boy this is gonna be intense.

Nico: You bet it will be!

May: We're excited!

Universe 666 May: I agree there!

Professor Longnose: This is gonna be fun! Lets do it!

Nico teleported and opened his safe and got a bunch of weapons called the Destroyers of Otes and Naga, they're a massive collection of holy greatswords, blasters, spellbooks, and magic rings enchanted by holy magic that'll really put some serious damage on those assholes.

Nico teleported back with them.

Tommy: IT'S MORPHIN TIME!

Delphine: IT'S MORPHIN TIME!

Megaforce Rangers: LEGENDARY RANGER MODE! MIGHTY MORPHIN 3!

They turned into the Mighty Morphin Rangers a 3rd Time!

Nico: LETS GET HIM!

Billy: Lets hit him with the Power Cannon!

They summoned the cannon and charged it up!

Delphine: AQUITAR RANGER BLAST!

Nico: FIRE!

They fired waves of intense energy and elements and blasted him and he exploded!

KRABBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

He was dead!

Nico: YEAH! Professor Longnose you have failed this world!

Troy Burrows: Rangers that's a Super Mega Win!

We regrouped.

Yuga: That was fun!

Qin: AWESOME!

Nico: Yep.

Tengu Man: Now to find Otes and Naga.

Mammoth: Where are they?

Me: Right where we think they are.

We looked at Goha Corps. What's left of it.

Qin: This is gonna be good.

Nico: This should be good. Okay, now let's get after our two targets. Otes, Naga, your time is finally up. (EYES GLOW RED)

Caleb Maxwell: But, not before I do this.

Suddenly, Caleb Maxwell loosened his grip on his guns as they fell but were kept in mid air, and then, he clenched his right hand so tight, his gold-armored dragon claws drew blood from his palm, and he clawed at his right arm with his left hand's gold-armored dragon claws and drew more blood until his right hand and underside of his right arm were bloody.

Me: OH GOOD GOD! THAT'S BLOODY!

Suddenly, crimson red and black darkness began surrounding Caleb Maxwell's bloody right arm and spread to his right hand, and it condensed into a massive crimson red and black darkness energy ball with blood falling from it and angry souls surrounding it, and Caleb's wounds healed. Then...!

Caleb Maxwell: FACE THE ANGER OF EVERY LAST ONE OF YOUR VICTIMS, OTES AND NAGA! BLOOD HATRED OF THE LIVING AND THE DEAD!

Caleb Maxwell threw the massive crimson red and black darkness energy ball with blood falling from it and angry souls surrounding it, and it headed for Otes and Naga's location, and it exploded as it hit them, and they were covered in blood, but then, they began to see the visions of the angry dead coming at them along with the angered living souls, and they began attacking them with unendurable blood hatred! We saw it through a one-way viewing window Lincoln formed.

Nico: Oh my God! Not again!

Cage Blunt: He used Blood Hatred of The Living and The Dead again, but I can guess Caleb's amplified it big time after finding out what happened to Allie.

WE FREAKED OUT!

Eli: Geez!

Lincoln: Okay, I think you just gave us nightmares for a week with that attack. Alright, now we better get after Otes and Naga, I'm sure they're still suffering from Caleb's attack.

We were off. We arrived later on.

Me: Man this place REALLY went to Hell. I didn't think my virus would cause this much damage.

Ymir: No kidding.

We got to the door and saw Nail Saionji!

Me: Nail Saionji.

Nail Saionji: Nice to see you again J.D. and you too Yulia.

Yulia Yggdrasil: You too Nail.

Me: I didn't expect you to be the kind of guy that's a glutton for punishment.

Yuga: Yeah.

Nail Saionji: Please enlighten me first. How did they manage to gene-slam you like that?

Yulia Yggdrasil: I don't really know myself. It's an EXTREMELY complex and complicated process. But it's excruciatingly painful.

Qin: Yeah it sure is.

Nail Saionji: I see. As much as I enjoy having our little chats, I'm afraid I got a job to do. It's nothing personal, Yuga. Just doing my job.

?: Tenkai Knights!

Me: Guren and friends!

They came.

Guren: We'll handle him.

Lori: Me, Jessie, and Joan will literally help too!

Me: Go get them!

We went in.

Potty Mouth, Stinkor and Dr. Felonius came.

Dodgeball Wizard (to Potty Mouth, Stinkor, and Dr. Felonius): Thanks for coming, guys.

Potty Mouth: Ah no fucking problem.

Stinkor: Stinkor ready for this! (LOUD FART)

Me: (COUGHING!)

Nico: Don't let your stench give us away.

Stinkor: Sorry.

We got there in time to see Otes and Naga still convulsing in pain from that nightmare attack from Caleb.

Me: Boy he is really tearing them apart.

I signaled for Caleb to stop.

Stinkor, Potty Mouth and Dr. Felonius went up to them.

Otes: I hope the 4 of you played Duel Monsters before coming here. Because it's going to be the last time you'll do so!

Stinkor: Stinkor not going to let that happen!

Potty Mouth: Yeah you fuckers are in a lot of trouble! Especially with our fucking friends!

Otes: Colorful mouth you have there for a toilet. I'm going to wash it out with soap.

Suddenly, the spirits of the Duel Monsters and Bakugan appeared and they attacked Otes and Naga and they really thrashed them all over the place showing them no mercy whatsoever, and then, the spirits converged and they crashed down and then...

KRABBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive fiery explosion erupted blasted out as a Thunderbird

Screech, Dragon Roar, Wolf Howl, and Phoenix Cry was heard and we appeared, and that pissed them all off.

Me: Nice to finally meet you in person Otes!

Otes: Team Loud Phoenix Storm!

Me: That's right!

Otes: Wait... your voice.

He figured it out!

Otes: YOU! YOU ARE THE ONE RESPONSIBLE FOR RUINING ALL MY PLANS! YOU SENT THAT MESSAGE AND RUINED ME!

Me: Guilty as charged and it was the only way to cripple your entire operation!

Yuga: No one messes with Duel Monsters!

Nico: Yeah, we use them a lot!

Me: That's right and they are more than awesome partners but they are family too!

Dark Magician Girl: That's right! I love Syrus too!

Qin: YEAH!

Dan Kuso: Is it evil in here or is it just you?

Drago: It's just him, Dan.

Naga: Ah, why if it isn't Dan Kuso, Drago, and their loyal lackies... It's been a long time since you two were in my presence

Drago: Too long if you ask me.

Me: So you are Naga. We've heard so many things about you and how Dan and Drago defeated you before. Too bad we didn't defeat you first because we had much bigger fish to fry!

Naga: I heard because of Barodius. That fool got what he deserved.

Me: For once we agree on that.

Dan: How many times do we have to defeat you, Naga, before you get the hint?

Drago: Things have changed greatly since the last time we fought.

Naga: You and Drago aren't going to stop my plans this time, Kuso. You two and your precious planet are no more!

Dan: Yeah yeah, I'm gonna rue the day, blah blah blah... Can we fight now?

Me: We're going to destroy you both!

Otes: Cogs, attack!

An army of Cogs appeared

Me: I knew it was you guys that sent the Cogs1

I fired waves of energy and blasted the Cogs all over the place.

The Cogs jumped the Sevens Team and held them down.

The Sevens team lay defeated at the Cogs.

Otes: (laughs evilly) Looks like you fools are going to be wiped out along with Duel Monsters!

Naga: (laughs evilly) Look on the bright side, Drago. At least you'll be reunited with Wyvern in the afterlife!

Manaphy: (headbutts a Cog) Oh no! What do we do?!

Gallus, Penelope, and Allenby got an idea.

Gallus: (to everyone watching) Everyone out there! Lend the Vrains team your strength!

Allenby: They get stronger with your support!

Penelope: When I go "1, 2", shout "Let's rush into action!"! Okay? 1, 2...

All: LET'S RUSH INTO ACTION!

Allenby: One more time! 1, 2...

All: LET'S RUSH INTO ACTION!

Gallus: Louder! 1, 2...

All: LET'S RUSH INTO ACTION!

Jamesdean5842: LET'S RUSH INTO ACTION!

At this, Yuga found the strength to get up.

Yuga: Sorry, Otes. But Duel Monsters isn't finished until I say it is!

Yuga then punched a Cog, knocking it down.

Otes: WHAT!?

Naga: IMPOSSIBLE!

Yuga: Thanks for the help, everyone.

Romin: I didn't know we had so many fans.

Gakuto: Well, so many people love Duel Monsters.

Luka: Including our predecessors.

Asana: They aren't going to stand by and let Duel Monsters get threatened.

Tiger: So, let's end this fight!

Me: And it's going to be painful!

Gallus: Can me, Penelope, and Allenby transform with you guys?

Tommy: Sure, Gallus,

Zeo Rangers: It's Morphin Time!

Geats Riders: HENSHIN!

Tony Jones: With This Animite, I MAGIM FUROK!

Edyn: With This Animite, I MAGIM UGGER!

Strag: With this Animite, I MAGIM FREEP!

They summoned their MAGI!

Kat: "Zeo Ranger I - Pink!"

Adam: "Zeo Ranger IV - Green!"

Tommy: "Zeo Ranger V - Red!"

Tsukasa: Not on our watch

Kamen Ride: Zeo Red!

Kamen Ride: Zeo Blue!

Kamen Ride: Zeo Green!

Kamen Ride: Zeo Yellow!

Kamen Ride: Zeo Pink!

Tsukasa turned into Zeo Red and Daiki summoned clones of the Zeo Rangers.

Megaforce Rangers: LEGENDARY RANGER MODE! ZEO!

The Megaforce Rangers turned into Zeo Riders too!

Otes: You...! You miserable...! (SCREAMS)

Naga: You're not getting away with this, Brawlers, I will have my revenge on you! (SCREAMS)

Otes and Naga screamed in absolute pain thanks to Caleb

Maxwell's nightmare attack on them, and the amplification due to Caleb's demonic rage made their pain even worse!

Me: Wow...

Nico: Damn, Caleb's really pissed now.

Caleb Maxwell fired black and red energy blasts that hit Otes and Naga, and it made the curse even more worse.

Now, it's time for you to face the consequences!

Lincoln went wild on Otes as he punched, kicked, and slashed at him like a wild beast, and he left bleeding scars on him and Naga both.

Then, Lincoln held out his left hand and fired five massive balls of fire at Otes and Naga, and they collided and exploded as they hit them, and he also unleashed a whole slew of attacks using the powers of Ifrit, Phoenix, Garuda, Ramuh, Titan, Bahamut, Shiva, Odin, Leviathan, and Ultima from Final Fantasy 16 and the immense powers of all 13,000 Duel Monsters, All MTG Cards, All Pokemon, All Digimon, All My Singing Monsters, All Monster Rancher Monsters, All Ben 10 Aliens, All Bakugan, The Shadow Dragons, Z-Fighters, all of Team Loud Phoenix Storm's enemies, frenemies, friends, and all its members, all mythological creatures, Twilight and Friends, All Huntik Spirits, Clow Cards, the Power Rangers, Kamen Riders, their enemies, Animals, Aliens, and so much more.

Nicole: Jeez, he's tearing them apart!

Finally, Lincoln formed a massive blue fireball in his left hand and he threw it down, and then, it sunk into the ground unleashing a storm of lightning bolts and raging fire, and...!

KRABOOM!

IT EXPLODED IN A MASSIVE FIERY EXPLOSION OF BLUE FIRE AS IT ROSE UP INTO THE AIR AND THE EXPLOSION ALSO HIT OTES AND NAGA AND SEVEREAL PILLARS OF BLUE FIRE ROSE FROM THE GROUND AND HIT THEM AND THEY GOT BURNED!

Lincoln formed a massive and indestructible diamond barrier infuse with energy that protected all of us from a sudden barrage of energy blasts Naga fired at us and the blasts were absorbed into us and we grew even stronger, but that made Naga even angrier as he continued firing energy blasts at us like a maniac. HE HAS FINALLY LOST HIS MIND!

Lincoln: Seriously? You're such a sore loser, Naga.

Me: YOU PIECE OF SHIT!

Dan Kuso: We've had it up to hear with you, Naga, this is where you disappear forever!

We also summoned our Bakugan.

Drago: Now, it's time for you to pay for all of your crimes, and this time, you are never coming back, Naga!

A MASSIVE EXPLOSION OF ELEMENTAL FORCES ERUPTED BEHIND US, AND THE FORCES OF THE ELEMENTS TRANSFORMED INTO MYTHICAL BEASTS THAT LET OUT A MASSIVE ROAR, AND THAT PISSED OFF NAGA TO NO END! NOW, THE BATTLE TO DESTROY NAGA WAS ON!

Lincoln, Gallus, Penelope Stinky Florington, Allenby, Nico, and I and the rest of us went after Naga and we fired extremely powerful blasts of rainbow, white, golden yellow, and blue energy, aura energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mammoths, Pegasi, Windigos, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, Mermaids, Basilisks, Cockatrices, Cerberus, Perytons, Griffins, Sphinxes, Hippogriffs, Manticores, Shadow Wisps, Sylphs, Golems, Animals, and Mythological Animals at Naga, and they exploded with incredible power as they hit him.

Then, we attacked him with powerful slashes from our massive greatswords leaving bleeding scars on them and Lincoln left many more by firing rainbow energy slashes with his gold-plated claws and his two massive greatswords and he even fired red and blue wolf fire at him as well and I also left many more by firing rainbow energy slashes with my gold-plated claws and fired blue wolf fire as well same with Nico, and Gallus, Penelope Stinky Florington, and Allenby did the same by firing colored, white, golden yellow, and blue energy slashes from their gold-armored dragon claws and their massive greatswords, and Lincoln, Gallus, Penelope Stinky Florington, Allenby, Nico, and I and the rest of us attacked him hard with punches, kicks, and karate chops and they're super mega-painful because of our massive godly superhuman strength, and this was making Naga even more angrier than ever.

Suddenly, Lincoln's massive white angel wings and 104 sets of large white angel wings under his massive white angel wings spread out and three halos of rainbow energy formed with intricate designs inside it and a halo of gold energy with intricate designs formed above his head with intricate designs, and it formed into a purifying field and it hit Naga and we all found ourselves not only in Heaven, but also, in space.

Then, Lincoln charged and smashed his rainbow energy infused left fist into the stomach of Naga and a cluster of rainbow, white, golden yellow, and blue heavenly flames exploded out behind him. Then, Lincoln formed a very massive glowing rainbow energy blade surrounding the 12'9" massive, wide, double-edged gold blade of his massive greatsword.

He fired a massive stream of dodgeballs and blasted Naga all over the place!

Finally, all of us fired massive rainbow energy beams that overwhelmed and hit Naga with full force, and he was sent out into space and...!

MASSIVE EXPLOSION!

THE ENERGY BEAMS EXPLODED AND NAGA WAS KILLED IN THE EXPLOSION AND HE WAS SENT TO THE BLACK ABYSS FOREVER! GOOD RIDDANCE FOREVER, TRAITOR OF ALL BAKUGAN AND VESTROIA!

We cheered wildly as we holstered our weapons and powered down!

Dan Kuso: It's finally over, now all our main enemies are gone forever.

Nico: That's for sure.

Me: Now, we've got to get ready for tomorrow: rescuing Allie Maxwell and handing Crane Hermit and Monster Rabbit to Caleb. (To Caleb Maxwell) And Caleb, I hope you make them suffer forever.

Caleb Maxwell: I will, that's a solemn vow. So, who are we meeting tomorrow?

Suddenly, we saw the symbol of The Gem-Knight Order of Crystal Justice with Gem-Knight Amber.

Lincoln: The symbol of The Gem-Knight Order of Crystal Justice with Gem-Knight Amber.

Catherine Diamantis: There's only one person who matches this: Amber Alexandria, Avatar and Gene-Slammer of Gem-Knight Amber, and you guys are gonna love meeting her, Amber Alexandria, Avatar and Gene-Slammer of Gem-Knight Amber, is Lincoln's Guardian Angel from Michigan, she's a powerful and extremely deadly angel who was born with the powers of Cosmic Geokinesis, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the powers of Amber gems and crystals. She's known as The Amber Master of The Gem-Knight Order of Crystal Justice, a group of girls who are the Avatars and Gene-Slammers of The Gem-Knight Duel Monsters and who were born with the powers of Cosmic Geokinesis omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the powers of all gems and crystals, and their goal is to not only protect and defend Lincoln from his enemies, but also, to bring an end to the order's archenemies: The Steelswarm Subjugation Coalition, a group of evil girls who Gene-Slammed themselves into The Steelswarm Duel Monsters and wanted to destroy mankind and rule the world, but before they were Gene-Slammed, they were narcissistic abusive controlling bitches who got a sick kick out of destroying families and ruining their lives for their own sick and twisted amusement and to satisfy their need for control, but when they tried to destroy Lincoln's family, they wound up getting their lives ruined and Catherine and her friends banished those bitches into the deep abyss where The Steelswarm Duel Monsters were banished to in ancient times, and they swore to get their revenge on them for this. Amber Alexandria came to Royal Woods where she met Lincoln, and she taught him how to master the powers of Cosmic Geokinesis, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the powers of Amber gems and crystals, and over time, Lincoln gained Cosmic Geokinesis, omnipotent power, Omnipotence, Omniscience, Cosmic Awareness, and the powers of Amber gems and crystals, and he was already born with immortality and invincibility, and she also helped him seriously bulk up in muscle and she also knew Lincoln is an Alpha Vampire-Werewolf hybrid and an extremely powerful and attractive one, and more than once, she'd kissed him on the lips and made out many times and he came back home all covered in kisses and his tails were wagging like crazy, and it made her love for him grow even stronger, and she helped him really bulk up even more in muscle and she also helped him grow in intelligence, power, and knowledge. Lincoln made her a beautiful rainbow diamond ring, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem, and she's used her powers to keep Lincoln's enemies in line, but there is one person whom she despises and desires nothing more than to kill: that person is none other than Selena Ashcroft, Gene-Slammer of Steelswarm Cell and member of The Steelswarm Subjugation Coalition, she was a heartless, sadistic, loathesome, evil, narcissistic, abusive, controlling bitch who got a sick kick out of destroying innocent families and ruining their lives for her sick twisted amusement and to satisfy her need for control, and she was also the one who murdered Amber's parents and her little sister, Aurora, in cold blood, and she swore to kill Selena Ashcroft and make sure she's sent to The Black Abyss forever!

Me: Oh man...!

Lincoln: Amber lost both her parents and her little sister, Aurora, and Selena Ashcroft killed them in cold blood because they got in her way, she hated life itself and got a sick kick out of destroying innocent families and ruining their lives for her sick twisted amusement and to satisfy her need for control and destruction.

Qin: Another damn, heartless, sadistic, loathesome, evil, narcissistic, abusive bitch!

Nico: She don't deserve to live, if that bitch shows up along with the other bitches, they're dead!

Guren punched Nail Saionji and Lori then grabbed him and turned him into a HUMAN PRETZEL! OUCH!

Lori: That literally takes care of that!

We came back.

Bizarro: Otes and Naga are in happy place right now.

Zexion: They sure are.

Zs'Skayr: (to the Tenkai Knights) You guys helped too.

Guren: We sure did.

Me: We owe you guys big time Guren.

Yuga: See you in 7 days.

Guren: We'll be waiting.

Yuga and Guren shook hands.

Kitty: Time to rebuild the city.

Titanium Titan: And then we find something to eat here

Me: Good idea.

Nico: Great job today everyone! And wow that was intense!

Me: It sure was!

Allenby: (To the viewers) This was one awesome mission for us!

Jared: It sure was!

We rebuilt the city and everyone went back home and then we went to a great noodle restaurant.

We returned home and we helped Yuga and his friends settle in, and hours later, night fell on the city, and Lincoln's harem and Guardian Angels were heading to the hot springs in Lincoln's room.

Lily the Mermaid: We did it. We got rid of Otes and Naga.

Anna Anyanova: That's for sure, we saved the future of all Duel Monsters and got rid of the worst traitor to all Bakugan and all of Vestroia.

Daria Kuso: That's for sure, and now, all of the main enemies of Dan and his friends are gone forever.

Then, just as they were about to enter the room, they caught the scent of roses and a strong cologne in the air, and as they opened the door, there in the hot waters was Lincoln who was in an orange speedo, and his towel was on the rack, and when his harem saw him, they had an atomic red blush on their cheeks and their noses gushed out blood.

Lincoln: (Seductive Voice) (Flexes his massive arms and his massive biceps bulged even more with more veins forming)(Smirks) Like what you see, ladies?

They could only nod, and they went up to Lincoln as they stripped off their clothes leaving them in their two-piece bikinis and they joined Lincoln and the hot water's minerals really did wonders for them. Then, they went to the massive expanding sauna, and the hot steam really did wonders in opening their pores.

Finally, they got out and the girls were on top of Lincoln as they kissed passionately.

Lily the Mermaid: (Rubs Lincoln's massive pecs) (Seductive Voice) My God, you're still the same intense kisser from long ago, and getting pumped full of Regina Fessterox's Perfect Gene-Slammer serum along with her patented muscle mass growth serums and potions, muscle mass growth supplements, brain growth serums, brain growth supplements, testosterone growth serums and potions and virility growth serums and potions has already gotten you ready for another...passionate night. You ready, you now even more handsome massive hulking hunk of a wolf?

Suddenly, Lincoln's Mark of The Incubi on his left thigh started glowing with intense red light, and Lincoln gained another extreme increase in his already abnormally high sex drive, hyperpuberty, and genes that he inherited from his parents, and the supernaturally potent and powerful aphrodisiac pheromones that enhanced his own infinite-times high levels of libido and other sexual aspects was out in full force and his eyes turn from deep sapphire blue to deep blood red with slit pupils: the effects of The Mark of The Incubi have taken hold of him.

Then, Lincoln wrapped his arms around Lily the Mermaid's waist and laid her on his bed with him on top of her and he kissed her passionately as he still had his arms around her and she had her hand on his speedo about to remove it and leave him in the nude with the rest of his harem joining in.

Lincoln: (Seductive Voice) (Smirks) You bet. Alright then, I hope you're ready, ladies. (Seductive Wolf Growl)

Lincoln used his 105 massive and long brown wolf tails to push the door shut, and then, the barrier activated, but it also turned deep red thanks to the magic of Lincoln's Mark of The Incubi activating.

Meanwhile, outside in Gotham Royal York, Caleb Maxwell was looking out at the city, and he was really enraged.

Caleb Maxwell: Allie, hang in there, we're gonna get you back. (Crimson Red Eyes turned blood red) And Crane Hermit, Monster Rabbit, you two yellow-bellied pinheaded pieces of shit are gonna pay for this! I'm gonna be your worst nightmare, far worse than the horrors of the blackest depths of Hell!

THE SKIES TURNED BLACK AND RED: CALEB MAXWELL WAS OUT FOR BLOOD! CRANE HERMIT SHEN AND MONSTER RABBIT, YOU TWO ASSHOLES ARE FINISHED, YOU OPENED THE GATES OF HELL AND UNLEASHED THE DEVIL HIMSELF, AND WHEN CALEB MAXWELL COMES FOR YOU, THERE SHALL BE NO MERCY FOR YOU TWO!

THE END!

Alright, and now, for tomorrow, the match-up scene is for Sigurbjorn Orresdottir Cooper, The Moon Striking Phantom of Reykjavik of The International Clan of The Coopers, and she and Lincoln are going to destroy Purgatori from Brian Pulido's Chaos! comics who's come back for revenge on us.

For Lincoln's rescue tomorrow, Lincoln and his group and all of TLPS and The MOE are heading to Gotham Royal York's sports stadium where a martial arts tournament is taking place, and we're there to face Allie Maxwell, Caleb Maxwell's little sister who got kidnapped yesterday and turned into a brainwashed minion who's trying to kill The Z-Fighters, and we're going to restrain her and Lincoln's going to administer the cure to get her back to normal. Then, we're going after the two villains responsible for kidnapping her yesterday: they were none other than Crane Hermit and Monster Rabbit from Dragon Ball, and when we expose them to the public, Caleb Maxwell's going to force them to tell the public they did this to get revenge on The Z-Fighters and we're going to knock them both out and throw them in the dungeons, they're going to be forced to serve The MOE, but be warned: on the second scene, Caleb Maxwell is going to unleash pure fucking Hell on Earth on them big time as he uses every method of torture that he has created on them both for kidnapping and turning his younger sister into a tool for their twisted scheme: you heard it right, they're gonna be dealing with a real monster: an immortal teenage dark angel from the 80s who knows how to make his victims pay with their lives as he unleashes the horrors of Hell and his own kind of horror and terror, and he swore to make his life a living nightmare, and he swore he would torture them for all eternity, and what's worse, Caleb's going to have a curse put on them, so they won't die from the tortures he's going to inflict on them!

And we're going to meet Amber Alexandria, Avatar and Gene-Slammer of Gem-Knight Amber, she's Lincoln's Guardian Angel from Michigan, she's a powerful and extremely deadly angel who was born with the powers of Cosmic Geokinesis, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the powers of Amber gems and crystals. She's known as The Amber Master of The Gem-Knight Order of Crystal Justice, a group of girls who are the Avatars and Gene-Slammers of The Gem-Knight Duel Monsters and who were born with the powers of Cosmic Geokinesis omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the powers of all gems and crystals, and their goal is to not only protect and defend Lincoln from his enemies, but also, to bring an end to the order's archenemies: The Steelswarm Subjugation Coalition, a group of evil girls who Gene-Slammed themselves into The Steelswarm Duel Monsters and wanted to destroy mankind and rule the world, but before they were Gene-Slammed, they were narcissistic abusive controlling bitches who got a sick kick out of destroying families and ruining their lives for their own sick and twisted amusement and to satisfy their need for control, but when they tried to destroy Lincoln's family, they wound up getting their lives ruined and Catherine and her friends banished those bitches into the deep abyss where The Steelswarm Duel Monsters were banished to in ancient times, and they swore to get their revenge on them for this. Amber Alexandria came to Royal Woods where she met Lincoln, and she taught him how to master the powers of Cosmic Geokinesis, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the powers of Amber gems and crystals, and over time, Lincoln gained Cosmic Geokinesis, omnipotent power, Omnipotence, Omniscience, Cosmic Awareness, and the powers of Amber gems and crystals, and he was already born with immortality and invincibility, and she also helped him seriously bulk up in muscle and she also knew Lincoln is an Alpha Vampire-Werewolf hybrid and an extremely powerful and attractive one, and more than once, she'd kissed him on the lips and made out many times and he came back home all covered in kisses and his tails were wagging like crazy, and it made her love for him grow even stronger, and she helped him really bulk up even more in muscle and she also helped him grow in intelligence, power, and knowledge. Lincoln made her a beautiful rainbow diamond ring, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem, and she's used her powers to keep Lincoln's enemies in line, but there is one person whom she despises and desires nothing more than to kill: that person is none other than Selena Ashcroft, Gene-Slammer of Steelswarm Cell and member of The Steelswarm Subjugation Coalition, she was a heartless, sadistic, loathesome, evil, narcissistic, abusive, controlling bitch who got a sick kick out of destroying innocent families and ruining their lives for her sick twisted amusement and to satisfy her need for control, and she was also the one who murdered Amber's parents and her little sister, Aurora, in cold blood, and she swore to kill Selena Ashcroft and make sure she's sent to The Black Abyss forever!

Bertram is back for revenge on Levi Loud's day to shine! And we're going to destroy the last remnant of tha testicle chinned douchebag Peter Griffin forever!

See you all next time.

Tower of The Multiverse

Bertram is back for revenge!

Levi has his day next.

In the early morning hours of 12:00 AM, Lincoln was asleep along with his harem and kids, and he had a dream as it took him to a distant galaxy, and there he saw what he couldn't believe: it was a green lush jungle planet in The Forbidden Zone, but billions of years ago, this planet was once inhabited by powerful male warrior angels who were not only natural born fighters, but had powers over nature, animals, the jungles, the forests, and all plant and animal life, and were given even more incredible powers, immortality, virility, and invincibility by the deities they've worshipped, fought against numerous ancient monsters and demons, and impressed many of the females there, and they were among the most advanced civilization in The Forbidden Zone. But, they'd been defeated by The Infernairans eons ago and imprisoned inside a well where their souls remain imprisoned to this day. Lincoln woke up.

Lincoln: Was that?

Lincoln 2: (Through the Rainbow Thunderbird and animals on Lincoln's forehead) Another planet in The Forbidden Zone, that was Naturaira, a green lush jungle planet in The Forbidden Zone that was inhabited by powerful warrior angels called The Naturairans, the males were not only natural born fighters, but had powers over nature, animals, the jungles, the forests, and all plant and animal life, and were given even more incredible powers, immortality, virility, and invincibility by the deities they've worshipped, fought against numerous ancient monsters and demons, and impressed many of the female Naturairans, and they were among the most advanced civilization in The Forbidden Zone. But, they'd been defeated by The Infernairans eons ago and imprisoned inside a well where their souls remain imprisoned to this day.

Lincoln: I already know the drill.

Lincoln got up and got dressed, and he left a note explaining it, and then, he headed off to Planet Naturaira once inhabited by The Naturairans, but were defeated by The Infernians eons ago and were imprisoned in a well where their souls remain imprisoned to this day, and The Sun that's infinite-times hotter than The Sun and the amount of solar radiation and light also exceeds that amount, and the planet was like the many planets we've been to, but had an amazing and advanced massive city with smaller cities connecting the main city.

Lincoln landed on the planet, and it was also real humid.

Lincoln: Wow! So, this is Planet Naturaira. (Wipes his arms) Wow, it's really humid and hot out here.

Lincoln 2: (Through the Rainbow Thunderbird and animals on Lincoln's forehead) Yep. This place used to be full of life, but now, it's silent as the grave.

Suddenly, Lincoln felt incredible power coming from the north, and there he found it: the well of souls of Glaciaira.

Lincoln: There it is.

Then, Lincoln hovered his hand over the intricately carved stone cover with an arctic blue gem surrounded by angels carved on it, and then, the arctic blue gem in the center glowed. Suddenly, the cover came to life and slid off, and then, a massive tornado of green souls came out numbering in the septillions: they were the septillions of souls of the ancient male warrior angels of Planet Naturaira.

Lincoln: Unreal!

Suddenly, the septillions of souls of the ancient male warrior angels of Planet Naturaira then flew at Lincoln, and one by one, they each began entering Lincoln's body and they merged with him as he gained an astronomically massive power boost and he gained their powers over nature, animals, the jungles, the forests, all plant and animal life, and incredible godly powers, immortality, virility, and invincibility, and his abnormally massive and powerful upper and lower body muscles bulged even more and veins formed, and his massive white angel wings and 104 sets of large white angel wings underneath his massive white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on his 105 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Lincoln: (GROWLS) Oh man, this feels incredible. RRGH!

When it was done, Lincoln's rainbow, white, golden yellow, and blue energy aura was raging like a wild fire and he had a rainbow, white, golden yellow, and green aura with leaves surrounding him and the rainbow, white, golden yellow, and blue protective aura as well as he pounded his chest like a gorilla.

Lincoln: Oh man, all of their powers over nature, animals, the jungles, the forests, and all plant and animal life, and all of their incredible godly powers, immortality, virility, and invincibility along with their spirits and lives have merged with my body.

Lincoln 2: (Through the rainbow Thunderbird on Lincoln's forehead) Along with eons of combat experience. Now, there's one last thing to do.

Lincoln flew deeper and deeper into the planet, and then, he found it: the core of Planet Naturaira, the inner and outer cores of the planet consisted primarily of iron and nickel and are extremely white hot with the temperature at 99,999 degrees Fahrenheit, and his rainbow, white, golden yellow, and blue energy aura was flaring up and he was growing stronger thanks to him absorbing the immense heat.

Then, Lincoln flew into the planet's core, and his rainbow, white,

golden yellow, and blue energy aura flare up even more as he began absorbing the core of the planet and Planet Planet Naturaira itself into his body and he was really growing even stronger than ever, and his abnormally massive and powerful upper and lower body muscles bulged even more and veins formed, and his massive white angel wings and 104 sets of large white angel wings underneath his massive white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on his 105 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Lincoln: (GROWLS) Oh man, this feels even more incredible. RRGH!

Then, when Lincoln was done, his rainbow, white, golden yellow, and blue energy aura with mythical animals, beasts, and animals and his rainbow protective aura was like a raging fire, then, a rainbow fire aura flared up around the two auras as well, and then, he disappeared in a flash of light and reappeared in space. Then, he flew into Planet Naturaira's Sun and he sucked it in and absorbed it into his body, and his abnormally massive and powerful upper and lower body muscles bulged even more and veins formed, and his massive white angel wings and 104 sets of large white angel wings underneath his massive white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on his 105 massive and long brown wolf tails

and rainbow sun and moon tattoo on his bare chest glowed.

Lincoln: (GROWLS) Oh man, this feels incredible. RRGH!

When it was done, Lincoln's rainbow, white, golden yellow, and blue energy aura was raging like a wild fire and he had a rainbow, white, golden yellow, and blue fire aura surrounding him and the rainbow, white, golden yellow, and blue protective aura as well as he pounded his chest like a gorilla.

Lincoln: Now, that was so incredible! The septillions of souls of the ancient male warrior angels of Planet Naturaira have merged with me, and I also absorbed their planet's core, Sun, and planet themselves into my body. (Flexes his massive arms and his massive biceps bulged even more with veins forming)(GROWLS) RRGH! (Smirks) My harem's going to be in for one awesome surprise along with the others.

Lincoln disappeared in a flash of light and came back to his room, and as soon as he did, his harem were up and they got his note along with sensing his sudden energy and power surges.

Girl Jordan: We got the note, and you explained everything. Plus, we also felt your sudden energy and power surges. (Smirks)(Rubs Lincoln's massive pecs) And you're even more insanely ripped than ever.

Lincoln: (Seductive Wolf Growl)

Suddenly, Lincoln's room glowed and expanded even more: his gym had expanded with more weight machines, equipment, and dumbbells, more libraries of spellbooks and volumes of histories from civilizations of ages and eons past were included along with the expansions of their merged castle, hot springs, massive extra-extra large never-ending expanding bathroom for him and his expanding harem, and massive extra-extra-extra large never-ending expanding bed for him and his expanding harem.

Anna Anyanova: Okay, that was a surprise. But, you're gonna have to explain it tomorrow.

Lincoln: I will.

Lincoln and his harem went back to sleep. Then, as morning came, Lincoln and his harem and kids got up, brushed their teeth and showered, and got dressed, and we had a massive breakfast ready with steak, eggs, and bacon, and Lincoln was piling on the protein.

Lynn: Whoa! Someone's really piling on the protein!

Me and Nico: He needs it as always.

Lincoln: You got that right.

J.D. 2: And I felt your sudden power and energy surges last night, Lincoln, all of us did.

Lincoln 2: (Through the rainbow Thunderbird and animals on Lincoln's forehead) I knew you'd be the first to react, J.D., let me explain.

Then, Lincoln 2 explained everything, and when he was done, we were shocked.

Nico: Oh man, you found another planet in The Forbidden Zone? Awesome! But, I can't believe that it's another planet The Infernairans terrorized! Damn.

J.D. 2: I remember Naturaira, it was one awesome planet, but it was also hot and humid.

Lincoln 2: (Through the rainbow Thunderbird and animals on Lincoln's forehead) The Infernairans laid waste to The Naturairans, and there truly is no end to the terror they'd wrought throughout the universe

Lincoln: Arpina's former people were absolute monsters.

Kabuto went into Levi's room and it was a lab. He saw him cryogenically frozen in a pod frozen in a block of ice.

Kabuto: Time to wake up Levi!

He pressed a button and the pod opened and a heat ray thawed him out and he fell to the ground dripping wet.

Levi: (Groans)

Levi woke up to see Kabuto staring at him.

Kabuto: Morning Levi. It's time for breakfast.

Levi: (YAWNS) Thanks for waking me up Kabuto. And that was a good sleep.

Kabuto: I'm impressed you sleep in a cryo pod like that.

Levi: Indeed.

Levi went and got dressed and went to the table and we gave him his breakfast.

Me: Morning Levi.

Levi: Good morning J.D.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye and the eyes on the shoulder blades of his massive white angel wings and 104 sets of large white angel wings under his massive white angel wings, his cutie mark tattoo on his back and Thunderbolt cutie mark with surrounding elements on his massive left pec, and his and his large gold halo in the center and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo that's behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four large orbiting gold rings on each corner glowed, and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, and a one-way viewing window formed, and we saw who the figure was in the vision: we saw a sapphire blue-haired mega hot girl sinking in quicksand on the planet Criam.

When I saw the sapphire blue-haired mega hot girl, I had an atomic red blush on my cheeks and muzzle, hearts in my eyes, and my nose gushed out blood!

Me: WHOA! I think I just saw another new addition to my harem.

Sakura Kazehana: I know her, that's Sapphire Wonder, The Sapphire Master of Criam and a master of Sapphire Crystal.

Nico: Uh oh, then that means...!

Lincoln: We got another dirtbag from J.D.'s past to deal with.

Me: I'm ready for that dirtbag.

Nico: Can you sense the dirtbag, Lincoln?

Lincoln: (Sensed it) Got her. (Sensed Universe 666 Maria) Oh crap, we got trouble! Universe 666 Maria is on Criam!

WE GASPED!

Nico: So, another of Universe 666 Nico's minions is on Criam, eh?

Universe 666 May: I should've known we'd be facing the slut!

Universe 666 Lincoln: Now, we can end her and send our message to that snake.

Lincoln: And I know she's gonna murder the scumbag once we get there, so we're going to kill her, but before we do, I'm going to suck out and absorb Universe 666 Maria's powers. Alright, let's finish breakfast and get to Criam to rescue the next girl there and deal with Universe 666 Maria.

Me: Right.

We finished breakfast, and we headed to Criam to help Cookie Crumbles unlock her Rainbow Power and rescue Sapphire Wonder, the sixth of the seven girls that's located there and kill Universe 666 Maria.

We were off to Criam.

The U.S.S. Valorous Phoenix was flying through space.

Nico: Captain's Log, Stardate 14048.5: The U.S.S. Valorous Phoenix is en route to the planet Criam for a 6th time and this time we're going to battle Universe 666 Maria and another scumbag that J.D. Knudson knows. This is going to be intense.

Maria: That version of me was a nghtmare.

Universe 666 May: I'll never forgive that bitch for ruining my life.

Me: I know. But you deserve so much better than Universe 666 Nico.

Qin: I agree there.

Camie: What that jerk did was horrible!

Ymir: Yeah no kidding!

Qin: Yeah! Me and Maria of the Prime Universe battled her and killed her the first time.

Maria: That was nuts. But it was awesome.

Moondancer: Yeah it sure was.

Universe 666 me: But I have something ready for after we kill her. I'm going to send Nico of my world a declaration of to let him know we're coming for him.

Nico: Awesome! This is gonna be intense.

Nico: Bounce Man, I want to thank you, Tilian, and your teams for coming

Bounce Man: No problem Nico and this will be so fun!

Nico: YEAH!

Bouncing Boy: I'm ready to bounce and trounce!

Nico: Bouncing Boy, do people sometimes use your ball form for sports?

Bouncing Boy: (LAUGHS) Yes I do and I always love having fun with it.

Me: NICE!

Qin: Yeah!

Bouncing Boy: What can I say, I love bouncing.

Me: You sure do Chuck. And that makes you a fun member of the Legion.

Bouncing Boy: You got that right. I just love to bounce on Evil.

Qin: You sure do.

Nico: Isn't being kicked painful?

Bouncing Boy: Not to me. I always have fun from it.

Phantom Girl: Yeah Chuck always has fun like that.

Saturn Girl: He sure does.

Ymir: I can see that. Also what is it like in the world of the 31st Century?

Me: Massive and highly advanced than anything Earth has now.

Lola: Yeah no kidding.

Varie: It's true.

Nerissa: Yeah. Also the technology was amazing.

Legion Superman: It's true and I thought it was awesome myself.

Ymir: Wow! That is amazing.

Me: It sure is.

Gallus: Yep.

Me: Yeah.

Dan Kuso: Well guys we did it! The Bakugan Battle Brawler's enemies are all gone.

Me: They sure are. And we saved all of Duel Monsters!

Yugi: No one should ever try to erase them

Tea: Yeah that is for sure. Duel Monsters is what we love and more.

Xenia: Yeah you got that right!

Aqua Spirit: And we have done so much for both humans and everyone all over the world.

Lola: All the Duel Monsters are awesome in their own aspect.

Nico: Yep.

Yuga: I'm just glad that Duel Monsters is here to stay.

Me: Same here. But you have to understand Yuga, once Yugi solved the Millennium Puzzle, this became more than just a game. This became the ultimate battle between life and death.

Nico: It's true

Eli: Yeah my father is the one that stopped this madness and locked it all away. 5,000 years ago we had a game that harbored great and terrible power. The Shadow Games were made and it soon erupted into a war that threatened to the destroy the entire world. But my father Pharaoh Atem, sealed the magic away into the Millennium

Items.

Yuga: Wow!

Romin: That's intense!

Eli: It was. My father wanted to make sure the magic of the Shadow Games never could be released back into the world or the entire planet would be doomed.

Romin: Oh man!

Luke: That's intense.

Eli: It is. That is why we need to make sure all the Shadow Games are destroyed forever. If we don't millions of people are going to die.

Nico: Oh boy.

Romin: That's terrible.

Eli: Yeah.

Me: Yep. But either way, Dan how do you feel now that all your enemies are destroyed?

Dan: I'm ready to sleep for an entire day.

Drago: Me too.

Nico: Maybe after all the ambassador days are done

Me: Well we just have Lori and Hitch's days remaining.

Dan: I know.

Nico: And then that will wrap it up for the year.

Hitch Trailblazer: It sure will. I can't wait to do my big day.

Me: I know Hitch.

Shanan: I'm excited for i.

We nodded.

Me: Yep.

Horsea: (sleeping) Maria, I would like beer for breakfast.

Maria: (Smiles)

Nico: She is so cute like that.

Qin: Yeah.

Lisa Loud: We have arrived at our destination.

Nico: On screen.

We saw that we were at Criam for a 6th time.

We got to landing and got out.

Me: Criam for number 6.

Lincoln: Okay, guys, we're in for one intense battle, we're here on Criam to help Cookie Crumbles unlock her Rainbow Power and rescue Sapphire Wonder, the sixth of the seven girls that's located here and kill Universe 666 Maria, but for the scumbag there, J.D., are you familiar with someone by the name of Natalie Williams?

I GASPED!

Me: So, that's the next villain that's located here?! THAT DAMN BITCH!

Nico: Uh oh. J.D., you know her?

Me: Wish I hadn't. Natalie Williams is a heartless soulless cruel remorseless bitch who terrorized your high school and all of Colorado for years, she was a bad girl to the fucking core who committed all kinds of violent assaults, robberies, murders, you name it, and to make it worse for herself, she was also part of the gang led by Lincoln and Cadenza Cthugha's old enemy, Venn Vexos, and my old enemy, Gerald Vexos, Venn's little brother.

EVERYONE GASPED!

Me: That was until Varie and I gathered all of the evidence of that bitch's crimes, and when Natalie found out, the bitch went ballistic, but she was taken down and sent to prison forever. Now, that bitch is here on Criam too?

Lincoln: Yep, and soon, we'll face the masterminds behind their breakouts from prison.

Nicole: We'll find out who it was that did this along with killing the next of Universe 666 Nico's minions.

Nico: Yeah.

Suddenly, Lincoln's large gold halo behind his head with four large orbiting gold rings on each corner glowed and large gold Yata no

Kagami mirror with gold sun-shaped frame around it with embedded gems behind his large gold halo behind his head and his four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them behind the four large orbiting gold rings fired beams of light that formed into a viewing window and we see Hawk and Hank dressed only in shorts and shirtless and they're hiding out somewhere, and they'd fully regained their abnormally massive and powerful upper and lower body muscles and eight-pack abs along with their massive physical upper and lower body strength, massive levels of virility, and massive levels of testosterone, but they were even more larger in muscle mass than ever. Then, we saw the barbell tattoos on their backs glow red. Suddenly, Hawk and Hank were glowing with red energy, but then, their arms were raised and it looked like their wrists were bound with metal cuffs same with their feet.

Me: Uh oh, here we go!

Suddenly, Lincoln made red portals appear in front of Hawk and Hank, and then, out of nowhere, Lincoln and I turned the tips of our 105 massive and long brown wolf tails into Cell's stingers and they went through the portals and they came out of the portals and stabbed them into the massive pecs, necks, arms, and legs of Hawk and Hank. Then, Lincoln and I began sucking Hawk and Hank dry of their massive muscle mass, virility, testosterone, and massive physical strength and they were groaning in pain as they began shrinking in muscle mass and height.

Then, all of the massive muscle mass, virility, testosterone, and massive physical strength of Hawk and Hank was being absorbed into Lincoln and I, and our abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed and Lincoln's massive white angel wings and 104 sets of large white angel wings underneath his massive white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on his 105 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed and he began growing even more stronger, and my abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed and my massive rainbow angel wings and 104 sets of large rainbow angel wings underneath my massive rainbow angel wings spread out and my large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind my head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on my 105 massive and long brown wolf tails and rainbow sun and moon tattoo on my bare chest glowed and we began growing even more stronger.

The same thing happened to Nico and all the males on the team as our abnormally massive and powerful upper and lower body muscles bulged even more and veins formed on our bodies, and our massive angel wings and other sets of large angel wings underneath our massive angel wings spread out and our halos glowed and we also began growing even more stronger.

Lincoln: (Growls) I haven't forgotten how potent this curse really is.

Me: (Growls) Yeah, this is really potent, but this still feels incredible.

Then, when Lincoln and I were done and the stingers retract themselves from the pecs, arms, legs, and necks of the buttfaces from Hazeltucky and they went back into the portals as they closed and they changed back, we saw that Hawk and Hank were thin as a rake and sucked bone dry of their muscle mass, virility, testosterone, and massive physical strength again, and the glowing barbells on their back stopped glowing.

Hawk and Hank: NOT AGAIN! (ENRAGED SCREAMING)

The viewing window closed as the four large orbiting gold rings and mirrors stopped glowing and the light beams disappeared. Suddenly, we saw that we were even more ripped thanks to Lincoln's curse.

Me: Whoa, that Min's Egyptian Virility Drain Curse Lincoln put on those buttfaces is still really potent. But, look at us, now we're even more ripped than ever. (Flexes my massive muscles) But, wait, I felt that it's even more potent and more stronger than ever!

Lincoln: I did a good thing in increasing the strength and potency of his Min's Egyptian Virility Drain Curse on those two. (Flexes his massive muscles) And this curse will be on them until we finally kill them.

Fiona heard a Pokemon Cry.

Fiona: Look guys.

We saw a Pichu!

Me: A Pichu! Wow!

Fiona: Cool!

Pichu: It's scary here.

Me: I know.

Fiona: Here.

She gave it food.

Pichu: Thanks.

It ate the food.

Fiona: There you go. Want to come with me?

Pichu: Sure!

Me: Cool!

Nico: Pichu can evolve into a Pikachu

Me: That's right.

Lola: Yep.

But then the ground glowed and suddenly there was a HUGE EARTHQUAKE and then appearing in front of us was a SCARY NIGHTMARISH SWAMP CASTLE FORTRESS!

WE GASPED IN SHOCK!

Me: WHOA!

Camie: Where did that come from!?

Lola: WOW! It just appeared out of nowhere!

Varie: WOW!

Molly Hale: Wait I think I know what did this!

Nico: You mean?

Molly Hale: Yep. THAT!

We saw a Mega Unown!

Me: WHOA! A Mega Unown!

Nico: How did that get here?

Me: It must be one of Dark Gale's work.

Ymir: How did it do that?!

Me: The Unown have intensely massive power. Their power is so strong that they literally have the power to telekinetically warp reality. Their power is omnipotent.

Molly Hale: It's true. I know all about what they can do. My father was researching what they can do for years.

Nico: That's right.

Ymir: WHOA! That is amazing!

Camie: It is.

Laney: It's not alone! Look!

We saw a Mega Solgaleo too!

Me: WHOA! A Mega Solgaleo!

Nico: Whoa!

Mallow: WOW! The Legendary Sun Pokemon!

Xenia: WOW!

Luminous: Let me see here.

He used telepathy and gasped!

Luminous: OH WOW! That Mega Solgaleo is Sunny Solar. She is my friend that governs the Light Skylanders and helped me becomea better person.

Me: WHOA! So she's the last of the Skylanders Gene-slammers of Dark Gale.

Nico: Yep.

Haruto: Let me see here.

He used Telepathy on Mega Unown and gasped!

Haruto: Oh man! It's my sister Hikari! You would like her guys. She is a powerful master of light and dark magic.

Me: Oh wow! Lets go help them!

Luminous: LIGHTS ON!

We went over.

Luminous: Sunny it's okay. It's me Luminous.

Haruto: Hikari calm down it's me Haruto.

Mega Unown used Hidden Power on Horsea but she put her clone in front of her

It turned the clone into a little girl with blue hair and blue eyes with blue clothes and wings!

Maria gasped!

Horsea: Oh whoa!

Maria: WOW!

Girl: Wow! I'm human!

Maria hugged her.

Maria: Now my Horsea has a sister.

Nico: She sure does.

Horsea: YAY! I have a sister!

Nico: You sure do.

Horsea: What do we call you?

Maria: I've always liked Brianna. Brianna Abigail.

Girl: I like that name.

Maria: Okay then!

Brianna Abigail: Awesome!

Nico: So cool!

Then Mega Solgaleo fired a massive blast of fire and I absorbed it!

Me: WHOA! Intense! Okay then!

We fired waves of energy and blasted them down.

I snapped my fingers and they reverted back.

Sunny was a girl with yellow hair and yellow eyes and had rainbow angel wings and had the Light Skylanders Symbol on her forehead and also the Light Skylanders Symbol with a Sun and rainbow on her arm as a cutie mark.

Hikari was a girl with blue hair and blue eyes and had blue angel wings and had the symbol of the Triple Goddess with the Blue Wizard Rider Symbol on it on her forehead and on her arm as a cutie mark.

We wrapped them in blankets and brought them over to us.

Me: Awesome.

They woke up to see Horsea's smiling face.

Sunny Solar: (Groans) Huh? A Horsea?

Hikari Sohma: What the?

Horsea: You made my clone human!

Luminous: Are you alright Sunny?

Sunny Solar: (GASP) Luminous!

She hugged him.

Sunny Solar: Thank the light. I'm glad you're okay.

Luminous: Me too.

Haruto: Hey sis.

Hikari: Haruto!

They hugged.

Hikari: I'm glad you aren't a phantom!

Haruto: I am too.

Me: Well you both were turned into a Mega Solgaleo and Mega Unown by Dark Gale.

Sunny Solar: (GASP) I remember!

Hikari: Who is Dark Gale?

Me: An evil organization we destroyed.

Sunny Solar: I remember them.

She was in a yellow suit and injected and she turned into MEGA SOLGALEO!

She ran out of there.

FLASHBACK ENDS

Sunny Solar: It was awful.

Me: I know but we destroyed them. But Hikari what were you doing when you got turned into a Mega Unown?

Hikari Sohma: I was battling The Phoenix Phantom and it was REALLY intense. I beat him and took his sword as my own. It's in my arm. It's a spell I made.

Me: COOL! Phoenix is in the M.O.E. And he is a REALLY formidable foe.

Nico: We took care of your bad guys

Me: Yeah we killed all of them. And BLECH! I ate Sora!

Hikari: You ate Gremlin!?

Me: BLECH! He tasted TERRIBLE!

Hikari turned REALLY GREEN!

VOMITS!

Me: Sorry.

Hikari: That was gross!

Me: Sorry again. Also Wiseman is dead too.

Haruto: It's true.

Elyon: That was awesome.

Me: Yep. Also you did this to a clone of Horsea and made this castle.

Hikari: WHOA! I did all that?

Me: That's the power of the Unown. Their power is REALLY STRONG and they have the power to telekinetically warp reality.

Hikari: Amazing!

Molly Hale: Yeah. My father has been doing research on the Unown for years and their power turned me into this and even turned my home into a castle.

Me: It looked like a castle from an alien planet.

Hikari: That is amazing. I have a lot to learn though.

Nico: They even made an Entei.

Qin: It's true. Their power is that incredible.

HIkari: Wow!

Sunny Solar: That is amazing! Oh I work as the Light master of Sonya's team and use light to blind our enemies. Outside the team I use my powers and skills to help the Skylanders and battle Kaos's forces. Also I help Luminous get on the path of Redemption.

Me: Wow that is awesome.

Rarity: Lets get you some new clothes darlings

The Fashion Brigade gave them new clothes. Sunny got yellow clothes and a light sword and Hikari got blue clothes and Haruto gave her Rider Belt and a Blue Water Ring.

HIkari: We look amazing.

Me: You sure do.

Horsea: I just made human life!

Manaphy: Hmph! I could've done that easily!

Nico: Okay guys we got a job to do.

Lincoln: (Sensed for Sapphire Wonder) There! I found Sapphire Wonder just as the viewing window saw. (Sensed for Natalie Williams) And I also spotted Natalie Williams, she's 20 yards away near the location and he's trying to shoot the girl dead! (Sensed Universe 666 Maria) Along with that snake's first minion.

We then took off into the air to rescue Sapphire Wonder and kill Universe 666 Maria after she kills Natalie Williams.

We were flying in the air, and we saw the next girl, Sapphire Wonder, she was a cute sapphire blue-haired mega hot girl with green eyes and in quicksand, but then, we saw bullets being shot right at her and we saw our main target: a female with wild brown hair, red eyes full of hatred, and wearing a red prison jumpsuit, it was Natalie Williams, my old enemy.

Natalie Williams: STAY STILL! I'm gonna enjoy killing you, bitch, before you sink in quicksand, and once that shithead fuck Knudson and all of Team Loud Phoenix Storm shows up along with those stupid Masters of Evil, I'll fuck them all up!

Me: OH, FUCK YOU, YOU FUCKING BITCH!

I swooped in and pulled Sapphire Wonder out of the quicksand and went back up into the air.

Alexander Maxwell and Tyler Maxwell: TIME TO DIE, BITCH!

Alexander Maxwell and Tyler Maxwell charged at Natalie Williams, and they fired extremely powerful blasts of black and crimson red, white, golden yellow, and blue energy, stars, aura energy, white and blue heavenly flames, Divine Darkness, dark magic, black magic, Satanic Magic, shadows, dark flames, hellfire, vampire bats, phoenixes, and angels at him, and Tyler Maxwell also attacked her with swings of his massive warhammer and he even shot at her with his machine guns, while Alexander Maxwell slashed at her with his massive greatsword and shot at her with his guns.

Caleb Maxwell: Son of a...!

Qin: Remember us bitch!

Maria: Remember me, Evil ME!?

Universe 666 Maria: Everything was fine until you butted into our business!

Me: When it comes to dealing with the forces of Evil we ALWAYS butt into their business to stop them!

Nico: That's right!

May: I know you wouldn't Maria.

Nico: Good.

Universe 666 Maria had most of her teeth knocked out and her face was mangled up!

I went and grabbed her and pulled her off her.

Me: May stop! Let us have some fun on her too.

Universe 666 May then cried hard in my chest from releasing all that pain.

Me: It's okay.

I brought her back.

Universe 666 Maria was REALLY PISSED NOW!

She stabbed Horsea with a knife.

Maria: HORSEA!

Horsea: HA! NICE TRY!

Her tail was uncurled where she stabbed at her!

Horsea blasted her with a Hyper Beam blast!

She was drooling like a braindead monkey with blood splattering all over!

Me: YUCK! That had to hurt!

Rayman fired a barrage of purple energy fists that attacked Natalie Williams with swift fury and brutality, and we landed.

Me: You've got some nerve showing your ugly face here again, Natalie! I thought I was done with you years ago, and now, I find out you and six other shitheads from the past have busted out of prison and you also kidnapped a girl and tried to make her sink in quicksand after you shot her! You haven't changed at all! You're still the same fucking bitch from long ago!

Natalie Williams: SCREW YOU, SHITHEAD KNUDSON! DIE!

Natalie Williams got out a knife and tried to stab me with it, but I broke her wrist and smashed her face in with a punch to the face, and now, she was pissed!

Natalie Williams: THAT'S IT! GET OUT HERE, BOYS!

Her thugs came out numbering in the septillions, and then, the septillions of thugs got out large endothermic needles and inside them were glowing purple and green serum and they stabbed them into their chests and injected the serum into them. Then, they growled in pain as hot fire coursed through their veins that started glowing green, and then, they fell to their knees as their muscles: both upper and lower body and nether regions started growing to enormous proportions and their shirts ripped off and they also gained twelve-pack abs and their pants were left as tattered shorts and they suddenly grew into gigantic 30'0" tall behemoths with extremely massive muscles and they roared and pounded their chests like a gorilla!

Lincoln and I morphed the tips of our 105 massive and long brown wolf tails into Cell's stingers and we stabbed them into the chests of the septillions of thugs, and we began absorbing them and we assimilated their newly gained extremely massive muscle mass, extreme superhuman strength, extreme superhuman stamina, extreme superhuman durability, extreme superhuman endurance, hardened muscular system, extreme levels of virility, and extreme levels of testosterone, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and Lincoln's massive white angel wings and 104 sets of large white angel wings underneath his massive white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on his 105 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed and he began growing even more stronger, and my abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed and my massive rainbow angel wings and 104 sets of large rainbow angel wings underneath my massive rainbow angel wings spread out and my large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind my head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on my 105 massive and long brown wolf tails and rainbow sun and moon tattoo on my bare chest glowed and I also began growing even more stronger.

Lincoln: (GROWLS) This feels incredible. RRGH!

Me: (GROWLS) Same here. RRGH!

At the same time, the thugs began shrinking in height and muscle mass as their newly gained extremely massive muscle mass, extreme superhuman strength, extreme superhuman stamina, extreme superhuman durability, extreme superhuman endurance, hardened muscular system, extreme levels of virility, and extreme levels of testosterone were being sucked out of them one at a time and was pumped into Lincoln and I.

Then, when Lincoln and I were done and the stingers changed back, nothing was left of the thugs except for their tattered pants, and Lincoln and I drained their souls of energy and they merged with us and we let out a loud and massive roar of dominance and power as we pounded our chests like two Alpha Male gorillas.

That alone pissed off Natalie Williams big time!

Natalie Williams: YOU FUCKING FREAKS! YOU'RE DEAD!

Suddenly...!

WE DUCKED AS A STREAM OF CONCENTRATED WATER WENT FLYING OUT FROM HER CHEST AND IT HIT A NEARBY TREE AND NATALIE WILLIAMS FELL TO THE GROUND AND DIED!

Lincoln: Alright, get out here right now, Universe 666 Maria.

Then, we saw our true main target: Universe 666 Maria.

Universe 666 Me: I should've known you'd show up here again, bitch.

Universe 666 Maria: You! I should've known you'd be back, weakling, along with all the others!

Universe 666 Lincoln: All of our lives were ruined by that fucking snake, and let's not forget how you also had a hand in helping him as well, you're just as bad as him, you slut.

Lincoln: And you're not getting out of this mess again.

Then...!

Lincoln: Come here!

Universe 666 Maria: AGH!

Lincoln grabbed Universe 666 Maria hard by the throat with his left hand, and he began sucking out and absorbing Universe 666 Maria's water powers, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his massive white angel wings and 104 sets of large white angel wings underneath his massive white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on his 105 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Lincoln: (GROWLS) This feels really good! RRGH!

Universe 666 Maria tried to fight back, but Lincoln kept her trapped as his gold-armored dragon claws dug deeper into her neck as Lincoln continued sucking out all of her powers.

Then, when Lincoln was done, Universe 666 Maria was finally drained of the last of all her water powers and he was back to normal as Universe 666 Maria, and then, Lincoln choke slammed her into the mud and he threw her into three trees that shattered with incredible force.

Me: WHOA! (Thinking) Just how strong is Lincoln truly?

Lincoln: (Thinking) J.D., don't even think about trying to find the answer, not unless you want your jaw to fall and land in the mud when you hear the answer.

Me: (Thinking) Good idea.

We flew over, and we saw Universe 666 Maria had tons of broken bones and even as she got back up, she was wincing in pain.

Nico: (WHISTLES) Damn, she looks like she got beat up by a bunch of gorillas.

Universe 666 May: HAH! Take that, slut!

Universe 666 Maria: YOU GODDAMN FUCKING BITCH!

Lincoln went at Universe 666 Maria and he began brutally smashing her all over the place with his massive godly superhuman strength, and it was even more brutal than ever. Then, he punched her hard in the face and kicked her in the stomach and he sent her flying into a tree, she got back out, but before she could attack, Lincoln fired streams of water at her and she got hit and drenched.

Suddenly, we heard a loud howl, and we saw an army of 30'0" tall massive musclebound werewolves heading right for us.

Me: Crap! Werewolves!

Lincoln morphed the tips of his 105 massive and long brown wolf tails into Cell's stingers and he stabbed them into the chests of the massive army of werewolves, and he began absorbing them and he assimilated the werewolf army's extremely massive muscle mass, extreme superhuman strength, extreme superhuman stamina, extreme superhuman durability, extreme superhuman endurance, hardened muscular system, extreme levels of virility, extreme levels of testosterone, Superhuman Strength, Superhuman Speed, Superhuman Stamina, Superhuman Agility, Superhuman Durability, Superhuman Senses, Claws and Teeth, Infectious Bite, Scratch, and Bodily Fluids, Lie Detection, Empathy, Pain Transference, Memory Transference, Telepathy, Healing Factor, Regeneration, Eolas, and Ansin, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his massive white angel wings and 104 sets of large white angel wings underneath his massive white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on his 105 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

At the same time, the werewolves began shrinking in height and muscle mass as their newly gained extremely massive muscle mass, extreme superhuman strength, extreme superhuman stamina, extreme superhuman durability, extreme superhuman endurance, hardened muscular system, extreme levels of virility, and extreme levels of testosterone were being sucked out of them one at a time and was pumped into Lincoln.

Then, when Lincoln was done and the stingers changed back, nothing was left of the massive army of werewolves and Lincoln drained their souls of energy and sent them to The Black Abyss and he let out a loud and massive roar of dominance and power as he pounded his chest like a gorilla.

Then, we attacked her with powerful slashes from our massive greatswords leaving scars on him and Lincoln left many more by firing rainbow energy slashes with his gold-plated claws and his massive greatsword and he even fired red and blue wolf fire at her as well and I also left many more by firing rainbow energy slashes with my gold-plated claws and fired blue wolf fire as well same with Nico, and we did the same by firing colored, white, golden yellow, and blue energy slashes from our gold-plated dragon claws and greatswords, and Lincoln, Andre Lupescu, Abaddon Aeternus, Red Savarin, Robin Hood, Rayman, Juniper Lee, Sherlock Hound, Skippy the Bush Kangaroo, Von Lycaon, Crash Bandicoot, Sly Cooper, The Cooper Clan, Bentley, Murray, Guru, Penelope, Panda King, Dimitri, Inspector Fox, Nico, and I and all of us attacked her hard with punches, kicks, and karate chops and they're super mega-painful because of our massive godly superhuman strength, and it made Universe 666 Maria even more angrier and pissed off than ever.

Suddenly, Lincoln's massive white angel wings and 104 sets of large white angel wings under his massive white angel wings spread out and three halos of rainbow energy formed with intricate designs inside it and a halo of gold energy with intricate designs formed above his head with intricate designs, and it formed into a purifying field and it hit Universe 666 Maria, and we found ourselves not only in Heaven, but also, in space.

Then, Lincoln, Nico, and I charged out and we smashed our rainbow energy infused left fists into the stomach of Universe 666 Maria, and a cluster of rainbow, white and blue heavenly flames exploded out behind her, then, Lincoln formed a very massive glowing rainbow energy blade surrounding the 12'9" massive, wide, double-edged gold blade of his massive greatsword, Nico formed a very massive glowing rainbow energy blade surrounding the 9'6" massive, wide, double-edged gold blade of his massive greatsword, and I formed a very massive glowing rainbow energy blade surrounding the 12'9" massive, wide, double-edged gold blade of my massive greatsword.

Lincoln, Nico, and I attacked him with two powerful energy slashes, and then...!

Lincoln, Nico, and Me: NOW, DIE AND ROT IN HELL FOREVER!

Lincoln, Nico, and I did one final powerful energy slash that hit Universe 666 Maria hard, and then, a massive explosion erupted as the gold chains exploded into pieces, and Lincoln, Nico, and I landed and Universe 666 Maria was on her last legs and she was really really mangled.

Universe 666 Me: You've had this coming for so many years, Maria! Let's get her! THIS IS WHERE YOU DIE, YOU BITCH!

Universe 666 Me and all of those with her from Universe 666 Earth piled on and clobbered Universe 666 Maria and they really gave her Hell for everything she did, and when they were done, she had all her bones broken, she had two black eyes, broken teeth, and a bloody nose.

Then, Lincoln and I charged, and...!

SLASH! SLASH!

WE DISEMBOWELED AND BEHEADED UNIVERSE 666 MARIA AND SHE WAS SENT TO THE BLACK ABYSS ALONG WITH NATALIE WILLIAMS GETTING THE BLACK GATES!

We cheered as we holstered our weapons and powered down.

Me: And that's one down and one more to go.

Suddenly, Sapphire Wonder ran up to me and jumped me and she kissed me on the lips, arms, pecs, and twelve-pack abs, and overcome by wild love, I suddenly returned her kiss. Then, she pressed her large nude breasts and chest against my massive hairy pecs and her stomach against my twelve-pack abs causing my nose to bleed, and that alone caused my Mark of The Incubi on my left thigh to glow with intense red light, and I'd gained an extreme increase in my abnormally high sex drive and hyperpuberty, and the supernaturally potent and powerful aphrodisiac pheromones that enhanced my own infinite-times high levels of libido and other sexual aspects was out in full force and my eyes turned from rainbow colors to deep blood red with slit pupils: the effects of The Mark of The Incubi have taken hold of me.

Sapphire Wonder: Thank you for rescuing me.

Me: You're welcome.

Suddenly, I pinned Sapphire Wonder down to the floor with me on top of her, and with his massive muscular arms still wrapped around her waist, I leaned my head down her face and I kissed her passionately and deeply on the lips which she returned with equal intensity and passion, and then, I leaned my head to the right side of her trapezius, and I slowly bit her and fed on her blood, and my rainbow, white, golden yellow, and blue energy aura with elemental forces and mythological animals flare up extremely as I gained an extremely astronomically huge and massive power boost and I also gained the very same powers as her, and my abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and my massive rainbow angel wings and 104 sets of large rainbow angel wings underneath my massive rainbow angel wings spread out and my large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind my head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on my obliques and sides and the rainbow flame patterns on my forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on my 105 massive and long brown wolf tails and rainbow sun and moon tattoo on my bare chest glowed.

Then, I slowly unlatched my fangs from her right trapezius and the marks sealed up and I kissed the spot where he bit her.

Suddenly, an Elemental Phoenix Necklace of Eternal Love appeared on the neck of Sapphire Wonder with sapphire gems on the gold flame-shaped links and sapphire crystal links from her merged Crystal Necklace of The Buddha along with a gold-accented Elemental Phoenix Choker of Eternal Love on her neck and rainbow Phoenix wedding ring on her left pinkie.

Then, I helped her up.

Sapphire Wonder: (In Heaven)(Rubs my massive hairy pecs) Now, that...was...so...hot. You're quite a dominant Alpha Male and I hope you're also a dominant Alpha Male and wild beast when it comes to some...intimate moments in the bedroom.

My harem blushed madly.

Sakura Valencia: (Thinking) Oh, you have no idea.

Lincoln: Let's take care of The Anothers right now, so we can rescue Allie.

Poliwag: (to Horsea) What would you think would've happened if YOU got hit with Hidden Power

Horsea: Good question. Could be anything.

Poliwag: You're right.

Me: Now we are rid of Universe 666 Maria. We have Universe 666 Nico left. My money is him appearing on Twilight Sparkle's day because of the Prophecy.

Universe 666 me: Yep. I have that feeling too. And I have something to say to him.

He concentrated and sent a threatening message to him!

Universe 666 me: Nico, I will never forgive you for everything that you have done. You have taken and destroyed so many innocent lives and all for your goddamn lust for power and to slake your desire for destruction, that ends here and now. We have already destroyed all of your minions, and now, you are the last one left. When Twilight Sparkle's big day to shine comes at long last, not only will we be rid of Queen Opaline, but soon, we will finally be rid of you once and for all! You have plagued our home and the entire universe for too long, and now, we will make absolutely sure that you never return! This is where your reign of terror finally ends here and now! We're coming for you Nico!

The message ended. But Universe 666 Nico was REALLY PISSED! The camera slowly zooms in on his face. His eyes go red with intense fury, and after a few seconds, he snaps. His entire face reddens, and he screeches at the top of his lungs like a wild monkey. First, he pounds and stomps on the floor, then he starts to jump crazily back and forth. Grabbing a tire swing hanging from the ceiling, he batters it with his feet for a while. After he jumps off, he runs to the window, still screaming!

HE WAS INTENSELY AND INSANELY PISSED OUT OF HIS MIND!

WE HEARD HIM SCREECHING AND SCREAMING LIKE MAD!

Me: HOLY FUCKING SHIT! HE LOST IT!

Nico: GEEZ!

May: THAT WAS INTENSE!

Poromon: HOLY CRUD!

Poliwag: YIKES!

Nico: Nice job Pichu.

Pichu: Thanks. That was fun.

Me: It sure was.

Poromon: Want some beer?

Pichu: Oh no thanks. I break out in hives if I drink it.

Poromon: Oh okay then.

Poliwag: (Does puppy eyes) Pwetty Pwease?

Nico: Poliwag that's enough.

Pichu: Nice try though pipsqueak.

Poliwag: HEY! We're practically the same size!

Nico: Any plans later?

Cozy Glow: Me and Raven are going to the Neo Phoenix Land water park later.

Me: You girls go have fun.

Raven Bishop: We will. It'll give us good time to bond.

Qin: It sure will.

Bounce Man: Yeah it sure will.

Nico: Oh, Bounce Man, what do you like to do in your free time?

Bounce Man: Oh I like to entertain at parties and have fun with all the kids. I make ball pits and more and it's cool.

Me: Awesome.

Pinkie Pie: Bounce Man makes amazing parties like I do and it's great!

Me: It sure is Pinkie.

Tilian: HOLY SHIT! Everyone in HQ must've heard that screaming!

Nico: No kidding there!

Me: Nico if you ever get that mad I'll pump you with so much sedatives you'll be out for a year.

Nico: I don't think I would go that far. Now for the Anothers.

Lincoln: (Sensed the Anothers) Ah, and the Anothers are coming, right on time.

Eli: (Sensed The Anothers) Lincoln's right, I sense them, and one of them is Another Levi Loud.

Levi Loud: Another Me?

Lincoln: We'll find out soon.

Me: So we got Another Tilian, Short Fuse, Universe 666 Live Action Megatron, Universe 666 Quickstrike, Universe 666 Master Xandred and Maggie (Monster Legends).

Qin: Yep.

Nico: That means Bounce Man, Bouncing Boy, Amy Rose, Cream, Rouge and Sally Acorn are up.

Nico: Yep.

Eli: Right. (Sensed Footsoldier Anothers) Oh crap, and we got trouble, I sense hostile Footsoldier Anothers, bad news: they're more bodybuilders from the past of Melanie Martinez and Kiara Kessler, and they number in the septillions!

Melanie Martinez: Oh, son of a bitch. Those must be more of the bodybuilders whom Lincoln beaten in the past, and they were sore losers.

Kiara Kessler: That's it. Lincoln, I hope you absorb them.

Lincoln: I will, and I know they also snagged that same super soldier serum Damien Arc and his eldest sons along with Albert Tralfaz used, so this is gonna be dangerous.

Then, the Footsoldier Anothers arrived, and they changed back into more septillion bodybuilders Lincoln had beaten in the past.

Melanie Martinez: Well, look who's come crawling out into the open after an absence of eight long years.

Kiara Kessler: So, you've come out to kill Lincoln.

Bodybuilder: What do you think?!

Suddenly, the septillions of bodybuilders Lincoln had beaten in the past got out large endothermic needles and inside them were glowing purple and green serum and they stabbed them into their chests and injected the serum into them. Then, they growled in pain as hot fire coursed through their veins that started glowing green, and then, they fell to their knees as their muscles: both upper and lower body and nether regions started growing to enormous proportions and they also gained twelve-pack abs and their pants were left as tattered shorts and they suddenly grew into gigantic 30'0" tall behemoths with extremely massive muscles and they roared and pounded their chests like a gorilla!

Then, Lincoln and I morphed the tips of our 105 massive and long brown wolf tails into Cell's stingers and we stabbed them into the chests of the septillion bodybuilders, and we began absorbing them and we assimilated their newly gained extremely massive muscle mass, extreme superhuman strength, extreme superhuman stamina, extreme superhuman durability, extreme superhuman endurance, hardened muscular system, extreme levels of virility, and extreme levels of testosterone, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and Lincoln's massive white angel wings and 104 sets of large white angel wings underneath his massive white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on his 105 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed and he began growing even more stronger, and my abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed and my massive rainbow angel wings and 104 sets of large rainbow angel wings underneath my massive rainbow angel wings spread out and my large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind my head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on my 105 massive and long brown wolf tails and rainbow sun and moon tattoo on my bare chest glowed and I also began growing even more stronger.

Lincoln: (GROWLS) This feels incredible. RRGH!

Me: (GROWLS) Same here. RRGH!

At the same time, the bodybuilders began shrinking in height and muscle mass as their newly gained extremely massive muscle mass, extreme superhuman strength, extreme superhuman stamina, extreme superhuman durability, extreme superhuman endurance, hardened muscular system, extreme levels of virility, and extreme levels of testosterone were being sucked out of them one at a time and was pumped into Lincoln and I.

Then, when Lincoln and I were done and the stingers changed back, nothing was left of the bodybuilders except for their tattered pants, and Lincoln and I drained their souls of energy and they merged with us and we let out a loud and massive roar of dominance and power as we pounded our chests like two Alpha Male gorillas.

Nico: There they are!

We saw Another Short Fuse, Universe 666 Live Action Megatron, Universe 666 Quickstrike, Universe 666 Master Xandred and Maggie (Monster Legends).

Me: WHOA!

Qin: This is gonna be good!

Lola: Yeah!

Another Short Fuse: (In a girls voice) It sure will be fun!

She reverted back and it was the gene-slammer of Calista, Siren of The Aqua Force!

Nico: (GASP) Calista Callaway!

Calista Callaway: Good to see you Nico.

Nico: You too.

Me: The gene-slammer of Calista, Siren of The Aqua Force. Never saw that one before.

Nico: I know.

Calista: Yeah it's a cool one.

Me: By the way are the rest of the Anothers friendly or hostile?

Calista: Friendly and amazing. But the Another Levi is weird.

Me: Weird like how?

Calista: You better see for yourself.

Me: Okay.

Nico: Sorry we have to do this.

Girl Jordan: Lets separate you first.

Girl Jordan and Leeli held hands.

(YURGEN'S TUNE PLAYS)

The skies had leaves and flowers flying in the wind along with sea dragons singing in the background

Girl Jordan and Leeli: (SINGING DIVINELY AS LEELI HAD FIREFLIES SWIRL AROUND HER AND GIRL JORDAN HAD HER AQUA BLUE AURA FLARED UP)

O holoré lay thee low

Holoél dark in the Deep

Down beneath the earth you go

Go holoré fast to sleep

O holoré lay thee low

She glowed and the anothers were separated.

Me: Action time!

Rolf: YOU HAVE BROKEN THE CELERY STALK ON THE SPINE OF A SEA URCHIN!

We blasted the Anothers and I caught the Wonder Ride Books.

Me: YEAH!

Rolf: MAY THE FLEAS FROM YOUR COW INFLAME YOUR RHUBARB!

Qin: YEAH!

Maria: Time for Backup! (TURNS DIAL) PIRATE MYTH FURY!

She summoned Pirate Ghost (TTG), Manaphantom, Animated Laserbeak and Animated Ratbat, Perfectionist Robin (TTG), Haze, and Jell (Monster Rancher)!

Me: YEAH!

Nico: Now we wait.

But then we heard amazingly divine singing.

Me: Wait hear that?

Qin: It sounds like singing.

Me: It's coming from that way. Getting closer.

Scotsman: (Scottish Accent) Sounds like someone steppin on a cat. Sounds like someone steppin on a lot of cats.

Me: It's coming this way.

We waited and it got closer and closer and we saw a figure in the distance walking toward us very slowly.

Scotsman: Well now you dont see that every day.

Me: The singing is coming from that figure. I've got a bad feeling about this.

Eli: Why?

Me: I'm just reliving a sense of Deja-vu.

The figure came.

Nico: Alright, who are you?!

It emerged and was Another Tilian and Levi!

Me: WHOA!

She was singing divinely with the amazing grace of the sirens. She was singing with the amazing divine song of the sirens from Odysseus.

She reverted back and was the gene-slammer of Siren Temptress Zena!

She finished singing and we cheered.

Me: WOW! What a song!

Nico: Zena Sirena! Awesome performance!

Zena Sirena: Thanks Nico. Good to see you again.

Nico: Same here. Zena has one of the most divine singing voices in our class. She loved singing and she even has a hypnotic song that can make bullies and thugs and criminals do her bidding.

Me: WHOA! Just like the hypnotic song of the Sirens of Odysseus.

Nico: Yep.

Zena Sirena: It's true. Also I have Tilian's powers as well.

Tilian: Wow that is awesome!

Lincoln: Boy that reminds me of when I somehow went to Ancient Greece and met and defeated the Sirens.

WE GASPED!

Me: WHOA! Lincoln you went to Ancient Greece and battled the Sirens of the Tyreanean Sea!? But that's impossible! That was like over 3,500 years ago and the knowledge of all the history of the great heroes like Odysseus, Perseus and Achilles and all those guys was lost to us when the Library at Alexandria was destroyed over

2,000 years ago.

Lisa Loud: I must concur. That is impossible.

Lincoln: You're going to be in for a shock when you hear me tell you what happened.

Nico: WOW!

Qin: YEAH!

Nico: And your friend?

Zena: (To another Levi) It's okay. They are friends.

Another Levi: (In a girls voice) (Stupid belch)

Levi: I knew it was you Lois!

She reverted back and looked like a Lisa without glasses but was dumber than a braindead monkey!

Lois Loud: (BARKS LIKE A SEAL)

Me: Boy she's even dumber than Billy and Cosmo.

Levi: She was born with a brain that is basically non-existant.

Me: I can see why.

Ed: Looks like we have a new friend.

Cheese: I like chocolate milk!

Stimpy: Oh joy! A new friend!

Me: Reminds me of the time Lisa got hit by that magic boomerang and it made her dumber than Ed.

Lisa Loud: It's true.

Kaito: (gets out Donbrothers gear) Did Swartz promise you anything?

Zocks: Because we can grant it instead. Zenkaiju Gear!

They got weapons from said teams.

Zena: No he didn't. I used my song and made him give me all his ridewatches.

She pulled out a bag and in it were THOUSANDS of ridewatches of MANY things.

Me: WHOA! Lots of new recruits.

Tilian: Yeah we've been very busy.

Me: WHOA!

Zena: Also my song put him to sleep for a week.

Sakura Knudson: That explains that singing and that song I heard.

Nico: Yep.

Lois barked like a seal!

Sougo: (gets out Donbrothers Ridewatch) We hit the jackpot!

Geiz (gets out Zenkaiger Ridewatch): But Swartz probably made more Ridewatches

Sougo got DonMomotaroArmor while Geiz got ZenkaizerArmor

Me: There's bound to be more.

Qin: Yep,

Varie: Cool.

Tilian: Don't worry guys, we'll find all of them archenemies for you. But yeah Vypra has been VERY VERY Busy.

Me: I can see why.

Lincoln: Lets separate you first.

We did so.

Me: Lets dance!

Nico: (Gets out Tilian's ridewatch) Lets Grow Nature!

May: (Gets out Universe 666 Live Action Megatron's ridewatch) This is gonna be a fun one. Impressive. Yessss.

Universe 666 May: (Gets Out Universe 666 Quickstrike's ridewatch) (THE GOOD THE BAD AND THE UGLY THEME PLAYS) YEEHAW! HERE COMES POISON!

Maria: (Gets out Universe 666 Maxter Xandred's ridewatch) (EXPLOSIVELY ENRAGED) I FUCKING HATE THOSE POWER RANGER MOTHERFUCKERS!

Me: GEEZ! Relax Maria!

Maria: Sorry.

Bouncing Boy: (Gets out Short Fuse's ridewatch) I AM PRIMED TO EXPLODE!

They used the powers of Tilian, Short Fuse, Universe 666 Live Action Megatron, Universe 666 Quickstrike, Universe 666 Master Xandred and Maggie (Monster Legends) and blasted the Anothers all over!

Me: YEAH!

Poromon: YAY!

Me: YEAH!

Then Danny Johnson, Twice (MHA), Thousand Eyes, Nick O Teen, Universe 666 Eva and Sartana of the Dead Came!

Nico: WHOA!

Me: (GASP) GHOSTFACE!

I pulled out my gun and pointed it right at him!

Me: I am going to kill you and avenge all those in Woodsboro!

I had eyes glowing red!

Danny Johnson: I am with the M.O.E. Now!

Me: Yeah right! The only place you're going to be in is back in Hell!

Drakus put his hand on my shoulder.

Drakus: It's all right J.D. He is in the M.O.E. Me and my team convinced him to change and we had him put in the M.O.E.

Me: Really? Wow.

I put my gun away.

Me: Sorry.

Nico: This is a nice team

Danny Johnson: Thank you Nico.

Me: Ghostface in Woodsboro better start praying.

Lola: YEAH!

Himiko: Hello Twice.

Twice: Nice to see you Himiko.

Nick O Teen: Hey J.D.

Me: Nasty Nick O Teen.

Nick O Teen: That's right. Want a cigarette?

Me: No thanks. I don't smoke. Peppermint sticks yes. But not cigarettes or cigars.

Nico: Yeah!

Then 2 swirls appeared! One was made of lightning and the other was ice! Out came Number 22: Zombiestein and Number 21: Frozen Lady Justice!

Me: WHOA! Number 22: Zombiestein and Number 21: Frozen Lady Justice!

Nico: COOL!

Number 22: (In a girls voice) It sure is!

Number 21: You got that right.

Nico: Zeera Frankenstein and Thea Justice! Wow!

They reverted back.

Zeera was a girl with brown hair and red eyes and black clothes and angel wings and had Number 22 on her forehead, skirt and shirt and had Frankenstein with lightning on her arm as a cutie mark and she had a lightning sword.

Thea had blue hair and blue eyes and aqua blue clothes and blue angel wings and had Number 21 on her forehead and skirt and shirt and had a snowflake with the scales of justice on her arm as a cutie mark and had an ice sword.

Thea Justice: Good to see you Nico.

Zeera Frankenstein: We got this. 22 LIGHTNING BOLT STRIKES!

Thea Justice: You Anothers are Guilty! 21 CRYO SNOWBOLTS!

They fired waves of ice and lightning and blasted the Anothers and I caught the Ridewatches and purified them!

Me: YEAH!

Nico: Nice job!

Zeera Frankenstein: Thanks! That was awesome.

Me: It sure was! Wait are you related to the famous mad scientist Dr. Frankenstein?

Zeera Frankenstein: I sure am. He was my great great great grandfather.

Me: WHOA!

Zeera Frankenstein: Yeah he was really messed up in the head. But he was still family.

Nico: Yeah.

Bouncing Boy: Do you girls have any good memories of Nico?

Zeera Frankenstein: We sure do. Mine was where me and Nico went into my great great great grandfather's lab and saw all the terrible experiments he did and we decided to find ways to make them better instead of fucking around with the laws of mother nature.

Me: Very wise decision there.

Camie: I agree.

Thea Justice: It sure is. Mine is where me and Nico brought down a dangerous criminal and brought him to trial and sent him to prison.

Me: Who was it?

Thea Justice: It was Logan Custer.

Me: Logan Custer!? I've heard of him. He was a nasty bank robber that broke out of prison 12 years ago and was never caught as he was robbing banks all over the country. He stole over $712,999,999,999.99.

Qin: WHOA!

Thea Justice: That's right. All of his money was never found. But rumor has it he buried it all on an uncharted island.

Nicole: Sounds like quite the treasure hunt.

Nico: Yep.

Nico hugged them.

Nico: I've missed you girls.

Zeera Frankenstein: Same here.

We went back home to Earth.

Then, we're going after the two villains responsible for kidnapping her yesterday: they were none other than Crane Hermit and Monster Rabbit from Dragon Ball, and when we expose them to the public, Caleb Maxwell's going to force them to tell the public they did this to get revenge on The Z-Fighters and we're going to knock them both out and throw them in the dungeons, they're going to be forced to serve The MOE, but be warned: on the second scene, Caleb Maxwell is going to unleash pure fucking Hell on Earth on them big time as he uses every method of torture that he has created on them both for kidnapping and turning his younger sister into a tool for their twisted scheme: you heard it right, they're gonna be dealing with a real monster: an immortal teenage dark angel from the 80s who knows how to make his victims pay with their lives as he unleashes the horrors of Hell and his own kind of horror and terror, and he swore to make his life a living nightmare, and he swore he would torture them for all eternity, and what's worse, Caleb's going to have a curse put on them, so they won't die from the tortures he's going to inflict on them!

We had all of TLPS and The MOE with us.

Lincoln: So, we're here in Gotham Royal York's sports stadium where a martial arts tournament is taking place, and I know what we're going to do here, not only am I going to rescue the four girls here, but we're there to face Allie Maxwell, Caleb Maxwell's little sister who got kidnapped yesterday and turned into a brainwashed minion who's trying to kill The Z-Fighters, and we're going to restrain her and we're going to administer the cure to get her back to normal.

Nico: Yep. Then, we're going after the two villains responsible for kidnapping her yesterday: they were none other than Crane Hermit and Monster Rabbit, and when we expose them to the public, Caleb Maxwell's going to force them to tell the public they did this to get revenge on The Z-Fighters and we're going to knock them both out and throw them in the dungeons, they're going to be forced to serve The MOE.

Caleb Maxwell: But, not before they pay for what they did, and I got some nasty torture sessions in store for them.

Me: Oh boy...! This is gonna get ugly.

Bounce Man: Either way, we got to free her and stop those two.

We got into the arena, but then, we saw Allie Maxwell come in, but her eyes were blood red: sclera and irises.

Caleb Maxwell: Allie, stop this! It's me, Caleb!

Allie Maxwell: (Monotone Voice) Must...eliminate Team Loud Phoenix Storm!

Allie Maxwell went after us again, but then, Lincoln got out his antidote. But, then, Mad Cat Max snatched it from him, and he ran at Allie Maxwell and he pinned her down.

Mad Cat Max: Come back to us, Allie.

Mad Cat Max poured the antidote into Allie Maxwell's mouth, and suddenly, the antidote took effect and the blood red sclera of her eyes changed back to white and her blood red irises changed back to purple.

Allie Maxwell: (GROANS) M-Max? Wh-what happened?! And where did those two pieces of shit go!

But, as soon as Mad Cat Max got off of Allie Maxwell and she got up, we saw her belch out a massive stream of a dark purple liquid from her mouth: we saw that it was a dark purple liquid brainwashing agent.

Eli: That's the...!

Lincoln: The brainwashing serum.

But, then, we saw a face form in the serum, and we were pissed to see whose face it was: it was Bertram!

Lincoln: I don't believe it! So, Bertram did this! That monster!

Lincoln fired a blast of fire and it burned the liquid to ashes.

Me: Now, we know who we're facing today: the last remnant of that testicle chinned monster, Peter Griffin.

Nico: Yeah. Now, then, where are Crane Hermit and Monster Rabbit?

Suddenly, we saw two figures dressed in black trying to sneak out, but they were caught.

Allie Maxwell: HEY, THERE THEY ARE!

Caleb Maxwell: YOU PIECES OF SHIT! COME HERE!

Caleb Maxwell grabbed the two figures dressed in black and he ripped them off, and they were both revealed as Crane Hermit and Monster Rabbit.

The crowd gasped at the reveal. Then, Caleb Maxwell threw them into the arena, and he forced them up as he gripped their shoulders.

Caleb Maxwell: Now, confess your sins! Tell everyone of what you both did!

Crane Hermit: NEVER! DAMN YOU ALL!

Then, he spat at the floor, but then, the skies turned black and red!

Caleb Maxwell: You better tell them right now, or so help me I will shoot you both dead right here in front of a packed audience! (DEMONIC VOICE) AND I WILL PULL YOUR STUPID HAIR AND YOUR EARS THROUGH YOUR EYES, AND USE THEM AS REIGNS TO RIDE YOUR BONY BUTTS BACK TO THE DARKEST PITS OF THE UNDERWORLD FROM WHENCE YOU CAME!

THEY LET OUT A HORRIFIC SCREAM OF FEAR, AND FINALLY, THEY SANG LIKE CANARIES AS THEY TOLD THE ENTIRE AUDIENCE OF WHAT THEY DID YESTERDAY, AND THEY ALSO POINTED OUT THAT BERTRAM WAS ALSO A PART OF THIS AS HE USED HIS BRAINWASHING SERUM ON ALLIE MAXWELL!

Finally, the audience screamed out saying that Crane Hermit and Monster Rabbit should go to Hell for what they did, and they screamed at the top of their lung saying that Caleb should end them!

Lincoln: Hold on. As much as you want their blood to be spilled, they don't deserve death, they're going to be put into The Masters of Evil, but not after Caleb makes them pay. But, the only one who deserves to have their blood spilled is Bertram, the last remnant of that testicle chinned monster, Peter Griffin! And I swear to all of you, that is what you shall receive! Tonight, Bertram Griffin shall die in a pool of his own blood!

THE CROWD ROARED IN EXCITEMENT!

Ed Cowart: All right, you shitty assholes, now you get yours!

Ed Cowart proceeds to insult Crane Hermit Shen first!

Ed Cowart: You are the ugliest old as fuckfart as well as the most dull old fart I ever encountered! You make Jiraiya and Master Roshi look better in comparison, and they're perverts! You're just a revenge-obsessed asshole who only cares about himself! I bet even Homer Simpson can beat you easily, that's how much you fail at life!

Then, he proceeds to insult Monster Carrot!

Ed Cowart: Hey, shitty rabbit bootleg! Bugs Bunny called! He wants his rabbit shtick back! You look like an uglyass shitty carbon copy bootleg rabbit made by an idiot! Running away than fight? Really? Courage the Cowardly Dog called! He wants his running away shtick back ,you shitty rabbit wizard bootleg! Even Ron Weasley can beat you in less than a minute! That's how much you suck as a villain! Shen and Monster Carrot, prepare your asses for defeat and one last thing?

Ed Cowart punched both Shen and Monster Carrot and messed up their faces, then he wedgied them and pulled their underwear over their heads!

Ed Cowart: DOUBLE WEDGIE!

Then, he shaved all of Shen's hair and Monster Carrot's fur off, then he fired very strong aftershave which hurts like hell then fired hot sauce and nacho cheese, then he kicked their crotches super but thankfully while their crotches remained intact, Shen and Monster Carrot are left with excruciating pain and sounding like chipmunks and he finished by turning them into a villain French braid.

Then, Caleb Maxwell tied Crane Hermit and Monster Rabbit up, and he had them sent to the dungeons of The World Tree Estate. We cheered as we holstered our weapons and powered down as we returned home to The World Tree Estate.

Nico: I hope that what you got for those two pieces of shit is really really painful, Caleb.

Me: And I hope you make those pieces of shit suffer.

Caleb Maxwell: I will.

Lincoln: They deserve it, but Bertram, he's getting much worse: death once we get after him today.

?: Aw, I missed out on the fight.

Then, we saw a beautiful girl who was tall at 7'0" in height, she has the body of a goddess and large breasts, long orange hair, blue eyes, massive white angel wings, she has The Gem-Knight Order of Crystal Justice symbol on her forehead, right arm, and skirt, orange sleeveless strapless top, orange skirt with Gem-Knight Amber, white bridal gloves, black knee-high boots with butterfly buckles, long white sleeveless trenchcoat with stars, earth, gems, crystals, phoenixes, and angels on the coattails, and on the back is Gem-Knight Amber and The Gem-Knight Order of Crystal Justice, she has a light greatsword, and with her are the four girls.

Lincoln: (GASPS) Amber Alexandria, Avatar and Gene-Slammer of Gem-Knight Amber.

Amber Alexandria: That's right, and I got the girls away from those two jerks.

Pan: I hope you broke their teeth.

Amber Alexandria: Along with leaving a painful scar on Bertram.

Lincoln: Nice, I already know he's going to be pissed big time. (To Amber Alexandria) And it's so good to see you again, Amber.

Amber Alexandria: You too, Lincoln, it's been eight years since we last met. And you've really grown that much.

Suddenly, Amber Alexandria had her hands on Lincoln's massive hairy pecs, and she proceeded to kiss him on the lips and all over the place: face, arms, pecs, twelve-pack abs, and stomach. When Amber Alexandria was done, Lincoln was covered in lipstick marks on his face, massive muscular arms, hairy pecs, twelve-pack abs, and stomach, and he had an atomic red blush on his face and he was literally in Heaven.

Lincoln: (In Heaven) That's...something I've not...forgotten.

Nico and I snickered, and so did the rest of us.

Skippy the Bush Kangaroo: (Australian Accent) (Snickers) We hadn't forgotten about that bit either.

Matilda Roo: (Australian Accent) Same here.

Amber Alexandria: Sorry about that, but it's so good to see you again, Lincoln.

Lincoln wrapped his abnormally massive and muscular arms around Amber Alexandria's waist and hugged her, and Amber Alexandria is very surprised at just how much more taller, more handsome, much stronger, buffer, hunkier, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much more stronger and how much more muscular he's really become, and she had an atomic red blush on their faces, and the atomic red blush on her face soon became even deeper when she saw his longer vampire fangs and straight teeth and even more massive white angel wings and 104 sets of large angel wings underneath his massive white angel wings and large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo with four large orbiting gold rings on each corner behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four large orbiting gold rings, along with hearing his mature, deeper, and manlier voice and seeing the larger brown wolf ears with rainbow markings on his head, 105 massive and long brown wolf tails with rainbow markings and rainbow tips and phoenix feathers on them, fine hair on his massive forearms, stubble on his jawline, and chest hair on his pecs, He-Man's chest harness, and many other accessories, and she also met his Rabbit Miraculous, Eini, the Universe 666 Miraculous, his familiars, the male white Rabbit Familiar, Alistair, the white Vampire Bat Familiar, Artemis, and the white Wolf Familiar, Seiko that came out of his backpack.

Lincoln: It sure has been a long time, I haven't seen you since you were seventeen, and as you can see, I really grew a lot since then.

Amber Alexandria: My God, you sure have, you've really really grown up to be very big and very strong like a tree, Lincoln, perhaps even bigger and stronger, you've really grown a lot from the cute eleven-year-old little boy into a 19-year-old 12'11" tall, very handsome, hulking, sexy, strong, buff, and extremely manly rugged heartthrob hunk of a wolf man with really massive and powerful upper and lower body muscles and twelve-pack abs, and you still have those vampire fangs and massive white angel wings and 104 sets of large white angel wings underneath your massive white angel wings, that's so awesome, and the large brown wolf ears on your head and 105 massive and long brown wolf tails with rainbow markings and rainbow tips and phoenix feathers on them, hair on your massive forearms, beard stubble on your jawline, and chest hair on your pecs and many accessories and large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo with four large orbiting gold rings on each corner behind your head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four large orbiting gold rings and the wilder rainbow hair going down to the upper part of your neck with white streaks and multi-colored highlights in it with multi-colored phoenix fire ombre streaks, that's really new. (Rubs Lincoln's massive pecs with her hands) You've really really grown a lot and became a man, but you're still the same kind man from long ago, plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs. (Rubs Lincoln's twelve-pack abs) And cut a rock into a diamond on those rock-hard twelve-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or massive biceps. Plus, I've also met your familiars, and they are really awesome.

Nico: And he's still the same immortal and invincible angel you knew. And Lincoln, you know her?

Lincoln: Indeed I do, Nico.

Anna Anyanova: And so do we, this is Amber Alexandria, Avatar and Gene-Slammer of Gem-Knight Amber, she's Lincoln's Guardian Angel from Michigan, she's a powerful and extremely deadly angel who was born with the powers of Cosmic Geokinesis, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the powers of Amber gems and crystals. She's known as The Amber Master of The Gem-Knight Order of Crystal Justice, a group of girls who are the Avatars and Gene-Slammers of The Gem-Knight Duel Monsters and who were born with the powers of Cosmic Geokinesis omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the powers of all gems and crystals, and their goal is to not only protect and defend Lincoln from his enemies, but also, to bring an end to the order's archenemies: The Steelswarm Subjugation Coalition, a group of evil girls who Gene-Slammed themselves into The Steelswarm Duel Monsters and wanted to destroy mankind and rule the world, but before they were Gene-Slammed, they were narcissistic abusive controlling bitches who got a sick kick out of destroying families and ruining their lives for their own sick and twisted amusement and to satisfy their need for control, but when they tried to destroy Lincoln's family, they wound up getting their lives ruined and Catherine and her friends banished those bitches into the deep abyss where The Steelswarm Duel Monsters were banished to in ancient times, and they swore to get their revenge on them for this. Amber Alexandria came to Royal Woods where she met Lincoln, and she taught him how to master the powers of Cosmic Geokinesis, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the powers of Amber gems and crystals, and over time, Lincoln gained Cosmic Geokinesis, omnipotent power, Omnipotence, Omniscience, Cosmic Awareness, and the powers of Amber gems and crystals, and he was already born with immortality and invincibility, and she also helped him seriously bulk up in muscle and she also knew Lincoln is an Alpha Vampire-Werewolf hybrid and an extremely powerful and attractive one, and more than once, she'd kissed him on the lips and made out many times and he came back home all covered in kisses and his tails were wagging like crazy, and it made her love for him grow even stronger, and she helped him really bulk up even more in muscle and she also helped him grow in intelligence, power, and knowledge. Lincoln made her a beautiful rainbow diamond ring, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem, and she's used her powers to keep Lincoln's enemies in line, but there is one person whom she despises and desires nothing more than to kill: that person is none other than Selena Ashcroft, Gene-Slammer of Steelswarm Cell and member of The Steelswarm Subjugation Coalition, she was a heartless, sadistic, loathesome, evil, narcissistic, abusive, controlling bitch who got a sick kick out of destroying innocent families and ruining their lives for her sick twisted amusement and to satisfy her need for control, and she was also the one who murdered Amber's parents and her little sister, Aurora, in cold blood, and she swore to kill Selena Ashcroft and make sure she's sent to The Black Abyss forever!

Me: When that bitch shows up along with her bitch herd, they are all going to pay for every last one of their fucking crimes!

Nico: They're just as bad as that slut, Audrey Madison, and she was a real conniving, manipulative, evil, loathesome, two-faced, heartless, sadistic bitch.

Lincoln: I'm not going to have any mercy on them, Zarya and her evil friends are going to pay for ruining the lives of innocent families for her sick twisted amusement and to satisfy her need for control, and for trying to destroy my family, I'm going to tear their throats out for this, and now that you're here, Amber.

Lincoln with his massive muscular arms still wrapped around Amber Alexandria's waist leaned his head down to the right side of her trapezius, and he slowly bit her and fed on her blood, and his rainbow, white, golden yellow, and blue energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his massive white angel wings and 104 sets of large white angel wings underneath his massive white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on his 105 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Then, Lincoln slowly unlatched his fangs from her right trapezius and the marks sealed up and Lincoln kissed the spot where he bit her.

Amber Alexandria: You're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on the neck of Amber Alexandria with amber gems on the gold lightning bolts and amber crystal links and jade beads from her merged Crystal Necklace of The Buddha and Jade Necklace of Shangdi along with a gold-accented Elemental Thunderbird Choker of Eternal Love on her neck and rainbow Thunderbird wedding ring on her left pinkie.

Amber Alexandria: (Surprised) Lincoln, are these...?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and one of my many future wives, Amber Alexandria.

Amber Alexandria had a smile on her face and tears streaming down her cheeks as Lincoln still had his massive muscular arms wrapped around Amber Alexandria's waist, and he leaned down to her face and kissed her on the lips, and with Amber Alexandria's hands still on his massive pecs, Lincoln deepened the kiss and we cheered for them. When Lincoln separated, Amber Alexandria had an atomic red blush on her face, hearts in her eyes, her nose was really gushing out blood, and her heart was pounding like a loud drum.

Amber Alexandria: (In Heaven) My God. Oh, Lincoln, you better tell the rest of the boys to run to their rooms. The four girls I rescued are...!

Travis Tackett and Red Savarin: Boys, to your rooms or you're gonna wind up on the floor with a few missing teeth!

We ran into our rooms leaving Lincoln, Nicole, and his harem, and when Lincoln saw the four girls, he had a bright red atomic blush on his cheeks and muzzle and his nose was gushing out blood like a fountain, the four girls are Reiko Nagase, Ai Fukami, Rena Hayami, and Gina Cavalli from Ridge Racer.

Lincoln: Oh whoa, it's Reiko Nagase, Ai Fukami, Rena Hayami, and Gina Cavalli from Ridge Racer.

Nicole: Uh oh, Travis and Red were right to tell the others to hide, these girls are cute racers.

Lincoln: And if left alone, someone could hurt them either to satisfy their perverted urges, or kill them to slake their thirst for blood which I won't let happen. Are you girls okay?

Reiko Nagase: Yes, we're okay, thanks to you.

Then, when Reiko Nagase and the other three girls saw who it was that saved them from Crane Hermit and Monster Rabbit, their faces turned atomic red upon seeing the 12'11" tall, handsome heartthrob hulking wolf hunk with abnormally massive and powerful upper and lower body muscles covered in brown fur, tan fur covering his massive pecs, hands, and twelve-pack abs, sturdy tan muzzle, long wild rainbow hair going down to the upper part of his back with white streaks and multi-colored highlights in it with multi-colored phoenix fire ombre streaks on the back of his hair and rainbow lightning bolt highlights in the bangs of his long rainbow hair, large brown wolf ears with rainbow markings and intense rainbow flame patterns on top of his head and large gold halo with embedded gems shaped like The Elements of Harmony and below the gem shaped like The Element of The Magic of Friendship is a gem shaped like The Crystal Heart and a ring of hands made of gold around it with colored gems in the palms and around the ring of hands made of gold is a ring of fire with spikes made of gold resembling The Sun behind his head and large gold Yata no Kagami mirror with The Vermillion Phoenix of The South, The Azure Dragon of The East, The Black Tortoise of The North, and The White Tiger of The West positioned in their respected directions surrounding The Yellow Dragon in the center with the Four Holy Beasts: The Qilin, Fenghuang, Yinglong, and Spirit Turtle accompanying The Four Symbols with gold sun-shaped frame around it with embedded gems behind the large gold halo and four large orbiting gold rings on each corner with embedded gems shaped like The Elements of Harmony and below the gems shaped like The Element of The Magic of Friendship are four gems shaped like The Crystal Heart and four rings of hands made of gold with colored gems in the palms around them and around the rings of hands made of gold are four rings of fire with spikes made of gold resembling The Sun and four large orbiting gold Yata no Kagami mirrors on each corner with The Vermillion Phoenix of The South, The Azure Dragon of The East, The Black Tortoise of The North, and The White Tiger of The West positioned in their respected directions surrounding The Yellow Dragon in the center with the Four Holy Beasts: The Qilin, Fenghuang, Yinglong, and Spirit Turtle accompanying The Four Symbols with gold sun-shaped frames around them with embedded gems behind the four orbiting gold rings, intense rainbow flame patterns and fine hair on his massive muscular forearms and beard stubble on his jawline, rainbow colored thunderbird with gold lightning bolt in its claws and the Ebonwu Squadron emblem on its chest and surrounded by rainbow animals emblazoned on his forehead and Third Eye with rainbow iris, rows of wolf teeth and straight teeth and vampire fangs, Crest of Miracles surrounded by an Angel, Phoenix, Thunderbird, and Buffalo on his massive right pec and golden lightning bolt cutie mark with the thunderbird and comic books surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a cross arrangement on his massive left pec and rainbow sun and moon and rainbow flame patterns and rings appear on his legs and obliques, Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his massive, wider, and more muscular back, and on top is the Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, Angel, Dragon, Tiger, Vampire Bat, Werewolf, and Buffalo and a Rinnegan-like marking, and right below the Cutie Mark tattoo is a rainbow kanji with nine magatama and the symbols of the elements in between the kanji that said, "Lincoln Landon Loud, Almighty Champion and Emissary of Hinon and The Gods and Goddesses of The World, Reincarnation of Amaterasu, Almighty Master of Light, The Elemental Forces, The Storms, The Cosmos, and The Universe, Master of Hero Personas and Many Powers, Defender of The Digital World, Emissary of The Royal Knights, The Olympos XII, The 10 Legendary Warriors, The Digimon Sovereign, and The Celestial Digimon, Member of Athena's Saints, The Loud House's Man With A Plan, Voice of Reason, Almighty Golden-Hearted Brother of Many Siblings, Almighty Golden-Hearted Lover and Father of Many Kids, Almighty Golden-Hearted and Loving Son of Lynn Sr. and Rita Loud, Almighty Loving Grandson of Albert Loud and Samuel Loud, Almighty Loving Nephew of Lance and Sharon Loud, Almighty Loving Cousin of Shane Loud, Shelby

Reiko Nagase: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Lincoln made clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the thick muscular necks of Lincoln and his clones, and he slowly bit them and he fed on their blood, and his rainbow, white, golden yellow, and blue energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his massive white angel wings and 104 sets of large white angel wings underneath his massive white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, along with the rainbow tips and rainbow markings and phoenix feathers on his 105 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

He then slowly unlatched his fangs from their necks as their necks healed and the puncture marks sealed up, and he also kissed where he bit them.

Reiko Nagase: (Seductive Voice and rubs Lincoln's massive pecs) You too, big, tall, muscular, and handsome.

Suddenly, four Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Reiko Nagase, Ai Fukami, Rena Hayami, and Gina Cavalli with colored gems embedded in the gold lightning bolt links and colored crystal links and jade beads from their merged Crystal Necklaces of the Buddha and Jade Necklaces of Shangdi along with white and gold accented Elemental Chokers of Eternal Love on their necks and rainbow Thunderbird wedding rings on their left pinkies.

Maria: Okay, guys, come on out.

We came back out.

Maria: Those two pieces of shit went way too far with what they did kidnapping Allie yesterday.

May: And brainwashing her and trying to order her to kill us, Caleb really restrained himself.

Lincoln: He did, but I already know he's gonna unleash Part 2 of Hell on Earth on them.

Nico: Big time.

Me: At least, we saved Allie and stopped those assholes.

?: That's for sure.

Suddenly, we saw a beautiful girl who was tall at 7'0" in height, she has the body of a goddess and large breasts, tanned skin, long brown hair with green streaks, green eyes, massive green angel wings, she has on a green two piece bikini, and in her hand is a nature greatsword.

Lincoln: (GASPS) Nevaeh Naturaira, Queen of The Naturairans of Planet Naturaira.

Nico: The only surviving Naturairan. And you know her, Lincoln?

Lincoln: I do.

Anna Anyanova: And so do we, this is Nevaeh Naturaira, Queen of The Naturairans of Planet Naturaira, she's Lincoln's Guardian Angel from the planet of Naturaira in The Forbidden Zone. She was the Queen of the Naturairans who ruled the planet of Naturaira and she's also far more powerful than her own people: in addition to being a natural born fighter, having immense power over nature, animals, the jungles, the forests, and all plant and animal life, and the ability to grow even stronger, but she was also born with angel wings, nature, animals, the jungles, the forests, and all plant and animal life, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and all the powers of her people times infinity, and she left her home when the Infernairans invaded eons ago and she swore to return and put them to the sword. Nevaeh Naturaira came to Earth and Royal Woods where she met Lincoln, and she swore to protect Lincoln from the wrath of his enemies and she also trained him in mastering the powers of nature, animals, the jungles, the forests, and all plant and animal life, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and all the powers of her people, and over time, Lincoln gained omnipotent power and the powers of nature, animals, the jungles, the forests, and all plant and animal life, Omnipotence, Omniscience, Cosmic Awareness, and all the powers of The Naturairans, and he was already born with immortality and invincibility, and she also knew Lincoln is an Alpha Vampire-Werewolf hybrid and an extremely powerful and attractive one, and more than once, she'd kissed him on the lips and made out many times and he came back home all covered in kisses and his tails were wagging like crazy, and it made her love for him grow even stronger, and she helped him really bulk up even more in muscle and she also helped him grow in intelligence, power, and knowledge. Plus, she also taught Lincoln in everything she knew when it came to fighting and she also gave him the power to grow even stronger, along with even more incredible powers from the deities her people worshipped along with infinite levels of virility, but it made his already massive and godly superhuman strength even more massive than ever, and she knew that Lincoln absorbed the souls of her people, her planet's core and planet itself, and her planet's Sun to preserve their legacy and she swore to thank him for what he did. Lincoln made her an awesome nature greatsword, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem, and she hates all of Lincoln's enemies with a blazing passion, and she swore to have them entombed inside trees for all eternity with the power of Naturaira.

Nevaeh Naturaira: And I knew Lincoln absorbed the souls of the male Naturairans, my planet's core and planet itself, and my planet's Sun to preserve their legacy.

Shanan: And are there other planets in The Forbidden Zone?

Lincoln: There are, and they too suffered because of The Infernairans.

Nevaeh Naturaira: That's why Lincoln was given the task of absorbing the souls of the males of our planets, our planets' cores and planets themselves, and our planets' Suns into his body to preserve their legacy and gain all their power and knowledge, and it's good to see you again, Lincoln, but wow, you've really grown.

Suddenly, Lincoln pinned Nevaeh Naturaira to the floor and he wrapped his massive muscular arms around her waist and he leaned his head down to her face and kissed her on the lips with intense passion which she returned as she placed her hands on his massive hairy pecs, and then, Lincoln leaned his head down to the right side of her trapezius, and he slowly bit her and fed on her blood, and his rainbow, white, golden yellow, and blue energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his massive white angel wings and 104 sets of large white angel wings underneath his massive white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and

phoenix feathers on his 105 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Then, Lincoln slowly unlatched his fangs from her right trapezius and the marks sealed up and Lincoln kissed the spot where he bit her, and then, an Elemental Thunderbird Necklace of Eternal Love appeared on the neck of Nevaeh Naturaira with green gems on the gold lightning bolts and green crystal links and jade beads from her merged Crystal Necklace of The Buddha and Jade Necklace of Shangdi along with a gold-accented Elemental Thunderbird Choker of Eternal Love on her neck and rainbow Thunderbird wedding ring on her left pinkie.

Then, he helped her up as he sat on the couch and he kept her close to his body as she took the time to rub his massive hairy pecs, twelve-pack abs and his massive muscles.

Nevaeh Naturaira: (Seductive Voice and still rubs Lincoln's massive pecs) Well, I'll be damned. Who could've guessed the 11-year-old boy I met long ago would grow up into a 12'11" tall, very handsome, hulking, sexy, strong, buff, and extremely manly rugged heartthrob hunk of a wolf man with really massive and powerful upper and lower body muscles and twelve-pack abs. You've really grown a lot and turned into a man, and you've also grown even more larger in muscle mass far more than the males of my former planet, you can land an airplane on that massive, wider, and more muscular back, (Rubs his legs) squash a melon with those really muscular quads and thighs. (Rubs his twelve-pack abs) And even cut a rock into a diamond on those rock-hard twelve-pack abs, and there's not even a tape measure long enough to measure your chiseled chest or massive biceps.

Lincoln wrapped his massive arms around her waist even more and brought her closer to his body even more and she really felt how much stronger he really is.

Nevaeh Naturaira: (Smirks) And don't think I forgot you're also quite the charmer and ladies man to boot as well. We'll have plenty of time tonight to reconnect in a more...intimate way.

Shanan: Oh crud, I also forgot Naturairans both males and females are known to be quite wild when it came to...intimacy.

Lily the Mermaid: Ooh boy.

After Lincoln and all of us saved Allie Maxwell and took down Crane Hermit and Monster Rabbit, we were training intensely in the gym doing 900,000,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get our massive and long brown wolf tails even more stronger than ever as well, and when Amber Alexandria saw Lincoln doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, squats, regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 999 septillion-lb barbells, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get his 105 massive and long brown wolf tails even more stronger than ever along with his massive white angel wings and 104 sets of large white angel wings underneath his massive white angel wings, she had an atomic red blush on her face, hearts in her eyes, and her nose was really gushing out blood.

Amber Alexandria: My God, I was right that Lincoln's really grown into a 12'11" tall, really huge, handsome, sexy, and extremely super strong manly wolfman, just look at those abnormally massive and powerful upper and lower body muscles and his twelve-pack abs really hard at work doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, squats, regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses and really working out with those 999 septillion-lb barbells and he's not even getting tired, incredible, and he's also doing 900,000,000,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get his 105 massive and long brown wolf tails even more stronger than ever along with his massive white angel wings and 104 sets of large white angel wings underneath his massive white angel wings, and he now looks even more ripped than ever. He's definitely been continuing on bodybuilding and working out even more for many years, and because of that along with the combination of his diet plan that we gave him, along with his hyperpuberty and genes, he'd gained the powerful and massive body that all bodybuilders could only dream of. If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of search control again, along with Killjoy Huggins.

Lincoln: Yep, and I've also trained a lot under a lot of very powerful teachers, J.D. and Nico included, Amber, and I can still defend myself, and in addition to getting stronger and larger in muscle mass, I've also gotten smarter as well.

Amber Alexandria: That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Nico: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from the little boy from seven years ago into the really huge, really strong, and really powerful wolf man we know today.

Amber Alexandria: I knew it was only a matter of time before he told everyone that story.

And when my harem saw me doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000 reps of

crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 999 septillion-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear my mind and doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get my 105 massive and long brown wolf tails even more stronger than ever along with my massive rainbow angel wings and 104 sets of large rainbow angel wings underneath my massive rainbow angel wings, they had an atomic red blush on their faces, hearts in their eyes, and their noses were bleeding.

Suddenly, the big screen came to life and it showed the dungeons of The World Tree Estate, and we saw Crane Hermit and Monster Rabbit tied to steel poles. Caleb Maxwell, Tyler Maxwell, Alexander Maxwell, James Blunt, Cage Blunt, Travis Tackett, Timothy Maddock, Michael, and Victor Bristow were there, and they were starting the preparations.

Timothy Maddock: Alright, let's wake them up.

Cage Blunt got out a pot of hot oil.

Cage Blunt: WAKE UP, ASSHOLES!

SPLASH! SIZZLE! SCREAMS!

Cage Blunt spilled hot oil on them and they woke up screaming.

Crane Hermit: What the Hell is this?! You're not getting away with this!

Monster Rabbit: Yeah, when my gang finds out, you're done for!

They were ranting and screaming at them, but then...!

Caleb Maxwell: SHUT YOUR MOUTHS, YOU FILTHY ANIMALS!

POW! SCREAMS!

Caleb Maxwell whacked them in the jaws with his guns' barrels.

Caleb Maxwell: So, you thought you could get away with kidnapping my little sister and turning her into a brainwashed puppet yesterday and sent her after us in the martial arts tournament? And you did this all for revenge, don't you have any remorse for what you did?

Monster Rabbit: We didn't...!

We knew Monster Rabbit was lying and Caleb was starting to lose his patience.

Caleb Maxwell: Don't even try to lie. If you lie, I'm gonna cut out your stomachs!

Monster Rabbit: (SCREAMS)

Monster Rabbit was terrified: if any of them lied one more time, he would live up to his threat. But, Crane Hermit finally lost it.

Crane Hermit: We admitted our crimes, why the Hell are we admitting our crimes yet again?! You know what, I've always hated those fools for everything that they are! Do we even feel remorse! NEVER! You are all nothing more than fools! You should be bowing at our feet! And it was so easy kidnapping your stupid sister! And we'd do it all again! (LAUGHING MANIACALLY) WE'VE BROKEN HER AND SOON WE WILL BREAK ALL OF YOU AS WELL!

We also heard it as well!

Me and Nico: You goddamn piece of shit!

SERIOUSLY?! WHAT A PIECE OF SHIT!

Cage Blunt: News flash, moron, you didn't break Allie! Mad Cat Max helped free her when he took Lincoln's cure and administered it into her.

Suddenly, Caleb Maxwell attacked Crane Hermit and Monster Rabbit with punches and kicks, he was really out for blood now!

Caleb Maxwell: You made my little sister experience the same kind of living Hell I went through back in the past. There is absolutely no way I'm forgiving you ever! CAGE, TRAVIS! It's time to put these two through Hell!

Travis Tackett: Let's do this! (Brings out a basket full of neon red hot coals) Hey, you know what these are?!

We saw it: Travis Tackett had a basket full of burning neon red coals, and they were big enough to crush someone's skull. Then, Caleb grabbed one from the pile.

Caleb Maxwell: TAKE THAT!

Caleb threw the burning stone at Monster Rabbit and it hit him hard in the face, but then, when it landed in the basket right in front of his stomach, it started burning his stomach!

Monster Rabbit: AGH! IT BURNS!

Timothy Maddock: We're just getting started.

Then, Caleb Maxwell grabs another burning stone.

Caleb Maxwell: Okay, Shen, your turn! Here we go!

Caleb threw the burning stone at Crane Hermit and it hit him hard in the face, and when it landed in the basket in front of his stomach, it also started burning his stomach too.

We saw it on the monitor.

Maria: What on Earth?!

Nico: He's using huge burning rocks to burn them!

Me: He's using the oldest form of torture on them: Stoning, where you throw stones at someone until they were dead.

Lincoln: Still very brutal.

Then, we saw the others also joining in as they too also threw burning hot coals at Monster Rabbit and Crane Hermit.

Monster Rabbit: AGH! STOP!

Crane Hermit: HOT!

Tyler Maxwell: Stop screaming, you little girls.

Then...!

Monster Rabbit: Hey, is someone burning a fur rug?! AGH! HOT!

Crane Hermit: MY BACK!

Then, the steel pipes they were tied to started heating up: the steel pipes had a heater inside them, and their backs were being burned big time! Finally...!

Crane Hermit: Please..., we beg you! Stop this!

Monster Rabbit: Yeah, we're sorry! Please, help us!

They finally cracked and started begging for mercy. But, it was too late for that as Caleb Maxwell began walking slowly towards them as flames appeared around him and he looked like The Devil himself as the room turned red.

ORGAN MUSIC PLAYS

Caleb Maxwell: Too late! Rot in Hell, you maggots! There's no forgiving you two for what you did to my sister, and I'm gonna torture you two for all eternity! I'm gonna make you two suffer big time! You will never know the gift of death ever again!

Suddenly, two large portals of darkness appeared on both sides of Caleb Maxwell and he sent two streams of darkness right at Crane Hermit and Monster Rabbit and they got hit, and they both had vampiric crosses on their chests: it was Caleb's curse.

Caleb Maxwell: Well, that's enough for today. Get some rest, the fun's just beginning.

Crane Hermit: W-what?! What are you...?!

Caleb Maxwell: After what you did to my little sister, your suffering has only just begun, you two are never going to be freed from this curse until I've seen that you've learned your lesson. Which might be an impossibility. (Smirks Sadistically) But, that'll make it all the more fun for me when I break your bodies one by one as I shatter every last bone in your bodies and cover the floor of the dungeons with your blood and guts. Prison would've been much better for you two, well, it's too lat now. Hope you're ready for the Hell on Earth I'm gonna unleash on the both of you.

Monster Rabbit: AGH!

Crane Hermit: (SCREAMS)

Caleb Maxwell, Tyler Maxwell, Alexander Maxwell, James Blunt, Cage Blunt, Travis Tackett, Timothy Maddock, Michael, and Victor Bristow threw them back in the dungeon's cells and they came back up.

Nico: What on Earth did you just curse them with?!

Caleb Maxwell: Oh nothing much, just a curse that'll keep them from dying as I torture them for eternity. I know they'll have the same powers as the other members of The M.O.E., but I'm only just getting started with the Hell on Earth I got planned for them. (LAUGHING MALEVOLENLY)

WE HEARD CALEB MAXWELL'S MALEVOLENT AND WICKED LAUGHTER: CRANE HERMIT AND MONSTER RABBIT HAD UNLEASHED PURE HELL ON EARTH!

Lincoln: Oh boy...!

Maria: Those two shitheads, Crane Hermit and Monster Rabbit, went too far in kidnapping Allie Maxwell, and now, they're gonna be dealing with a real monster: an immortal teenage dark angel from the 80s who knows how to make his victims pay with their lives as he unleashes the horrors of Hell and his own kind of horror and terror born from years of anger, hatred, revenge, and rage from the living Hell he had to go through.

WE SHUDDERED IN PURE FRIGHT AND WE HAD CHILLS RUNNING DOWN OUR SPINES!

We got a shower, and then, Lincoln and Melty Q Melromarc are heading to Jolly Roger Bay.

Lincoln snapped his fingers, and the 12'11", handsome and extremely muscular wolf man had on his large orange and white speedo with a Thunderbird and a lightning bolt surrounded by elemental forces and stars on it with rainbow flames coming off the speedo, orange sandals, his jewelry and accessories, and he had his weapons holstered in case of trouble.

And Melty Q Melromarc was dressed in a two-piece bikini The Musiqidandi Sisters and Zoey Tsukino made for her, colored sandals, and she had her weapons holstered in case of trouble.

Plus, we found out Melty Q Melromarc had feelings for Lincoln, and he also had feelings for her and he also saved her from an ambush by a group of musclebound criminals, and Lincoln sucked out their muscle mass, virility, testosterone, strength, blood, and lifeforce and he killed them all.

Melty Q Melromarc: Wow, so this is Sirena Beach, it sure is beautiful.

Lincoln: It sure is, Melty, and it's perfect for our first date. Shall we?

Lincoln and Melty Q Melromarc dived into the waters and began swimming, and they also saw the marine life that live there, then they went back to the beach, and Melty Q Melromarc also gave Lincoln a deep tissue massage which not only relaxed his muscles and entire body, but she also released some tension he'd been carrying.

Then, he did the same thing giving Melty Q Melromarc a deep tissue massage, and when he was done with that, she was relaxed. Then, they had an awesome game of volleyball, and they went to a workout area Lincoln created, and Melty Q Melromarc got an extremely massive and deep atomic red blush on her face when she saw Lincoln lift 107 massive 999 Septillion ton-lb barbells Lincoln summoned in his large and strong hands and 105 massive and long brown wolf tails, and she was really swooning over him especially when he started showing off by flexing his muscles.

Melty Q Melromarc: (Swooning) What a handsome and manly wolf hunk.

Then, they had some lunch, and then, as the sun was about to set, Lincoln went up to Melty Q Melromarc and he hugged her in his abnormally massive and powerful muscular arms, and Melty Q Melromarc placed her hands on Lincoln's massive hairy pecs, but he wasn't done. Then, he had her lying down on a beach towel with him on top of her.

And then, they shared a passionate and romantic kiss and Lincoln slowly sank his fangs into her right trapezius and he began feeding on her blood, and his rainbow, white, golden yellow, and blue energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his massive white angel wings and ninety-nine sets of large white angel wings underneath his massive white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, rainbow markings on his large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on his 105 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

He slowly unlatched his fangs from her right trapezius as they healed and the puncture marks sealed up, and he also kissed where he bit her. They came back home to The World Tree Estate, and Nico and I saw Lincoln was covered in kisses on his face, body, and twelve-pack abs.

Me: (Whistles) Wow, it looks like you really had a good time at Jolly Roger Bay, eh, Lincoln?

Lincoln: (In Heaven) It...was...so... AWESOME!

Suddenly, an Elemental Thunderbird Necklace of Eternal Love

appeared on the neck of Melty Q Melromarc with blue gems on the gold lightning bolt links and blue crystal links and jade beads from her merged Crystal Necklace of The Buddha and Jade Necklace of Shangdi along with a white and gold-accented Elemental Thunderbird Chokers of Eternal Love on their necks.

Lily the Mermaid: Wow, now Melty Q Melromarc is in your harem, Linky.

Melty Q Melromarc showed the marks Lincoln made on the right side of her trapezius.

Jenna: You had no trouble at all.

Melty Q Melromarc: Not at all, and I not only gave Lincoln a deep tissue massage, but he also gave me the same deep tissue massage, and he had me swooning when he lifted 107 massive 999 septillion ton-lb barbells he summoned in his large and strong hands and 105 massive and long wolf brown tails, and we were really swooning over him especially when he started showing off by flexing his muscles.

Serena Logan: He really got that confident and bold. I think we made Lincoln into a really strong and powerful manly man.

Rarity: Well, you all helped in that matter.

Lincoln: She's right on that one, Serena.

Maria: Too bad Flip's kicked the bucket, now I can't give him the finger anymore.

Nico: You know we made a clone of that mutant.

Lincoln: He's right, along with clones of Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III to join Bubble Bass, Lewis Travolta, NO MA'AM, Mindy, Mandy, The Platypus Brothers, and Schnozmo who are still imprisoned at Lynn's Table.

Eli: That's right.

Maria: Oh right, I forgot. Well, let 'em have it.

We then saw Lincoln form a viewing window, and then, Lincoln snapped his fingers.

SNAPS FINGERS!

We saw a massive funnel appeared in mouths of the clones of Flip, Flop, Slip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and in the mouths of Bubble Bass, Lewis Travolta, NO MA'AM, Mandy, Mindy, Schnozmo, Walter Peck, and The Platypus Brothers, and then, massive cartons of the extremely powerful laxatives that Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta appeared over the funnel.

Eli: (GASPS) ARE THOSE...?!

Nico: The extremely powerful laxatives Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta?!

Luna: DO IT, BRO!

Then, the extremely powerful laxatives were dumped into their mouths and the funnel was removed. Then, their stomachs gurgled and rumbled, and then...!

MASSIVELY LOUD AND EXTREMELY WET FART!

The clones of Flip, Flop, Slip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and in the mouths of Bubble Bass, Lewis Travolta, NO MA'AM, Mandy, Mindy, Schnozmo, Walter Peck, and The Platypus Brothers farted and massive tons of gold, jewels, gems, and other currencies exploded out of their asses like crazy!

The clones of Flip, Flop, Slip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and in the mouths of Bubble Bass, Lewis Travolta, NO MA'AM, Mandy, Mindy, Schnozmo, Walter Peck, and The Platypus Brothers stopped farting like crazy and we were laughing hysterically.

Lincoln: That's still as hilarious as ever! (LAUGHS)

Nico: Man, those laxatives are really powerful, I still remember when you tried that prank on me years ago, Connor, but that failed.

Eli: Because of you using Walker's powers.

Connor Chan: Okay, that was still as hilarious as ever!

Nico: When the next humiliation session starts, we've got much worse for them. (SMIRKING LIKE A DEMON)

Me: Oh man, are they in trouble.

Later it was time for another awesome Skylanders adventure.

Nico: Who's next?

Me: Golden Queen next. So Goldie Royal, Applejack, Liam, Tara, Apple Bloom, Big Mac, Wallop, Head Rush, Bash, Flashwing, Stone Man and Drill Man are going in.

Nico: This is gonna be an amazing 24K Gold adventure.

Goldie Royal: It sure will be.

Applejack: YEEHAW! We're going to have some fun on this one!

Liam: YEEHAW! Yeah!

Tara: The power of the Earth is ready!

They went in and the simulator activated and they were at the Lair of The Golden Queen.

Applejack: Boy howdy. So this is the Lair of the Golden Queen.

Goldie Royal: Yep this is it.

Me: It looks like an ancient Egyptian pyramid.

Goldie Royal: That was my first reaction too.

Nico: Wow!

Goldie Royal: Luckily I know this place like the back of my hand. But once we go in we have to be careful. This place is LOADED With traps and her minions are all over the place.

Nico: Thanks for telling us.

We went in.

Me: Wow! Reminds me of all the temples we visited on many of our treasure hunts.

Nicole: It sure does dad.

Nico accidentally stepped on a tile.

Nico: Uh oh!

GOLDEN SPEARS FLEW AT US!

Me: LOOK OUT!

I formed a wood wall and the spears got stuck in it!

Me: WHOA! Golden spears. Nice.

I pulled them out.

Me: We can use these for later.

We stored them.

We went further in and I stepped on a tile.

Me: Oops.

POISON DARTS CAME AT US!

Eli: WHOA!

Eli used the Force and held them.

Me: Poison darts!

Camie: GEEZ!

I took the darts and stored them too.

Daring Do: This is JUST like the templed we went into.

Nico: Yeah it is!

Nico stepped on another tile.

Nico: Oops.

Then GOLDEN EGYPTIAN AXES FLEW AT US!

Me: WHOA!

I formed a rock wall and they hit it and got stuck in it.

Eli: These are golden Egypt Axes. Like the ones I remember reading about.

We took them too.

Me: Geez! What a bunch of weapons.

Goldie Royal: I know.

But then NUMEROUS MUMMIES CAME!

Me: MUMMIES!

I fired waves of fire and burned them into ashes!

Qin: Take that!

Nico: YEAH!

Goldie Royal: She's up there.

We saw a huge staircase leading up to a throne.

Nico: Lets go.

We walked and flew up and got to an arena and out came GOLDEN QUEEN!

A wicked queen made entirely of gold and rich beyond her wildest imagination, the aptly named Golden Queen would gladly trade her entire fortune for just a little more. But why trade when you can steal? And that's what she did. She stole, and stole, and stole! But no matter how much she took, it was never enough. Through evil sorcery, she even learned how to turn people and objects into solid gold. However, that STILL wasn't enough. The idea that any amount of treasure in Skylands did not belong to her was infuriating, so she embarked on a quest to take every last cent of it. But she couldn't do it alone. It was then that she formed the Doom Raiders – the most notorious group of villains ever assembled. As the leader, the Golden Queen promised riches, world domination, and even all-you-can-eat shrimp in order to recruit special criminals to serve her cause. Together, the Doom Raiders terrorized Skylands until Master Eon and the Trap Masters put a stop to them, locking up all of them inside Cloudcracker Prison!

After Kaos freed the Doom Raiders from the prison, the Golden Queen stopped her fellow comrades from attacking the evil Portal Master and revealed to him that she had already developed a plan to rule Skylands. Creating an ultimate weapon made from Traptanium, the Queen planned on using it to obtain all of the gold in the world other than ruling Skylands, a plan which irritated Kaos. The Golden Queen was challenged to an 'Evil-Off' by a furious Kaos for leadership of the Doom Raiders and the control over all of Skylands. She easily won the duel by simply turning Kaos into a golden statue and abandoned him in parts unknown, taking Glumshanks with her and the remaining Doom Raiders.

When the green goo needed to supply the Ultimate Weapon was cut off by the Skylanders, the Golden Queen wasn't pleased by Dr. Krankcase's failure but heeded his alternate solution to the problem.

To power up their machine, they could use a slice of cheese provided by Krankcase and bury it, then go to 10,000 years into the future when the cheese would become stinky enough to power the Ultimate Weapon. The Golden Queen then ordered both Wolfgang and Dr. Krankcase to find and capture Kaos, as a Portal Master was needed to travel through time. Despite Krankcase's and Wolfgang's defeat at the hands of the Skylanders, Wolfgang was able to send the stinky slice of cheese from 10,000 years in the future to the Golden Queen's doorstep.

With the Ultimate Weapon at full power, she sent a transmission to all of Skylands where she gave her demands like the surrender of the Skylanders, the freedom of the Doom Raiders, all gold in Skylands be delivered to her in tribute, and she reserved the royal right to make an infinite number of rules. To prove a point to all of Skylands, she made an example of those who oppose her by transporting Time Town to the inside of a crystal globe that was held in the palm of her hand. The Skylanders were able to locate the Golden Queen's location, The Golden Desert, which is home to Chompy Worms and undead soldiers under the Queen's servitude. While navigating through the desert with Cali, the Golden Queen became infuriated by the intrusion and turned Cali into a gold statue. The Skylanders were able to drive off the Queen's forces and save Cali, but the Doom Raider escaped. In response to the opposition, the Golden Queen ordered the Ultimate Weapon to be directed to the Skylanders Academy.

To stop the Ultimate Weapon, the Skylanders would have to defeat the Golden Queen. They entered her lair to confront the Queen, who intended to turn the Skylander into a golden trophy. During the heat of the battle, the Golden Queen plunged herself into a pool of gold and grew enormous in size. She soon began chasing after the Skylander and Cali down the stairs leading to her throne, only to be trapped under a stone arch. The Skylanders brought down the arch upon the Queen, defeating her and ending her reign of terror by capturing her.

After her incarceration and Kaos revealing his true plan to the Portal Masters on Earth, she was brought by the heroes to the Great Machine itself for her Villain Quest, provided by a familiar ally, Dr.

Noobry. He introduced the Skylanders to the Piggybank-o-matic 3001. He theorized that the missing ingredient is gold, and of course the rehabilitated queen knows all about the valuable element. Noobry was grateful for her arrival, and she activated the swine gold dispenser, being rewarded by the Mabu with a new outfit and the ability to activate the Piggybank-o-matics throughout the level.

The Golden Queen and few of the Doom Raiders, Wolfgang, Dr. Krankcase, and The Gulper, infiltrated the Skylander Academy under the guise of a musical band named "The Evil Imposters" set for the school's graduation party. When their equipment was unloaded, the Doom Raiders immediately revealed their true identities and the Golden Queen proceeded to turn all present school faculty into gold statues while her allies scared away the guests. The Golden Queen plotted to ambush the returning Skylanders and turn them to gold as well, leaving them to a golden fate.

However the Minis came to notice the Golden Queen's evil deeds and took out Wolfgang and Dr Krankcase within the Skylander Academy. Upon noticing that something wasn't right, the Golden Queen was caught by surprise when Pet-Vac swiped her golden egg and she chased after the Mini Sky Baron around the courtyard. When The Gulper captured the other Minis, the Golden Queen was willing to spare them for the return of her golden egg. Pet-Vac gave the Golden Queen back the egg, but used his vacuum jet pack to suck in the Queen's staff into his grasp, allowing Pet-Vac to turn The Gulper to gold and freeing the other Minis. Without her golden staff, the Golden Queen was forced to surrender.

The Golden Queen reappears as a playable racer equipped with her own vehicle, the Glitter Glider. When bested in her Boss Pursuit, the player will be able to race as the Golden Queen.

During her rehabilitation, Master Eon gave the Golden Queen and other villains a choice – either remain imprisoned in the newly-rebuilt Cloudcracker Prison or become Skylander Senseis, teaching a new generation of Imaginators their formidable battle skills as well as how to stay clear of a life of crime. The villains accepted the deal but first had to prove themselves by re-arranging all the books in the Academy's library, a task which took almost two years, and much to the Queen's dismay, had nothing to do with gold. But this gave her an opportunity to rethink her insatiable desire for treasure and that maybe there is more to life than stealing. She now trains the Sorcerer Class and considers herself mostly reformed.

Golden Queen: Team Loud Phoenix Storm. Welcome. Such a pleasure to meet you, for the last time! You're going to make an even more impressive golden trophy than your little friend did!

Me: Sorry to disappoint you but we are not worth a SINGLE RED PENNY!

Goldie Royal: Stop this madness now Queen!

Golden Queen: (GASP) Goldie you're alive!

Goldie Royal: I'm more than alive. I'm stronger and more powerful with 24K Gold Vigor!

Golden Queen: Even if you defeat me, you still have Luminous, Nightshade, and the others to deal with before Kaos!

Goldie Royal: We know all about that. And we reunited with all my friends of each element. The 10 Sisters of The Skylanders are all back. Too bad some of them missed out on all the fun.

Golden Queen: That is true. Don't think you can defeat me so easily like all the others.

Me: We'll see about that.

Nico: Yeah!

Goldie Royal: Lets bring it on! I REIGN SUPREME!

Wallop: HAMMER IT HOME!

Head Rush: TAKING CHARGE!

Bash: ROCK AND ROLL!

Flashwing: BLINDED BY THE LIGHT!

Golden Queen: Lets dance!

Me: If the love of money is the root of all evil, then come and see if you are truly worth 24K Power!

We went at her!

Applejack: YEEHAW!

Applejack punched her!

KRABLAM!

SMASH!

She smashed her down!

Golden Queen: HOW DARE YOU STRIKE ME!

Applejack: Never turn your back on the Strength of my Honesty!

Apple Bloom: HEEYAH!

SMASH!

Apple Bloom bashed her with a deadly kick!

Golden Queen summoned more of her minions!

Goldie Royal: I am more than just made of gold! I have a HEART of Gold!

She danced and swung her staff and fired waves of gold and turned the minions all into gold statues all over the place!

Golden Queen: Very funny. Using my own powers against me

Goldie Royal: You did show me all of your moves and skills and for that I will always be grateful.

Golden Queen: Then try topping this!

She jumped into the molten gold.

Me: Is she trying to destroy herself!?

Goldie Royal: Uh oh! I know what's coming!

A GIANT GOLD HAND CAME OUT AND THEN OUT CAME GOLDEN QUEEN AND SHE WAS 50 FEET TALL!

SHE LAUGHED MALEVOLENTLY!

Nico: Uh oh!

Me: The bigger they are the harder they fall!

Golden Queen: I command you to lose!

Me: You are really in no position to give us orders!

I fired waves of energy and blasted her.

Tara: That's right! And also earth is not the only thing I'm good at.

She fired a massive blast of fire and blasted her.

Me: YEAH!

Goldie Royal: Lets make this fun!

Goldie Royal, Applejack, Liam, Tara, Apple Bloom, Big Mac, Wallop, Head Rush, Bash, Flashwing, Stone Man and Drill Man: EARTH SKYLANDS ULTRA SUPER BLAST!

They fired a massive blast of earth, rock, mud, boulders, meteors, lava, crystal and dust and the blasts all hit her and exploded!

EXTREMELY MASSIVE AND POWERFUL EXPLOSION!

She was knocked down!

GOLDEN QUEEN DEFEATED!

Me: Consider yourself dethroned queen!

Applejack: One last thing to do!

She held up a brown trap and a brown vortex appeared and it sucked her in!

Golden Queen: Wait... I never got to make more demands! Here's one- WHOOOAAAAA!"

She was sucked into the trap!

Golden Queen: "What?! How dare you put me in here?! Although I guess now that I think about it, it's probably a taste of my own medicine."

GOLDEN QUEEN TRAPPED!

Applejack: Now I'm the queen and as Princess of Honesty and the Earth Skylanders you are hereby under my watch and control. So be good ya varmint!

Golden Queen: "Me? Working on the side of good? I'd say strangest things have happened, but I'm not sure they have."

Liam: You got knocked off your throne!

Me: Yeah!

Applejack: YEEHAW! That was just as fun as a rodeo!

Apple Bloom: It sure was!

Xenia: Yeah!

Me: Now only Nightshade and Luminous are left and then we move on to the minor baddies out there.

Camie: We sure do.

We left the simulator and we cheered!

Brittney: That was fun!

But then...

FEROCIOUS FIGHTING NOISES!

GIRL SCREAMING IN PAIN!

Me: UH OH! Sounds like a fight is starting!

Nico: Lets go!

We went to see.

---

20 Minutes earlier, Cozy Glow and Raven Bishop were walking home from Neo Phoenix Land's Water Park and they had an awesome time.

Cozy Glow: Man that was fun!

Raven Bishop: You said it!

Cozy Glow: I agree there!

Raven Bishop: Yeah. Wait look!

They saw a Red Hair Girl that looked like Chandra!

Raven Bishop: That must be her! HEY CHANDRA!

Chandra looked at them and sure enough it was her!

Chandra McCann: That's right! Chandra McCann. Who are you?

Raven Bishop: Raven Bishop and Cozy Glow and we're your executioners! You got a lot of nerve picking on Linka Loud!

Chandra: You mean Lina Lame!

Cozy Glow: It's Linka! Get it Right!

Chandra: What are you going to do about it? I will kill her eventually because she ruined my life!

Raven Bishop: We'll see about that! And I don't think you're going do that! You don't got the breasts to do so!

Chandra: You calling me a coward!?

Raven Bishop: YEAH! And I eat Cowards like you for breakfast!

Chandra: I'll make you regret tha bitch!

Raven Bishop: BRING IT ON!

CHANDRA ROARED AND THEN COZY AND RAVEN JUMPED AT HER AND THEY GOT INTO A BRUTAL AND FEROCIOUS FIGHT CLOUD!

POW BIFF WHAM SMASH WHOMP BONK BOOM THWOMP BAM WHAP SMACK THWACK CRUNCH BLAM CLANG ZONK KATOW KRACK CRASH ZING WHAP!

WOLF BARK! DONKEY BRAY! HORSE WINNIE! MONSTER ROAR! MONKEY SCREECHES! GLASS BREAKS! BUZZER! CAR HORN HONK! TRAIN HORN HONK! LION ROAR! SEAL BARK! CHICKEN CLUCKS! ELEPHANT TRUMPET! PIG SQUEAL! ROOSTER CROW! CRAKOW! BLARGA FLARGA!

CHANDRA WAS SCREAMING IN AGONY AS HER BONES WERE BEING BROKEN AND HER TEETH WERE BEING SMASHED OUT AND ALL HER BODY WAS BEING MASHED INTO PULP!

We flew out.

Levi: I wonder what's going on.

We landed and saw Raven Bishop and Cozy Glow beating up a red hair girl!

They stopped and we gasped in shock as we saw that it was CHANDRA MCCANN! She looked SO BRUTALLY MANGLED UP AND THRASHED that she looks like she lost to an army of crazed superheroes and supervillains! She had her body broken and battered and bruised and had her tongue bitten off and most of her teeth were knocked out and had blood pouring out of her.

Linka: (GASP) CHANDRA! It is her!

Chandler: Oh my god! That girl is a girl version of me!

Nico: OH MAN!

Zarya: What's going on?

Me: I think we found Chandra McCann and Cozy Glow and Raven beat her up just like they said they would.

Edd: GOOD GOLLY ALMIGHTY! You guys really mashed her up!

Eddy: Worse than Jimmy did to Double D.

Jonny: Or worse than me when I got thrashed!

Camie: No kidding!

She spit out her teeth and some blood and got up and was in REALLY NASTY PAIN! Her bones cracked as she tried to stand. She saw Linka and GROWLED IN FURY! HER FACE TURNED BEAT BEAT RED!

Chandra: YOU! I LOST EVERYTHING BECAUSE OF YOU LINA!

Linka: It's Linka you bitch! Get it right!

Chandler: And I thought I was the only one that couldn't get Lincoln's name right.

Chandra: (GASP) You're me!

Chandler: No. I'm your male version.

Jaime Diana: Been a while Chandra. Cozy Glow and Raven Bishop did a number on you didn't they.

Chandra: You ruined me Jaime! You turned my family against me and got me to live on the streets!

Jaime Diana: No you did that yourself. If you weren't such a bully and a heartless sociopathic monster then maybe you might have been treated differently. But no you chose to be a monster. And look where that got you, it lead you to being expelled and disowned.

Cybertron Lugnutz: Not cool, man!

Nico: Totally!

Qin: Man you are the absolute kind of jerk Lincoln's Guardian Angels hate above all!

Lincoln: I think I got just the punishment for you.

Lincoln went Lightning and fired a blast of lightning and cursed her with the Hinon's Vengeance Curse!

Lincoln: If you step out of line in the M.O.E., you are getting a one way ticket to the Black Abyss.

Searchlight: Good choice

Lincoln: Thanks.

Chandra: YOU!

Lincoln: (STOPS HER) Don't even think about it.

Chandra was beamed to the M.O.E.

Me: Man you weren't kidding Jaime.

Jaime Diana: I know.

But then a roar was heard!

Me: WHOA!

We then saw a MEGA TYRANITAR!

Me: WHOA! A Mega Tyranitar!

Nico: That's a Powerful one!

Me: It sure is!

Tyler Navarro: Lets see here.

He used telepathy and gasped!

Tyler Navarro: Oh man! It's Jenna!

James Navarro: Jenna is here!? WHOA!

Me: WHOA! Your sister?

James Navarro: She's actually the Brontosaurus Dino Charge Ranger.

Me: WHOA! That is cool!

Tyler Navarro: She is also the Brown Ranger.

Me: The Brown Dino Charge ranger! How cool! Lets go help her.

We went over to her.

Tyler: Jenna it's me Tyler!

James Navarro: And me James!

She used Smack Down and I grabbed her as she was doing a bellyflop.

I smashed her down!

Nico: WHOA! STRONG!

Qin: YEAH!

I snapped my fingers and she reverted back. She was a girl with brown hair, brown eyes, brown angel wings and had Mega Tyranitar on her forehead and a brontosaurus with a brown crystal on her arm as a cutie mark. Rolling by my foot was the Brown Energem.

I picked it up.

Me: A Brown Energem.

Tyler Navarro: Thank goodness that didn't get into the wrong hands.

Me: Yeah.

We wrapped her in a blanket and brought her to a bench.

Me: Whew!

She woke up.

Jenna Navarro: (Groans) What hit me?

Tyler: Are you okay sis?

James: Yeah.

Jenna: (GASP) Tyler! James!

She hugged them!

Jenna: Thank goodness you're okay.

Koda: Koda happy to see Jenna.

Jenna: Koda, Kendall, everyone!

Prince Phillip III: (British Accent) Good to see you brave Jenna.

Jenna: Same here.

Me: You were turned into a Mega Tyranitar by Dark Gale.

Jenna: Dark Gale? Who are they?

Me: An evil Pokemon Organization we destroyed. What were you doing before you got slammed?

Jenna: I was fighting a new monster. It looked like a white knight.

Eli: (GASP) That was Remorseful Knight Arslevan! He was from the Kyoryugers movie 100 Years After!

Me: That's a Japanese monster.

Jenna: Oh wow! But he put up an amazing fight and I won.

Me: WOW!

Poromon: What color are you?

Jenna: I'm the brown ranger for the Brontosaurus.

Me: Yeah Tyler and James told us that. Also we killed Sledge.

Jenna: Oh wow!

Rarity; Lets get you new clothes darllng.

The Fashion Brigade gave her new brown clothes and Tyler gave her morpher gun too.

We went back home.

We were busy watching TV, and many of us were doing work-outs to continue staying in tip-top shape, especially Lincoln doing 900,000,000,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 999 septillion-ton barbells to get his massive white angel wings and 104 large white angel wings underneath his massive white angel wings, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get his 105 massive and long brown wolf tails even more stronger than ever and he was sweating like crazy.

Lincoln: We don't have long before our final showdown with Bertram starts, so I still like to keep myself busy.

Me: That's true, and we're also doing work-outs just like you, Lincoln.

Nico: Yep.

Then, we saw Lincoln deadlift a massive 999-septillion ton barbell with ease, and we were stunned.

Eli: Whoa!

And of course, the constant workouts that Lincoln has been doing had also caused his harem to get massive atomic red blushes on their faces, hearts in their eyes, and their noses were really bleeding upon seeing their hotter, sexier, manlier hunk of a future husband.

Lily the Mermaid: (Turned On) My God, Linky truly is one hunky muscle god.

Girl Jordan: (Turned On) Big time.

We finished our workouts, and Lincoln sprayed us with water and soap and we were all clean. Then, his harem kissed him on his face and steam whistled out of his ears and his face turned atomic red.

Lance Loud: Honestly, Lynnie, I'm still that surprised that Lincoln's attracted a ton of girls.

Lynn Sr.: Even Rita and I were stunned, and after hearing all of the trouble he's been through because of Chase Young's Dark Side turning Principal Huggins, Chandler, Lori, Lynn, Lola, Lisa, and Luan into those monsters from years ago, they wanted to protect him and make them pay.

Rita: But, in the end, those Dark Sides finally got The Black Abyss and they'd since healed and repaired things with Lincoln.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye and the eyes on the shoulder blades of his massive white angel wings and 104 sets of large white angel wings under his massive white angel wings, his cutie mark tattoo on his back and Thunderbolt cutie mark with surrounding elements on his massive left pec, and his and his large gold halo in the center and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo that's behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four large orbiting gold rings on each corner glowed, and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, and a one-way viewing window formed, and we saw who the figure was in the vision: to our anger, it was Bertram, the last remnant of that testicle chinned monster Peter Griffin, and he's already on the attack in a tower with levels that had baddies from the Multiverse we faced: the Frat Kids, The Amish, the Handicapped, Evil Stewie, Evil Adam West, and much of the people in The Evil Universe, Long John Peter and his Pirates, Evil Santa and his mutant elves and reindeer, Alien chickens, and Muscular clones of Bertram, and a Dinosaur that has a bomb on it that will destroy the entire planet! When we saw it, we knew it meant trouble!

Lincoln, me, and Nico: WHAT?! YOU GODDAMN EVIL REMNANT OF THAT ABUSIVE TESTICLE-CHINNED MONSTER!

Eli: It's time.

Nico: It's finally time.

Lincoln: You said it.

Lincoln sounded the alarm and everyone came in.

May: We heard the alarm, what's wrong, Lincoln?

Lincoln: Everyone, we've got a huge emergency, I just had a vision and I saw who it was that we're going to confront today: to our anger, it's Bertram, the last remnant of that testicle chinned monster Peter Griffin, and he's already on the attack in a tower with levels that has baddies from the Multiverse we faced: the Frat Kids, The Amish, the Handicapped, Evil Stewie, Evil Adam West, and much of the people in The Evil Universe, Long John Peter and his Pirates, Evil Santa and his mutant elves and reindeer, Alien chickens, and Muscular clones of Bertram, and a Dinosaur that has a bomb on it that will destroy the entire planet!

EVERYONE GASPED!

Levi Loud: This isn't good. We'll need to move now.

Me: Yeah.

The computer's screen showed Bertram contacting us.

Nico: (GASP) BERTRAM!

Bertram: Greetings, Team Loud Phoenix Storm!

Stewie: Bertram!

Bertram: Did you miss me?

Nico: Not really, no!

Bertram: I know you did. Which is why I'm made the perfect place for our reunion. It's a tower with many floors. Each floor has enemies from our little Multiverse adventure.

Lincoln: You know we can just use our Entrance to get to where you are, right?

Bertram: You could. But you can't pass up a challenge, can you? See you there! (laughs evilly as the transmission cuts off)

Slog: Hmph! Smug little brat!

Me: So that little brat was Bertram. I heard how you guys destroyed him while me and Zarya were participating in the Ridonculous Race back in 2021.

Nico: Yeah that was intense!

William: Yep. While you and Zarya were taking a break from the stress caused from the 20 Days of Darkness, we protected the city from Bertram and the other scumbags. You're welcome, by the way.

Me: I heard all about that and that was intense!

Ymir: What do you know about him?

Nico: Well he's Stewie's half brother. But he is more evil than anyone in Quahog. He was born through artificial insemination. And his father was Peter Griffin!

Nico went over his history.

Bertram is a major antagonist in the adult animated series Family Guy.

He is also the main antagonist of the Family Guy Video Game! and the overarching antagonist of its sequel, Family Guy: Back To The Multiverse.

He was the son of a gym teacher and her partner through artificial insemination. Bertram's biological father, through a sperm bank mishap fixing, is Peter Griffin. He is Stewie Griffin's half-brother and arch-nemesis.

He was voiced by Wallace Shawn, who also portrayed Vizzini in The Princess Bride, Dr. Elliot Coleye in My Favorite Martian, Gilbert Huph in The Incredibles and Taotie in Kung Fu Panda: Legends of Awesomeness.

In his debut, "Emission Impossible", Bertram was still a sperm. He entered combat with Stewie Griffin, the youngest son, to prevent his destruction, as Stewie still wanted to be the baby of the family. Here, the two became frenemies, and Stewie would change his mind on a new family member because of this. However, Lois and Peter decide not to have a baby and Peter masturbates in the bathroom, causing Stewie to think Peter killed Bertram. Just as Stewie starts beating up Peter, Bertram shows that he's alive via the twinkle in Peter's eye. Stewie then comes to the realization that Bertram might be too clever.

In "Sibling Rivalry", a mishap prior to Peter's vasectomy landed Bertram in a vial that would later be used to impregnate the gym teacher's partner. After he was born, he started playing at the same park as Stewie, and the two fought over who would be the ruler of the playground. Stewie eventually wins by disarming Bertram and buried him, and it appears that Stewie killed Bertram, but in reality was only planting a tree. Bertram actually admitted defeat and ran away.

He appears again in "The Big Bang Theory" as the main antagonist where he tries to erase Stewie from existence by killing Leonardo da Vinci, one of Stewie's ancestors. Beforehand, Stewie and Brian learned that while passing outside the space-time continuum and overloading one of Stewie's time-travelling return pads to get back, it resulted in the creation of the universe; thus if da Vinci dies, the universe will cease to exist, including Bertram himself. Even when finally learning about this from the two, Bertram doesn't care as long as Stewie's dead and succeeds in killing da Vinci, but he is killed in turn by Stewie when he is shot in the head with his own crossbow. In the end, Stewie manages to maintain the timeline and overall save the universe by impregnating da Vinci's wife with his own DNA.

He appears in "Family Guy Video Game!" as the final boss that Stewie fights. He starts off by tricking Stewie into destroying his own satellite dish by claiming to want it for himself, revealing to have his own plan for world domination before knocking Stewie off the roof with his helicopter. It turns out that he plans to launch a mind control beam into orbit via a rocket. He even put Rupert in the rocket to add insult to injury. When Stewie saves Rupert and destroys the rocket, Bertram uses a device to grow to a massive size in order to kill Stewie at the playground. Once beaten and returned to his normal size, he manages to escape punishment by calling for his mother before giving Stewie the finger.

An alternate reality version of Bertram appears in Family Guy: Back to the Multiverse as the main antagonist, seeking revenge on Stewie and Brian. He attempts to build an army using multiple alternate dimensions and their occupants but is foiled by Stewie and Brian's efforts. In the end, he attempts to kill them with an army of clones and a weaponized Tyrannosaurus rex, only to be defeated once more. He is then finished off when he is fed to his dying dinosaur.

When he was done we were shocked!

Me: OH MAN!

Xenia: Yeah he was nuts.

Qin: What a monster!

Nico: And now he built a new building

Me: Yeah he sure did. Well we better go stop him.

Zarya: And fast.

The previous group came.

Johnny 13: Can me, Titania, Number 7, Biowulf, Zexion, Zs'Skayr, Scorpion, Bizarro, Kitty and Titanium Titan go with you guys?

Nico: Yes you all can come with us.

Qin: Yeah. Bertram is back.

Titania: Oh man! Yeah Hank Scorpio told us how the frat kids tried to hit on Sophie.

Sophie Casterwill: (British Accent) That was an awful night!

Me: I'll have to see if for myself but I heard it was a really wacky adventure.

Lisa Loud: When we confront Bertram, we'll need time to disable the bomb on the dinosaur, and we won't be able to do so if he sends those musclebound clones of himself.

Lincoln: J.D. and I will buy you and Levi time, Lisa, by using our Cell stingers to suck out their muscle mass and energy.

Me: Good idea.

Nico: This'll be like what happened years ago when you and Zarya went on The Ridonculous Race and we dealt with Bertram before.

Lincoln: I already have an attack plan set in motion.

Lincoln made a hologram of the tower.

Lincoln: First, we'll put those Frat Kids in their place and helped some of them get on the road to rehab too. Next, we'll help the Amish and the Handicapped turn against Bertram, and destroy Evil Stewie and much of the people in the Evil Universe and send them to The Black Abyss. Rita Fox and the Fox Quintuplets, you're gonna battle Long John Peter and his crew, and then, we battle the Evil Santa and his mutant elves and reindeer and send them to The M.O.E., next, we battle the Alien Chickens and clones of all the Quahog Residents we battled on Nico's day, which also means among the clones is a clone of Peter Griffin, so Meg's getting some well deserved payback on him one last time, as for the Evil Adam West, we'll send him to The M.O.E., and finally, we'll battle the Muscular clones of Bertram with me and J.D. using our Cell stingers to suck out their muscle mass and energy, leaving Lisa and Levi to disable the bomb, and we finally get rid of Bertram and send him to The Black Abyss.

Me: Whoa, I like that attack plan already, Lincoln.

Lisa Loud: It's incredibly planned out.

Nico: Bertram's in for one nasty surprise. Alright, team, let's get going, the battle to save the Earth has begun.

Lincoln: Bertram's time is done, this is where he meets his permanent end!

Titania: I like it!

Spark Man: Nico, which Gene Slammer do you think you'll meet next?

Nico: Numbers 20 and 19 next.

Qin: We're almost done with the Numbers.

Xenia: We sure are.

Nico: Yep.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye and the eyes on the shoulder blades of his massive white angel wings and 104 sets of large white angel wings under his massive white angel wings, his cutie mark tattoo on his back and Thunderbolt cutie mark with surrounding elements on his massive left pec, and his and his large gold halo in the center and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo that's behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four large orbiting gold rings on each corner glowed, and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, and a one-way viewing window formed, and we saw who the figure was in the vision: it was Purgatori from Brian Pulido's Chaos! comics, and she's come back for revenge on us. When we saw it, we knew it meant trouble.

Lincoln: What the?

Me: You've got to be kidding me, that was...!

Lincoln: Purgatori, and she's come back for revenge on us.

Lady Death: I should've known Sakkara would be back for more.

Sigurbjorn Orresdottir Cooper: Allow me and Lincoln to deal with her for good, and I hope you drain her dry of every last drop of blood along with sucking out her powers, Lincoln.

Lincoln: That's exactly what I intend to do to her, Sigurbjorn. Sakkara, I will make you pay for all of your crimes, Vampire Goddess of Chaos! Harlot of The Devil! CONNIVING LITTLE SERPENT FROM THE NINE CIRCLES! (WOLF ROAR, VAMPIRE SHRIEK, AND WOLF HOWL)

WE FREAKED OUT AS VAMPIRE BATS APPEARED FLYING AROUND LINCOLN AND WOLVES HOWLED AS A FULL MOON APPEARED IN THE SKY!

Nico: Uh oh, now he's furious, that Vampire Goddess is done for.

Alright, team, let's go, time to end Bertram's reign of terror for good.

Lincoln: Time to get rid of the last remnant of Peter Griffin for good, and once we get done with him, you're finished, Purgatori.

Sigurbjorn Orresdottir Cooper: You made a huge mistake coming back, Purgatori, and now, you're gonna regret coming back from the dead.

Lincoln put up a powerful rainbow energy field around The World Tree Estate and we headed out to the tower to put an end to Bertram once and for all and wipe out the last remnant of Peter Griffin for good, and once we got rid of him, Sigurbjorn Orresdottir Cooper and Lincoln are going to destroy Purgatori and send her to The Black Abyss after Lincoln drains her dry of every last drop of blood and sucks out all her powers.

We were off to the tower of Bertram.

We arrived at the tower.

Me: This must be it.

We saw that it looked very much like the Los Angeles Capitol Records Building.

Kit Taylor: Looks like a building from home.

Me: Looks like the Los Angeles Capitol Records Building.

Nico: It sure does.

Maria: Time for a series of fights that will make Jeff Dunham proud.

Titania: Let's call Professor XXXL first

Me: Good idea.

We called him.

Professor XXXL: It is I, PROFESSOR XXXL!

Me: Cool!

Qin: This is gonna be intense.

We went over to the building.

We went in and it was a nice building.

Me: Nice tower.

We took the elevator to the first floor

Bertram: Your first floor will be against Greeks. And I'm not talking about Gods.

Nico: Oh boy.

We got out and saw that the first floor was Fraternity and Sorority Club level.

Me: Whoa!

Nico: He means Fraternity and Sorority Clubs.

Me: Looks likes something out of Max's college days.

Max Goof: Believe me this is no college paradise.

Frat Boy: Get those gaybos!

Battletrap: Gaybos?!

Me: Okay now I see!

I did a leg swept and grabbed a frat boy and smashed him into the ground and kicked him into a float they were driving and destroyed it.

Nico: WHOA! Nice one!

I then saw some photos on the ground and looked at them and they were naked sorority girl photos.

Nicole: Oh yeah dad we found out that a bunch of Frat Boys were planning on humiliating a bunch of girls by showing those.

Me: Oh man!

One Frat Boy slapped the asses of Sarah Gunnerson, Yumi Ishiyama, Gwen Tennyson, May, Tara, and Jennifer Walters.

Zexion: Oh, he didn't just do that!

I punched the Frat jerk!

Me: NO ONE TOUCHES OUR FRIENDS ASSES!

Frat Boy: OH YEAH!?

BANG!

Nicole shot him and blew his brains out!

Tara: Thanks Nicole.

Jen: Yeah!

I went over to a bunch of girls.

Me: Scuse me ladies? Are these photos yours?

Frat Girl: Oh thank you.

I gave them to them.

Frat Girl: You saved our dignity.

Me: You're welcome.

Tara: WHY YOU FUCKFACED FREAK!

Jen: NO ONE TOUCHES MY BUTT! (HULKS OUT)

Gwen Tennyson: THAT WAS AWFUL!

Yumi: WHY YOU FREAKS!

May: NICO ONLY TOUCHES MY BUTT!

Sarah: WHY YOU FREAKS!

They bashed the jerks.

SLAP!

But the butt a jerk slapped was Sakura Haruno's!

Naruto: UH OH!

Me: Bub you just fucked yourself up big time. If I were you I would start praying!

Frat Boy: Why!

Sakura growled and A BLACK AURA FORMED AROUND HER AND THEN!

Sakura Haruno: (ENRAGED ROAR)

She went on a MASSIVE AND BALLISTIC RAMPAGE AND DESTROYED 20 FRAT HOUSES IN MASSIVE AND POWERFUL FIERY EXPLOSIONS! KILLING ALL THE FRAT KIDS IN THE AREA! Except for one!

Me: Sakura stop! That's enough. But well done.

Sakura Haruno: Oh thanks. Sorry about that.

Me: No worries. Guys mental note, NEVER Slap Sakura on her butt like that. Or there will be Hell to pay times 1,000. One time Jiraiya did that and Sakura and Lady Tsunade beat the fucking shit out of him and battered him to the point where he couldn't walk for a year.

Nico: HOLY SHIT!

Qin: YIKES!

Frat Girl: Screw that baby! We're only here because he paid us to

Me: You mean Bertram. Sorry to disappoint you girls but I'm afraid that you are only here to be killed by us. What Bertram is going to do is kill you all. Girls it's time for you all to get a better job and work right.

Frat Girl: Like how?

Me: Well do things you girls are good at.

I saw a girl about to drink whiskey. I took the bottle.

Me: And don't get drunk. Instead focus on the good things in life.

I lit the bottle on fire and threw it and it hit a Frat Boy and smashed on him and he and bunch of other frat boys screamed in agony.

Frat Girl: You're right. Come on girls lets go study and also work at a good restaurant.

Me: Lynn's Table is good food and good money.

They nodded in agreement.

Lynn Sr.: Always use more waitresses and chefs.

Nico: Nice advice J.D.

Me: Thanks.

Nico: Are we done here?

Qin: I think we are.

Nico: Wait. One last thing.

Nico saw a version of Meg dressed as a cat and she is not being let in.

Nico: I remember that!

Nico went over to the club and went in and SMASHED THEM ALL OVER THE PLACE!

Poromon: (to the Frat Girls) I'll take any whiskey bottles you have

They gave us all their whiskey and more.

Me: We can make good chili with this too.

Nico: Okay now we're done.

We went to the next floor.

The Frat girls left and went to Lynn's Table for a good job.

We went to the elevator and went to the second floor.

Bertram: You just got lucky! The next floor will feature enemies that didn't fight you last time! And they're going to use a weapon they were supposed to use on that day but didn't!

Me: What do you mean by that?

Bertram: Oh you are going to find out.

Me: Oh boy.

We got out and saw the second floor and it was an Amish Town!

Me: WHOA! This is an Amish Town.

We walked around.

Me: Amazing.

Amish Man: Thou must be here for Bertram.

Me: Yes we are good sir.

Thunderblast: (to the Amish) We're actually in a very generous mood today. So, we'll let you guys attack first

He threw a rake at me and I caught it.

Me: Good throw.

He then fired waves of arrows from a crossbow and I caught them.

Me: Nice shooting.

Nico: Yeah.

Me: We got plenty of farmlands in Gotham Royal York so you all can use them.

They agreed.

Scorpion: How about you guys show me that weapon that Bertram had you build?

Amish Man: Of course. Follow me.

We followed them and we got to a farm and then we saw a STRAW AND HAY BATTLE ROBOT!

Me: WHOA! A Straw Battle Robot? That's impressive.

Nico: Listen, do you really want use this against us on Bertram's orders? Because let me tell you, that's really not advisable,

Me: I agree. Bertram is a monster. He may be a baby but he is pure evil.

Qin: It's true.

Lola: Yeah.

Amish Man: You're right. Thou speak the truth.

They surrendered peacefully and decided to work in Gotham Royal York. We then went to the Third Floor.

Bertram: I admit you're making good progress. But this next one will be a challenge. Especially for your Combiner teams!

Me: We'll see about that.

We got out and saw that we were in a city.

Me: WHOA!

Varie: A City? But it's familiar.

We saw a Handicapped man and he was in a wheelchair with a voice speaker device.

Nico: This is the Handicapped World.

Me: WHOA! A world for the Handicapped.

Varie: I said that this was the perfect place for me because of my heart and compassion to care for the handicapped. And help those with mental and physical challenges.

We then saw a bunch of handicapped people merge and they formed CRIPPLETRON!

Meta Knight: It's Crippletron!

Joe Swanson: OH MAN!

Nico: Combiners form up!

The Combiners combined!

Kitty: We're still in a generous mood. So, we'll let you have the first attack

The arm went and was about to slam on me but all I did was block it with my finger.

Me: I got to admit that was impressive.

Nico: Let us tell you this. We can give you all good homes and love in the city.

Ironhide: All you got to do is stop serving Bertram

Me: Bertram is using you all.

We told them about it and they agreed. They agreed to stop serving Bertram.

We later went to the 4th floor.

Bertram: This next floor will have you seeing double! (laughs) And it has one guy that I really love!

Me: Hmm.

We then saw that we were in a city RAVAGED By destruction!

Me: WHOA!

Eli: Oh man!

Me: What the hell happened here?

Eli: This is the Evil Universe.

Me: It's a wartorn nightmare.

Charge Man: Is that Evil Stewie?!

Me: It sure is!

I saw him coming at me and he had a machete!

Me: I wouldn't kill a baby, but him? YES!

I then unsheathed my sword and then...

SLASH!

I slashed him in two and killed him instantly!

I banished him to the Black Abyss!

Bizarro: (growls) Bizarro loves this world!

Solar Man: Translation, he hates it.

Me: I pretty much understood him.

Qin: Yeah.

Nico: More evil citizens incoming!

We saw them!

Zarya: I got this.

She fired waves of arrows and skewered their heads and killed them!

Me: Nice shooting!

Then Evil Adam West came!

Me: Adam West!?

Evil Adam West: You asked for it. Wait, you didn't ask for anything. Ask me something

Me: Well I want to know why you are following a pipsqueak brat like Bertram. Also you deserve a much better work place like say the Masters of Evil?

Evil Adam West: What's in it for me then?

Me: Better work load and money.

Jamesdean5842: Also it's to honor your real life actor who died of Leukemia back in 2017.

Nico: May he Rest in Peace.

Evil Adam West: You actually have a good point

Me: Yeah. Besides Bertram was only using you Adam.

Nico: It's true.

Evil Adam West: I agree. I will go to the M.O.E.

Me: Good choice.

Nico: Now lets get to the next floor.

We went to the next floor.

Bertram (sheepishly): I actually don't have much to say about this next floor. The guy on it just approached me and said he wanted in on this

Me: (Skeptical) Really.

Bertram: Yeah.

We got out and we saw that we were in a MAD SCIENTISTS LAB!

Qin: WHOA! A Mad Scientist Laboratory!? We never saw this in the multiverse.

We saw robots and human body parts splattere all over the place.

Some of us hurled our guts out!

Nico: SICK!

Lincoln: Wait I know who this floor is for! This is for Levi's akuma, DR. INSANITY LOUD! The Hypothetical Akuma of Levi Loud and he is one of the most insane and most deranged Mad Scientists of all! You think Dr. Bloodsplash was terrible, Dr. Insanity Loud is worse! He specializes in turning humans into his robot servants to take over the world and he is absolutely sick and horrible! He turns live humans into his own robots! He was made because of the Scientific Community calling him an absolute lunatic and cutting his funding and grants and more and he vowed to make the world pay for calling him a lunatic! He is out to punish the world!

WE GASPED!

He showed us a sketch of him and he was a REALLY FUCKED UP MAD SCIENTIST!

Charmcaster: GEEZ!

Qin: YIKES!

Me: He reminds me of a bunch of mad scientists I've scene in movies!

Moondancer: He looks like Dr. Screwloose that's worse than 1,000!

Me: No kidding!

Timon: Talk about your fixer upper.

We then heard fucked up laughter and in came DR. INSANITY LOUD! HE HAD A BUNCH OF NASTY ROBOTS OF HIS OWN MAKING WITH HIM!

Me: OH! MY! GOD!

Nico: This is is massively fucked up!

Dr. Insanity Loud: (FUCKED UP LAUGHTER) KILL THEM MY ROBOTS!

They went at us and I slashed them and destroyed them!

Me: Your tinker toys are pathetic! And you REALLY PLAYED Around with fire big time!

Titanium Titan: (Spanish Accent) Levi? Is that you?!

He fired laser blasts and blasted Titanium Titan. But the lasers didn't affect him.

Titanium Titan: Nice try gringo!

Me: I'll take that as a yes but he is too fucked up.

Nico: Looks like getting him to calm down is out of the question.

Professor XXXL: I was going to say that.

Me: Yep. Lets do it! KIBAL LETS HOWL!

(THE WOLF AND THE MOON BY BRUNUHVILLE PLAYS)

I turned into WOLF MOON 🌙!

Me: (HOWLS)

I fired blasts of blue fire and blasted him all over!

Professor XXXL: Kick me like a ball!

He popped into his shell and Nico kicked him and the professor bashed him on his head with intense force!

KRASMASH!

Qin: Nice shot!

Lynn: GOAL!

Dr. Insanity Loud: My turn! (LAUGHS INSANELY)

He fired lasers and I deflected them and blasted them all over!

I bashed him on his head with a hammer and knocked him out!

Me: Sweet Dreams in the looney bin bub.

Nico: That was crazy.

We went to the next floor.

Bertram: Don't get a swollen head! The next floor will have you walk the plank!

Me: Pirates I'll bet.

Brian: Oh no! Long John Peter and his men.

Rita Fox: Now you're talking. Me and my siblings will handle this.

Pam Fox: Lets get them!

Kirk Fox: We're ready!

We got off and saw that we were on a pirate ship! We saw LONG JOHN PETER AND HIS CREW COMING!

Long John Peter: AHA!

Crew: (LAUGHS)

Bowser Jr.: Reminds me of when I use pirate ships!

Me: It sure does!

Jack Sparrow: Prepare to board mateys!

Rita and her siblings went at them and kicked and bashed and pulverized the pirates and blasted them with lightning, fire, wind, water, darkness and earth and blasted them intensely!

I clashed all over with Long John Peter!

CLANG CLANG CLANG CLANG CLANG CLANG CLANG CLANG!

Long John Peter: AHA! Tis be the leader of Team Loud Phoenix Storm here to meet his doom!

Me: Former leader actually Captain Testicle face!

I pulled out a bazooka and fired!

BANG!

I Fired a bag of quarters and nickels and then..

KRASMASH!

IT SMASHED HIM RIGHT IN HIS CROTCH!

Long John Peter: AGH! DAMN IT!

Zs'Skayr: That's a funny running gag!

Rita Fox: LEMME TELL YA SOMETHIN PETER TESTICLECHIN FACE GILLIGAN GRIFFIN! YOU ARE A MENACE TO QUAHOG AND DESERVE NOTHING BUT PAIN COMING YOUR WAY AND RITA FOX AND HER FAMILY ARE HERE TO SMASH YOUR FACE IN!

Rita Fox and the Fox Kids: FOX MEGAPUNCH BLAST!

They fired waves elements and it formed into a deadly fist and it slammed into his crotch and exploded and blew him into a million pieces and NUMEROUS SHARKS CAME AND ATE HIM!

Nico: He just walked the plank!

Me: YEAH!

Lana: Lets take his weapons and ammo for us.

Me: Good idea.

We got the weapons and ammo and beamed it to the estate.

Me: There.

We went to the next floor.

Bertram: I admit you made it this far! But I hope you get coal from this floor!

Me: Huh?

Nico: Uh oh. Better get your coats on guys. This one is gonna be chilly.

We did so.

We got out and we were in a factory in an arctic cold place.

Me: Whoa! What is this place?

Brian: Oh my God it's the North Pole.

Me: Wait is this Santa's factory?

Stewie: Yes it is. And this is what happened when Santa became a weapons maker after everyone bought everything for Christmas online.

Me: Oh man!

I saw the Elves were mutants and the Reindeer were savage feral beasts with piercing red eyes!

Xenia: Oh man!

Me: Holy shit! This is awful!

Zarya: No kidding!

Blizzard Man: I'm right at home here.

Me: You sure are.

We went to the factory and at the entrance we saw Meg of that universe freezing!

Christmas Meg: (Shivering) So cold and alone.

I then took her and warmed her up.

Me: There Meg.

Christmas Meg smiled at me and was warming up on my back.

Me: Peter Griffin you are one seriously terrible and pathetic excuse of a father.

Stewie: We actually didn't see him here

Me: I know. I was talking about all the abuse Meg had to endure because of him.

Stewie: Oh yes I see.

We went in and saw that the factory was really a NASTY and terrible weapons factory! They were building nukes and bombs all over and building enough of them to destroy the world!

Me: WHOA! Look at all this!

Xenia: YEAH!

Zarya: Instead of toys it's all bombs and weapons!?

Me: That is awful.

Biowulf: I know, right?

Me: Yeah. We got to have a VERY Stern talk with Santa here.

Qin: Yeah!

Zarya: I agree there.

Nico: Stewie wanted nothing more than to kill Santa.

Me: Really?

Stewie: I wanted to sit on his lap but I got blown off!

Me: I see. Well lets make that up to you.

I looked and saw the office where he is at.

We flew up to it and went in.

Me: No secretary to greet us.

We went in to his office and saw Santa in his chair. But he was all a mess and really filthy and more.

Me: Oh my god! Santa what happened?

Evil Santa: Team Loud Phoenix Storm. Nice to see you again.

Me: You look awful Santa. I can't believe that this is what would happen because of people switching to online shopping.

Evil Santa: That's right. Wait you weren't with the team last time J.D.

Me: Me and Zarya both were participating in the Ridonculous Race back in 2021. Because of the Aftermath of the 20 Days of Darkness. Very painful time for us.

Evil Santa: I see.

Me: Anyway Stewie here wants to make up for something.

Evil Santa: Well, looks like you found me, huh boys? And yeah, so what? I make weapons now. Don't judge me. It's a tough economy. You try being in the toy business. Anyway, I'm a bad guy now, so... I'm gonna have to kill you. Merry Christmas, dicks.

Nico: He's getting onto his reindeer!

I snapped my fingers and stopped him.

Me: Santa listen, me and my team saved your Prime Universe self a lot over the last 7 years because of many people ruining Christmas. Please Santa, you may be a bad guy, but you are still the most amazing Jolly guy I know. And you are still a good man. Let me give you a much better place instead of it being in this place. Would you consider being in the M.O.E.?

Brian: Please don't make us kill your reindeer.

Me: Brian no need for that.

Evil Santa smiled and we let Stewie sit on his lap. Stewie smiled and he was really happy. He gave him a hug and it was awesome.

Nico: Aww.

Lola: So adorable.

Stewie: Thank you.

I took a picture and it was memorable.

Lois Griffin: Aww my little guy is happy.

Stewie: You know what else I want for an early Christmas present? For you to stop helping Bertram.

Evil Santa: That I can do.

Me: Lets make this factory safer.

I snapped my fingers and made the factory a cleaner and fun toy factory and a friendly one too.

Nico: Much better!

I had it beamed to the city and it was also a fun Christmas themed amusement park and more for Christmas all year round.

Nico: That was so thoughtful and charitable of you J.D.

Me: Thanks Nico.

Stewie: Now lets get to the next floor.

Me: First let get Meg here back to the estate to warm up.

Christmas Meg was shivering bad.

Nico: Good idea.

Pickle and Barley Barrel took her back to the Estate and made a fire and some hot food and cocoa for her.

We went to the next floor.

Bertram: Let's see you like chickens after this floor, Ed! I'll be on my floor preparing for your arrival

Ed: CHICKENS!?

Eddy: Oh boy.

Nico: Uh oh.

We got out and saw we were on a space station!

Me: We're in space!

Xenia: WHOA!

Zarya: Wow!

We then saw HUGE Eggs!

Me: Are those eggs?

Horsea: Oh no.

They hatched and we saw ALIEN CHICKENS!

Ed: CHICKENS! HUG A CHICKEN! HUG A CHICKEN! HUG A CHICKEN! HUG A CHICKEN!

Me: You got to be kidding me! How can chickens be bad here?

Nico: Don't underestimate them!

Brian: These are alien chickens J.D. and they kill people like Xenomorphs!

I GASPED!

Me: Oh man in that case! Time for an all you can eat chicken buffet!

I fired waves of fire and blasted the chickens into roasted chickens!

We ran around the space station and saw NUMEROUS GIANT EGGS everywhere!

We blasted them all over the place!

We saw a bunch of crew members stuck to the walls with webbing like those of the Xenomorphs.

Me: I've got a really bad feeling about this.

Qin: Oh boy.

Then one of the men had his chest extend out and then...

SQUELCH!

OUT CAME MORE CHICKENS FROM THEM!

I fired waves of fire and blasted them!

Me: They are like the Xenomorphs!

Brian got out his sniper rifle

He blasted numerous chickens all over!

We then got to a room and saw plans for an EGG SHAPED DEATH STAR!?

Me: Plans for an Egg Shaped Death Star?

Anakin: That is a little too weird.

Eli: No kidding.

Me: Maybe we can use this.

I made copies of the plans and all that.

We got to another room.

Bertram came on a screen.

Bertram: You really are powerful! But lets see how you all like this.

Out came pods and out came clones of people we thought we would NEVER SEE AGAIN! They were clones of Peter Griffin, Quagmire, Connie D'Amico, Principal Shepard and Carter Pewterschimidt!

Me: WHAT THE!? Clones of the Quahog Loathsome 5!?

Nico: The what?

Me: It's a work in progress title. But I thought it was fitting for them.

Quagmire tried grabbing Maria but she blasted him back.

Meg: I've been wanting some payback on you DAD!

Peter: Shut...

CRUNCH!

She kicked him in the crotch and kneed him and then she shoved his face in her butt and then...

LOUD NASTY AND HORRIBLE FART!

The fart burned his face off!

Quagmire forced Maria into a wall

Quagmire: All right!

Maria turned into water and then got behind him.

Nicole: WATER STYLE NINJA ART: HUNGRY SHARK MISSILE JUTSU!

She fired a wave of water and it formed into a shark! It roared and then...

CHOMP!

IT BIT HIS TESTICLES OFF!

HE SCREAMED IN AGONY AS HE LOST HIS MANHOOD!

Horsea saw this

Horsea: YEAH!

Maria: Thanks Nicole.

Nicole: No problem.

Horsea: NO ONE HURTS MARIA!

She fire a Hyper Beam blast and obliterated the clone!

Meg then beat up Peter so bad and got him REALLY MANGLED UP! He was unconscious.

Meg: You are the one no one cares about Peter!

She fired waves of energy and blasted him and killed him!

Me: Well well well. Hello Connie. Nice to see you again bitch. Fuck any delinquent boys lately?

Connie: I'm going to snap your neck!

Me: Oh yeah? Go ahead and try.

She roared and went at me. All I did was pushed her back with my hand on her head.

I yawned.

SHE SCREAMED IN FURY!

Connie: I LOST EVERYTHING BECAUSE OF YOU J.D.!?

Me: Karma is a bitch! Just like you!

Poromon pecked Carter

Nico: Three down!

Qin: 2 Actually.

Sakura Knudson gave Peter a cupcake and then...

KRABBBBBBBBOOOOOOOOOOOOOOOOOOOOOMMMMMMM!

He exploded in a huge pile of blood and guts too!

Nico: Okay now three!

I grabbed Connie and then smashed her face into a fire extinguisher box numerous times! It killed her!

Me: One left.

We turned to Principal Shepard!

Nico: And then there was one!

Meg: You took the cowards way out last time Mr. Shepard.

Nico: You going to kill yourself again or do the right thing and surrender peacefully and accept your punishment like a man?

Me: So what's it gonna be?

Maria: This is your chance to do the right thing, Shepard. I suggest you take it.

Principal Shepard: Nope, nope, not fighting you. No need to convince me.

Me: So you gonna go to jail?

Principal Shepard: Yes.

I then slapped the cuffs on him.

Me: You weren't worth killing anyway.

Sheila: Lets go Shepard.

Me: Take him to the station after were done.

Nico: Lets go!

We went and finished the rest of the chickens off.

Me: That's it for those chickens.

We heard the malevolent laughter of Bertram echoing throughout the tower.

Allie Maxwell: That...fucking...little brat! I'm gonna kill him!

Caleb Maxwell: Save room for me too, Allie. This time, he dies here and now.

Me: Looks like there's no way we're cooling them off.

Nico: Afraid not, and I don't blame them. Let's get that piece of shit!

We then went after Bertram as we climbed to the top of the tower.

Bertram: Soon, the entire world will finally be destroyed and all life in the universe will cease to exist when the news of Team Loud Phoenix Storm's death finally reverberates throughout every last corner of the multiverse! (LAUGHING MANIACALLY)

Suddenly, the spirits of the scientists of history appeared and they attacked Bertram with fury along with sudden blasts of black and purple, white, and blue energy blasts from Allie Maxwell and black and red, white, golden yellow, and blue energy blasts from Caleb

Maxwell which sent that monster flying into a wall! Then, the spirits converged and then...

KRABBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive explosion erupted as a Thunderbird Screech, Dragon Roar, Wolf Howl, and Phoenix Cry was heard, and we appeared!

Nico: You got some fucking nerve showing up once again, Bertram!

Me: I would've thought we were finally rid of Peter Griffin for good, but we knew there was one last person who needed to be taken care of: you!

Lincoln: We'd already taken care of every last baddie in the tower, now all that's left is to deal with you!

Bertram: Think again, fools!

Bertram brought out a Dinosaur that has a bomb on it that will destroy the entire planet and he'd already set the timer immediately!

Bertram: You're too late! Soon, the bomb will go off and your entire planet along with all of you will be destroyed! AND THE ENTIRE UNIVERSE AND THE MULTIVERSE WILL MOURN YOUR DEATHS! (LAUGHING MANIACALLY)

Caleb Maxwell: YOU GODDAMN PIECE OF SHIT! YOU'RE DEAD!

CALEB MAXWELL WENT AT BETRAM AND HE SHOT AT AND BLASTED HIM LIKE CRAZY: HE WAS NOW REALLY OUT FOR BLOOD!

Nico: Lisa, Levi, disable the bomb! We'll take care of Bertram!

Lisa Loud: On it!

Levi Loud: We'll have the bomb disabled very soon!

Bertram: YOU WILL NEVER STOP MY PLANS TO DESTROY THE PLANET! GUARDS, KILL THEM!

Suddenly, we saw an army come out: they were Muscular clones of Bertram, and they moved to kill Lisa and Levi, but we charged in and we were brutally beating them up. But, then, they got out large endothermic needles and inside them were glowing purple and green serum and they stabbed them into their chests and injected the serum into them. Then, they growled in pain as hot fire coursed through their veins that started glowing green, and then, they fell to their knees as their muscles: both upper and lower body and nether regions started growing to enormous proportions and they also gained twelve-pack abs and their pants were left as tattered shorts and they suddenly grew into gigantic 50'0" tall behemoths with extremely massive muscles and they roared and pounded their chests like a gorilla!

Nico: You piece of shit...!

Me: Lincoln.

Lincoln: Let's do it.

Then, Lincoln and I morphed the tips of our 105 massive and long brown wolf tails into Cell's stingers and we stabbed them into the chests of the muscular clones of Bertram, and we began sucking out and absorbing their energy and newly gained extremely massive muscle mass, extreme superhuman strength, extreme superhuman stamina, extreme superhuman durability, extreme superhuman endurance, hardened muscular system, extreme levels of virility, and extreme levels of testosterone, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and Lincoln's massive white angel wings and 104 sets of large white angel wings underneath his massive white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on his 105 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed and he began growing even more stronger, and my abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed and my massive rainbow angel wings and 104 sets of large rainbow angel wings underneath my massive rainbow angel wings spread out and my large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind my head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on my 105 massive and long brown wolf tails and rainbow sun and moon tattoo on my bare chest glowed and I also began growing even more stronger.

Lincoln: (GROWLS) This feels incredible. RRGH!

Me: (GROWLS) Same here. RRGH!

At the same time, the muscular clones of Bertram began shrinking in height and muscle mass as their newly gained extremely massive muscle mass, extreme superhuman strength, extreme superhuman stamina, extreme superhuman durability, extreme superhuman endurance, hardened muscular system, extreme levels of virility, and extreme levels of testosterone along with energy were being sucked out of them one at a time and was pumped into Lincoln and I.

Then, when Lincoln and I were done and the stingers changed back, nothing was left of the muscular clones of Bertram except for their tattered pants, and Lincoln and I drained their souls of energy and they merged with us and we let out a loud and massive roar of dominance and power as we pounded our chests like two Alpha Male gorillas.

Bertram: NO! MY PRECIOUS CLONES!

Finally, Levi and Lisa disabled the bomb!

Levi Loud and Lisa Loud: Success!

Bertram: AND MY BOMB! MY PRECIOUS PLAN TO DESTROY THE WORLD IS RUINED!

Caleb Maxwell: And you're done, you piece of shit!

However, the T Rex was still alive as he roared at us.

Kairi Yano: I'm really starting to hate this guy.

Kabuto: Just starting?

Bertram: Not this guys! (portals open up) These guys!

Out come several counterparts of Bertram.

Bertram: You all traveled to different dimensions to build your army. So I figured I could do the same. You know, it's true what they say. If you want something done right, you really have to do it yourself. Now, surrender, and I'll spare your lives.

Keiichiro: By Order of the GSPO...you can go to Hell!

Bertram: How about I send you all there first?

I fired waves of energy and blasted all the clones from all over the Multiverse and burned them all over!

Me: You are the one that's going to hell brat! I have something special planned just for you.

Bertram: Oh really? And what is it?

Me: I wouldn't want to spoil the surprise.

Number 7: More Bertram clone incoming.

The Rex also tail whipped us and we dodged it..

We blasted the clones and Godzilla then appeared!

Godzilla 2014 roared and ate the T-Rex and destroyed it.

Eli saluted!

Me: Nice job Eli!

Kabuto charged at him and blasted him.

Tyler: Lets get him!

Dino Charge Rangers: "It's Morphin' Time! Dino Charger, Ready!"

A massive fiery explosion blasted off behind them and they were ready for action!

Tyler: "It's about to get wild!"

Me: With us kicking your ass!

Nico: AWESOME!

Qin: COOL!

Tyler: Like old times?

Jenna: You know it!

Adrian Morrigan went after Bertram and he fired extremely powerful blasts of black and purple-pink, white, golden yellow, and blue energy, stars, aura energy, white, golden yellow, and blue heavenly flames, blue flames, darkness, dark lightning, dark fire, dark magic, black magic, Satanic Magic, spectral lightning, ghosts, Boos, phoenixes, and angels, and they exploded as they hit him, and he also whacked him and blasted him with his staff. Then, he also attacked him by flashing the Strobulb in his face and blinded him, and the ring of Boos around the flashlight's head fired purple energy beams at him which hit him hard.

Jenna was surprised as her body started trembling. She yelled out in surprise as her body started expanding

Same with Sunny and Hikari!

Jenna: NO! We control the power. It doesn't control us.

They concentrated and reigned in the powers of Mega Solgaleo, Mega Unown and Mega Mega Tyranitar and transformed and blasted him all over the place.

Me: Take that!

Stewie: Had enough Bertram?

Bertram: You forget that I can use the same weapons as you do! (gets out flamethrower and fires)

I absorbed the fire.

Me: Well you are forgetting that we are not the same as we were when we fought back in 2021.

Bertram: I still have...

But as he reached for his weapons he saw that they were gone!

Rin Nohara: Looking for these?

He saw that Rin swiped all his weapons!

Sakura Haruno: Nice job Rin!

Me: Yeah!

Then I used my powers and made the concrete rise and then trap him in a block of cement.

Me: There we go.

Kevin: Let him stew in his own muck! (LAUGHS)

Then Silver Samurai, Snake, Mole Man, LaGrange, Grodd, Goliath, Atomic Skull, Calamitous, Skinner, and Hydrax Came.

Nico: Silver Samurai, Snake, Mole Man, LaGrange, Grodd, Goliath, Atomic Skull, Calamitous, Skinner, and Hydrax

Bertram: DON'T JUST STAND THERE! GET ME OUT OF HERE!

They thought about it. Their response?

Group: NO! SO SHUT THE FUCK UP!

Me: YEAH!

Silver Samurai: You guys have been busy!

Nico: We sure have!

Me: That is a big time understatement.

Mole Man: The T Rex was new though.

Me: It was.

LaGrange: You didn't fight it last time.

Nico: Yeah no kidding.

Grodd: (to Nico) We heard you fought Universe 666 Maria.

Nico: Yeah we sure did.

Snake: (to Fiona) You should take care of that Pichu

Fiona: I will.

?: (CRYING) WHY MUST IT HURT!

A figure came out and it was BOOHOO THE CLOWN from episode 5 of Zeo!

Boohoo the Clown is (as his name applies) a clown-themed Machine Empire monster who serves as the primary villain of the episode "For Cryin' Out Loud".

As an idea given by Klank, Boohoo (who according to Klank is "wonderful with children") was dispatched from the Machine Empire as a plan to enhance the frequency and amplitude of baby Joey's voice to make the soundwaves extremely destructive.

He first appeared in Joey's room disguised as a toy clown and when Tommy left, he reverted to his real form and used his High Sound Frequency Wave ability at the baby. He later returns and encounters Tanya, Adam, Rocky, and Katherine with baby Joey. When the Red Ranger appears, he battles alongside an army of Cogs. The monster was able to stun the Rangers with his lightning attack as the Cogs dispatch Alpha (who was protecting the baby) away. Afterwards, both he and the Cogs were able to escape with the baby.

He later returns with both the army of Cogs, Klank, and Orbus to Angel Grove's electric power plant to destroy it with baby Joey's cry.

The Rangers appeared and battled the Cogs. Tommy managed to make it to the baby, but Boohoo fired energy blasts at him, causing the Red Ranger to nearly fall, but he manages to regain his footing and make it to the baby. Unfortunately, the bottle was empty, causing the baby to cry. Boohoo then fires energy bubbles from his baton at the Red Ranger, which causes the area to shake and the baby carriage that Joey was on to roll and fall off. Tommy grabs the carriage, but to his shock, he finds it empty. Luckily, it was revealed that Billy was able to teleport Joey to the Command Center, where he'll be safe.

Now angered, Boohoo summons the Quadrafighters to attack the Rangers, who were able to take them out with the Zeo Laser Pistols. Boohoo then fired his lightning waves at the Rangers and even ambush them with energy rings fired from his Clown Rattle. The Red Ranger then used his Zeo V Power Sword to attack him, but he missed. Klank and Orbus then enlarge Boohoo the Clown, so the Rangers summon the Zeo Zords and formed the Zeo Megazord to battle the monster. Boohoo had the upper hand with the Baby Bottle Bombs and mouth laser combination, but the Zeo Megazord was able to deflect the mouth lasers back at him with the Zeo Megazord Saber. The Rangers then used the Zeo Megazord Saber to destroy Boohoo the Clown once and for all.

Adam: Boohoo the Clown!

Boohoo: Been a while rangers!

Me: I remember you! You were sent to attack the rangers by amplifying the crying of Baby Joey's voice!

Boohoo: That's right! And that crying was fake by the way. I don't really cry that much.

Me: Didn't think you did.

Qin: Yeah.

Boohoo: But good memory.

Me: Thanks.

Boohoo: Were there any clowns on these floors?

Stewie:...no.

Me: Yeah.

Hocus Pocus: What? Crane Hermit came back again?! Ugh, talk about a sore loser, and Monster Carrot is also another old foe Goku face when he was a kid.

Pan: Yep, those two old faces from Grandpa's past when he was a kid showed up once again, and let me tell you, Caleb Maxwell unleashed pure Hell on Earth on those two.

Mole Man: I can guess. But, why the Hell did they even do that?

Felix the Cat: They did this to get revenge on The Z-Fighters for ruining their schemes in the past.

Scoria Wurm: And Caleb made them confess big time to the public, but he was absolutely pissed off big time yesterday and even today. There was no way we were able to cool him down not after this and here's what he did to them while we were in the gym.

Mole Man: SAY WHAT?! He's gonna torture them for eternity!

Martian Manhunter: Yes, and Caleb had a curse put on them, so they won't die from the tortures he's going to inflict on them!

Mole Man: Oh God, I knew those two were jerks, but what they did in kidnapping Allie and turning her into their puppet for their revenge scheme, we also tried to keep ourselves from tearing their heads off, it's best we let Caleb torture them forever.

Suddenly, Lincoln's Mark of The Incubi on his left thigh started glowing with intense red light, and Lincoln gained another extreme increase in his already abnormally high sex drive, hyperpuberty, and genes that he inherited from his parents, and the supernaturally potent and powerful aphrodisiac pheromones that enhanced his own infinite-times high levels of libido and other sexual aspects was out in full force and his eyes turn from deep sapphire blue to deep blood red with slit pupils: the effects of The Mark of The Incubi have taken hold of him, and the supernaturally potent and powerful aphrodisiac pheromones caused Purgatori to fall under his control as he walked up to her, and then...!

Lincoln sank his fangs hard into Purgatori's neck and he began sucking her dry of every last drop of blood along with sucking out her powers and assimilating her Telekinesis, Levitation, Flight, Self-regeneration, Teleportation, Superhuman strength, Superhuman speed, Possession, Immortality, Elementumkinesis, Shapeshifting, and Swordsmanship, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his massive white angel wings and 104 sets of large white angel wings underneath his massive white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on his 105 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Her blood tastes real good along with the power flowing into my body! RRGH!

Lincoln kept sucking Purgatori dry of blood and power and he also sucked out her organs through his fangs, and he also sucked out her soul and he also drained all the energy in her soul and banished her soul to The Black Abyss. When Lincoln was done, he dropped Purgatori's body which was now a mummified dried up husk and he let out a loud and massive roar and howl of dominance and power as he pounded his chest like a gorilla and he flexes his massive muscles!

We cheered wildly as we holstered our weapons and powered down and Sigurbjorn Orresdottir's new body, clothes, weapons, jewelry, Third Eye, larger raccoon ears, larger raccoon tail, large gold halo and large gold Yata no Kagami mirror with gold flame ring-shaped frame around it with embedded dark blue gems behind the gold halo with four large orbiting gold rings on each corner and four large Yata no Kagami mirrors with gold flame ring-shaped frames around them with embedded dark blue gems behind the gold rings behind her head, one-hundred large black and dark blue planets orbiting around her legs, one-hundred smaller black and dark blue planets orbiting around her waist, smaller planets orbiting around her fingers, medium sized black and dark blue planets orbiting around her wrists and ankles, and massive black angel wings and ninety-nine sets of large black angel wings underneath her massive black angel wings are permanent.

Sigurbjorn Orresdottir Cooper: It's over for you, Purgatori, and to this we say good riddance. Thanks for helping me get rid of the evil dragons, Lincoln. You too, guys.

Lincoln (Smiles Warmly) You're welcome, Sigurbjorn.

Me and Nico: Our pleasure, Sigurbjorn.

Suddenly, Sigurbjorn Orresdottir Cooper wrapped her arms around Lincoln's waist, as her breasts pressed against Lincoln's massive pecs and her stomach pressed against his twelve-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Sigurbjorn Orresdottir Cooper's face, they kissed passionately as she moved her hands onto Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, Dragon, Tiger, Mermaid, Angel, Fairy, Succubus, Incubus, Windigo, Alicorn, Demon, Vampire, Werewolf, and Doves flying in the air, and we saw a herd of Buffalo and many animals running across the field and elemental forces behind them and we cheered wildly. Then, Lincoln and Sigurbjorn Orresdottir Cooper sucked in and absorbed the elemental forces and they came back to us as the display vanished.

Sly Cooper: Now, that's what I call impressive. Sigurbjorn, you transformed and you guys really let that evil vampire goddess have it.

Me: That's for sure, she didn't stand a chance against us even now. So, Lincoln, who's the next girl we're meeting on your rescue tomorrow?

Suddenly, we saw the symbol of The Gem-Knight Order of Crystal Justice with Gem-Knight Amethyst.

Lincoln: The symbol of The Gem-Knight Order of Crystal Justice with Gem-Knight Amethyst

Catherine Diamantis: There's only one person who matches this: Amethyst Rodriguez, Avatar and Gene-Slammer of Gem-Knight Amethyst, and you guys are gonna love meeting her, Amethyst Rodriguez, Avatar and Gene-Slammer of Gem-Knight Amethyst, is Lincoln's Guardian Angel from Michigan, she's a powerful and extremely deadly angel who was born with the powers of Cosmic Geokinesis, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the powers of Amethyst gems and crystals. She's known as The Amethyst Master of The Gem-Knight Order of Crystal Justice, a group of girls who are the Avatars and Gene-Slammers of The Gem-Knight Duel Monsters and who were born with the powers of Cosmic Geokinesis, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the powers of all gems and crystals, and their goal is to not only protect and defend Lincoln from his enemies, but also, to bring an end to the order's archenemies: The Steelswarm Subjugation Coalition, a group of evil girls who Gene-Slammed themselves into The Steelswarm Duel Monsters and wanted to destroy mankind and rule the world, but before they were Gene-Slammed, they were narcissistic abusive controlling bitches who got a sick kick out of destroying families and ruining their lives for their own sick and twisted amusement and to satisfy their need for control, but when they tried to destroy Lincoln's family, they wound up getting their lives ruined and Catherine and her friends banished those bitches into the deep abyss where The Steelswarm Duel Monsters were banished to in ancient times, and they swore to get their revenge on them for this. Amethyst Rodriguez came to Royal Woods where she met Lincoln, and she taught him how to master the powers of Cosmic Geokinesis, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the powers of Amethyst gems and crystals, and over time, Lincoln gained Cosmic Geokinesis, omnipotent power, Omnipotence, Omniscience, Cosmic Awareness, and the powers of Amethyst gems and crystals, and he was already born with immortality and invincibility, and she also helped him seriously bulk up in muscle and she also knew Lincoln is a True Alpha Werewolf-Vampire hybrid and an extremely powerful and attractive one, and more than once, she'd kissed him on the lips and made out many times and he came back home all covered in kisses and his tails were wagging like crazy, and it made her love for him grow even stronger, and she helped him really bulk up even more in muscle and she also helped him grow in intelligence, power, and knowledge. Lincoln made her a beautiful rainbow diamond ring, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem, and she's used her powers to keep Lincoln's enemies in line, but there is one person whom she despises and desires nothing more than to kill: that person is none other than Eileen Fravel, Gene-Slammer of Steelswarm Gatekeeper and member of The Steelswarm Subjugation Coalition, she was a heartless, sadistic, loathesome, evil, narcissistic, abusive, controlling bitch who got a sick kick out of destroying innocent families and ruining their lives for her sick twisted amusement and to satisfy her need for control, and she was also the one who murdered Amber's parents and her little sister, Aria, in cold blood, and she swore to kill Eileen Fravel and make sure she's sent to The Black Abyss forever!

Me: Oh man...!

Lincoln: Amethyst lost both her parents and her little sister, Aria, and Eileen Fravel killed them in cold blood because they got in her way, she hated life itself and got a sick kick out of destroying innocent families and ruining their lives for her sick twisted amusement and to satisfy her need for control and destruction.

Qin: Another damn, heartless, sadistic, loathesome, evil, narcissistic, abusive bitch!

Nico: She don't deserve to live, if that bitch shows up along with the other bitches, they're dead!

Goliath: What was is in that snow cone?!

Professor XXXL: My secret ingredient. Remember how that Mosquito from Senegal bit Quagmire?

Atomic Skull: I see

Professor XXXL: Yep I laced it with his poison.

Calamitous: That was clever.

Me: Genius professor.

Skinner: Either way, the remnants of Springfield's rival town are no more

Me: Good fucking riddance.

Hydrax: But how did you finish Bertram off?

Me: I used the power of the infinity stones like how we erased Thanos and his followers. I used their power to destroy Bertram and his clones from all over the Multiverse as well as all the evil offspring of Peter Griffin and erase them all from existence forever. Minus Stewie, Meg, Chris and Peter's sister Karen.

Meg: I do like Aunt Karen.

Me: I figured.

Hydrax: WOW! J.D. that was awesome!

Me: Yep.

Nico: J.D. was on a roll the entire time. He convinced the Frat Girls to start fresh and convinced Evil Santa and Evil Adam West to join you guys.

Me: Aww it was nothing.

Nico: But great job today everyone. Lets go to Lynn's Table and celebrate.

Me: Good idea. I'm starving.

Stewie: Me too. (To the viewers) Now we are rid of Bertram forever. Including the fat man.

Qin: Yep.

We went to Lynn's Table and had a great meal.

We returned home, and hours later, night fell on the city, and Lincoln's harem and Guardian Angels were heading to the hot springs in Lincoln's room.

Lily the Mermaid: We did it. We finally got rid of Bertram for good.

Anna Anyanova: That's for sure, and now, we are rid of the last remnant of that testicle-chinned douchebag, Peter Griffin. Good riddance to him.

Then, just as they were about to enter the room, they caught the scent of roses and a strong cologne in the air, and as they opened the door, there in the hot waters was Lincoln who was in an orange speedo, and his towel was on the rack, and when his harem saw him, they had an atomic red blush on their cheeks and their noses gushed out blood.

Lincoln: (Seductive Voice) (Flexes his massive arms and his massive biceps bulged even more with more veins forming)(Smirks) Like what you see, ladies?

They could only nod, and they went up to Lincoln as they stripped off their clothes leaving them in their two-piece bikinis and they joined Lincoln and the hot water's minerals really did wonders for them. Then, they went to the massive expanding sauna, and the hot steam really did wonders in opening their pores.

Finally, they got out and the girls were on top of Lincoln as they kissed passionately.

Lily the Mermaid: (Rubs Lincoln's massive pecs) (Seductive Voice) My God, you're still the same intense kisser from long ago, and getting pumped full of Regina Fessterox's Perfect Gene-Slammer serum along with her patented muscle mass growth serums and potions, muscle mass growth supplements, brain growth serums, brain growth supplements, testosterone growth serums and potions and virility growth serums and potions has already gotten you ready for another...passionate night. You ready, you now even more handsome massive hulking hunk of a wolf?

Suddenly, Lincoln's Mark of The Incubi on his left thigh started

glowing with intense red light, and Lincoln gained another extreme increase in his already abnormally high sex drive, hyperpuberty, and genes that he inherited from his parents, and the supernaturally potent and powerful aphrodisiac pheromones that enhanced his own infinite-times high levels of libido and other sexual aspects was out in full force and his eyes turn from deep sapphire blue to deep blood red with slit pupils: the effects of The Mark of The Incubi have taken hold of him.

Then, Lincoln wrapped his arms around Lily the Mermaid's waist and laid her on his bed with him on top of her and he kissed her passionately as he still had his arms around her and she had her hand on his speedo about to remove it and leave him in the nude with the rest of his harem joining in.

Lincoln: (Seductive Voice) (Smirks) You bet. Alright then, I hope you're ready, ladies. (Seductive Wolf Growl)

Lincoln used his 105 massive and long brown wolf tails to push the door shut, and then, the barrier activated, but it also turned deep red thanks to the magic of Lincoln's Mark of The Incubi activating.

THE END

Another awesome chapter done.

JUSTICE FOR THE SCHNEES

Weiss's Day to Shine and it's to get her justice

In the early morning hours of 12:00 AM, Lincoln was asleep along with his harem and kids, and he had a dream as it took him to a distant galaxy, and there he saw what he couldn't believe: it was a colorful crystal mountain planet in The Forbidden Zone, but billions of years ago, this planet was once inhabited by powerful male warrior angels who were not only natural born fighters, but had powers over crystals, gems, and minerals, and were given even more incredible powers, immortality, virility, and invincibility by the deities they've worshipped, fought against numerous ancient monsters and demons, and impressed many of the females there, and they were among the most advanced civilization in The Forbidden Zone. But, they'd been defeated by The Infernairans eons ago and imprisoned inside a well where their souls remain imprisoned to this day. Lincoln woke up.

Lincoln: Was that?

Lincoln 2: (Through the Rainbow Thunderbird and animals on Lincoln's forehead) Another planet in The Forbidden Zone, that was Crystallumaira, a colorful mountainous planet of crystals in The Forbidden Zone that was inhabited by powerful warrior angels called The Crystallumairans, the males were not only natural born fighters and had incredible superhuman strength, but had powers over crystals, gems, and minerals, and were given even more incredible powers, immortality, virility, and invincibility by the deities they've worshipped, fought against numerous ancient monsters and demons, and impressed many of the female Crystallumairans, and they were among the most advanced civilization in The Forbidden Zone. But, they'd been defeated by The Infernairans eons ago and imprisoned inside a well where their souls remain imprisoned to this day.

Lincoln: I already know the drill.

Lincoln got up and got dressed, and he left a note explaining it, and then, he headed off to Planet Naturaira once inhabited by The Crystallumirans, but were defeated by The Infernians eons ago and were imprisoned in a well where their souls remain imprisoned to this day, and The Sun that's infinite-times hotter than The Sun and the amount of solar radiation and light also exceeds that amount, and the planet was like the many planets we've been to, but had an amazing and advanced massive city with smaller cities connecting the main city.

Lincoln landed on the planet, and it was really beautiful.

Lincoln: Wow! So, this is Planet Crystallumaira, wow, it's really beautiful.

Lincoln 2: (Through the Rainbow Thunderbird and animals on Lincoln's forehead) Yep. This place used to be full of life, but now, it's silent as the grave.

Suddenly, Lincoln felt incredible power coming from the north, and there he found it: the well of souls of Crystallumaira.

Lincoln: There it is.

Then, Lincoln hovered his hand over the intricately carved stone cover with a rainbow gem surrounded by angels carved on it, and then, the arctic blue gem in the center glowed. Suddenly, the cover came to life and slid off, and then, a massive tornado of rainbow-colored souls came out numbering in the septillions: they were the septillions of souls of the ancient male warrior angels of Planet Crystallumaira.

Lincoln: Unreal!

Suddenly, the septillions of souls of the ancient male warrior angels of Planet Crystallumaira then flew at Lincoln, and one by one, they each began entering Lincoln's body and they merged with him as he gained an astronomically massive power boost and he gained their powers over gems, crystals, minerals, and incredible godly powers, immortality, virility, and invincibility, and his abnormally massive and powerful upper and lower body muscles bulged even more and veins formed, and his massive white angel wings and 104 sets of large white angel wings underneath his massive white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on his 105 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Lincoln: (GROWLS) Oh man, this feels incredible. RRGH!

When it was done, Lincoln's rainbow, white, golden yellow, and blue energy aura was raging like a wild fire and he had a rainbow, white, golden yellow, and blue aura with crystals, gems, and minerals surrounding him and the rainbow, white, golden yellow, and blue protective aura as well as he pounded his chest like a gorilla.

Lincoln: Oh man, all of their powers over crystals, gems, and minerals, and all of their incredible godly powers, immortality, virility, and invincibility along with their spirits and lives have merged with my body.

Lincoln 2: (Through the rainbow Thunderbird on Lincoln's forehead) Along with eons of combat experience. Now, there's one last thing to do.

Lincoln flew deeper and deeper into the planet, and then, he found it: the core of Planet Crystallumaira, the inner and outer cores of the planet consisted primarily of iron and nickel and are extremely white hot with the temperature at 99,999 degrees Fahrenheit, and his rainbow, white, golden yellow, and blue energy aura was flaring up and he was growing stronger thanks to him absorbing the immense heat.

Then, Lincoln flew into the planet's core, and his rainbow, white, golden yellow, and blue energy aura flare up even more as he began absorbing the core of the planet and Planet Crystallumaira itself into his body and he was really growing even stronger than ever, and his abnormally massive and powerful upper and lower body muscles bulged even more and veins formed, and his massive white angel wings and 104 sets of large white angel wings underneath his massive white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on his 105 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Lincoln: (GROWLS) Oh man, this feels even more incredible. RRGH!

Then, when Lincoln was done, his rainbow, white, golden yellow, and blue energy aura with mythical animals, beasts, and animals and his rainbow protective aura was like a raging fire, then, a rainbow fire aura flared up around the two auras as well, and then, he disappeared in a flash of light and reappeared in space. Then, he flew into Planet Crystallumaira's Sun and he sucked it in and absorbed it into his body, and his abnormally massive and powerful upper and lower body muscles bulged even more and veins formed, and his massive white angel wings and 104 sets of large white angel wings underneath his massive white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings

and phoenix feathers on his 105 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Lincoln: (GROWLS) Oh man, this feels incredible. RRGH!

When it was done, Lincoln's rainbow, white, golden yellow, and blue energy aura was raging like a wild fire and he had a rainbow, white, golden yellow, and blue fire aura surrounding him and the rainbow, white, golden yellow, and blue protective aura as well as he pounded his chest like a gorilla.

Lincoln: Now, that was so incredible! The septillions of souls of the ancient male warrior angels of Planet Crystallumaira have merged with me, and I also absorbed their planet's core, Sun, and planet themselves into my body. (Flexes his massive arms and his massive biceps bulged even more with veins forming)(GROWLS) RRGH! (Smirks) My harem's going to be in for one awesome surprise along with the others.

Lincoln disappeared in a flash of light and came back to his room, and as soon as he did, his harem were up and they got his note along with sensing his sudden energy and power surges.

Girl Jordan: We got the note, and you explained everything. Plus, we also felt your sudden energy and power surges. (Smirks)(Rubs Lincoln's massive pecs) And you're even more insanely ripped than ever.

Lincoln: (Seductive Wolf Growl)

Suddenly, Lincoln's room glowed and expanded even more: his gym had expanded with more weight machines, equipment, and dumbbells, more libraries of spellbooks and volumes of histories from civilizations of ages and eons past were included along with the expansions of their merged castle, hot springs, massive extra-extra large never-ending expanding bathroom for him and his expanding harem, and massive extra-extra-extra large never-ending expanding bed for him and his expanding harem.

Anna Anyanova: Okay, that was a surprise. But, you're gonna have to explain it tomorrow.

Lincoln: I will.

Lincoln and his harem went back to sleep. Then, as morning came, Lincoln and his harem and kids got up, brushed their teeth and showered, and got dressed, and we had a massive breakfast ready with steak, eggs, and bacon, and Lincoln was piling on the protein.

Lynn: Whoa! Someone's really piling on the protein!

Me and Nico: He needs it as always.

Lincoln: You got that right.

J.D. 2: And I felt your sudden power and energy surges last night, Lincoln, all of us did.

Lincoln 2: (Through the rainbow Thunderbird and animals on Lincoln's forehead) I knew you'd be the first to react, J.D., let me explain.

Then, Lincoln 2 explained everything, and when he was done, we were shocked.

Nico: Oh man, you found another planet in The Forbidden Zone? Awesome! But, I can't believe that it's another planet The Infernairans terrorized! Damn.

J.D. 2: I remember Crystallumaira, it was one beautiful planet full of crystals, gems, and minerals.

Lincoln 2: (Through the rainbow Thunderbird and animals on Lincoln's forehead) The Infernairans laid waste to The Crystallumairans, and there truly is no end to the terror they'd wrought throughout the universe

Lincoln: Arpina's former people were absolute monsters.

Weiss woke up to see Cyndaquil staring at her.

Cyndaquil: Morning Weiss! Time for breakfast!

Weiss: Oh okay.

She went and got dressed and went to the table.

Rarity: Oh good morning Weiss darling.

Weiss: Morning Rarity.

We had Weiss's breakfast ready and it was Steak, eggs and toast with hashbrowns.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye and the eyes on the shoulder blades of his massive white angel wings and 104 sets of large white angel wings under his massive white angel wings, his cutie mark tattoo on his back and Thunderbolt cutie mark with surrounding elements on his massive left pec, and his and his large gold halo in the center and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo that's behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four large orbiting gold rings on each corner glowed, and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, and a one-way viewing window formed, and we saw who the figure was in the vision: we saw a purple-haired mega hot girl sinking in quicksand on the planet Criam.

When I saw the purple-haired mega hot girl, I had an atomic red blush on my cheeks and muzzle, hearts in my eyes, and my nose gushed out blood!

Me: WHOA! I think I just saw another new addition to my harem.

Sakura Kazehana: I know her, that's Amethyst Grapestorm, The Amethyst Master of Criam and a master of Amethyst Crystal.

Nico: Uh oh, then that means...!

Suddenly, we saw two figures there as well, and when we saw them, we were pissed off! They were none other than our old enemies:

Abby Sanchez, the bully who bullied Luan and one of the two who turned her into the monster prankster, has come back from The Black Gates for revenge on us yet again, and Blair Sanchez, Abby's evil spiteful cousin who hated us every last one of us with a blazing passion and wanted to kill us all for always protecting Earth and everyone on it and the entire universe just because she hated us.

Lincoln: It's not another scumbag of J.D.'s past nor one of Universe 666 Nico's minions we're facing, it's our old enemies, Abby Sanchez, the bully who bullied Luan and one of the two who turned her into the monster prankster, has come back from The Black Gates for revenge on us yet again, and Blair Sanchez, Abby's evil spiteful cousin who hated us every last one of us with a blazing passion and wanted to kill us all for always protecting Earth and everyone on it and the entire universe just to slake her own hatred.

Eli: I don't believe it.

Lincoln: And it gets worse, those two hate-filled bullies were the ones responsible for breaking the six scumbags from J.D.'s past out of prison and they kidnapped the girls to kill them and piss us off and kill us as well!

WE WERE ABSOLUTELY PISSED!

Luan: I knew Abby and Blair were scum, but this has gone way too far.

Ymir: Who are Abby and Blair?

Me: Abby is an old bully from Luan's past and she hated her with a vengeance.

Nico: She is the reason why she was pranking everyone in the Loud House like the Joker would have done.

Eddy: And she is also the girl that bashed me on the head with 2 bowling balls and a bowling pin that lead to the making of Dark Eddy!

Ymir: OUCH!

Me: I know. And Blair is her cousing and she hates EVERYTHING we do and wants everyone to suffer.

Ymir: GEEZ! They are monsters!

Me: That's an understatement. We're heading down to Criam to not only rescue the last girl there, but we're gonna tear those two scum-sucking butt-munching hate-filled bitching banshees down and we're banishing them both to The Black Abyss!

Lincoln: This is the last time we ever have to deal with Abby and Blair Sanchez, those two are done plaguing us.

But, before we could begin to head out to Criam to finish those two banshees off, we heard screams coming from the dungeons, and we saw Crane Hermit and Monster Rabbit run upstairs and are on their knees pleading to us and they looked like a mess.

Monster Rabbit: WE CAN'T TAKE IT ANYMORE! WE SWEAR WE WILL OBEY VYPRA AND NOT PLAN ANY SORT OF REVENGE AGAINST YOU AGAIN!

Crane Hermit: PLEASE, DON'T LEAVE US WITH THAT BLOODSOAKED DEMON FROM HELL! HE'S A MONSTER, AN ABSOLUTE DEMON!

We were really shocked: they had burns and scars on their bodies, and they were crying like babies.

Nico: Wow...!

Me: Damn...! Caleb, you really broke them.

Then, Caleb Maxwell came up along with Cage Blunt, Travis Tackett, James Blunt, Timothy Maddock, and Victor Bristow.

Victor Bristow: (German Accent) Caleb was at it since you guys woke up, he went wild on them again.

Timothy Maddock: Even I was stunned that Caleb would go at it again, but he wanted them to pay, but when they finally cracked, we told Caleb to stop and he did, but as soon as we untied them, they ran for their lives to all of you.

Nico: Yikes.

Cage Blunt: I doubt Caleb's gonna free them from the...!

Caleb Maxwell: Alright, I guess I had enough fun for two days.

Caleb removed the curse on them. But, as soon as he did, they ran away like headless chickens and into a portal to The M.O.E. that Lincoln opened up.

James Blunt: You really broke them big time, Caleb.

Travis Tackett: Even I was stunned at the sheer violence you wrought on them.

Lincoln: Well, he was that pissed off big time on Gallus and Dan's big day, and yesterday too, so he had his fun and removed the curse and they ran for The M.O.E., though I think you traumatized them for life. Alright, now let's finish breakfast and head for Criam to rescue the last girl and kill Abby and Blair Sanchez.

Me: Right.

We finished breakfast, and we headed to Criam to help Posey Shy unlock her Rainbow Power and rescue Amethyst Grapestorm and kill the masterminds behind the breakouts of those six scumbags, Abby and Blair Sanchez, and send them both to The Black Abyss forever.

The U.S.S. Valorous Phoenix was flying through space.

Nico: Captain's Log, Stardate 14051.3: The U.S.S. Valorous Phoenix is en route to the planet Criam for one last time to battle more scumbags. But this time it's not one of J.D.'s scumbags or Universe 666 Nico's minions it's one of Luan's enemies this time. Our mission is to rescue the last girl and defeat Abby Sanchez and her cousin Blair.

Me: Thank goodness this is the last time we're going to Criam.

May: I agree there.

Xenia: Boy hese were wild rescues.

Me: They sure were.

Universe 666 May: I agree there. But it was really awesome and fun.

Dina: It sure was.

Lola: Yeah!

Ryan Mitchell: I'm excited for this too.

Me: Same here.

Nico: Ryan, I want to thank you, Ghostface, and your teams for coming

Ryan Mitchell: No problem Nico. This will be awesome.

Zenowing: I'm excited for this as well.

Nico: Zenowing, it honestly is hard to tell you and Philiip's suits apart

Zenowing: It is confusing isn't it. Mine is more silver and my helmet has fangs on the face visor.

Philip: (British Accent) Mine is darker grey and has a beak face visor on it.

Nico: Oh. That does make more sense.

Jenna Navarro: That was my first reaction when I started out with the team.

Me: I can see that.

Jenna Navarro: Yeah. Also I heard that you guys destroyed Sledge when the Void Queen appeared.

Me: No we battled Arcanon and we spared him because we thought that Vypra has plans for him later.

Cornelia: It was absolutely disgusting with him and Poisandra acting all lovey dovey! I was like GET A ROOM YOU TWO!

We laughed!

Me: Yeah that was yucky! No offense everyone.

Nico: None taken.

Universe 666 May: None taken.

Nico: I might have a plan for the two of them as well

Me: Ooh nice.

Qin: Wow.

Zenoheld: I hate Sledge too.

Me: Same here.

Mary Knudson: But Cavity makes really awesome cake.

Nico: He sure does.

Jenna: Really?

Mary Knudson: He sure does. My powers make me immune to his tooth rotting desserts and they give me a really awesome boost.

Me: My daughter Mary loves all sweets and they make her stronger.

Jenna: Wow!

Chase: I tried them once. It was painful.

Rita: OOH! Nasty toothache on steroids.

Juru: That's nothing. You should have seen what Tooth Decay Jamen did. He made our mouths so badly rotten and it felt like our jaws were being crushed by a piledriver.

WE CRINGED!

Me: OOH! HOLY SHIT! I remember that! That was REALLY PAINFUL to see.

Sena: It's true.

Saya: Yeah I still had nightmares about the pain.

Me: OOH! If we do face Tooth Decay Jamen in the usual battles, we're going to need the most powerful dental drill we can muster. I remember he was very tough and hard to beat.

Juru: That's right.

Rarity: My goodness. That was painful.

Kuni Atsuta: I'll never forget what he did to me. Look.

She pulled out dentures and showed her mouth and her TEETH WERE ALL BLACK AND DISGUSTINGLY ROTTEN! SOME OF THEM HAD EVEN FALLEN OUT!

WE GASPED!

Me: OH BARF!

Camie: GOOD GOD!

Poromon: Oh no!

Me: Geez! That looks like you ate a hydrogen cyanide capsule.

Kuni Atsuta: (Muffled) It feels that way doesn't it.

She put her dentures back in.

Kuni Atsuta: But I am on the waiting list to get new dental implants.

Rita: That is something I can help you with.

Lincoln: Mom is a really awesome dentist too.

Me: Yep.

Kuni Atsuta: Wow!

Me: Yeah.

Jynx: I can help as well

Rita: Yes you can.

Me: Yeah.

Kuni: Thanks guys.

Me: Yeah. Whoa! Man yesterday was INTENSE!

Xenia: Holy crud! That tower Bertram built was amazing.

Me: Yeah!

Nico: And J.D. was on a roll with convincing people too. Man you did really well.

Me: Aww it was nothing. But Bertram gave us an amazing challenge. Stewie are you glad your archnemesis half brother is gone?

Stewie: Yep. (to Brian) Well, Brian. We did it. Bertram is finally gone for good. And you were worried about other versions coming for revenge.

Brian: Yep I was. But I'm glad he is gone.

Me: And we erased the last remnant of that testicle-chinned douchebad dirtclod Peter Griffin.

Stewie: The Fat Man!

Me: Yeah!

Camie: Man each level was really cool!

Nico: Yep. But the Mad Scientist Level was crazy. Levi's Akuma was one fucked up monster!

Levi: I may be a scientist but I am not that crazy!

Qin: Yeah!

May: I was violated!

Tara: ME TOO!

Gwen Tennyson: SAME HERE!

Sarah Gunnerson: ME TOO!

Sakura Haruno: NO ONE SLAPS MY BUTT AND GETS AWAY WITH IT!

Me: Easy girls easy.

Manaphy: Yeah mama calm down. Besides we defeated them.

Me: Also this made up for lost time for me and Zarya. We got to be part of the action.

Zarya: We sure did.

Yumi: That is true! I can't believe that happened to me!

Jen: Same with me!

Me: I know.

Brian: I'm glad we didn't have to kill Santa's reindeer

Nico: I know. But that was great convincing to get Santa there to change.

Me: Yeah because I can tell he was hurting inside because of Bertram.

Nico: Yep. And turning the factory he had into an amusement park and 24/7 Christmas theme park world was genius.

Me: Thanks. Much better than a bomb and weapons factory. Also the kids love talking to and petting the reindeer and are great friends.

Qin: They sure are and the elves are much better now. They are great friends for everyone in Poromon's preschool.

Poromon: And the eggnog is great too.

Timmy Turner: (LAUGHS) Now my dad can drink as much eggnog as he wants from there.

Poliwag was drinking eggnog

Poliwag: Ahh! Delicious.

Me: Goes good with brandy and peppermint schnapps.

Poliwag: Really?

Me: Yep.

I made some for him and put some nutmeg on it.

Poliwag drank it.

Poliwag: Yummy!

Me: Yep.

We laughed.

Me: All in all it was awesome.

Ed: I loved all those alien chickens! HUG A CHICKEN! HUG A CHICKEN! HUG A CHICKEN! HUG A CHICKEN!

Eddy: Lumpy, those chickens were evil

Ed: But I love chickens Eddy!

Edd: Yes we know Ed.

Me: But man that was crazy! I did not expect there to be an Egg Shaped version of the Death Star they were going to build too.

Sonic: It reminded me of the Death Egg that Dr. Eggman built.

Eli: Boy how can I forget that. That was a crazy battle on that too.

Me: I can tell. Also those clones were brutal!

Maria: Quagmire tried to touch me!

Me: Yeah!

Meg: At least I got some well deserved payback on Peter.

Me: Yep. Too bad Ernie the Giant Chicken couldn't get some shots in on him though.

Ernie: I think there was enough chicken to go around

Me: You're right on that Ernie.

Nico: Yeah. Also that was funny smashing Connie's head against the wall like that.

Meg: The bitch had it coming.

Me: Yep. And Principal Shepard is now in prison.

Nico: He's not worth killing anymore

Me: Nope. But the final blow was Professor XXXL giving Bertram a snowcone laced with Senegal Retba Flu Mosquito Venom.

Nico: What?

Me: That was the mosquito that Peter found. It was called the Senegal Retba Flu Mosquito.

I showed a picture of it. It was a black mosquito that was red and black and it had a picture of the disease it causes. It makes you turn red and bloat up fast and have ugly yellow welts on your face and blood pours out of your eyes.

Nico: GEEZ!

Me: It's 100% Fatal. No cure. Also Bertram used his willpower to hold himself on while I delivered the ultimate blow.

Nico: Using the power of the Infinity Stones to erase them from existence.

Me: Yep.

Nico: Bertram was doomed either way.

Me: Yep.

Lisa Loud: We have arrived at our destination!

Nico: On screen.

We saw that we were at Criam.

Me: Planet Criam for one final time.

NIco: It sure is.

We landed and got out.

Me: We're here.

Nico: You okay now, babe?

May: Much better. Thank goodness.

Me: Yeah.

Nico: Good.

Lincoln: Okay, guys, we're in for one intense battle, we're here on Criam to help Posey Shy unlock her Rainbow Power and rescue Amethyst Grapestorm and kill the masterminds behind the breakouts of those six scumbags, Abby and Blair Sanchez, and send them both to The Black Abyss forever.

Me: I still couldn't believe those two rotten banshees were the ones behind the breakouts of those six scumbags and the kidnapping of Sakura's friends.

Nico: Those hate-filled banshees have caused us enough grief, this ends here and now.

Luan: We'll make sure of that. Abby, Blair, you two are done trying to make our lives Hell, this is where you both disappear forever.

Ymir: YEAH!

Qin: No kidding!

Nico: Well now we can end them forever.

Suddenly, Lincoln's large gold halo behind his head with four large orbiting gold rings on each corner glowed and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind his large gold halo behind his head and his four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them behind the four large orbiting gold rings fired beams of light that formed into a viewing window and we see Hawk and Hank dressed only in shorts and shirtless and they're hiding out somewhere, and they'd fully regained their abnormally massive and powerful upper and lower body muscles and eight-pack abs along with their massive physical upper and lower body strength, massive levels of virility, and massive levels of testosterone, but they were even more larger in muscle mass than ever. Then, we saw the barbell tattoos on their backs glow red. Suddenly, Hawk and Hank were glowing with red energy, but then, their arms were raised and it looked like their wrists were bound with metal cuffs same with their feet.

Me: Uh oh, here we go!

Suddenly, Lincoln made red portals appear in front of Hawk and Hank, and then, out of nowhere, Lincoln and I turned the tips of our 105 massive and long brown wolf tails into Cell's stingers and they went through the portals and they came out of the portals and stabbed them into the massive pecs, necks, arms, and legs of Hawk and Hank. Then, Lincoln and I began sucking Hawk and Hank dry of their massive muscle mass, virility, testosterone, and massive physical strength and they were groaning in pain as they began shrinking in muscle mass and height.

Then, all of the massive muscle mass, virility, testosterone, and massive physical strength of Hawk and Hank was being absorbed into Lincoln and I, and our abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed and Lincoln's massive white angel wings and 104 sets of large white angel wings underneath his massive white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on his 105 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed and he began growing even more stronger, and my abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed and my massive rainbow angel wings and 104 sets of large rainbow angel wings underneath my massive rainbow angel wings spread out and my large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind my head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on my 105 massive and long brown wolf tails and rainbow sun and moon tattoo on my bare chest glowed and we began growing even more stronger.

The same thing happened to Nico and all the males on the team as our abnormally massive and powerful upper and lower body muscles bulged even more and veins formed on our bodies, and our massive angel wings and other sets of large angel wings underneath our massive angel wings spread out and our halos glowed and we also began growing even more stronger.

Lincoln: (Growls) I haven't forgotten how potent this curse really is.

Me: (Growls) Yeah, this is really potent, but this still feels incredible.

Then, when Lincoln and I were done and the stingers retract themselves from the pecs, arms, legs, and necks of the buttfaces from Hazeltucky and they went back into the portals as they closed and they changed back, we saw that Hawk and Hank were thin as a rake and sucked bone dry of their muscle mass, virility, testosterone, and massive physical strength again, and the glowing barbells on their back stopped glowing.

Hawk and Hank: NOT AGAIN! (ENRAGED SCREAMING)

The viewing window closed as the four large orbiting gold rings and mirrors stopped glowing and the light beams disappeared. Suddenly, we saw that we were even more ripped thanks to Lincoln's curse.

Me: Whoa, that Min's Egyptian Virility Drain Curse Lincoln put on those buttfaces is still really potent. But, look at us, now we're even more ripped than ever. (Flexes my massive muscles) But, wait, I felt that it's even more potent and more stronger than ever!

Lincoln: I did a good thing in increasing the strength and potency of his Min's Egyptian Virility Drain Curse on those two. (Flexes his massive muscles) And this curse will be on them until we finally kill them.

Tommy Oliver heard a Pokemon cry.

Tommy: Look guys!

We saw a Dragonite!

Me: WHOA! A Dragonite!

Xenia: Cool!

Tommy: Looks like he's hungry.

Dragonite: Yes I am.

Tommy gave him apples and he ate them.

Dragonite: Ahh. Thanks.

Tommy Oliver: No problem. Want to come with us?

Dragonite: I would like that.

Poromon: YAY!

Poliwag: Awesome!

Nico: Yep.

I then saw something.

Me: Wait look.

I walked over and saw some very puzzling stone statues.

Nico: Where did these statues come from?

Me: No idea. But wait these are all criminals I busted years ago!

Eli: I sense no life force in them.

I tapped them.

Me: They were killed and turned to stones husks!

Nico: Only one Pokemon has the power to do that! Yveltal!

Poliwag licked them.

Poliwag: YUCK! Tastes like rock!

Me: They're dead and turned into stone Poliwag. Also if Yveltal is here then we got trouble.

Nico: I think he just came! LOOK!

We saw a figure come and it was MEGA YVELTAL!

WE GASPED!

Me: It's MEGA Yveltal!?

Nico: WHOA! And it's not alone!

We saw Mega Lunala and Mega Deoxys with it!

Me: Mega Lunala and Mega Deoxys too?! HOLY SHIT!

The Mega Deoxys shifted form and went into Offense!

It fired an energy ball and I fired a blast of energy and it hit the ball and exploded with intense power!

EXTREMELY MASSIVE AND POWERFUL EXPLOSION!

Me: WHOA!

Nico: POWERFUL!

Mega Yveltal fired an Oblivion Wing blast and I fired a massive Kamehameha Wave and the blasts collided and exploded with intense power more!

UNBELIEVABLY MASSIVE AND POWERFUL FIERY EXPLOSION!

Nico: HOLY CRUD! That is powerful!

Poromon: Where did they come from?

Me: It must be Dark Gale's handiwork.

Touma: Let me see.

He used telepathy on Mega Yveltal and gasped!

Touma: That Mega Yveltal is Stacy Storious!

WE GASPED!

Megan: OH MAN! I can tell she is Storious's sister!

Touma: Wait till you hear the whole story on her.

Gentaro: Lets see.

He used Telepathy and gasped!

Gentaro: Oh man! That Mega Deoxys is my sister Gianna and that Mega Lunala is Ryusei's sister Jinora! You guys are going to be shocked hearing about all they do.

Me: Lets go help them!

We went over to them!

Touma: Stacy calm down!

Gentaro: Gianna it's me Gentaro!

Ryusei: Calm down Jinora! It's me Ryusei!

Mega Deoxys used Psycho Boost and fired a ball of energy!

I deflected it and smashed it down.

Mega Lunala fired a Full Moon Moonlight Blast and I fired a powerful energy blast and the blasts collided and exploded with intense power!

EXTREMELY MASSIVE AND POWERFUL FIERY EXPLOSION!

Me: WHOA!

Nico: Man this is getting intense!

Nicole: I'll say!

Me: Okay then.

We fired waves of energy blasted them!

I snapped my fingers and they reverted back. Stacy reverted back and was a girl with red hair and red eyes and red demon angel wings and had the symbol of Kamen Rider Storious and the symbol of Destruction from Nirn on her forehead and on her arm as A cutie mark.

Jinora was a girl with blue hair and blue eyes and had blue angel wings and had a Galaxy with the Sun, the planets, a comet and the symbol of Meteor on her arm and forehead.

Gianna was a girl with orange hair and orange eyes and had star wings and had the Zodiac with the Fourze symbol on her forehead and arm.

We wrapped them in blankets and brought them over.

They woke up.

Stacy Storious: (Groans) What hit me?

Jinora Sakata: I feel like I got hit all over by the Sagittarius Zodiarts.

Gianna Kisaragi: Yeah.

Touma: Are you girls okay?

Ryusei: We were worried.

Gentaro: Same here.

Stacy Storious: (GASP) Touma!

Jinora Sakata: Ryusei!

Gianna Kisaragi: Gentaro!

They hugged them!

Stacy Storious: We're glad you are safe.

Touma: Same here.

Me: You three were turned into three very powerful Pokemon by Dark Gale. Stacy you became a Mega Yveltal, Jinora you were a Mega Lunala and Gianna you were a Mega Deoxys.

Gianna Kisaragi: OH MAN! But who are Dark Gale?

Me: Oh they are a Pokemon Organization we destroyed a while back.

Nico: Yeah.

Gianna Kisaragi: Wow!

Me: What were you girls doing when you got slammed?

Stacy Storious: I was fighting the Hanzaki Megid.

Me: I remember that one! That was intense!

Eli: Yeah!

Touma: Yeah he sure was.

Megan McCallister: I can't remember if we faced that one on my missions or not.

Nico: I think we did.

Megan McCallister: Hmm.

Gianna Kisaragi: I was battling the Aquarius Zodiarts.

Me: I remember that one! That was a tough one.

Whenua: Yeah it sure was!

Gianna Kisaragi: I know. That was my best friend Erin Suda. I talked her out of being bad like that and made her a force of good with her powers as the Aquarius Zodiarts.

Me: WHOA! That is amazing!

Maria: Looks like we have another member joining the redemption squad.

Nico: Yep.

Jinora Sakata: I was battling the Coma Zodiarts.

Me: Whoa! The Zodiarts of Coma Berenices, Berenices Hair.

Jinora Sakata: That's right.

Me: Yeah. I remember that one. That was a crazy one.

Nico: Yeah.

Whenua: It sure was.

Poromon: What are your Rider titles?

Stacy Storious: I'm not a Kamen Rider but I do help the Saber Team battle their enemies.

Touma: Stacy is a powerful one. She can destroy entire planets in an instant and it's how she got the moniker The Symbol of Armageddon! She is also the older sister of Storious but she is a deadly force of good. She hates her brother with an absolute vengeance and she vowed to make sure he suffered the worst kind of punishment ever and that is turned to a stone statue and placed on a planet she doesn't like and blow it up with it on it and obliterate him.

WE GASPED IN SHOCK AND AMAZEMENT!

Megan McCallister: HOLY COW! You have that much power!? That's amazing!

Sakura Shinju: And if you can destroy entire planets like that, then Storious is in deep shit trouble!

Stacy Storious: Yep.

Me: WHOA!

Gianna Kisaragi: I am known as Kamen Rider Apollo. My rider form is named after the Apollo Space Missions.

Me: That's very awesome and coincidental. When Kamen Rider Fourze came out it was to commemorate the 40th anniversary of the franchise as well as the 40th anniversary of the Apollo XI Mission landing on the Moon for the very first time.

Gianna Kisaragi: Yep and just like my hero Neil Armstrong.

Me: He will never be forgotten.

Poromon: May he rest in peace

Gianna Kisaragi: Yeah.

Me: But his legacy still lives on.

Nico: Yep.

Jinora Sakata: I go as Kamen Rider Celestial. I have all the powers of the stars, planets, galaxies, nebula and beyond and use them to defeat our enemies. The Astro Switches make awesome weapons for me too.

Me: That is awesome! The Astro Switches proved to be amazing at doing that for us too.

Qin: It's true.

Laney: Yeah!

Whenua: Also we defeated the Sagittarius Zodiarts and he is in the M.O.E.

Megan McCallister: And we destroyed Storious on my big day mission with the Saber Riders.

Touma: It's true.

Me: Those were so epic.

Qin: Yep.

Rarity: Lets get you some new clothes darlings.

The fashion brigade gave them new clothes. Stacy's clothes were red and she had a darkness scythe. Jinora's were blue and had a star sword and Ryusei gave her Rider Buckle and Astro Switch Meteor Galaxy device. And Gianna got yellow green clothes and a Fourze Rocket Sword and Gentaro gave her Rider Belt to her.

Gianna Kisaragi: We look amazing!

Stacy Storious: We sure do.

Nico: We're not done yet.

Me: Nope. We're on the swamp planet Criam and over the last 7 days we were battling scumbags from our pasts. Long story.

Lincoln: Lets get a move on! (Sensed for Amethyst Grapestorm) There! I found Amethyst Grapestorm just as the viewing window saw. (Sensed for Abby and Blair Sanchez) And I also spotted Abby and Blair Sanchez, they're 20 yards away near the location and they're trying to shoot the girl dead!

Me: Those fucking bitches!

We then took off into the air to rescue Amethyst Grapestorm and kill Abby and Blair Sanchez and send them to The Black Abyss forever!

We were flying in the air, and we saw the next girl, Amethyst Grapestorm, she was a cute purple-haired mega hot girl with green eyes and in quicksand, but then, we saw bullets being shot right at her and we saw our main targets: Abby and Blair Sanchez, the hate-filled bullies.

Abby Sanchez: STAY STILL! I'm gonna enjoy killing you, bitch, before you sink in quicksand, and once that shithead fuck Louds and all of Team Loud Phoenix Storm shows up along with those stupid Masters of Evil!

Blair Sanchez: WE WILL FUCK THEM ALL UP AND SPIT ON THEIR REMAINS!

Me: OH, FUCK YOU, YOU BITCHING BANSHEES!

I swooped in and pulled Amethyst Grapestorm out of the quicksand and went back up into the air.

Edd: "Eddy!" [He is propping up the two girls in a closed-off circle of land.] "This delicate procedure requires your assistance please!" [handing over a jar] "Hold this." [He uses two tongs to fish in the pockets of the girls.]

Abby: Uh what are you doing?

Blair: Yeah.

Eddy: "What's takin ya?"

Edd: "Back up! Back up!" [He drops the cheese chunks in the jar and shuts the lid. He then happily sniffs the air.] "Success."

Eddy: "Good! Now can you and Ed kiss and make up? 'Cause we got my retirement to think of!"

Ed: "Ah ha!"

[Ed steps up to them.]

Ed: "That's my lucky cheese chunks!" [He grabs the jar.]

Eddy: "We're never gonna get these frogs!"

Me: What frogs?

Eddy: Sorry reminds me of a scam we did.

Ed: "No go, Joe! It might spoil."

Me: Those chunks are ALREADY SPOILED YOU IDIOT!

[Ed pulls Edd off and unscrews the lid. Edd gets a blast of the stench right in the face.]

Me: OH GOOD GOD!

Edd: "DEFILED! SOILY! PROFANE!" [He falls to the ground gasping. Ed pulls out the Sheldon chunks and kisses them.]

Ed: [putting the Sheldon chunks in his pocket] "Home sweet home, huh Sheldon's?"

Edd: [after puking into a bag] "I can't take it anymore! I'm on the edge of solitary collapse!" [dramatic] "Too late. Everything's gone black! Black is the mold that permeates Ed's lucky cheese!" [He pulls out a pillow and faints onto it.] "Port ahead, brave friend. I'm sure–" [he coughs] "–I'm sure your Triple-E Frog Jumping Derby will do well with out me." [He clutches his heart and passes out.]

Me: Uh Double D? Don't you think you're overreacting? You did that scam a long time ago and it failed.

Edd: Oh sorry.

Jirachi sniffed it and he puked!

Jirachi: Oh man! That is terrible! I got this.

He used his powers and turned the cheese chunks into Soap!

Rayman fired a barrage of purple energy fists that attacked Abby and Blair Sanchez with swift fury and brutality, and we landed.

Me: You've got some fucking nerve showing your ugly faces here again, Abby and Blair Sanchez!

Lincoln: After everything you've done, I thought we were finally done with you banshees. But, it's clear you two were never going to learn.

Abby Sanchez: SCREW YOU! DIE!

Abby Sanchez got out a knife and tried to stab me with it, but I broke her wrist and smashed her face in with a punch to the face, and now, she was pissed and so was Blair!

Abby and Blair Sanchez: THAT'S IT! GET OUT HERE, BOYS!

Their thugs came out numbering in the septillions, and then, the septillions of thugs got out large endothermic needles and inside them were glowing purple and green serum and they stabbed them into their chests and injected the serum into them. Then, they growled in pain as hot fire coursed through their veins that started glowing green, and then, they fell to their knees as their muscles: both upper and lower body and nether regions started growing to enormous proportions and their shirts ripped off and they also gained twelve-pack abs and their pants were left as tattered shorts and they suddenly grew into gigantic 30'0" tall behemoths with extremely massive muscles and they roared and pounded their chests like a gorilla!

Lincoln and I morphed the tips of our 105 massive and long brown wolf tails into Cell's stingers and we stabbed them into the chests of the septillions of thugs, and we began absorbing them and we assimilated their newly gained extremely massive muscle mass, extreme superhuman strength, extreme superhuman stamina, extreme superhuman durability, extreme superhuman endurance, hardened muscular system, extreme levels of virility, and extreme levels of testosterone, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and Lincoln's massive white angel wings and 104 sets of large white angel wings underneath his massive white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on his 105 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed and he began growing even more stronger, and my abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed and my massive rainbow angel wings and 104 sets of large rainbow angel wings underneath my massive rainbow angel wings spread out and my large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind my head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on my 105 massive and long brown wolf tails and rainbow sun and moon tattoo on my bare chest glowed and I also began growing even more stronger.

Lincoln: (GROWLS) This feels incredible. RRGH!

Me: (GROWLS) Same here. RRGH!

At the same time, the thugs began shrinking in height and muscle mass as their newly gained extremely massive muscle mass, extreme superhuman strength, extreme superhuman stamina, extreme superhuman durability, extreme superhuman endurance, hardened muscular system, extreme levels of virility, and extreme levels of testosterone were being sucked out of them one at a time and was pumped into Lincoln and I.

Then, when Lincoln and I were done and the stingers changed back, nothing was left of the thugs except for their tattered pants, and Lincoln and I drained their souls of energy and they merged with us and we let out a loud and massive roar of dominance and power as we pounded our chests like two Alpha Male gorillas.

That alone pissed off Abby and Blair Sanchez big time!

Me: INCREDIBLE!

We all have our place

We can't make a rainbow without all the colors

And we can't make a friendship without one another

'Cause there is nopony quite like you

So let your magic run wild

You would spend your whole life shinin'

Let your magic run wild

Let your magic run wild

Let your magic run wild

Look at the night sky, filled up with stars

Each one is perfect, just as they are

But they're brighter together, each leaving their mark

So beautifully different, all lighting the dark

'Cause nopony sparkles quite like you, ooh

So let your magic run wild (now it's the time to light up the sky)

Let your magic run wild (now it's the time)

If you could only see everything you could be

You would spend your whole life shinin'

So let your magic run wild

Inside a rainbow sphere with intense flames and elemental forces, Posey Shy then underwent an intense and amazing transformation! Posey Shy had Rainbow Flame patterns and rings appear on her legs and obliques and rainbow sun and moon on her shirt and she also gained intense rainbow flame patterns and rainbow flowers on her forearms, she also got rainbow lines on her hair and tail. She then had her Cutie Mark change into many rainbow flowers, and her massive angel wings had intense rainbow fire on them.

SHE UNLOCKED HER RAINBOW POWER FORM! THE RAINBOW FLOWERS OF KINDNESS!

EVERYONE GASPED!

May: WHOA! WHAT POWER!

Fluttershy: Goodness! Mom did it, she unlocked her Rainbow Power!

Posey Shy: I did, sweetheart. Now, then.

She fired rainbow flowers at Abby and Blair Sanchez, and they got hit hard and their faces had red blotches.

Suddenly, we heard a loud howl, and we saw an army of 30'0" tall massive musclebound werewolves heading right for us.

Me: Crap! Werewolves!

Lincoln morphed the tips of his 105 massive and long brown wolf tails into Cell's stingers and he stabbed them into the chests of the massive army of werewolves, and he began absorbing them and he assimilated the werewolf army's extremely massive muscle mass, extreme superhuman strength, extreme superhuman stamina, extreme superhuman durability, extreme superhuman endurance, hardened muscular system, extreme levels of virility, extreme levels of testosterone, Superhuman Strength, Superhuman Speed, Superhuman Stamina, Superhuman Agility, Superhuman Durability, Superhuman Senses, Claws and Teeth, Infectious Bite, Scratch, and Bodily Fluids, Lie Detection, Empathy, Pain Transference, Memory Transference, Telepathy, Healing Factor, Regeneration, Eolas, and Ansin, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his massive white angel wings and 104 sets of large white angel wings underneath his massive white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on his 105 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Then, when Lincoln was done and the stingers changed back, nothing was left of the massive army of werewolves and Lincoln drained their souls of energy and sent them to The Black Abyss and he let out a loud and massive roar of dominance and power as he pounded his chest like a gorilla.

Eli: Seriously, who keeps on sending creatures after us?
